University of the West has made every effort to ensure the information in this catalog and other published materials is accurate. The university reserves the right to change policies, tuition, fees, and other information in this catalog, with prior approval from the WASC Senior College and University Commission (WSCUC) where applicable. University of the West strives to inform students and stakeholders of changes in a timely fashion, but reserves the right to make changes without notice.

Statements in the catalog are informational and should not be considered as the basis of a contract between students and University of the West. Policies included in the catalog are subject to change at any time. Students must adhere to all policies published in the current.

Degree requirements are specified in the catalog in effect during the first term of a student's program enrollment and remain applicable as long as the student maintains continuous enrollment in the program. However, academic programs are constantly evolving. While the university minimizes substantive changes for students with no break in enrollment, students should expect some curriculum and policy changes to occur throughout their studies.

If substantive changes are made to degree requirements in any program, students actively enrolled in that program may remain under their original catalog as long as they have no break in enrollment. They also have the option to adopt the degree requirements in the later catalog by submitting a request in writing to the Registrar's Office. Once made, this change is irreversible. Information regarding any changes in degree programs, graduation requirements, or academic policies is made available by the Registrar's Office and the appropriate academic departments.

University of the West is a private, non-profit campus founded by and affiliated with the Taiwan-based Humanistic Buddhist order of Fo Guang Shan. The university is accredited by WASC Senior College and University Commission (WSCUC). The University of the West name, abstract lotus logo, and calligraphic logo are copyrighted to the university. Additional information is available at our website, [www.uwest.edu](http://www.uwest.edu).

University of the West does not discriminate on the basis of sex, gender, age, race, color, religion, status as a veteran, physical disability, sexual orientation, gender identity, and/or national and ethnic origin in its educational programs, student activities, employment, or admission policies, in the administration of its scholarship and loan programs, or in any other school-administered program. This policy complies with requirements of the Internal Revenue Service Procedure 321-1, Title VI of the Civil Rights Act, and Title IX of the 1972 Educational Amendments as amended and enforced by the Department of Health and Human Services.

# Getting to Know UWest

---

# About UWest

University of the West was founded in 1990 by Venerable Master Hsing Yun, founder of the Fo Guang Shan Buddhist order. This year, the university celebrates thirty years of service as an innovative university dedicated to inspiring students to awaken their purpose while preparing them to meet the challenges of an increasingly complex and globally interdependent world. Situated at the center of cultural, spiritual, and intellectual exchange, UWest integrates liberal arts traditions with a global perspective to provide a unique student-centered educational experience informed by humanistic Buddhist values.

UWest is deeply committed to the interaction of diverse cultures and international perspectives. Students and faculty come together as a community of scholars participating in an ongoing dialogue to advance knowledge and address societal and cultural issues. UWest especially promotes education and understanding across the cultures of East and West.

While at UWest students acquire knowledge and skills to prepare them to achieve successful and purposeful lives after college. The UWest experience challenges them to become responsible and ethical global citizens. Students also enjoy rich and diverse opportunities for spiritual growth.

## Vision, Mission, and Values

### Vision

UWest will model whole-person education through engaged and interdisciplinary learning in all programs; an exceptional, caring faculty and staff who fulfill our unique mission; and service projects seeking to improve local and global communities. UWest graduates will practice social responsibility, value diversity, and pursue lifelong learning and spiritual growth. UWest will be a widely recognized name.

### Mission

The mission of University of the West is to provide a whole-person education in a context informed by Buddhist wisdom and values, and to facilitate cultural understanding and appreciation between East and West.

### Belonging

Belonging to a university community founded on Humanistic Buddhist principles means:

BECOMING people of strong character who behave ethically, cultivate awareness of self and others, and develop wisdom.

PRACTICING compassion and working with others to relieve suffering and promote equality.

BUILDING a sustainable community by embracing diversity and achieving harmony through common purpose.

### Character, Compassion, Community

In the profound tradition of our founder, Venerable Master Hsing Yun, University of the West is dedicated to the values of character, compassion, and community. The university is committed to graduating students with the knowledge and skills necessary to achieve their educational, professional, personal, and spiritual goals and to perpetuate the university's values as cornerstones in creating a better world.

# Institutional Learning Outcomes

To put the mission into action, the university community created three institutional learning outcomes.

- 
- |             |   |
|-------------|---|
| <b>Know</b> | Students integrate broad knowledge from across multiple academic disciplines, fields, and topics, demonstrate deep knowledge of their chosen profession or field of study, and apply their understanding of multicultural perspectives and practices. |
| <b>Be</b>   | Students embody a love of learning and articulate a personal mission based on an explicit values system that integrates a community identity with an ongoing cultivation of personal development.   |
| <b>Do</b>   | Students demonstrate mastery of core academic competencies, the ability to apply creatively the methods and practices of their chosen profession or field of study, and exemplify personal, professional, and social ethics                           |
- 

## Student Success At UWest

UWest believes that student success occurs when students acquire the skills and knowledge they need to be successful in their personal and professional lives, ethically self-reflect on their choices, engage in service to broader society, and embody the values of character, community, and compassion.

Student success is achieved when our students

- engage in academics, recognize and utilize the university's resources, and participate in university life.
- gain knowledge, skills, practical experience, and capacity for self-reflection and cultural appreciation, empowered to improve lives and benefit others.
- self-reflect in order to discover who they are, take ownership of their learning, and pursue their passions.
- enter professional life prepared to make unique contributions to their field of study and their communities.

UWest supports student success through a whole-person education that creates

- space for spiritual and personal development, active self-reflection, and exploration of diverse cultures and faiths alongside creative and engaging academic study.
- an inclusive, affirming, and supportive learning environment, fostering personal growth, career readiness, and community.
- rich opportunities and experiences that increase self-awareness and resilience, build healthy relationships, explore personal beliefs, and develop ethical values and social responsibility.

# Our Founder

Born in Jiangdu, Jiangsu Province, China in 1927, Venerable Master Hsing Yun is a widely respected advocate of Humanistic Buddhism. The Venerable Master went to Taiwan in 1949 where he later established the Fo Guang Shan order of Humanistic Buddhism. Fo Guang Shan, which translates as Buddha's Light Mountain, now has over 200 branch temples and associated centers and is one of the largest Buddhist organizations in the world.

The humanistic projects of Fo Guang Shan include a children's home, free medical clinics, a senior citizens' home, prison ministries, disaster relief, and other forms of community service. Fo Guang Shan also administers and sustains various cultural and educational endeavors including nursery schools, high schools, libraries, museums, colleges, and universities.

In 1962, Venerable Master Hsing Yun established the Tsung Ling Buddhist College at Fo Guang Shan, and subsequently developed fifteen other Buddhist colleges for the study of the Buddhist dharma and the education and development of monastics. Buddha's Light International Association (BLIA), was established in 1992. This independent organization is not associated with any one order or sect, but it takes much of its direction from Fo Guang Shan and the wisdom of the Venerable Master. This laity-based educational and service organization now has over 130 chapters with several million members in over 60 countries.

The establishment of post-secondary educational institutions combining Buddhist theory and practices with formal academic studies has been a lifelong commitment of Venerable Master Hsing Yun. This goal has been realized through the establishment of the Fo Guang Shan Consortium of Universities. University of the West, founded in 1990 and opening its doors in spring of 1991, was the first member, followed by Nanhua University in Jiayi, Taiwan in 1996, Fo Guang University in Ilan, Taiwan in 1999, and Nan Tien Institute of Higher Education in New South Wales, Australia in 2001. The newest member of the consortium is Guang Ming College in Manila, Philippines, established in 2014.

The universities combine Buddhist teaching and practice with academic disciplines and grant a variety of degrees from the bachelor's level through the PhD. All member institutions are connected to an extensive network of temple-sponsored research centers, where scholars from many countries engage in research projects.

In 1978 Venerable Master Hsing Yun founded Hsi Lai Temple in Hacienda Heights, California. The temple opened its doors to the public in 1988. Hsi Lai Temple is situated on 15 acres and includes ten major buildings, including the main shrine, library, auditorium, convention hall, exhibition hall, Buddhist art museum, memorial pagoda, and dining hall. Hsi Lai Temple is designed in the tradition of Chinese palatial architecture and is the most expansive Buddhist temple and monastic center in the Western hemisphere.

These connections and relationships all contribute to the unique educational experience that is UWest.

# History of the University

The founding of UWest was a pioneering effort among Chinese and American Buddhists to establish a Buddhist-affiliated university dedicated to providing a quality education based on American standards and traditions and informed by Buddhist wisdom. The university was incorporated as Hsi Lai University in 1990 by Venerable Master Hsing Yun and opened its doors in spring 1991.

For the first five years, the university's courses met in the classrooms of Hsi Lai Temple. In the summer of 1996 the university moved to the City of Rosemead, where it has become an independent institution of higher learning based on the model of a US university. The university maintains its close ties with Hsi Lai Temple, and the temple provides students the opportunity to participate in Buddhist practice and to observe the discipline and values of monastic life. The entire UWest community enjoys access to the temple's regular schedule of ceremonies, chanting services, festivals, lectures, and meditation programs. Students are encouraged to experience Buddhist religious life by joining in temple celebrations and ceremonies.

The university's original name, Hsi (West) Lai (to come) University, incorporates a designation for the transmission of Buddhist teaching ("Buddhadharma") to the West. The current name, University of the West, was adopted in April 2004.

Venerable Master Hsing Yun served as the university's president from its inception to the end of 1997. Beginning in 1998, he supported the WASC-SCUC accreditation process, successfully completed on February 16, 2006. He is the founding member and chair emeritus of the Board of Trustees.

The twentieth century witnessed a rising interest in Buddhism in the West. The university responded to this interest by providing advanced education in Buddhist thought and practice and by preparing Buddhists for leadership in the West. The Digital Sanskrit Buddhist Canon Project, the Center for the Study of Minority and Small Business, and the Institute for the Study of Humanistic Buddhism have also been established to further this mission.

Today, while continuing to fill this need in the Buddhist community, UWest serves students from all walks of life and faiths with its range of programs in Buddhist studies, comparative religions, chaplaincy, business, psychology, English, and liberal arts.

## Governance

UWest is a private, nonprofit, non-sectarian, co-educational university offering undergraduate, graduate, certificate, and continuing education programs consistent with the educational mission of California higher education degree-granting institutions. Organized under the Nonprofit Public Benefit Corporation Law of the State of California, UWest is not conducted for the private gain of any individual or institution.

Governance of the university lies in the hands of its Board of Trustees. The trustees select the president, oversee senior administrative and faculty appointments, monitor the budget, supervise the endowment, and protect university property. The Board of Trustees meets quarterly and has a diverse membership that includes trustees with expertise in finance, strategic planning, law, academics, administration, and Buddhist values and learning. All members are highly committed to the success and continued growth of UWest.

The university administration, led by the university president, manages day-to-day operations. This cadre of experienced executives, working with the accomplished faculty and staff, puts UWest's mission into action in curriculum, classroom, and campus community.

# Accreditation

UWest was granted accreditation by WASC Senior College and University Commission (WSCUC) on February 16, 2006. Accreditation assures that the quality of education students receive is on par with peer institutions in the region. WSCUC is the regional accrediting body for all major colleges and universities in California, Oregon, Washington, and Hawaii, including the University of California and California State University systems. Information about WSCUC is available at [www.wascseior.org](http://www.wascseior.org). Information about UWest's accreditation process is available at [www.uwest.edu](http://www.uwest.edu).

UWest is eligible to participate in US Federal Student Aid (Title IV) programs and is approved for Veterans Administration benefits.

Program-specific affiliations and approvals:

UWest's MA Psychology – Marriage & Family Therapy: The California Board of Behavioral Sciences has found UWest's MFT program to meet LMFT licensure requirements, pursuant to California Business and Professions Code (BPC) **S4980.36**, for students who began graduate studies on or after August 1, 2012.

Buddhist Chaplaincy and Buddhist Ministry: UWest holds Affiliate status with The Association of Theological Schools in the United States and Canada, but is not an accredited member of the Association. The Association of Theological Schools, the leading accreditor for Christian and Jewish theological schools, offers affiliate status to approved schools offering graduate theological degrees related to other faiths.

## About the Campus

UWest's spacious and tranquil ten-acre campus is located in Rosemead, California. The campus is situated on a hill with a panoramic view of the San Gabriel Valley and the San Gabriel Mountains. Nearby Whittier Narrows is a large regional park with recreation fields, walking and jogging trails, lakes, golf, and other activities. Southern California is well known for its many and varied cultural and entertainment opportunities, but the area also provides year-round adventure out of doors, including hiking, biking, camping, swimming, surfing, skiing, birding, and more.

The campus is located approximately 30 minutes from downtown Los Angeles and the resources of that great city. Beach cities, such as Santa Monica, Venice Beach, Newport Beach, and Huntington Beach, and ski areas, such as Snow Summit and Waterman are easy day trips from the campus. There are cultural resources such as concert halls, museums, libraries, and gardens throughout Southern California.

The community surrounding the campus offers a thriving economy with restaurants, shopping areas, and entertainment offered in a culturally diverse environment. On-campus housing is available and convenient, especially for those students coming from out of state and other countries. Students who prefer to live off campus will find abundant options. More information regarding housing both on and off campus is available from the Office of Residential Life.

Campus facilities include two main administrative and educational buildings, the university library, auditorium, student recreation center, dining hall, and two residence halls. The campus also features study rooms, a success center for tutoring and career counseling, lecture and seminar classrooms, smart technology classrooms, a wellness center, and computer labs. Recreational facilities include a swimming pool, spa, basketball court, gym, lounges, game room, fountain courtyard, and other open areas for recreation and relaxation.

Prospective students and visitors are encouraged to visit the campus. Parking is free in all lots on campus. The Office of Enrollment is open for walk-in inquiries Monday through Friday from 9:00 am to 5:00 pm and is happy to offer campus tours by appointment. Campus security includes an all-night security guard who makes regular rounds and monitors cars coming on and off campus. UWest is proud to serve the community as a disaster relief site in the event of earthquake, fire, or other natural disaster.

# Campus Safety

UWest takes the safety of the campus community very seriously. The university subscribes to the "community policing" model, which means that students, staff, and faculty are asked to help with campus safety and security issues.

Any member of the community who has concerns about their own safety or that of others should promptly report this to campus authorities. Reportable issues may range from facility maintenance issues to criminal activity on campus. A community member who observes a building and facility issue such as a broken door or leaking faucet should notify the General Services Department or any staff member.

Criminal activity on campus is rare, and UWest would like to keep it that way. A student who observes a potentially dangerous situation should immediately notify any member of the staff or faculty. In a case of imminent danger or when a life-threatening injury has occurred, a student should call 911 without delay.

Security patrols the campus from 4 pm to 7 am each weekday and 24/7 on weekends.

The Campus Receptionist, located in the main lobby, is on duty Monday through Friday during business hours and can access all departments as needed.

Residential Life staff and Campus Security are available when other offices are closed.

# Emergency Alert System

UWest's Emergency Alert System is used to send emergency notifications to the campus community via text and email. Students may register for this essential service by emailing the following information to [eas@uwest.edu](mailto:eas@uwest.edu):

1. Full legal name
2. Cell phone number and provider
3. UWest email address and/or personal email address

# Lewis R. Lancaster Research Library

The Lewis R. Lancaster Research Library supports the mission and vision of the university by providing quality services and excellent resources to meet the learning, teaching, and research needs of its community.

The library is located on the 1st floor of the Education building with a 100-seat capacity where students can study individually, in group study rooms, or at computer work stations. Graduate students have the option of reserving a seat and locker in the graduate study room each semester. The space is also equipped with printers, scanners, copiers, and smaller A/V items that can be lent.

The library holds items in many areas of study, such as religious studies, psychology, business, English literature and language, and general education. At the heart of the library's collection are its volumes of works focused on religious studies, with an emphasis on Buddhism. This includes over many sets of sutras (Buddhist scriptures) in various languages such as Chinese, English, Pali, and Sanskrit.

The library website connects students to local print and online resources via the library catalog and various academic databases. The library catalog is part of WorldCat, the largest bibliographic database in the world. It can provide access to local materials and search for items held by other libraries. This feature allows the library to actively participate in interlibrary borrowing and lending, providing interlibrary loan and document delivery services to UWest students while sharing UWest's specialized collection with other academic institutions. Students also have access to various academic databases, including collections from JSTOR and ProQuest. The website makes it easy to explore the library's services and resources whether students are on or off campus, and librarians are available to answer questions by chat, text, video, email and phone.

More information is available at [lib.uwest.edu](http://lib.uwest.edu).

## Technology Resources

The university network and internet access is a valuable resource shared by students, faculty, and staff and is primarily intended for academic use. University computers in the library and computer labs are provided for academic research and class assignments only.

Every new student is provided with a user name and password enabling wireless internet access campus-wide and an individual account to access the internet from the computer laboratory and library workstations. Access is set up during new student orientation, and renewed automatically each semester that the student is enrolled. Once students receive their .edu email accounts, all communications to and from the university should be sent solely through those accounts.

Students connecting to the university's system through personal devices or on university equipment are expected to comply with UWest's published Information Technology and Bandwidth Utilization policies at all times. Any abuse of internet privileges may result in temporary loss of privileges. Using university resources, including network and equipment, for non-university business or for any unauthorized or illegal purpose is strictly prohibited.

Students may visit the IT department, located on the second floor of the Education building, with any IT-related questions and for assistance in setting up email and internet access.

## Student Email

Communication is a critical tool in education. To facilitate communication, every UWest student is assigned a university email address. This email address is used for all official email communication. Prior to admission a personal email address may be used to correspond, but once a student has enrolled only the UWest email account will be used by the university. Students are responsible for all notifications sent to their UWest email account and should be sure to check this account regularly.

Instructions to activate this account are sent along with each student's invitation to UDays New Student Orientation. The Information Technology Help Desk assists students who have difficulties with their accounts.

# Religious Life & Practice

As a Buddhist-affiliated university with a mission to provide a whole-person education in a context informed by Buddhist wisdom and values, religious life and spiritual practice are important aspects of the UWest experience. However, UWest does not mandate any specific religious courses, programs, or worship, welcoming people of any religion, creed, or worldview. As a result, UWest students, faculty, and staff represent a wide variety of faiths, including those with no religious or faith affiliation.

Students are encouraged to combine moral and religious practice with their academic studies as a foundation for intellectual and spiritual well-being. Many opportunities and resources for religious practice are available both at the Rosemead campus and at Hsi Lai Temple. The meditation center on campus is open to faculty, staff, and students. Several student-led groups help shape religious life on campus, including the Chaplaincy Club and the Contemplative Council. These groups hold meditation events, interfaith, ecumenical Buddhist and traditional Buddhist services, ceremonies, rituals, talks, academic lectures, exhibitions, and charity and service opportunities on a regular basis. Student groups also frequently visit local religious sites such as churches, synagogues, mosques, Buddhist retreat centers and monasteries, and Buddhist, Jain, and Hindu temples.

Hsi Lai Temple is a functioning monastery and part of a Buddhist monastic community (Fo Guang Shan) with temples and centers worldwide. The temple is a magnet for religious leaders from around the world. Visits to the temple provide students with an opportunity to benefit from teachings otherwise inaccessible. Because the connection between university and temple includes the presence of monastics and exchange students from other parts of the world, students are provided with a rich opportunity for friendships and cross-cultural exchange as well as academic and religious instruction. The UWest campus welcomes monastics and clergy from different Buddhist traditions and other faiths. Opportunities are ample for students of the university to become immersed in Buddhist thought and practice through programs at the temple, including participation in short-term monastic retreats for lay persons, meditation classes, Humanistic Buddhism workshops, Buddhist chanting, community service, and similar activities.

UWest also partners with other local religiously affiliated schools to offer interfaith programming and events such as Buddhist-Christian dialogue, interfaith musical celebrations, visiting lecturers, and shared holiday services.

# Graduate Culture at UWest

UWest offers a vital intellectual and social culture to support graduate students with classroom work and research, as well as enhance professional and personal development. Graduate culture at UWest forms a community of the mind and heart that is knowledge based and relationship rich. This creative and intellectual culture is rooted in a dynamic network of exchanges among faculty, students, and invited scholars in the field. Faculty members serve as advisors, mentors, and sponsors who offer essential information and experiences, provide resources, model academic/professional behavior, and leverage connections within their academic fields in the forms of internships and field placements.

Chaplaincy students provide weekly meditation instruction for staff and patients and their families at the Children's Hospital of Los Angeles. Business Administration students provide pro bono tax preparation service to the community through the IRS VITA program. Students also participate in research conferences held at UWest, such as the International Conference on Pacific Rim Management. The Psychology Department relies upon a cohort model to foster trust, cohesion, and cooperation in which its students are acculturated to graduate studies, Western graduate practice and standards, and the profession of MFT; students then demonstrate their UWest character and therapeutic skills in supervised clinical practice at community agencies. PhD students in Religious Studies have the opportunity to enroll in a teaching practicum that can lead to teaching undergraduate courses as training for a career in higher education. Seminars dedicated to dissertation writing for doctoral students and informal workshops on PhD preparation for MA students in Religious Studies provide supportive structures for student well-being and success. This is just a sampling of the rich graduate culture that informs a UWest graduate education.

UWest graduate students generate innovative ideas, professional passion, and creative scholarship, resulting from ongoing engagements with the field and interdisciplinary issues. As a result of numerous cultural opportunities that enrich students' academic knowledge and offer real-life experience in professional settings, graduate students at UWest are well prepared to face a rapidly changing world in ways that result in personal satisfaction, professional advancement, and responsible global citizenship.

# Student Activities

A range of activities that enhance learning as well as physical and mental well-being are available to students outside the classroom. These co-curricular activities include lectures, concerts, seminars, non-credit classes, religious celebrations, observances, and dharma classes at Hsi Lai Temple, to name a few. Recreational facilities are available for students, staff, and faculty, including a swimming pool, spa, basketball court, fitness center, and recreation center.

The university, through the Office of Student Life, regularly hosts community-wide events, inviting students, staff, and faculty to join together in celebration of holidays such as New Year's Day, Lunar New Year, Moon Festival, Halloween, Dia de los

Muertos, Thanksgiving Day, and Christmas. Additional student activities are organized by student-led clubs and UWest Student Government (UWSG), including social gatherings, recitals and rehearsals, hiking, travel and sightseeing in the local area, temple and monastery visits, meditation events and dharma talks, interfaith religious services, exercise and fitness activities, cooking lessons and groups, games and competitions, picnics, lectures, student forums, study groups, and many other activities and events. There is always something to do at UWest.

## Student Government

University of the West Student Government (UWSG) is the official UWest student governing body and is an incorporated 501(c)(7) nonprofit organization in the State of California. UWSG includes all students currently enrolled in UWest classes who have paid the mandatory UWSG fee.

The fee is used to support the activities and events of the UWSG and sponsored student clubs (see below). UWSG is not an official department or branch of University of the West. Its opinions and activities are its own, and its relationship with UWest is governed by a memorandum of understanding.

UWSG leaders are elected once a year from the student body and include Officers, Senators, and Delegates. These leaders oversee the daily operations of UWSG, plan special events, and represent the student voice to the university administration. UWSG encourages all students to become involved in UWSG affairs and operations by attending the regular assembly meetings. UWSG operates on an open-consensus model, meaning any student can bring forth any issue at any time and decisions are made by consensus. Information about UWSG is available at [www.uwsg.org](http://www.uwsg.org).

UWSG is pleased to provide a student advocate to any student upon request. Advocates are senior students familiar with university policy and procedure who can help fellow students when questions, issues, problems, or grievances arise. Students should contact the UWSG Vice President or other officer for further information.

## Student Clubs

Student clubs are an excellent way to explore academic, professional, social, cultural, recreational, spiritual, and community service interests. Recognized student clubs are facilitated through the Office of Student Life. Currently enrolled students who share a common goal or interest may form a club by submitting the necessary forms and agreeing to follow established guidelines for student clubs.

Through participation in clubs, students not only have a great time but also develop interpersonal, organizational, and leadership skills in a challenging and supportive environment. Information about active student clubs, forms, instructions on how to create a new student club, and information on club funding are available at [www.uwest.edu](http://www.uwest.edu) under Student Life.

# Admissions

---

# Admissions Policy

University of the West offers a diverse and inclusive learning community and welcomes applications from all individuals. Students are admitted based on their academic achievement and potential. The university does not discriminate based upon race, ethnicity, gender, sexual orientation, faith, religion, political views, disability, veteran status, or any other classification.

The application process is fully online. Prospective students may contact the Enrollment Office for assistance throughout the process. Completed applications for admission should be submitted on or before the application deadlines published below. Deadline extensions may be requested from the Enrollment Office.

All material submitted as part of the application process becomes the property of the university, and cannot be returned to the applicant or forwarded to a third party for any reason. Applications and supporting documents from applicants who do not enroll are securely maintained for a period of two years, after which they are destroyed.

University of the West is authorized to accept international students. Application requirements for students who plan to attend on an F-1 visa are found in the International Students section of this catalog.

All instruction at University of the West is in English, and proficiency in English is essential for academic success. Therefore, verification of English proficiency is required for applicants whose prior education was completed in a country where English is not the official language and common in daily use. This requirement is applicable to all programs except the Intensive English and the English Conversation and Culture programs. English proficiency requirements, including minimum TOEFL and IELTS scores and guidelines for waivers, are found in the International Students section of this catalog.

Applications are submitted online at [www.uwest.edu](http://www.uwest.edu). UWest accepts the Common Application.

Applications received after the deadline may result in a delay in the admission decision for the intended term. More information is available from the Office of Admissions.

*International Applicant Deadline:* International applicants must have a valid F-1 visa to attend UWest. Those who will not be transferring a current F-1 visa from another college will need to apply to UWest at least three months in advance of their intended start date to allow time for the visa approval process. Students applying for F-1 visas should check the International Student Services page on the UWest website, [www.uwest.edu](http://www.uwest.edu), for information on the visa application process.

## Terms of Admission

Admission to the university is selective. While all qualified applicants will be reviewed for admission, the university does not guarantee admission even if all requirements are met. It is important that applicants provide accurate and complete information on the application. An incomplete or inaccurate application, including inaccuracies or omissions in disclosure and documentation of prior education, may delay the admission decision, and possibly result in denial of admission. Specific admission requirements for each degree level and program are provided in the following pages.

All offers of admission are conditional until the applicant has formally notified the university of their intention to attend and has submitted all required official documentation. Official documents, including final transcripts and diplomas, must be received by the Office of Admissions prior to the first day of class. These documents will be compared to any unofficial documents submitted for review during the admission process. If discrepancies are identified, admission may be revoked.

Once admitted, an applicant may defer admission one time only by notifying the Office of Admissions in writing at least four weeks before the semester indicated on the application begins. In this case, the original application and application fee will be applied to the subsequent period of enrollment. If a deferral is not requested or if the applicant chooses to defer admission again, a new application and application fee is required.

UWest values integrity and character. Applicants must understand that submission of false information or documents will result in denial or reversal of admission.

# Undergraduate Admission

Admission to the university's undergraduate degree and certificate programs is selective. While all qualified applicants will be reviewed for admission, admission is not guaranteed even if university requirements are met. To be considered for admission, high school applicants to the Bachelor of Arts and undergraduate-level certificate programs must submit official proof of graduation from high school or successful completion of its equivalent (e.g., GED), with a cumulative grade point average of 2.5 or higher.

Applicants who have graduated from high school and who have completed fewer than 24 semester units of substantive college credit at an accredited college or university will have those units included in the calculation of the cumulative grade point average required for admission. Applicants who have completed 24 units or more of substantive college credit are considered transfer students and will be admitted based on their college GPA. They should review the requirements listed under Transfer Student Application Requirements which follows this section.

Applicants must submit an official transcript from every school, college, and university attended. A certified literal translation in the original format is required for all documents not issued in English. UWest may allow an applicant to submit original certified copies of official academic records from non-US institutions in special situations.

International applicants planning to attend on an F-1 student visa are required to submit additional documentation and should follow the requirements listed in the International Students section of this catalog to avoid processing delays.

All instruction at University of the West is in English, and proficiency in English is essential for academic success. Therefore, verification of English proficiency is required for all applicants whose prior education was completed in a country where English is not the official language. English proficiency requirements, including minimum TOEFL and IELTS scores and guidelines for waivers, are found in the International Students section of this catalog.

The Enrollment Office is available to answer any questions about the application process as well as the status of submitted applications.

UWest highly values integrity and character. Applicants should be aware that plagiarism and/or submission of falsified documents will result in denial of admission.

## Early Admission

High school seniors are eligible to apply for an early admission decision. Conditional admission may be granted to those who qualify, based on the applicant's transcript to date. An official copy of the final transcript showing proof of graduation and cumulative GPA sufficient for admission must be submitted prior to the first day of classes.

Applicants for early admission should be sure to select University of the West as a college of choice for the Common Application and Free Application for Federal Student Aid (FAFSA).

Early admits are invited to participate in UWest's Bridge to University during the summer prior to their official fall start at UWest. Details about this program are available from the Enrollment Office.

# Application Requirements: Undergraduate Degree Programs

## 1. Online Application for Admission

Access application at [www.uwest.edu](http://www.uwest.edu). Common Application is accepted.

When filling out the online application, students should be prepared to upload the following:

- A. 400- to 500-word original personal essay as specified on the Application for Admission.
  - I. This essay must be the applicant's own work.
- B. High school transcript showing proof of graduation or the equivalent.
  - I. Students applying while still enrolled in high school submit current high school transcript. An official copy of the final transcript indicating graduation is required prior to the first day of class.
  - II. Transfer Students: high school transcript not required if 60 semester/90 quarter units of substantive, degree-applicable credit has been earned at an accredited college with a cumulative GPA of 2.0 or higher (see Undergraduate Transfer Students below).
- C. Transcripts from all colleges and universities previously attended (if any).
- D. Copy of all the following documents. Please copy both front and back of cards:
  - I. Legal Photo ID. Accepted ID: driver license, state-issued ID, passport
  - II. Social Security card (if any)
  - III. Permanent Resident card (if applicable)

## 2. Application Fee

\$ 50	Domestic Application
\$100	International Application

## 3. Official Documentation

Applicants may be conditionally admitted based upon unofficial documents. Official documents must be submitted directly to the university prior to the first day of classes. Digital transcripts are accepted through authorized channels.

- A. Official high school transcript showing proof of graduation or the equivalent; not required for transfer students who have earned an AA/AS degree or higher or have been granted 60 units of transfer credit.
- B. Official transcripts from all colleges and universities previously attended (if any).
- C. Certified/official copies of degrees/diplomas earned, if awarded outside the US.

Application requirements are also available online at [www.uwest.edu](http://www.uwest.edu).

# Undergraduate Transfer Students

Applicants who have earned a minimum of 24 semester/30 quarter units of substantive coursework at an accredited university or college are considered transfer students. Transfer students who have earned a cumulative college GPA of 2.0 or higher will be considered for admission.

Undergraduates transferring from other colleges or universities should follow the Application Requirements provided above:  
Exception: Applicants who have earned at least 60 semester/90 quarter units of substantive, degree-applicable college credit at an accredited college with a minimum cumulative gpa of 2.0 are not required to submit a high school transcript.

Transfer students holding an active F-1 visa should see the international student office at their current institution to initiate the transfer of their I-20 to UWest.

## Associate Degree for Transfer (ADT)

UWest is an official partner with the California Community Colleges in the Associate Degree for Transfer (ADT) program. Students who have earned an ADT are guaranteed admission to UWest. The ADT program not only ensures admission, but also maximizes applicability of coursework.

Students who complete their ADT in one of UWest's approved programs, Business Administration and Psychology, are positioned to complete their bachelor's degree in just two years of full-time study at UWest. Students who complete an ADT in a program not aligned with one of these majors may maximize the transferability of their units by majoring in Liberal Arts here at UWest. This elective-based program gives students the flexibility of creating a personally developed concentration to fit their future goals.

ADT applicants are eligible to transfer up to 70 semester units of credit towards the associated program at UWest, subject to minimum grade requirements. Credit varies by program, and is contingent upon submission of an official transcript showing the award of the approved ADT and final grades.

## Transfer Credit

Applicants who have attended accredited colleges or universities in the US may be eligible for transfer credit. UWest also grants credit based on transcripts from government-recognized or accredited colleges and universities outside of the US. These applicants should submit a literal translation in the original format of the transcript and diploma issued by an appropriate agency, in addition to official transcripts and graduation documents. Applicants may be required to provide course outlines or syllabi to facilitate evaluation.

Applicants should request an evaluation through their enrollment counselor prior to scheduling classes and may be asked to provide a catalog or course syllabi if needed to facilitate the evaluation process. While a preliminary evaluation may be based on unofficial transcripts, no credit will be granted until official documents are received by the Registrar's Office and the applicant has enrolled. Applicants are responsible for the submission of official transcripts from all colleges and universities previously attended prior to their first day in class.

Transfer credit is not granted for correspondence courses, life or work experience, intern- or externships, or thesis research and is not applicable to non-degree and certificate programs.

Generally, UWest will evaluate transcripts when applicants have been admitted to the university and have supplied all required official documents. However, an exception may be granted for a potential applicant who would like an unofficial evaluation prior to making the decision to apply to UWest. The enrollment counselor will facilitate requests for a preliminary estimate of credit. Actual credit is not awarded until the applicant enrolls and official documentation has been received.

All transcripts must be submitted to the Enrollment, Admissions, or Registrar's Office. Transcripts submitted to any other department, including department chairs, may not be accepted as official.

# Undergraduate Transfer Credit Guidelines

Up to 90 semester units of applicable credit, including credit applied toward minor requirements, may be granted towards the 120-unit bachelor's degree. No more than 70 of the 90 units may be awarded for lower division coursework, including all courses completed at two-year institutions such as community colleges. This maximum includes all AP, CLEP, IB, proficiency, and military training credit granted.

To be considered for credit, coursework must be:

1. earned at an accredited college or university
2. degree applicable at the issuing institution
3. completed with a minimum grade of C (2.0)
4. equivalent in content and credit to a specific UWest course or applicable to a defined categorical requirement.

Coursework that meets 1 – 3, but does not meet 4 may be considered for general elective credit if the applicant enrolls in a program that includes this requirement. Courses completed five years or more prior to enrollment at UWest will be reviewed by the admitting program chair for relevance to current curriculum. No more than 3 units of physical activity coursework (e.g. PE) and 12 units in applied arts coursework may be accepted for credit.

Applicants who are enrolling in a second bachelor's degree at UWest may be eligible for a waiver of UWest's 51-unit general education requirement if the prior degree was awarded by a regionally accredited institution. The evaluator will determine if the previous degree included at least 28 semester units of transferable coursework evenly distributed in general education. If so, the student may be allowed to fulfill any remaining general education unit requirement through the transfer or completion of elective credit.

Students who anticipate transferring to a UWest undergraduate degree program after attending another college or university may position themselves for maximum transferable credit by pursuing a liberal arts curriculum that parallels UWest's general education requirements. If attending a California community college, students should select general education courses that meet requirements for California State University (CSU) or Intersegmental General Education Transfer Curriculum (IGETC) certification or are marked as transferable to CSU/UC.

Successful completion of an approved ADT or CSU or IGETC certification prior to enrollment will fulfill the general education requirement at UWest with the exception of 9 units of upper division coursework. Any remaining general education unit requirement may be fulfilled through elective credit.

## Other Credit

UWest also grants undergraduate credit for selected Advanced Placement (AP), College Level Examination Program (CLEP), and International Baccalaureate (IB) Diploma Program courses, as appropriate to the intended program of study.

To qualify for AP credit, the applicant must have successfully completed both the course and corresponding exam. Both the official high school transcript showing a minimum grade of C in the course and the official College Board score report showing a passing score of 3 or higher on the corresponding exam are required before courses may be approved for credit.

Applicants are eligible for IB credit based upon higher level courses and exam results of 5 or higher. Credit will be granted upon receipt of official transcripts.

CLEP results will be reviewed for appropriate credit upon receipt of official College Board score reports.

## Military Training Credit

US Veterans may be eligible for undergraduate transfer credit based on their military training. An official ACE Net transcript must be submitted for evaluation. Details on ordering a transcript are available at [www.acenet.edu](http://www.acenet.edu).

## 2. Application Fee

\$ 50	Domestic Application
\$100	International Application

## 3. Official Documentation

Applicants may be conditionally admitted based upon unofficial documents. Official documents must be submitted directly to the university prior to term start.

Transfer credit and prior experience are not applicable to certificate enrollments.

Application requirements are also available online at [www.uwest.edu](http://www.uwest.edu).

# Graduate Admission

Admission to graduate degree and certificate programs is selective and program-specific. All qualified applicants will be reviewed for admission. However, admission is not guaranteed even if university and program-specific requirements are met. Admission requirements vary between programs and admission to one program does not guarantee admission to any other program.

Applicants to UWest's graduate degree and certificate programs must provide official proof of completion of a bachelor's degree from an accredited college or university or a comparable non-US institution with a minimum cumulative grade point average as indicated in the chart below. Some programs and certificates also require completion of a master's degree. Applicants should carefully review the included list showing specific criteria for admission by program.

Applicants must submit an official sealed transcript from every college and university attended, including all levels of study. A certified literal translation in the original format is required for all documents not issued in English. UWest may allow an applicant to submit original certified copies of official academic records from non-US institutions in special situations.

Admission to University of the West's graduate degree programs is based on a holistic review of the applicant's file. Applicants who do not meet the minimum undergraduate GPA requirement but who are otherwise a good fit for the program of interest are encouraged to apply for an exception. All aspects of the application, such as prior undergraduate and graduate study, letters of recommendation, statement of purpose, work experience are all factors in the admission decision. Some departments also require an interview.

## Minimum Undergraduate GPA for Admission

MBA, Professional MBA, Business Certificates	2.50
MA Religious Studies	3.00
MA Psychology	3.00
MDiv Buddhist Chaplaincy	3.00
DBMin Buddhist Ministry	3.00
PhD Religious Studies	3.00

UWest highly values integrity and character. Applicants should be aware that plagiarism and/or submission of falsified documents will result in denial of admission.

International applicants planning to attend on an F-1 student visa are required to submit additional documentation and should follow the requirements listed in the International Students section of this catalog to avoid processing delays.

All instruction at University of the West is in English, and proficiency in English is essential for academic success. Therefore, verification of English proficiency is required for all applicants whose prior education was completed in a country where English is not the official language and in common usage. English proficiency requirements, including minimum TOEFL and IELTS scores and guidelines for waivers, are found in the International Students section of this catalog.

The Enrollment Office is available to answer any questions about the application process as well as the status of submitted applications.

## Psychology

---

Master of Arts

**Statement of Purpose:** Two written statements are required:

1. Autobiography (200-250 words)
2. Personal Statement addressing the question "Why Marriage and Family Therapy at UWEST?" (450-500 words)

**Interview:** Admission may require an in-person or telephone interview at the discretion of the department chair.

**Additional Document:** Curriculum vita is optional but recommended.

## Religious Studies

---

Master of Arts

**Prior degree requirement:** Graduates with traditional bachelor's degrees and graduates of recognized Buddhist colleges are eligible to apply to the Master of Arts in Religious Studies.

Doctor of Philosophy

**Prior degree requirement:** Applicants must have a master's degree in Religious Studies, Theology, Chaplaincy, Philosophy, or the equivalent. If this criterion is not met, the student cannot be admitted into the PhD program, but may be eligible to apply to the MA program.

**Statement of Purpose:** The statement should address the applicant's proposed area of research, his or her academic preparation to engage in such research, and the ways in which the program will further the applicant's scholarly and professional goals.

**Letters of Recommendation:** At least two of the letters of recommendation must be from qualified scholars at recognized educational institutions.

**Thesis:** A copy of the student's MA thesis, if applicable.

## Graduate Transfer Credit Guidelines

Applicants who have attended accredited colleges or universities in the US may be eligible for transfer credit. UWest also grants credit based on transcripts from government-recognized or accredited colleges and universities outside of the US. In addition to official transcripts, these applicants should submit a literal translation in the original format of the transcript and diploma issued by an appropriate agency. Applicants may be required to provide course outlines or syllabi to facilitate evaluation.

Transcripts submitted for admission to a graduate program will be evaluated by the department chair during the student's first year of study at UWest. An evaluation of transfer credit will be prepared only after all official transcripts have been received. It is the applicant's responsibility to see that all transcripts are received by the Registrar's Office.

Applicants must be in good standing at the transferring institution.

To be considered for credit, coursework must be:

1. earned at an accredited college or university
2. graduate-level and degree applicable at the issuing institution
3. completed with a minimum grade of B (3.0)
4. equivalent in content and credit to a specific UWest course or applicable to a defined categorical requirement.

The maximum number of units that may be accepted is based upon the level of study:

Master's Degree 6 semester units

Doctoral Degree 30 semester units

# Readmission & Reentry to a Degree or Certificate Program

Degree and certificate students who are returning to complete their program after a break in enrollment fall into two categories—Readmission or Reentry. Graduates who wish to enroll in a subsequent degree or certificate should follow the application process for new students.

Students who are granted reentry or readmission are subject to continuing student deadlines, such as registration and payment.

## Readmission

### **Break in enrollment of two or more consecutive terms (excluding summer session)**

Students apply for readmission through the Office of Enrollment.

#### **Application for Readmission Requirements**

1. Application for Readmission Fee:  
\$50 Domestic Students  
\$100 International Students
2. Completed and signed Application for Readmission, available from the Enrollment Office;
3. Statement explaining the reason for break in enrollment;
4. Official transcripts for any coursework completed at another institution while not in attendance at UWest;
5. If on an F-1 visa, approval from the International Student Office;
6. Other documents as requested by the Enrollment or Records Office.

Students who are readmitted must meet the admission and program requirements in effect at the time of readmission.

Readmission after a break of four years may require full documentation. In addition, coursework completed under the prior enrollment must be reviewed by the department chair for applicability to current degree requirements.

## Reentry

### **Break in enrollment of less than two terms (excluding summer session)**

Students submit a Reentry form to the Registrar's Office, available on the UWest website and from the Registrar's Office. Students returning after a break of less than two terms are eligible to return under their prior catalog.

## Returning After Administrative or Academic Dismissal

Students seeking readmission or reentry after an administrative or academic dismissal must obtain approval from the Chief Student Services Officer in addition to the requirements above. These students should contact the Registrar's Office for assistance. More information is provided in the Academic Progress and Policy section of this catalog.

# Intensive English Program (IEP) and English Conversation & Culture (ECC)

Applicants to the Intensive English Program (IEP) and English Conversation and Culture (ECC) Program must provide proof of graduation from a US high school or the equivalent. Applicants who have not graduated from high school must be 18 years of age or older and may be considered for admission on a case-by-case basis.

International applicants planning to attend the IEP program on an F-1 student visa must follow the admission requirements listed in the International Students section of this catalog to avoid processing delays.

Enrollment in the ECC program does not meet the requirement for F-1 visa holders, but is open to all other students, including travelers on visitor visas.

The Enrollment Office is available to answer any questions about the application process as well as the status of submitted applications.

UWest highly values integrity and character. Applicants should be aware that submission of falsified documents will result in denial of admission.

## IEP/ECC Application Requirements

### 1. Online Application for Admission.

Access application at [www.uwest.edu](http://www.uwest.edu).

When filling out the online application, students should be prepared to upload the following:

A. College transcript showing highest degree earned.

- If no degree has been earned, submit most recent college transcript.
- If no previous college experience, submit high school transcript.
- A certified literal translation in the original format is required if documents are not issued in English.
- *ECC Enrollment:* No transcripts are required

B. Copy of the following documents. Please both front and back of cards:

- I. Legal Photo ID. Accepted ID: driver license, state-issued ID, passport
- II. Social Security card (if any)
- III. Permanent Resident card (if applicable)

### 2. Application fee \$50 Domestic Application

\$100 International Application

### 3. Official Documentation

Applicants must have the following documents submitted directly to the university prior to term start.

A. Official copy of transcript submitted under requirement 1.A. above.

Application requirements are also available online at [www.uwest.edu](http://www.uwest.edu).

# Open Enrollment

Open Enrollment is offered to all learners. Applicants must be 18 years of age or provide official proof of high school graduation. Participation in Open Enrollment does not constitute admission to the university. The chair's approval is required for enrollment in graduate coursework or in undergraduate courses with prerequisite requirements.

## Application Requirements

1. Online Application for Admission Access application at [www.uwest.edu](http://www.uwest.edu). When filling out the online application, students should be prepared to upload the following:
  2. Copy of Legal Photo ID. Copy both front and back of ID.
  3. If under age 18, copy of high school diploma showing proof of graduation.
    - A certified literal translation in the original format is required if document is not issued in English.

Open Enrollment students may continue under the original application until there is a break in enrollment. To return after a break in enrollment, students submit a new Application for Enrollment.

# Community Education

UWest is pleased to offer education for everyone through Community Education. A selection of workshops and lectures are offered each term to the wider community. Registration is easy, cost is low, and students have access to real-time class sessions and/or online video lectures. Community Education workshops and lectures are provided on a no-credit basis. Participants interested in taking a class for college credit should register through [Open Enrollment](#).

Participants under 18 years of age must present proof of high school graduation or provide parental/guardian approval.

## Application Requirements

1. **Community Education Application**  
Access application at <https://www.uwest.edu/community-education/>
2. **Payment**  
Payment is due when the application is submitted.

An application is required for each term attended.

# International Students

---

The International Student Services Office (ISS) houses the International Student Advisor, who is recognized by the US government as the Designated School Official (DSO) for the campus. The DSO assists international applicants and students with all issues related to their status as F-1 visa holders in the United States.

The DSO provides and maintains I-20 records in the SEVIS system; helps students with Curricular Practical Training (CPT) and Optional Practical Training (OPT) applications; prepares documentation for travel purposes as well as for a variety of agencies such as Department of Homeland Security, Department of Motor Vehicles, and Social Security Administration; and advises students on maintaining legal status. The DSO also collaborates with colleagues campus-wide to enhance cross-cultural communication and appreciation among students, faculty, and staff.

Over the course of their studies at UWest, F-1 students build a relationship with their DSO. International students should make it a habit to check in with the International Student Advisor/Designated School Official at least once per semester.

## International Student Admission

UWest welcomes international students to all programs. International students comprise a significant population on campus and include those who hold temporary non-immigrant visas. International students must meet some specific admission requirements in addition to those listed under Admissions in this catalog. Verification of both English proficiency and adequate financial resources is required. Specific guidelines are listed below.

International students are required to submit current evidence of sufficient funds to cover the living and education expenses on a full-time basis for one academic year (nine months); IEP applicants must show sufficient funds for one semester (four months). If the student is financially sponsored by a third party, the sponsor must complete the Financial Sponsor Agreement Form and attach the sponsor's bank verification. Required funding levels are listed in full on the UWest Application for Admission and the IEP Fees and Financial Certification form. Both forms may be downloaded from the Admissions page at [www.uwest.edu](http://www.uwest.edu) or may be requested from the Office of Admissions.

All financial documents in any language other than English must be translated by a certified translator.

Admission to UWest is selective. All qualified applicants will be reviewed for admission. However, admission to the university is not guaranteed.

F-1 students transferring to UWest should be in good standing at their current institution. Those currently studying on an F-1 visa should see the international student office at their current institution to initiate the transfer of their I-20 to UWest.

## Deadlines for Applications

The following deadlines for application apply to all international (F-1) applicants:

#### B. Signed Transfer Release form. This form is submitted after applicant is accepted to UWest.

#### C. Copy of F-1 visa.

# Undergraduate Admission

Admission to the university's undergraduate degree and certificate programs is selective. While all qualified applicants will be reviewed for admission, admission is not guaranteed even if university requirements are met. To be considered for admission, high school applicants to the Bachelor of Arts and undergraduate-level certificate programs must submit official proof of graduation from high school or successful completion of its equivalent (e.g., GED), with a cumulative grade point average of 2.5 or higher.

Applicants who have graduated from high school and who have completed fewer than 24 semester units of substantive college credit at an accredited college or university will have those units included in the calculation of the cumulative grade point average required for admission. Applicants who have completed 24 units or more of substantive college credit are considered transfer students and will be admitted based on their college GPA. They should review the requirements listed under Transfer Student Application Requirements which follows this section.

Applicants must submit an official transcript from every school, college, and university attended. A certified literal translation in the original format is required for all documents not issued in English. UWest may allow an applicant to submit original certified copies of official academic records from non-US institutions in special situations.

International applicants planning to attend on an F-1 student visa are required to submit additional documentation and should follow the requirements listed in the International Students section of this catalog to avoid processing delays.

All instruction at University of the West is in English, and proficiency in English is essential for academic success. Therefore, verification of English proficiency is required for all applicants whose prior education was completed in a country where English is not the official language. English proficiency requirements, including minimum TOEFL and IELTS scores and guidelines for waivers, are found in the International Students section of this catalog.

The Enrollment Office is available to answer any questions about the application process as well as the status of submitted applications.

UWest highly values integrity and character. Applicants should be aware that plagiarism and/or submission of falsified documents will result in denial of admission.

## Early Admission

High school seniors are eligible to apply for an early admission decision. Conditional admission may be granted to those who qualify, based on the applicant's transcript to date. An official copy of the final transcript showing proof of graduation and cumulative GPA sufficient for admission must be submitted prior to the first day of classes.

Early admits are invited to participate in UWest's Bridge to University during the summer prior to their official fall start at UWest.

Details about this program are available from the Enrollment Office.

# Application Requirements

1. Online Application for Admission.

Access application at [www.uwest.edu](http://www.uwest.edu).

When filling out the online application, students should be prepared to upload the following:

- A. 400- to 500-word original personal essay as specified on the Application for Admission.
  - This essay must be the applicant's own work.
- B. High school transcript showing proof of graduation or the equivalent.
  - Students applying while still enrolled in high school submit current high school transcript. An official copy of the final transcript indicating graduation is required prior to the first day of class.
- I. Transfer Students: high school transcript not required if 60 semester/90 quarter units of substantive, degree-applicable credit has been earned at an accredited college with a cumulative GPA of 2.0 or higher (see Undergraduate Transfer Students below).
- C. Transcripts from all colleges and universities previously attended (if any).
- D. Copies of all degrees and diplomas earned.
- E. Copy of passport photo page.
- F. Copy of current visa, if applicable.
- G. Verification of English proficiency.
  - Details provided under English Proficiency Requirement in this section of the catalog.
- H. Certification of Financial Support. Students must demonstrate sufficient funding for entire length of their intended program of study.
  - Self-sponsored: submit Certification of Financial Resources form with official bank verification
  - Sponsored: submit Financial Sponsor Agreement with sponsor's official bank verification

Applicants transferring from other US colleges or universities must also submit the following:

- I. Copy of most recent form I-20.
  - J. F-1 Status Verification form.
  - K. Copy of Social Security card, if any.
2. Application fee \$100 International Application
  3. Official Documentation

Applicants must have the following documents submitted directly to the university. These documents may be submitted prior to the first day of classes. Digital transcripts accepted through authorized channels.

- A. Official copy of transcript submitted under requirement 1.A. above.
- B. Signed Transfer Release form. This form is submitted after applicant is accepted to UWest.
- C. Copy of F-1 visa.

# Undergraduate Transfer Students

Applicants who have earned a minimum of 24 semester/30 quarter units of substantive coursework at an accredited university or college are considered transfer students. Transfer students who have earned a cumulative college GPA of 2.0 or higher will be considered for admission.

Undergraduates applying as transfer students should follow the Application Requirements provided above with this exception: Applicants who have earned at least 60 semester/90 quarter units of substantive, degree-applicable college credit at an accredited college with a minimum cumulative gpa of 2.0 are not required to submit a high school transcript.

Transcripts from all prior colleges attended must be submitted for evaluation. The transfer credit policy and process is explained in full in the Admissions section of this catalog.

# Graduate Admission

Admission to graduate degree and certificate programs is selective and program-specific. All qualified applicants will be reviewed for admission. However, admission is not guaranteed even if university and program-specific requirements are met. Admission requirements vary between programs and admission to one program does not guarantee admission to any other program.

Applicants to UWest's graduate degree and certificate programs must provide official proof of completion of a bachelor's degree from an accredited college or university or a comparable non-US institution with a minimum cumulative grade point average as indicated in the chart below. Some programs and certificates also require completion of a master's degree. Applicants should carefully review the included list showing specific criteria for admission by program.

Applicants must submit an official sealed transcript from every college and university attended, including all levels of study. A certified literal translation in the original format is required for all documents not issued in English. UWest may allow an applicant to submit original certified copies of official academic records from non-US institutions in special situations.

Admission to University of the West's graduate degree programs is based on a holistic review of the applicant's file. Applicants who do not meet the minimum undergraduate GPA requirement but who are otherwise a good fit for the program of interest are encouraged to apply for an exception. All aspects of the application, such as prior undergraduate and graduate study, letters of recommendation, statement of purpose, work experience are all factors in the admission decision. Some departments also require an interview.

## Minimum Undergraduate GPA for Admission

---

MBA, Professional MBA, Business Certificates	2.50
MA Religious Studies	3.00
MA Psychology	3.00
MDiv Buddhist Chaplaincy	3.00
DBMin Buddhist Ministry	3.00

**Thesis:** A copy of the student's MA thesis, if applicable.

## Graduate Transfer Credit Guidelines

Applicants who have attended accredited colleges or universities may be eligible for transfer credit. Applicants who have attended government-recognized or accredited colleges and universities outside of the US must submit a literal translation in the original format of the transcript and diploma issued by an appropriate agency in addition to official transcripts for all prior college experience. Applicants may be required to provide course outlines or syllabi to facilitate evaluation.

Transfer credit is not granted for correspondence courses, life or work experience, intern- or extern-ships, or thesis research and is not applicable to non-degree and certificate programs.

Transcripts submitted for admission to a graduate program will be evaluated by the department chair during the student's first year of study at UWest. An evaluation of transfer credit will be prepared only after all official transcripts have been received. It is the applicant's responsibility to see that all transcripts are received by the Registrar's Office.

Applicants must be in good standing at the transferring institution.

To be considered for credit, coursework must be:

1. earned at an accredited college or university

# English Proficiency Requirement

All instruction at UWest is in English, and proficiency in English is essential for academic success. Individuals whose prior education was completed in a country where English is not the official language must provide evidence of English language proficiency when applying for admission to a degree or certificate program other than Intensive English.

The following is a list of acceptable proof of English language proficiency. Official documentation must be submitted before the application for admission is reviewed, and should be sent directly from the institution or testing agency to the Office of Admissions at University of the West. Exception: Applicants to the Intensive English and English Culture and Communication programs are not required to provide proof of English proficiency or test scores.

1. Previous education with English as the designated medium of instruction  
NOTE: Interview and/or English Placement Testing may be required prior to admission
  - A. Higher secondary diploma, equivalent to a US high school diploma, completed at an international institution with English as the medium of instruction
  - B. At least three years (90 semester units) at or above the baccalaureate level at an accredited international institution with English as the medium of instruction
2. Recent completion of three or more years of substantive academic coursework at or above the baccalaureate level at an accredited institution in the US, with a cumulative GPA at or above the minimum required for admission to UWest.
3. Successful completion of UWest's Intensive English program through Level 60.
  - A. Bridge coursework may be required upon admission to a degree program
  - B. Participants may apply to a degree program while enrolled in Level 60
4. Standardized Testing (see table for minimum scores)
  - A. International English Language Testing System (IELTS-Academic)
  - B. Test of English as a Foreign Language (TOEFL)
  - C. Test scores are valid for two years from the date the test was administered
  - D. Students with an IELTS or TOEFL score below the minimum required in any test area may be required to complete the full EPT, even if the overall score is at or above the minimum requirement for full admission.
5. Specific Coursework (see table for applicable courses)
  - A. International Baccalaureate Diploma Program (IB)

## English Proficiency Score Requirements

### International Baccalaureate Diploma Program (IB)

	EPT not required	79 & above	19	19	21	20

\*If the total TOEFL score indicates that the EPT is required, admission (if granted) is conditional pending EPT results.

Applicants may have an IELTS or TOEFL score sufficient for full admission but one or more individual scores below the minimum required. These applicants may be required to complete all or part of the EPT during orientation to ensure that they receive appropriate academic support.

Applicants whose total IELTS or TOEFL score does not meet the minimum for admission to a degree program are welcome to apply to UWest's Intensive English program.

Information regarding TOEFL and IELTS is available online at [www.TOEFL.org](http://www.TOEFL.org) and [www.IELTS.org](http://www.IELTS.org). When ordering a TOEFL report, use the school code 4347. The Office of Admissions is available to answer questions regarding computer (CBT) or paper-based (PBT) TOEFL scores.

# English Placement Test (EPT) Requirement

If the IB, IELTS, or TOEFL score indicates that the EPT is required, applicants may be granted conditional admission to the university. These applicants complete UWest's English Placement Test (EPT) online as soon as possible after accepting admission to the university, prior to registering for classes. Their final admission status is based upon the results of the EPT. A table of placement scores is provided in the English Language Institute section of this catalog.

Possible Admission Status based on EPT results:

1. Fully admitted to degree program; eligible to enroll in degree courses
2. Admitted to degree program; academic bridge coursework required prior to or concurrent with enrollment in degree courses
3. Not admitted to degree program

Applicants who fall into category 3 may fulfill the English language proficiency requirement by enrolling in and successfully completing UWest's Intensive English program through IEP Level 60. These students are encouraged to re-apply to the degree program while enrolled in their final term in IEP. Admission will be based on current admissions criteria for that program. While completion of UWest's Intensive English Program does not guarantee admission to a degree program, students receive priority consideration.

All applicants admitted to a bachelor's degree program are required to complete UWest's undergraduate placement tests in writing and math prior to scheduling classes. If both the EPT and Writing Placement Test (WPT) are required, the WPT is waived and the EPT used in its place.

## F-1 Student Health Insurance

Medical care in the United States is much more costly than in many other countries. To safeguard UWest's F-1 students and to make sure that they have adequate coverage in the event of illness or injury, UWest has sought out a health insurance plan that provides students with medical coverage for major medical expenses. Students are advised that, as is usual with US medical insurance, the plan offered through the university requires co-payment for office visits and does not cover all types of health issues. Comprehensive information about the plan is available from the Office of Student Life.

All F-1 students are required to participate in this plan and to maintain this coverage for the duration of their studies, including summer break and other periods of non-attendance. This insurance is mandatory and will not be waived for any F-1 student residing in the US for any portion of the academic year. F-1 students receive instructions on how to enroll in the health insurance plan each semester. Students enroll and make insurance policy payments directly with the insurance provider. UWest monitors enrollment, and students who do not enroll for the mandatory F-1 health insurance will be un-enrolled from the university.

Insurance fees are listed in the Tuition & Fees section of this catalog.

Plan	Coverage Period
Fall	Fall semester & winter break (5 months)
Spring – Continuing	Spring semester, summer sessions & break (7 months)
Spring – Graduating	Spring semester (5 months). Applicable only to students completing their program in the spring semester
Summer 1	Summer Session 1 (3 months) [unless covered under Spring - Continuing]
Summer 2	Summer Session 2 (2 months) [unless covered under Spring - Continuing]

The F-1 student health insurance plan does not include dental treatment. The university recommends that students purchase individual dental insurance plans to cover potentially expensive dental services.

# Maintaining Status & Avoiding Termination

UWest's DSO helps F-1 students comply with federal regulations and related UWest policies to protect their F-1 visa status. To remain eligible to study in the US, students must maintain both continuous full-time enrollment and good standing, and may not work without appropriate authorization.

Full time	Good Standing
Undergraduate	12 units 2.0 cumulative and term grade point average
Graduate	9 units 3.0 cumulative grade point average
IEP	20 hours 2.7 cumulative and term grade point average

Online/Remote course registration: Undergraduate and graduate students may take no more than one online or remote course, up to a maximum of 3 units, to fulfill the full-time requirement. There is no restriction on courses taken in excess of full time.

IEP students complete all coursework on campus.

It is important that F-1 students meet with the DSO before taking any action that might affect their F-1 status.

This includes:

- before dropping any classes
  - before leaving the US. This includes travel to Mexico and Canada and any cruises.
  - within 10 days of moving
- NOTE: Both UWest and USCIS must have the current address on file. The international student advisor will assist students in submitting the Change of Address form AR-11 to USCIS. A copy of the completed form AR-11 must be forwarded to the Registrar's office.
- when enrolling in final term
  - before transferring to another school
  - when accepting on-campus employment. Students may work a maximum of 20 hours per week.

Failure to comply with F-1 regulations can have serious consequences, such as termination of a student's form I-20.

It is unlawful for F-1 students to work off campus without prior approval of USCIS or the DSO. This includes working in any paid or unpaid internship position. Students working off campus without authorization will have their form I-20 terminated.

If an F-1 student does not take enough units in any term without prior authorization from the DSO, the form I-20 will be terminated. This authorization can only be provided by the DSO. No other department has the authority to approve part time enrollment. It is not enough to discuss this with another student or with a teacher, the academic chair, the registrar, or any other staff member.

If a student's I-20 is terminated, the student must either leave the US and apply for re-admittance from outside the country or apply to USCIS for reinstatement of the I-20. Both options are time-consuming and expensive for the student, and a positive outcome is not guaranteed.

## Graduate Candidate Continuous Enrollment

Graduate students who have completed all course work and are engaged in writing and researching the thesis or dissertation or preparing for a required comprehensive examination register for the research or continuous enrollment course assigned to their specific program and degree level. This 1- to 3-unit course does not require class attendance. Eligibility for continuous enrollment requires the program advisor's approval and is restricted to eligible graduate students.

Continuous enrollment that complies with these guidelines is considered full-time for purposes of maintaining F-1 visa status at the university. International students should submit a Request for Reduced Enrollment form each semester when registering for continuous enrollment. Students who have earned Doctoral Candidacy status are not required to submit this form.

# Drop, Leave of Absence, & Withdrawal

F-1 students whose enrollment falls below full time during a term due to a student-or college-initiated drop may jeopardize their F-1 visa status and may be required to leave the country.

Students who choose to withdraw from all courses during the term or from their programs at the end of the term must notify the DSO before submitting the request. Withdrawing from the university will result in termination of the form I-20.

The option to request a Leave of Absence (LOA) is open to students in good standing who plan on returning to UWest in less than one year, and allows students to return under their initial catalog. However, federal regulations strictly limit leave for F-1 students. While UWest may allow an F-1 student to take an LOA, US federal law does not allow the student to remain in the US while not attending classes. The DSO must approve all F-1 requests for LOA prior to submission to the Registrar's office.

## Travel & F-1 Status

SEVIS regulations place travel restrictions on F-1 students. The university is required to terminate the form I-20 of any F-1 student who chooses to travel out of the US during the fall or spring semester without prior authorization, including students engaged in dissertation or thesis preparation. Students maintaining F-1 status may travel out of the US during the summer or official university breaks after consultation with the international student advisor.

It is the student's responsibility to meet with the DSO before making any travel plans or purchasing tickets to limit the possibility of being denied permission to reenter the US.

# Financial Aid

---

Higher education is one of the most significant investments individuals make in their lifetime. Earning power and a happy, purposeful life will both be enhanced by the right degree. Paying for that degree calls for planning and commitment.

Students have many options to consider when planning how to pay for college. UWest participates in federal, state, and institutional aid programs, including Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Cal Grant, the William D. Ford Federal Direct Loan Program, private loan programs, institutional scholarships, and federal and institutional work-study. Grants and scholarships are funds that do not require repayment; loans, whether subsidized or unsubsidized, accrue interest and require repayment. Students should note that while scholarships and grants reduce the amount they need to borrow to finance their education, scholarship and grant awards may also reduce the amount of need-based loans and work-study awards they can receive.

The Financial Aid Office counsels students and their families on federal, state, institutional, and private financial aid programs. Financial aid officers are available to answer questions and to assist students and families with the application process.

Financial aid information is also available at [www.uwest.edu/financial-aid](http://www.uwest.edu/financial-aid)

More information regarding any of these programs, as well as policies that govern financial aid awards, is provided in the UWest Financial Aid Handbook, available online and in the Financial Aid Office. The handbook is an important tool that introduces students to the policies and procedures for receiving and maintaining eligibility for financial aid. Students who wish to apply for federal, state, institutional, and private financial aid and scholarships must be familiar with information and policies within the handbook. The handbook also details students' rights and responsibilities as financial aid recipients. The Financial Aid Handbook includes information on

- Eligibility criteria
- Evaluation guidelines for scholarships
- Applications and instructions
- Satisfactory academic progress (SAP)
- Refunds and return of federal funds

## Applying for Financial Aid

Application for financial assistance should begin at the same time as application to the university. All new domestic students interested in applying for federal and state financial aid must submit both the UWest Application for Financial Aid and the Free Application for Federal Student Aid (FAFSA). The FAFSA is completed online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Students should select UWest as a school they plan on attending by entering the university's school code 036963 when prompted. New international students seeking institutional aid should submit both the UWest Application for Financial Aid and Scholarships and the International Student Supplemental Application.

All returning students seeking need-based or non-need-based financial assistance must renew their FAFSA online and submit financial aid application forms by financial aid deadlines. Forms and deadlines are published online at [www.uwest.edu/financial-aid](http://www.uwest.edu/financial-aid). Failure to meet the published deadlines could result in the loss of financial aid. The FAFSA must be completed each award year.

## Financial Aid Eligibility

Financial aid is awarded to students who demonstrate financial need as defined by federal, state, and institutional policies. Parents and students are considered the primary source of funds for post-secondary education and have an obligation to finance educational expenses. Financial need is defined as the difference between a program's Cost of Attendance (COA) as calculated by the school and the student's Expected Family Contribution (EFC) as calculated by the Central Processing System (CPS) of the Department of Education (Financial Need = COA – EFC).

Because the need for financial assistance often exceeds what the university provides, students must rely on other sources of support such as employment, loans, and family assistance. It is the student's responsibility to obtain information regarding scholarship and loan opportunities provided by private sources. While there are many reputable online resources to assist in this research, UWest recommends that students avoid organizations that charge students to apply for scholarships.

A student's enrollment status affects the level of aid available in a specific term. Students must be enrolled at least half-time to be eligible for aid. In addition, students receiving aid must earn a minimum number of credits each semester, applicable to their degree and consistent with their enrollment/funding status.

<b>Enrollment/Funding Status</b>	<b>Undergraduate</b>	<b>Graduate</b>
Full Time	12 or more units	9 or more units*
3/4 Time	9-11 units	7-8 units
1/2 Time	6-8 units	4.5-6 units

\* The definition of graduate full-time is based upon the student's degree level, stage in study, and program of enrollment.

<b>Stage of Study (Graduate)</b>	<b>Full Time</b>	<b>Corresponding Course(s)</b>
Coursework	9 or more units	Degree Applicable Courses
Master's Thesis, all course work complete	3 units	PSYCH 699A, REL 700 Maximum: 2 terms
Doctoral Qualifying, all course work complete	3 units	BMIN 705; REL 705 Maximum: 2 terms
Candidacy, engaged in research requirement	3 units	BMIN 698A, 698B, 710; REL 698A, 698B, 710
Candidacy, research requirement fulfilled	1 unit	BMIN 698B, 715; REL 698B, 715
Continued Practicum, all course work complete	1 unit	PSYCH 712 Maximum 2 terms

## Class Level

Classification of students is determined by the number of degree-applicable units completed, including those transferred to UWest from other colleges or universities. Class level affects the maximum amount of aid a student may receive in a given award year.

<b>Class Level</b>	<b>Semester Units Earned</b>
First Year	1-29
Second Year	30-59
Third year	60-89
Fourth Year	90-graduation
Graduate Student	Enrolled in Master's or Doctoral-Level Program

## Continuous Enrollment

Graduate students who have completed all coursework are required to maintain continuous enrollment (CE) while engaged in dissertation or thesis writing and research. CE is maintained by enrollment in a course specific to the program of study and degree level. For this purpose and in this context only, 1 to 3 units may be considered full-time for purposes of enrollment, financial aid eligibility and deferments, and F-1 eligibility.

## Study Abroad

A student's enrollment in a program of study abroad approved for credit by UWest may be considered enrollment at UWest for the purpose of applying for assistance under Federal Student Aid programs.

## Federal Work-Study Program

Federal work-study allows students to pay for part of their tuition and living costs while assisting university staff with the daily work of the institution. Through work-study, students can develop their professional skills while paying for college. Guidelines and regulations for participation in the federal work-study program are available at the Financial Aid Office.

## Veterans Affairs (VA)

UWest is approved to train veterans and other eligible students. Veterans who attend UWest and enroll in one of the VA-approved programs may receive veteran benefits to help pay for their education. Information on eligible programs and the application process is available from the Financial Aid Office. More information is available from the Department of Veterans Affairs at [www.gibill.va.gov](http://www.gibill.va.gov) or 888.GIBILL-1 (888.442.4551).

## Financial Aid Disbursements & Refunds

UWest disburses both federal and state student aid funds. UWest first applies available funds to tuition, fees, and room and board charges, and then any other costs associated with attendance.

Attendance and enrollment verification is completed each semester and financial aid funds are disbursed after the close of the Add/Drop period. If a student is in the first year of undergraduate study and is a first-time Direct Loan borrower, there is a waiting period of thirty calendar days following the first day of the term for the first loan disbursement.

After aid is disbursed, students with a credit balance remaining on their student account receive a refund by check. Students may request to have credit balances held in their student accounts by providing written authorization to the Accounting Office.

## Scholarships

A limited number of scholarships are available. These are awarded based on academic excellence and/or financial need. Because availability changes from year to year, students should contact the Financial Aid Office for more detailed information: For detailed information on eligibility and application process, see the Financial Aid Web page at [www.uwest.edu/financial-aid](http://www.uwest.edu/financial-aid). Each institutional and private scholarship and fellowship has specific eligibility, scholarship, and GPA criteria.

University Scholarships may be awarded to admitted incoming and continuing students who demonstrate exceptional leadership and service to their communities, academic achievement, and financial need. Applicants are encouraged to submit all required financial aid documents when they apply for admission. Students must reapply for the award annually.

## Lotus Scholarships

These institutional scholarships are available for eligible domestic and international students matriculating into bachelors' and masters' degree programs. The scholarships award up to a maximum of \$10,000 for an academic year. Scholarships are set aside specifically for entering freshmen, transfer students, local students, graduate students, and international students. This scholarship is initially awarded for one academic year and may be renewed for up to three years for undergraduates and up to two years for graduates, depending on length of program.

## Golden Benefactor Awards

These awards are available to continuing students who have completed the equivalent of one full-time semester and are awarded based on academic achievement and service to the UWest community, as well as demonstrated financial need and area of academic concentration. Most Golden Benefactor Awards require a minimum GPA of 3.0 to 3.5, but requirements vary based on donor. Golden Benefactor Awards must be renewed each semester.

# International Buddhist Education Foundation (IBEF) Scholarship/Fellowship

Each semester the International Buddhist Education Foundation (IBEF) awards scholarships and fellowships to new and continuing degree-seeking students enrolled fulltime in a master's or doctoral program within the departments of Religious Studies and Buddhist Chaplaincy. Scholarships range from \$3,000 to \$4,500 per semester. Fellowships range from \$2,000 to \$3,000 per semester. IBEF scholarships and fellowships must be renewed each semester. More information is available online at [www.uwest.edu/financial-aid/ibef](http://www.uwest.edu/financial-aid/ibef).

## Satisfactory Academic Progress (SAP)

UWest is required by law to establish both qualitative and quantitative standards for satisfactory academic progress toward the completion of a degree and to apply these standards to all federal and state financial aid recipients. Aid programs covered by these standards are Federal Pell and FSEOG grants, Federal Work Study, Federal Loan programs (Direct, PLUS, Grad PLUS), as well as some state aid programs. These academic standards apply for all periods of enrollment, including terms when no aid was received.

The university's Satisfactory Academic Progress policy applies to all students receiving federal and state financial aid. The Financial Aid Office, in consultation with the Registrar, reviews all aid recipients at the end of each payment period, i.e. fall, spring, and summer semester, for compliance with the following standards used to measure satisfactory academic progress: Qualitative Progress, Pace of Progression, and Maximum Time to Degree.

### Qualitative Progress Standard (Cumulative GPA)

Undergraduate students must maintain a 2.0 cumulative GPA; graduate students must maintain a 3.0 cumulative GPA. Students who fall below these requirements will not be considered to be making satisfactory academic progress. The cumulative GPA is based on units earned at UWest and does not include grades for courses transferred from other institutions.

### Quantitative Standard (Pace of Progression)

A student receiving aid must successfully complete a minimum 67% of units attempted. Pace of progression is calculated by dividing cumulative units earned by cumulative units attempted. Courses must be required and/or degree applicable and consistent with the student's enrollment and funding status. For example, if undergraduate student John Doe has enrolled in a total of 36 degree applicable/pre-collegiate units when reviewed after two semesters of enrollment, he must have earned a minimum of 24 units to have achieved a 67% pace of progression. If John has earned fewer than 24 units, John has failed to meet this standard and is not making satisfactory academic progress.

### Maximum Time-Frame Standard

A student may enroll in no more than 150 percent of the units required for award of the degree, and is no longer eligible to receive financial aid after this maximum is reached. Maximum units allowed are calculated by multiplying total units required to graduate by 150%. For example, Anne Smith must complete 63 units to earn a Master of Arts in Psychology. Anne Smith's financial aid eligibility will be suspended as soon as she reaches 94.5 cumulative attempted units (150% times 63), whether or not Anne has completed her degree. The 150% maximum time-frame applies to both undergraduate and graduate students.

# Criteria used when progress is reviewed

## Payment Period

Each fall, spring, and summer semester is a payment period.

## Attempted/Earned Units

Attempted units: All courses for which a student enrolls, including required pre-collegiate courses and transfer credit are included in units attempted. This includes grades of F, FW, I, NP, and W.

Earned units: All courses for which a student receives credit, including required pre-collegiate courses and transfer credit, are included in units earned. Grades of F, FW, I, NP, and W are not included in earned units.

## Course Withdrawals

Courses from which the student withdraws after the official add/drop deadline are included in cumulative units attempted but are not included in units earned. This includes courses dropped when a student starts but does not complete a term, whether they have withdrawn or taken leave of absence.

## Repeated Courses

Pace of Progression: All units attempted in repeated courses are included in cumulative units attempted. However, a repeated course is only applied to earned units if specified as "repeat for credit" in the catalog.

Impact of Repeated Courses on Cumulative GPA:

Undergraduate: Only the highest grade awarded is calculated in the cumulative GPA. Graduate: All grades earned, including repeated courses, are calculated in the cumulative GPA.

## Incomplete Courses

Pace of Progression: Courses that are assigned an incomplete grade are included in cumulative units attempted. Until a final grade is posted, incomplete units are counted as failed and are not included in units earned. They are added to earned units only upon posting of a passing grade on or before the approved incomplete deadline.

## Transfer Credit

Pace of Progression/Maximum Timeframe: All transfer units accepted towards a student's UWest degree are included in the review of the pace of progression and maximum timeframe standards.

Cumulative GPA: Grades for courses completed at other institutions are not included in the calculation of the UWest GPA.

## Financial Aid Warning

Students who do not meet the standards of the Financial Aid SAP policy at the end of any payment period are automatically placed on financial aid warning for the following payment period in attendance. Students placed on financial aid warning are eligible to receive Title IV financial aid during a warning period of one payment period without appeal or other action.

Students who do not return to good standing at the end of the warning period are no longer eligible to receive Title IV and other financial aid. Students who lose their eligibility have the right to file a SAP appeal for reconsideration of their eligibility for aid.

# SAP Appeal for Reinstatement of Federal Aid

Students who choose to appeal for a reinstatement of federal aid must submit a written appeal to the Financial Aid Office. The appeal must describe the circumstances that affected the student's academic performance, must be submitted within 30 days of notification of failure to maintain SAP, and must be accompanied by appropriate supporting documents. No appeal will be considered until the student has an approved academic plan on file with the Registrar's Office.

Acceptable justification for appeal includes, but is not limited to, personal or family accident, illness or injury of the student, death of a close family member, or other extenuating and unavoidable circumstances beyond the student's control. Ongoing, chronic medical problems do not meet the definition of "extenuating circumstances." If the condition existed at the time aid was offered, it should have been taken into consideration when the student planned his or her classes and credit load.

Factors considered in reviewing an appeal include, but are not limited to, the student's entire academic history, level of borrowing in relation to units completed; class standing; number of semesters of aid; previous deficiencies and appeals; and extenuating and unavoidable circumstances.

## Financial Aid Probation and Termination

Students who successfully appeal are placed on financial aid probation for one payment period. Students who fail to meet SAP standards at the end of the probation period become ineligible to receive further financial aid.

A student's financial aid will be terminated for any of the following reasons:

- Cumulative GPA lower than the required minimum standard for two consecutive semesters;
- Failure to complete 67 percent of cumulative units attempted for two consecutive semesters;
- Cumulative units attempted at or above 150 percent of the units normally required for award of the degree.

## Reestablishing Financial Aid Eligibility

Students whose financial aid is terminated due to lack of academic progress may reestablish their eligibility by meeting SAP standards again. To reestablish financial aid eligibility:

- Cumulative GPA: Raise the GPA to Minimum Required  
To raise their cumulative GPA students must complete courses at UWest. Coursework transferred from other institutions is not included in the calculation of UWest GPA. Undergraduates may hasten this process by repeating courses in which they earned a grade of C minus or below. Students must raise their cumulative GPA to the minimum required for their level of enrollment as specified in a formal Academic Plan.
- Pace of Progression: Correct Credit Deficiency  
Students correct credit deficiencies by completing additional degree applicable courses at UWest or through the transfer of degree applicable coursework from other accredited colleges. Transfer credit must be approved in advance.

# Withdrawal & Leave of Absence (LOA)

After financial aid has been disbursed, a student who withdraws or ceases attendance from UWest during a semester may be required to return all or part of the funds received, including funds credited to pay tuition and fees.

Since financial aid must be used solely for educationally related expenses during periods of enrollment, federal regulations require the university to calculate the amount of aid a student earned for the number of days the student attended. Unearned aid, i.e. aid covering periods of the term when the student did not attend classes or was not enrolled, must be repaid. This calculation is referred to as Return of Title IV Funds and is performed by the Financial Aid Office.

If repayment is owed, the student will be billed by the Accounting Office and will have 45 days to arrange satisfactory repayment. The student is not eligible for further aid until repayment is made in full. A student who fails to make repayment on schedule may also be reported to the US Department of Education or to a collection agency representing UWest.

Students who find it necessary to withdraw from all classes and leave UWest for any reason should complete an official LOA/Withdrawal form. This official LOA/Withdrawal must be signed, approved, and submitted to the Registrar's Office. The official date of leave or withdrawal is the date the form is received by the Registrar's Office.

LOA is granted to students in good standing with an intention to return to UWest after a break of less than one year, whereas withdrawal is applicable to students who do not plan to return to UWest as well as those who plan on taking one year or more off from their studies.

UWest's approved LOA does not meet the definition of Return of Title IV Funds Approved LOA and therefore, will be considered as withdrawal for Return of Title IV Funds purposes.

## Return of Title IV Funds (R2T4) Policy

The Financial Aid Office is required by federal regulations to recalculate Title IV eligibility for students who withdraw, are dismissed, take a leave of absence, or stop attending before completing the semester. This policy applies to all students receiving federal grant and/or loan aid. Students who only receive Federal Work-Study funds are not subject to this policy.

Federal Title IV regulations require students who withdraw from all of their classes prior to the 60 percent point of the payment period (defined as fall or spring semester or summer term) to return the unearned portion of their Title IV financial aid to the Department of Education. Additionally, institutions may be required to return a portion of unearned funds to the Department of Education while some students may be entitled to a post-withdrawal disbursement.

The university must return the amount of unearned Title IV funds for which it is responsible no later than 45 days after the date of determination that the student withdrew. If the student earned more aid than was disbursed, the university must pay the student a post-withdrawal disbursement within 120 days of withdrawal.

## Funds included in a Return to Title IV Calculation

Title IV funds which must be included in the calculation are listed in the priority order of their return as follows:

1. Direct Unsubsidized Stafford loans
2. Direct Subsidized Stafford loans
3. Direct PLUS loans
4. Pell Grants
5. Federal Supplemental Educational Opportunity Grant (FSEOG)
6. Other Title IV Assistance

UWest does not participate in Perkins loans programs.

### Treatment of Title IV Aid When a Student Withdraws

When a student withdraws during the payment period or period of enrollment, the amount of Title IV program assistance earned up to that point is determined by a specific formula.

If the amount disbursed to the student is/was greater than the amount earned, the unearned funds must be returned to the Department of Education.

If the amount disbursed to the student is less than the amount earned, the student is eligible to receive a post-withdrawal disbursement of the earned aid that was not received.

Refund calculations are not applied to students who withdraw from classes prior to the first day of attendance.

Students who receive aid prior to the first day of attendance and who withdraw from all classes prior to the first day of attendance will be required to repay all of the Title IV Funds disbursed.

The amount of assistance earned is determined on a prorated basis. For example, if a student completed 30 percent of the payment period or period of enrollment, the student earns 30 percent of the assistance he or she was originally scheduled to receive. Once the student has completed more than 60 percent of the payment period or period of enrollment, he or she earns all the assistance scheduled for that period.

A student who did not receive all of the funds earned may be due a post-withdrawal disbursement. If a post-withdrawal disbursement includes loan funds, the university must receive the student's permission before it can disburse them. A student may choose to decline some or all of the loan funds so that he or she does not incur additional debt. The university may automatically use all or a portion of the post-withdrawal disbursement of grant funds to pay for tuition, fees, and room and board charges (as contracted with the university). The university needs the student's permission to use the post-withdrawal grant disbursement for all other school charges. A student who chooses not to grant permission will be offered the funds. However, it may be in the student's best interest to allow the university to keep the funds to reduce debt.

Some Title IV funds that the student was scheduled to receive may not be disbursed because of other eligibility requirements. For example, a first-time, first-year undergraduate who does not complete the first 30 days of a program before withdrawal will not receive any Direct Loan funds that would have been received if the student had remained enrolled past the 30th day. If the student receives (or the university or parent receives on the student's behalf) excess Title IV program funds that must be returned, the university must return a portion of the excess equal to the lesser of

1. the student's institutional charges multiplied by the unearned percentage of his or her funds, or
2. the entire amount of excess funds.

The university must return this amount even if it did not keep this amount of the student's Title IV program funds. If the university is not required to return all of the excess funds, the student must return the remaining amount. For any loan funds that must be returned, the student (or the student's parent for a PLUS Loan) must repay in accordance with the terms of the promissory note. That is, the student must make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds the student must return is called an overpayment. The maximum amount of a grant overpayment that must be repaid is half of the grant funds received or scheduled to be received. The student must make arrangements with the university or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when a student withdraws are separate from any refund policy that the university may have. UWest's refund policy may be found in the catalog under Tuition and Fees. A student may still owe funds to the university to cover unpaid institutional charges. The university may also charge a student for any Title IV program funds that the school is required to return.

The Registrar's Office is the designated office of record where students provide notification of withdrawal. The withdrawal date is determined by the Registrar's Office and will be used as the withdrawal date in the calculation. The amount that could have been disbursed will be determined by the enrollment status as of the date the student completely withdraws.

## Return of Title IV Funds for Students Who Withdraw Due to Military Deployment

If deployed, a student must submit a copy of their deployment orders to the Registrar's Office and the Financial Aid Office. If a Title IV eligible student withdraws due to a call to active duty, or has been otherwise impacted by the military mobilization, the school must perform Return of Title IV calculations that are required by statute and regulations. If those calculations result in the school being required to return funds to one or more of the Title IV programs, it must do so. The student will be responsible for any amount refunded by the university on the student's behalf.

# Cost of Attendance

University of the West is proud to offer a quality education while remaining Southern California's best value for a private university experience. This is made possible by the generous support of our founding organization, Fo Guang Shan, Hsi Lai Temple, and other donors.

The cost of attendance for a student is an estimate of reasonable educational expenses a student should anticipate for the enrollment period. A student's cost of attendance generally is the sum of tuition, mandatory student fees, books, supplies, room, board, and student loan fees. Students with dependents other than a spouse may include reasonable childcare expenses.

Students with disabilities may also include expenses related to that disability.

Cost of attendance is affected by many things including, but not limited to, program of study, housing options, and enrollment.

For example, a student living off campus has higher transportation costs because she or he must commute to campus.

Student award letters include the cost of attendance used to determine award eligibility. Students with questions regarding how cost of attendance is calculated should stop by the Financial Aid Office.

## Estimated Cost of Attendance (COA)

The following tables provide the estimated cost of attendance per semester for full-time undergraduate and graduate students living on or off campus. These tables serve as examples only. Actual student expenses may vary.

Direct costs are costs paid to UWest. These include tuition, fees, and on-campus housing.

Indirect costs are not charged by UWest. They are additional expenses that students need to consider in their budgeting and financial planning. These include books, supplies, transportation, miscellaneous expenses, and off-campus housing.

All tuition and fees should be considered as estimates and are current at the time of publication. Tuition and fees are subject to change without prior notification.

Health insurance coverage is mandatory for F-1 students. F-1 students receive instructions on how to enroll in the health insurance plan each semester. Students enroll and make insurance policy payments directly with the insurance provider. This coverage can only be offered to students on an F-1 visa and is not available for domestic students. Details are available in the International Students section of this catalog.

# Tuition Payments

When students submit a registration form, they have entered into a contract with UWest and become responsible for all tuition and fees for that term. This obligation must be met even if a student does not attend or does not complete his or her education at UWest. Failure to pay any amount to UWest when due is sufficient cause for any of the following actions until the debt is settled:

- Exclusion from classes and/or examinations
- Withholding of diplomas and certificates
- Suspension of university services and privileges
- Suspension from the university
- Notification to a collection agency
- Notification to a credit bureau

Students may remit payment immediately upon registration. Payment must be made no later than the tuition payment deadline (see Academic Calendar) to avoid a late payment fee. Students are responsible for making their financial arrangements, such as financial aid award, payment plan, third party payment, by the tuition payment deadline. Failure to do so may result in a \$100 late payment fee and a 1% finance charge (per month) assessed on the unpaid balance. Students who have a cash payment due but are unable to pay the amount in full are encouraged to speak with the Accounting Office prior to the payment due date to determine if they may be eligible to schedule payments over the length of the term. Details are available from the Accounting Office.

Anticipated aid awards are posted to student accounts after the financial aid award process has been completed by the student, Financial Aid Office, and appropriate agency. Without authorized anticipated aid, students are expected to pay all charges and wait for reimbursement when the aid or scholarship funds are actually received.

Students who are unable to pay tuition by the tuition payment deadline may be eligible for a short-term deferment by applying in person at the Financial Aid Office. To be eligible for deferment, students must demonstrate financial hardship and be scheduled to receive financial aid (e.g. grants, loans, and scholarship awards) for the term. The deferment must be approved before the tuition payment deadline.

If changes to student course schedules result in additional charges after the date on the registration billing statement or after financial aid has been disbursed, the payment is due immediately. Registration and enrollment are not complete until all tuition and required fees have been paid.

Permission to cancel enrollment does not constitute, nor shall it be construed as, a waiver of a student's financial obligation to the university. The student is responsible for all outstanding debts and contracts with the university.

A student must not have any delinquent financial obligations to the university at the time instruction begins each semester, or the student's registration may be revoked. If registration is revoked, 100% of any tuition paid for that semester will first be applied to any outstanding debt. Any remaining credit will be refunded within 30 days from the date of revocation.

## S.2248 Veterans Benefits and Transition Act of 2018 Section 103

In compliance with S.2248 section 103, University of the West will not assess late payment fees or finance charges on tuition and term fees for at least 90 days from the date of certification for any covered individual using Chapter 33 or Chapter 31 VA Educational Benefits.

Students covered under S.2248 section 103 must provide UWest with a Certificate of Eligibility (COE) no later than the first day of class.

# Methods of Payment

Payment must be made in full directly to the Accounting Office on or before the published tuition payment deadline each semester. Payment by cash, check, or money order may be made in person, while credit card payments may be made only through the university's online payment portal.

Students who can demonstrate financial hardship or eligibility for financial aid may be eligible for a short-term deferment. Applications are made in person at the Accounting Office, and must be approved and completed before the published tuition payment deadline. Details regarding short term deferrals and the UWest Student Payment Plan Policy are available from the Accounting office.

## Payment Options

- **Pay Online** Students may pay through the online payment portal, accessed through their UWest student portal account.
  - electronic check (no additional fee)
  - debit or credit card (non-refundable transaction fee charged)
  - international payment via Western Union

  - money order

Checks should be made payable to **University of the West**.

Mailing Address: University of the West  
Attention: Accounting Office  
1409 Walnut Grove Avenue  
Rosemead, CA 91770

**IMPORTANT:** This specific address must be used for mailing payments. Using any other address or failing to indicate *Attention: Accounting Office* may delay posting of the payment.

**Non-Sufficient Funds:** A \$35 fee is assessed for any personal check, whether submitted electronically or in person, if returned due to non-sufficient funds. Returned checks must be repaid by certified funds, including cash, money order, or cashier's check. A personal check will not be accepted as repayment for a returned check.

# Refund Policies

## Tuition Refunds

Tuition for any class dropped by a student is refundable according to the following tuition refund schedule. Students are eligible for a full or partial refund of mandatory fees if the drop results in a change to their enrollment status prior to the first day of the term. After this date mandatory fees are non-refundable.

The date of withdrawal for refund calculations shall be the date on which the Add/Drop or Withdrawal form is received by the Registrar's Office. Students who register but do not attend class will not receive a tuition refund unless they officially withdraw by the posted deadlines.

## Tuition Refund Schedule for Fall & Spring Semesters

<b>Withdrawal Form Submitted</b>	<b>Refund Received</b>

# Withdrawal

Withdrawal is defined as termination by the student of his or her enrollment in one or more courses at the university. Withdrawal refunds are calculated as of the date the petition to cancel enrollment or the withdrawal form is received by the Registrar's Office.

A new student who cancels his or her enrollment prior to the first day of the term will receive a refund of all tuition paid for that term, less the application fee not to exceed \$100. A continuing student who withdraws prior to the first day of the term is eligible for a refund of all tuition paid for that term.

Any student who submits a withdrawal form or cancellation notice on or after the first day of the term is responsible for tuition and fees even if the student has not attended class. A pro-rated refund will be issued to the student's account in accordance with the Tuition Refund Schedule. A check for the refund amount will be mailed to the student within 30 calendar days following the date a Refund Request form is received by the Accounting Office.

No refund is due if a student submits a withdrawal after the fourth week of fall or spring semester or the third week of summer session.

In addition to the institutional tuition refund policy, federal financial aid recipients who withdraw are subject to a pro-rated return of federal funds based on the relevant federal regulations. The return of federal funds calculation is run by the Office of Financial Aid. Students are responsible for returning the balance if funds must be returned to federal programs. Details are provided in the Financial Aid section of this catalog.

Students attending on an F-1 visa should always consult the international student advisor before dropping a class or withdrawing from the university to determine how the withdrawal will affect their F-1 status.

# Academic Progress & Policy

---

# Academic Affairs

Student learning is the core of the university's purpose. As a learning-centered institution, the university offers students a personalized whole-person educational experience that brings East and West together on campus and in the curricula. From a Humanistic Buddhist perspective, all humans benefit from education that encourages individual growth, discernment, creativity, and development. This perspective is reflected in the curriculum and in campus life.

The Academic Affairs department oversees all academic offerings. The Academic team, under the direction of the Chief Academic Officer (CAO), works with students from their initial registration through their graduation. The support for students continues on beyond graduation, with transcripts, references, continuing education, and more.

Academic Affairs is made up of two branches:

## Academic Support

Academic support includes Academic and Program Advisors, the Registrar's Office, Institutional Research, and the Lewis R. Lancaster Research Library. These departments work closely with Student Services, Financial Aid, and Accounting to ensure that students receive the support they need to get the most out of their UWest education.

## Academic Programs, Curriculum, and Instruction

UWest's programs of study have been developed to provide students with the tools they need to recognize and achieve their purpose in life. From undergraduate and graduate degree programs to certificate programs, all have been designed with student success as the central core, providing values driven education from a humanistic point of view.

The following pages will explain the basics of how the academic side of UWest works. From how to register through how to apply to graduate – it is all in this chapter.

# Academic Integrity

University of the West informs its education through its values. Putting these values into action requires students, staff, and faculty to practice honesty, responsibility, and integrity. UWest believes that students should have the opportunity to actively pursue knowledge and learning in a positive and fulfilling environment. Such an environment has no room for academic dishonesty, which violates the most fundamental values of the intellectual community and undermines its achievements.

Therefore, all members of UWest's academic community are expected to demonstrate a commitment to the principles of academic integrity.

Faculty and students share the responsibility of safeguarding the integrity of the classroom. Students have the responsibility to be aware of what constitutes academic dishonesty and to uphold the standards of honest academic endeavor, while faculty have the responsibility to communicate classroom standards clearly. The administration is responsible for applying sanctions that go beyond the classroom.

Academic dishonesty includes, but is not limited to, plagiarism, cheating, falsifying records, lying, obtaining or distributing examination materials prior to exams without the consent of the instructor, submitting another's work as one's own, submitting work completed for another course without the agreement of both instructors, and helping any other student in any act of dishonesty.

Faculty must provide a written report of any lapse of integrity to the Chief Academic Officer (CAO). The CAO, in consultation with faculty and department chair, will investigate the allegation. If a student is found to have committed an act of academic dishonesty, sanctions will be imposed and a record of the infraction will be entered into the student's permanent record and noted on the student's academic transcript. At a minimum the student will receive zero credit on the assignment or examination in question. Further sanctions may be imposed depending on the severity of the action and the student's past record. This may include academic integrity probation, a failing grade for the course, dismissal for one term, or expulsion from the university.

# Academic Calendar

UWest operates on a semester calendar, offering two standard semesters and a shorter summer session each academic year. The fall and spring semesters are sixteen weeks in length and are standard periods of enrollment. Degree students are expected to register for the fall and spring semester each year to maintain status in their enrollment. Enrollment in the summer session is optional. While the summer session is reduced in length, the credits earned are equivalent to semester units due to the accelerated pace of classes.

The academic calendar is posted on UWest's website, in the catalog, and around campus. Students should pay careful attention to deadlines that pertain to their programs.

## New Student Orientation & Registration

Prospective students should contact the Enrollment Office to begin their application for admission. Admission requirements and assessments vary depending on program, degree level, and English proficiency and are fully detailed in the Admissions section of this catalog.

Once admitted students return their paperwork to reserve their space at UWest they are sent a welcome email that includes some very important information.

- Student Identification number (SID)

Every new student is issued a unique student ID number. This number should be included on all communications with the university.

- UWest Email Account

Students should begin using their UWest email account as soon as they receive it. This email account is used for all official university business.

- UDays New Student Orientation Link & Log On Credentials

New Student Orientation is offered online, supplemented with in person sessions that are held the week before classes begin. This orientation is an essential tool for new students, offering an overview of the campus and all offices, as well as detailed information on what services and resources are available to students. All new students are expected to complete UDays New Student Orientation prior to the first day of classes. Students who skip over this step miss an excellent opportunity to learn how to navigate in the UWest community.

- Placement Test Requirements, if any

Based on their program of study and educational background, new students may be required to complete one or more of the placement tests listed here. Student should promptly schedule any required assessment.

### English Placement Test [EPT]

Required for all students whose prior education was in a language other than English. Details, including waiver guidelines, are provided in the International Students section of this catalog.

### Math/Writing Placement Tests [MPT and WPT]

All incoming undergraduates complete writing and math placement tests to ensure they are placed at the optimal level for success in their first year at UWest. Students who are granted transfer credit for first year math and/or writing courses are not required to take the associated placement test. Students who are required to complete the writing section of the EPT are not required to complete the WPT.

- Advisor Contact Information

All new students are assigned an advisor when admitted.

Undergraduate Students	Academic Advisor
Graduate Students	Program Advisor
Intensive English Program	ELI Coordinator
Exchange Students	Exchange Advisor

Students who do not require testing should contact their designated advisor upon receiving the welcome email to schedule an appointment to select their classes. Students who require testing should contact their designated advisor as soon as they receive the results of their placement tests. Students fill out their initial registration form during this appointment, and the approved form is then forwarded to bring the Registrar's Office for processing.

The Registrar's Office will notify each student when the registration form has been processed. Students may then access their schedules on the Student Portal. After scheduling, students then make any necessary payment to the Accounting Office. The New Student Tuition Payment Deadline is 4:30 pm on the first Friday of classes. Funding must be in place by this date to avoid a late payment fee.

Students are encouraged to contact the Financial Aid department to establish their funding as soon as possible after being admitted. The Financial Aid department can advise students on what expenses they should expect, the types of aid available to them, and important scholarship deadlines. The experienced staff is a valuable resource, happy to assist with questions and aid applications. More information is available in the Financial Aid section of this catalog.

## Academic Advising

Academic advising promotes student engagement and graduation, empowering students to make informed decisions that facilitate academic success. Through consistent and caring advisement, students are connected with university resources that support both academic and personal well-being.

### Undergraduate Advising

All undergraduates see UWest's Undergraduate Academic Advisor for registration advisement, program planning, course scheduling, clarification of policies and procedures, degree checks, and general support. The advisor also maintains regular contact with students on academic warning and probation to help them develop and follow success plans and to direct them to appropriate resources. Program Chairs serve as Program Advisors, and are happy to advise students in areas specific to their field of study.

### Graduate Advising

Program Advisors provide personalized, discipline-specific advisement for all graduate students. From initial program planning through thesis and dissertation stages, graduate students are expected to maintain regular contact with their program advisors to ensure that they meet their goals as well as graduation requirements while maintaining a healthy life/work/school balance.

## Choosing a Major

Undergraduates may select a specific major on their application. They also have the opportunity to explore program options by selecting Undeclared as their initial major. Once they have earned 45 units, they will be required to declare a major. The undergraduate Academic Advisor will assist with this process.

Graduate students apply to and are admitted to a specific program. An undeclared major is not an option.

# Enrollment Status

The number of units being taken each term will affect eligibility for scholarships, aid, and status. Students should consult with the Office of Financial Aid to ensure they maintain an enrollment status appropriate for their aid eligibility and funding.

Enrollment Status	Undergraduate	Graduate	IEP
Full-Time	12 or more units	9 or more units	20 hours
Three/Quarter Time	9-11 units	7-8 units	N/A
Half-Time	6-8 units	4.5-6 units	N/A

F-1 Students: Federal guidelines require that students on F-1 visas maintain continuous full-time enrollment each fall and spring semester as defined in this table. F-1 students who begin their studies during the summer term must enroll in at least 6 units to fulfill this requirement. Full details on maintaining status are provided in the International Student section of this catalog.

Undergraduates who wish to graduate in four years should enroll in 15 units per semester. Those who wish to attend part-time may enroll in as few as 6 units per semester, but must understand that this will delay their graduation. Undergraduates who wish to enroll in more than 18 units will need approval from the CAO.

Upon recommendation of the department chair, students granted conditional or probationary admission to an undergraduate program may be restricted to a maximum of 9 units. Students are removed from conditional or probationary status following the completion of a minimum of 9 units of credit with a satisfactory academic record.

Master's and doctoral students generally enroll in 9 units with three exceptions. Students enrolled in the Professional MBA , Master of Arts in Psychology, and Master of Divinity programs are expected to enroll in 12 to 14 units per semester to complete the program in sequence and on time. Students requesting more than the maximum units will need approval from their advisor.

## Basic Steps to Creating a Good Schedule

- Meet with academic or program advisor to discuss progress and options.
- Schedule the optimal number of units. For example, a student who works full-time may find an extra class is not a good idea. On the other hand, a student who is trying to graduate as quickly as possible and who has the time to devote to school will find that an extra class each term hastens completion.
- Undergraduates: Schedule and complete all five general education core competencies during the first year.
- Enter the advisor-approved schedule directly through the Student Portal, or register in person at the Registrar's Office.

Students are responsible for knowing registration and add/drop deadlines. These dates are found on the academic calendar posted each year. Students who register late will be subject to a late registration fee and must register in person.

# Continuing Student Registration

Continuing students are those students who register every fall and spring semester with no break in enrollment. Continuing students receive priority status during registration. Approximately 6 weeks prior to the close of a term the university posts the registration schedule, instructions, and the schedule of classes for the following semester. Registration for the optional summer session is held concurrently with registration for the following fall semester. Students meet with their advisors each term to ensure their progress through the program. Students who do not register on or before the tuition payment deadline will be considered to have voluntarily withdrawn from their program.

Students who have completed a degree at UWest and wish to continue their studies in an advanced degree program should apply for admission to that program by the deadlines posted in the Admissions section of this catalog. Students start with a visit to Enrollment to get the paperwork underway. They will be considered new students in the new enrollment, but are considered continuing students for the purposes of payment deadlines.

## Undergraduate Enrollment in Graduate Courses

Undergraduate students, in exceptional circumstances, may be eligible to request enrollment in graduate courses.

Eligibility: Third year status with minimum of 75 degree-applicable units earned, and  
Minimum 3.0 cumulative GPA; 3.5 cumulative GPA in major courses

Students should be aware that this is a holistic decision and all aspects of their enrollment and citizenship are considered. In addition to academic ability, petitioners should have a history of modeling exemplary behavior and maturity in the classroom and UWest community.

To register for a graduate course, students submit an approved General Petition with the Registration/Add Drop form. No more than two courses (6 units) at the graduate level may be applied to undergraduate graduation. These classes cannot later be applied to a graduate program.

## Changing Majors

### Undergraduate

Undergraduates who wish to change majors may do so by submitting an approved Change of Major form to the Registrar's Office. Approval from both the current and prospective chair is required. The program change will be effective the date that the form is received by the Registrar's Office.

Applicable courses completed at UWest will be transferred to the new program. In addition, prior college credit earned at other institutions will be reevaluated for applicability to the new program.

### Graduate

Students who wish to change majors once admitted to a graduate program but before completing that program must apply to and be admitted to the second program. Once admitted, they must withdraw from the original program (if still enrolled). It is recommended that students withdraw between terms, but they have the option of withdrawing during the term, subject to posted withdrawal deadlines. They may then enroll in the new program at the start of the subsequent term. No changes in program of enrollment will be made mid-semester. Students changing programs are considered continuing students for the purposes of registration and payment deadlines.

All applicable units earned at UWest while enrolled in the original program may be applied to the new program with the new program chair's approval. However, upon graduation these courses cannot later be reapplied to the original program except as approved under Multiple Degrees, located at the end of this section of the catalog.

# Schedule Changes

After registration has been completed, continuing and reentering students may add or drop classes via the Student Portal prior to the close of registration or in person or via email through the Registrar's Office after registration closes. Changes should be approved in advance by the academic or program advisor. New students may make changes by meeting with their advisor, who will forward the approved form to the Registrar's Office.

No class is officially added or dropped until the change has been recorded on the student's academic record. Students are responsible for all classes on their schedule and should review their schedule on the Student Portal for accuracy. Students should refer to the academic calendar for deadlines.

It is important that students meet with their advisor and consult with Financial Aid before changing their schedule or dropping classes, as this can have serious financial or progress implications. Students who are attending on an F-1 visa must also meet with the International Student Advisor if the drop will affect their full-time status.

Add/Drop Period	Form Used
Fall & Spring Semesters	5 pm, Friday, Week 2 Registration Add/Drop
Summer Session	5 pm, Friday, Week 1 Registration Add/Drop

Withdrawal Deadline	Form Used
Fall & Spring Semesters	5 pm, Friday, Week 10 Course Withdrawal
Summer Session	5 pm, Friday, Week 6 Course Withdrawal

Courses dropped on or before the posted Add/Drop Deadline are removed from the student's schedule.

Courses dropped after the Add/Drop period closes but before the posted withdrawal deadline are awarded a W. Courses dropped after this deadline are awarded an FW. A grade of W does not affect a student's term or cumulative GPA, but will affect Financial Aid Progress requirements as well as time to degree. FW is a failing grade and will have a significant impact upon a student's term and cumulative gpa.

Students should note that failure to attend does not constitute withdrawal from a class, although it may lead to subsequent dismissal. Students who stop attending without submitting a course withdrawal form may receive the earned grade for the class, usually an F or an FW.

Refunds are explained in full in the Tuition and Fees section of this catalog.

# Graduate Candidacy & Continuous Enrollment

Graduate degree students are required to maintain continuous enrollment in every fall and spring semester from the beginning of the program of study until award of the degree. This policy is designed to eliminate the need for readmission to the university, provide opportunity for continuous use of facilities including the library, and assure the development of an integrated program that is adequately supervised and effectively completed within appropriate time limits.

A graduate student who fails to register for either fall or spring semester without applying for an authorized leave of absence is considered to have discontinued enrollment in the graduate degree program. Candidacy will lapse automatically if a student fails to maintain continuous enrollment. A student readmitted after a lapse in enrollment may be required to repeat the candidacy examination and is required to complete at least one academic semester before the degree may be conferred.

Graduate students who have completed all course work, but who have not yet completed and submitted a required comprehensive examination, thesis, or dissertation register for the research or continuous enrollment course assigned to their specific program and degree level. This 1- to 4.5-unit course does not require class attendance. Students who have not yet attained candidacy status must obtain program advisor or chair approval when registering for continuous enrollment. After advancing to candidacy, this approval is automatically granted. Students must pay all applicable tuition and fees.

The university considers continuous enrollment as full-time enrollment for purposes of maintaining student status, as well as financial aid deferrals and eligibility. Enrollment requirements for scholarships vary. Students with scholarships should speak with a Financial Aid officer regarding specific unit requirements.

Continuous enrollment is considered full-time for purposes of maintaining F-1 visa status at the university. F-1 students who have not yet attained candidacy status are required to submit a Request for Reduced Enrollment form each semester when registering for continuous enrollment. After formally advancing to candidacy, indicated by the status Candidacy, this form is no longer needed.

# Program Withdrawal, Leave of Absence, & Reentry

Leaving college is a serious decision. Students are urged to discuss their options with their advisor, department chair, or dean before finalizing any plans to withdraw temporarily or permanently from the university. Students considering taking time off should also meet with a financial aid advisor to determine the financial impact on existing aid, including loans, grants, and scholarships.

A student may submit a leave of absence or withdrawal request at any time. Students who choose to withdraw have the following options.

## Leave of Absence (LOA)

This option is open to students in good standing who plan on returning to UWest in less than one year and allows students to return under their initial catalog.

Students who do not return from an approved LOA as scheduled will be withdrawn effective their last period of attendance.

Federal regulations strictly limit leave for students attending on F-1 visas. The international student advisor must review all F-1 requests for LOA before processing.

Summer is considered a standard period of non-attendance; students do not need to submit an LOA if not attending in summer as long as they are registering for the fall semester.

## Withdrawal

This option is applicable to students who do not plan to return to UWest as well as those who plan on taking one year or more off from their studies. Students withdrawing from the university are requested to complete an exit survey.

Students attending on an F-1 visa should be aware that the university is required to report the change of status promptly, and that withdrawing may result in the termination of their I-20. International students must meet with the international student advisor before withdrawing to discuss the impact upon their F-1 status.

## Process

A student who chooses to withdraw or take leave must complete the LOA/Withdrawal form, obtain the following approvals, and submit the signed and approved form to the Registrar's Office. All forms are available from the UWest website.

All students require the following approvals:

- Department Chair or Program/Academic Advisor
- Accounting Office
- Library

Additional approvals as required:

- Financial Aid: if receiving financial aid such as loans, grants, scholarships. Students receiving aid must also complete the Loan Exit Interview Form.
- International Student Advisor: if attending on F-1 visas.
- Residential Life: if residing on campus.

## Effective Date

If submitted prior to the first day of the term, the student will not owe tuition or fees for that term, and the LOA/withdrawal will be considered effective the final day of the last semester completed.

If submitted on or after the first day of the term, including those students who are dropped due to not attending, the student may receive a pro rata refund as described in this catalog under Tuition and Fees. The withdrawal is effective the date the form is received by the Registrar's Office unless a later date is specified by the student.

## Impact on Grades

If submitted on or before the close of the add/drop period, the student will be unregistered from all classes.

If submitted after the close of the add/drop period and on or before the withdrawal deadline, the student will receive Ws in all classes scheduled.

If submitted after the withdrawal deadline, the student will receive FWs in all scheduled classes. FW is calculated as an F in the grade point average.

Students should refer to the Academic Calendar for pertinent dates.

Students should refer to the Financial Aid section of this catalog for important information regarding the impact of leave and withdrawal on loans, scholarships, and refunds.

# Reentry or Readmission

Students who leave the university in good standing and return after an absence of less than one year may reenter under their original catalog so long as the major is still being offered, is not impacted, and/or has not undergone significant changes due to regulatory revisions. Students submit a Reentry Form to request that their enrollment be reactivated. Questions regarding reentry may be addressed to the Registrar's Office.

Students who have been out of school for one year or more must apply for readmission to the university, and are subject to the admission and program requirements in effect at the time of their return. Questions regarding readmission should be addressed to the Enrollment Office. Students who have been out of school for four years or more may be required to submit a new set of official transcripts with the application for readmission.

Students granted reentry or readmission are subject to continuing student payment deadlines.

Returning students who have completed coursework at other colleges during their break in enrollment should provide official transcripts to the Registrar's Office for evaluation prior to reenrollment.

The Chief Student Services Officer must approve a reentry or readmission request for any student not in good standing.

Financial aid, tuition waivers, scholarships, fellowships, or any other previous agreements may not be applicable upon reentry or readmission.

# Satisfactory Academic Progress

Students must maintain satisfactory academic progress (SAP) to remain enrolled at UWest. Financial Aid recipients must also comply with the Financial Aid Satisfactory Academic Progress Policy to remain eligible for federal, state, and institutional financial assistance. The Financial Aid Satisfactory Academic Progress Policy is provided in the Financial Aid section of this catalog.

Additional Time to Degree requirements for graduate programs are provided under the department's section of this catalog.

## GPA Requirement

At a minimum, students must maintain a cumulative GPA as follows:

2.0 GPA	Undergraduate degree & certificate programs
3.0 GPA	Graduate degree & certificate programs

Progress is reviewed at the end of each term (fall, spring, and summer). Students who meet the minimum required cumulative GPA but whose term GPA falls below the minimum standard will be placed on Academic Warning for a period of one term.

Students placed on warning must meet with their academic or program advisor to develop a plan of action to improve their grades so that they may continue to maintain the cumulative GPA required for their level of study.

Students whose cumulative GPA falls below the minimum standard will be placed on academic probation for a specified period, usually one term. Students placed on probation must meet with their academic advisor to develop an academic plan designed to help them regain good standing. This meeting must occur no later than the first Friday of the term in which the student has been placed on probation. Graduate students on probation may enroll in no more than 9 units per semester and probationary undergraduates in 14 units until returned to good standing. All students on warning or probation are expected to make use of the services of the Student Success Center.

At the close of the academic probation period, a student whose cumulative GPA remains below the minimum requirements may be dismissed from the university. However, if at the end of the period of probation a student's cumulative GPA remains below the minimum but the term GPA exceeds the minimum, upon recommendation of the Chief Academic Officer and/or Chief Student Services Officer the student may be granted one additional term to return to good standing.

# Reinstatement from Academic Dismissal

A student who has been academically dismissed may appeal for reinstatement. Forms are available in the Registrar's Office. There are two pathways to reinstatement.

## UWest Pathway - Undergraduates & Graduates

A student who has been dismissed may petition for reinstatement to UWest directly after dismissal by submitting a petition for reinstatement to the Chief Student Services Officer. This is the only option open to graduate students.

This petition must indicate what led to the dismissal as well as what has changed in the student's situation that will allow the student to succeed if reinstated. Such petitions should be based on verifiable substantive circumstances such as a major life change, significant work issue, death in the family, etc. Documentation may be required.

Undergraduates may want to follow the "off campus" path, explained next.

## Off Campus Pathway - Undergraduates only

Alternatively, an undergraduate student may petition for reinstatement and readmission after successful completion of at least 24 units of substantive academic coursework in a single year with a cumulative GPA of at least 2.4 at an accredited college or university. Courses completed with a grade less than 2.0 will be included in the cumulative GPA, but will not apply to the 24-unit requirement.

The student must submit a petition for reinstatement and request for reentry along with an official transcript showing completion of the required coursework to the Chief Student Services Officer. The petition must indicate what led to the dismissal as well as what has changed in the student's situation that will allow the student to succeed if reinstated.

It should be noted that, while the units earned elsewhere may be considered as justification for reinstatement, the courses completed may not be applicable as transfer credit. This determination is subject to the transfer credit policy in this catalog and is contingent upon applicability to the student's program of enrollment at UWest.

## Reinstatement on Probation

If the reinstatement petition is approved, the student will be reinstated on probation with a formal academic plan for a specified period, usually one term.

At the close of the period indicated on the academic plan, a student who has not raised his or her cumulative GPA to the minimum required may be dismissed from the university. This dismissal is final except when the student can document significant and compelling cause.

Students should note that if they are reinstated and subsequently dismissed, they will not be reinstated a second time.

F-1 students may not extend the length of their program as indicated on their form I-20 due solely to a lack of satisfactory academic progress. Therefore, it is critical that F-1 students pay particular heed to their status and seek academic support before their GPA is in jeopardy.

Academic reinstatement is not a guarantee of financial aid reinstatement. Students should carefully read the Financial Aid section of this catalog to understand the impact of academic warning, probation, and dismissal upon eligibility for federal, state, and institutional financial aid.

## Intensive English Program (IEP)

Students enrolled in the Intensive English Program must earn a term GPA of 2.7 to advance in the IEP and Bridge sequence of classes. Students who do not achieve this GPA may be required to repeat a level until the minimum GPA has been achieved and the student has demonstrated that he or she is prepared to advance.

This policy is explained in full in the English Language Institute section of this catalog.

# Attendance

Class attendance is a critical factor in student success. Successful attendance begins with an appropriate schedule; students should select a schedule that minimizes conflicts with work and other obligations. Once that schedule is selected, students have the responsibility to demonstrate commitment to their education and respect for their instructors by attending each class session in its entirety, arriving punctually, reporting to class fully prepared, and participating in class discussions. Students are expected to attend all classes as scheduled unless prior arrangements have been made.

Instructors set specific attendance standards for their courses and these standards are published in the course syllabus. Standards include how excused and unexcused absences affect the course grade, the make-up policy for work missed while absent, and, in the case of courses offered on campus and remotely, whether students will have the opportunity to complete assignments, including quizzes and exams, missed due to unexcused tardiness or leaving class early. Instructors are authorized to include a requirement that students be dismissed for lack of participation and/or attendance. Criteria for dismissal will be fully explained in the syllabus.

## Modes of Delivery and Attendance

UWest offers classes in multiple modalities. Modes of delivery have been defined below.

**On-campus instruction** is defined as classes meeting at a set time (i.e., synchronous class sessions) in a designated location and offering face-to-face instruction. Students are expected to attend all class sessions, to arrive promptly for each session, and to remain for the duration of each session. Most of UWest's courses are offered on campus and in person.

**Remote instruction** is defined as classes meeting at a set time and offering synchronous instruction using various technologies. Classes do not meet on campus and instruction is live but not in-person. Students are expected to participate in all class sessions, to log in promptly for each session, and to remain for the duration of each session. Remote instruction was introduced in response to the COVID-19 pandemic. It is available only as an exception and with the approval of the CAO and CSSO.

**Online instruction** is defined as asynchronous learning; instruction is not offered at a set time. Instead, students complete modules at their own pace within a weekly timeline and instructors facilitate student learning. Instruction is offered in modules, and modules are grouped in weekly increments aligned to the semester calendar. Students are expected to complete the tasks for all modules assigned for a specific week by Sunday of that week, except when instructions otherwise indicate.

**Hybrid instruction** is defined as a combination of synchronous and asynchronous learning. Instruction combines on-campus or remote sessions meeting at set times with online instruction offered through weekly modules. The structure and schedule of each hybrid course will be fully defined in the course syllabus. Students are expected to participate fully in all class sessions, as appropriate to the modality of each session.

# Attendance Dismissals

## Add/Drop Period

Fall & Spring Semester	Ends 5 pm, Friday, Week 2
Summer Session	Ends 5 pm, Friday, Week 1

Students who do not attend any of their scheduled classes during the add/drop period without prior approval from the instructor may have the missed class removed from their schedule. This reduction in units may result in a change of enrollment status, which in turn may affect aid eligibility and F-1 visa status.

Students who add a class after the first class session has met must be sure to attend the next scheduled session to avoid being dropped.

Students who attend none of their scheduled classes during the add/drop period without prior approval from all instructors may be considered to have voluntarily withdrawn from UWest. Students will be removed from all classes and dropped from their program.

Drops will have an effective date of Sunday, Week 2 and any refund calculation will be based upon this date. This means that students are still responsible for fees and prorated tuition. Refund details are found in the Financial Aid and Tuition and Fees sections of this catalog.

Students should note that they cannot drop a class from their schedule just by not attending. If the instructor does not report the absence, the student will not be removed from the roster and will remain responsible for the full tuition for that class. Students may reduce unnecessary charges by submitting an Add/Drop form on or before the close of the Add/Drop period.

Students who are dropped from a class or classes may petition for reinstatement, but approval is not guaranteed. The reinstatement process is explained below.

## During Term

Instructors have the authority to set attendance standards for each of their courses, regardless of modality. Failure to meet these standards may result in a lower grade or even dismissal from the class. If dismissal occurs prior to the posted withdrawal deadline (Friday of week 10), the student will receive a grade of W. If dismissal occurs after the withdrawal deadline, the student will receive a grade of FW.

Students who are dismissed during the term retain the right to petition for reinstatement as explained below. However, reinstatement is not guaranteed.

Attendance drops are effective the date the Registrar's Office is instructed to dismiss the student and any refund calculation will be based upon this date. This means that fees and prorated tuition will still be due to the university. Refund details are found in the Financial Aid and Tuition and Fees sections of this catalog.

Students should be aware that dismissal from a course during the term will impact their satisfactory academic progress (SAP). While a W does not affect GPA, it does affect completion rate. FW is equivalent to a grade of F and affects both GPA and completion rate. More information about SAP is included in this section of the catalog under Satisfactory Academic Progress, and in the Financial Aid section of this catalog.

## Petition for Reinstatement from Attendance Dismissal

Students who are dismissed retain the right to petition for reinstatement. However, approval is not guaranteed.

A student who has been dismissed from a course should submit a Petition for Course Reinstatement form. The following approvals are required:

1. Instructor
2. Department Chair
3. International Student Advisor, if on F-1 visa
4. Financial Aid Advisor, if receiving aid or scholarship
5. Accounting

If approved, the form should be submitted to the Registrar's Office for processing.

Reinstatement is not allowed if a student is again dismissed from the same class.

## Intensive English Program Attendance Policy

The Intensive English attendance policy is unique to that program and is explained in full in the English Language Institute section of this catalog.

## Undergraduate Residency Requirement

UWest has a 25% undergraduate residency requirement, meaning that at least 25% (30 units) of coursework awarded toward an undergraduate degree must be completed at UWest. Of these 30 units, at least 24 units must be upper division. Transfer credit, advanced placement credit, and units earned through credit by examination are not applicable to the residency requirement.

## Credit by Examination (Proficiency Credit)

Currently enrolled students who submit evidence of an extensive experience in a subject area, and who believe that their knowledge of the area is equivalent to the content of a course required in UWest's curriculum may apply for credit by examination. Credit by examination is graded on a Pass/No Pass basis and does not affect GPA.

Undergraduates must complete a minimum of 12 units at the university prior to requesting credit by examination and a maximum of 15 units may be completed through credit by examination. A General Petition Form should be submitted to the Registrar's Office to request credit by examination, and the credit by examination fee must be paid prior to examination. Credit by examination units do not apply toward the residency requirement. The department chair must approve all requests for credit by examination.

# Transfer of Credit after Initial Enrollment

Each applicant's prior education is evaluated for transfer credit at the time of admission. The transfer credit policy and process is explained in full in the Admissions section of this catalog. After beginning their studies, undergraduates may complete general education coursework at another accredited institution concurrently with their UWest enrollment. While not encouraged, students may also request approval to complete core requirements at another institution. Approval will be contingent upon demonstrated cause. Students should consult with the registrar and Financial Aid prior to enrolling at another college while attending UWest.

Course Type/Degree Level	Approval Needed
General Education	Registrar
Core Requirements	Department Chair

Students are encouraged to submit a General Petition requesting preapproval prior to enrolling in courses they want to transfer to UWest. Without this preapproval, there is no guarantee that the coursework will be accepted for credit. Upon completion of the preapproved course, students request an official transcript from the issuing institution to be sent directly to UWest's Registrar's Office. Preapproved credit is granted upon receipt of the official transcript showing the course was successfully completed with the minimum grade required for the level of study: undergraduate minimum grade is C (2.0), graduate minimum is B (3.0).

Students may not fulfill final graduation requirements through the submission of credit for courses completed after their last date of attendance at UWest. Official transcripts for preapproved transfer credit must be received by the Registrar's Office no later than the last day of the term in which the student is graduating. Students who seek to apply transfer credit towards graduation after a break in enrollment will be required to complete at least 6 units of degree applicable coursework in residence.

## Maximum Transfer Credit by Degree Level

The maximum number of units toward graduation that can be fulfilled with any combination of transfer credit, credit by examination, and advanced placement credit is provided in the following chart.

Degree Level	Maximum transfer/proficiency/advanced placement credit allowed
Bachelor's Degrees	90 semester units (135 quarter units) total credit Of the 90 units, no more than 70 semester units (105 quarter units) may be lower division or transferred from a community college
Master's Degrees	6 semester units (9 quarter units)
Doctoral Degrees	30 semester units (45 quarter units)

# Credit Hour Policy

In accordance with established academic standards, UWest defines one credit hour (usually referred to as one semester unit, or just unit) as equivalent to 1 hour of lecture plus 2 hours (undergraduate) or 3 hours (graduate) of preparation per week for a total of 45 hours (undergraduate) or 60 hours (graduate) per semester or the equivalent, as appropriate to intended learning outcomes and as measured by student achievement. Every hour of instruction includes 50 minutes of instruction and a 10-minute break.

Courses that fall outside of the traditional description above must require 45 hours (undergraduate) or 60 hours (graduate) of student work to result in the award of one credit hour. Such courses may include, but are not limited to, service learning, online, laboratory, and physical activity courses, internships, directed research, and independent study.

Courses offered in less than 16 weeks must fulfill the 45/60-hour requirement as explained above to ensure the same level of student achievement of intended learning outcomes as provided in a 16-week semester.

Example: In a traditional 3-unit undergraduate lecture course this requirement is fulfilled through 15 weekly class sessions held over the period of a 16-week semester and including 3 hours of direct faculty instruction each week with an additional weekly requirement of at least 6 hours of reading, assignments, or other appropriate work completed outside the classroom, for a total of 90 hours over the length of the term.

## Grade Scale & Grades Issued

University of the West uses a 4-point grade scale. Letter grades are assigned by the instructor of record to indicate the extent to which a student has achieved course objectives.

With the exception of incompletes (I and IC), all grades are final when posted by the instructor. No grade will be revised by reexamination or completion of extra work except when an incomplete grade petition has been submitted and approved. A student who feels that there is an error in the recorded grade should meet with the instructor to determine if the grade was correctly recorded. If an error was made in grade entry, the instructor may request a correction by submitting a Grade Change form to the Registrar's Office. The registrar is authorized to change a final grade only if a clerical or procedural error must be corrected.

Any grade correction requested more than one year after the original filing must be validated by the department chair. Any grade change made by an instructor who has left UWest must be approved by the department chair and CAO.

A student who wishes to challenge a grade issued by a professor must do so no later than the term immediately following that in which the course was completed. More information is included in the Grade Grievance policy later in this section.

The following grades are included in the calculation of the grade point average (GPA):

<b>Meaning</b>	<b>Grade</b>	<b>Quality- Points</b>	<b>Pass/No Pass</b>
Superior	A	4.0	
	A-	3.7	
Good	B+	3.3	
	B	3.0	
	B-	2.7	
Satisfactory*	C+	2.3	
	C	2.0	Pass (P)
	C-	1.7	*Provisional Pass (PP)
Unsatisfactory	D+	1.3	
	D	1.0	
Failing	D-	0.7	Not Pass (NP)
	F	0.0	
Failing to Withdraw	FW	0.0	

\* Some courses and programs may require grades of C or higher for passing. Such requirements are noted in this catalog under the program and course description.

FW (Failing to Withdraw): Indicates the student ceased attending at some point during the semester but did not officially withdraw. FW is computed in the GPA as an F.

The following grades are not included in the calculation of the grade point average.

Audit	AU
In Progress	IP
Not Reported	NR
Pass/*Provisional Pass/No Pass	P/PP/NP
Reported Delayed	RD
Thesis in Progress	TIP
Withdraw	W

Audit (AU): Not being taken for credit. Many classes at UWest can be audited with advisor approval. Course prerequisites are enforced in determination of registration eligibility for the course, and fees are assessed as listed in the Tuition and Fees section of this catalog. Units are not applicable to F-1 or financial aid eligibility. Those auditing courses take no examinations, write no papers, and receive no grade or credit. Audited courses cannot later be converted to graded courses.

In Progress (IP): Courses in progress during current term.

Incomplete (I or IC): Student has requested and been granted a specified extension beyond the last day of the term for submission of work. An instructor has the discretion to approve an incomplete grade to a student when issues beyond the control of the student prevent the completion of course requirements within the term. Legitimate cause may include, but is not limited to, such things as illness, unavoidable absence, or significant life change.

Incomplete grades may be issued only when all of the following circumstances apply:

- The student has attended at least 60% of the term:
  - Fall & Spring semesters: through week 10
  - Summer session: through week 6;
- The student is currently passing the course;
- The student has submitted at least of 80% of work due to date;
- Legitimate cause prevents completion of required work by the due date;
- Required work may reasonably be completed in an agreed-upon time frame;
- The student initiates the request for an incomplete grade before the end of the academic term.

Once an incomplete is granted for a specified course, students are not expected to attend any further class sessions. Any exception must be approved by the instructor and indicated on the Incomplete Petition.

Students who are unable to complete a course but do not meet the above circumstances should consider dropping the course. Students may drop with a W through Friday of week 10 during the fall and spring semesters, and Friday of week 6 during the summer session. Students may drop with an FW after this date.

An incomplete grade is not an appropriate solution if based solely on a student's failure to submit work satisfactorily during the term or as a means of raising a grade through the submission of additional work after the term ends. An incomplete grade is not considered passing for purposes of determining academic standing or federal financial aid and scholarship eligibility.

The deadline for final submission is set by the instructor, and may not extend beyond one year following the first day of the term in which the incomplete is granted. However, it is recommended that the time allowed for completion not exceed one month.

Not Reported (NR): The instructor has not yet assigned a grade to the student.

Pass/No Pass (P/NP): Students may select Pass/No Pass as a grading option at the time they initially register for courses or may change grading options up until the deadline posted on the Academic Calendar. Some courses are graded only on a P/NP basis; this is indicated in the catalog course description. Undergraduates may take up to 12 units per year on a P/NP basis with advisor or chair's approval, but should note that taking courses on an optional pass/no pass basis may disqualify them from consideration for term or program honors. Courses offered only on a P/NP basis are not included in the 12-unit limit. With the exception of courses graded only on P/NP basis, graduate students should consult with the department chair or advisor as elective P/NP courses are generally not applicable toward graduation. Students who take a course for P/NP, cease attending in the course of the semester, and fail to withdraw will receive an "FW" grade. This grading option is not open to all courses.

Pass (P): Course was taken for Pass/No Pass and was passed. P is equivalent to at least 2.0 and may be applied toward satisfaction of degree requirements as allowed under program requirements but is disregarded in determining overall grade point average.

No Pass (NP): Course was taken for Pass/No Pass and was not passed. NP is equivalent to less than 2.0, is not applied toward satisfaction of degree requirements, and is disregarded in determining overall grade point average.

\*Provisional Pass (PP) - SPRING 2020 COVID-19 Emergency Grading Protocol: Offered Spring 2020 in response to emergency mid-semester move to remote teaching. Applicable to undergraduate grading only. PP is equivalent to at least 1.0 and is applicable toward satisfaction of degree requirements but is disregarded in determining overall grade point average. This grading option is not applicable to classes with a minimum grade requirement of C or higher.

Report Delayed (RD): The grade has not yet been received from the instructor.

Thesis in Progress (TIP): Thesis continued into following term. Credits to be awarded during the term in which the thesis is accepted as complete. No impact upon grade point average.

Withdraw (W): Indicates withdrawal from a class after the close of the add/drop period but before the posted withdrawal deadline

## Change of Grading Option

When registering, students may elect to take a course for a letter grade, as Pass/No Pass, or as an audit as allowed within their major. After initial registration in a course, students retain the right to change the grading option upon approval. To do so, students submit an approved Change of Grading System form to the Registrar's Office. This form must be submitted by the deadline listed on the Academic Calendar. Once a course is graded, students cannot request a change in grading option.

## Repeated Courses

**Undergraduate Policy:** Undergraduate students are allowed one repeat of any course in which they received a grade of C- or below to improve their grade point average (GPA). Each attempt will remain on the student's permanent transcript, but only the highest grade earned will be used in the calculation of cumulative GPA and credits earned toward graduation. Students seeking to repeat a course more than once will need the approval of their department chair. Transfer credit for a course not passed at University of the West will not improve GPA. Multiple repeats may affect financial aid eligibility.

**Graduate Policy:** All courses in which a letter grade is given, including repeated courses, are used in computing cumulative GPA. However, except as allowed for certain topical or research courses, repeated courses will be credited only once towards graduation.

## Grade Grievance

Grades are assigned by the instructor and, except in the case of negligent or capricious grading, the grade issued by the instructor is final. No grade will be revised after the term closes by re-examination or completion of extra work with the exception of official incompletes. A student who feels that there is an error in the recorded grade should meet with the instructor to determine if the grade was correctly recorded. If an error was made in grade entry, the instructor will submit a Grade Change form to the Registrar's Office. The registrar is authorized to change a final grade only in the case of clerical or procedural errors.

If, after this discussion, students wish to challenge a final grade, they must follow the grade grievance process specified on the Grade Grievance form available from the Registrar's Office.

## General Petition

Students have the right to petition to be exempted from a rule or regulation of the university (e.g. changes in academic requirements). They may also appeal for credit by examination and for review of matters related to the transfer of units from other institutions. An approved petition represents an agreement between the student and the university. More information regarding the General Petition is available from the Registrar's Office.

# Academic Honors

Responsibility and excellence are two values central to UWest's vision and governance. Superior academic performance is a demonstration of these two values. The university recognizes undergraduate degree students who achieve a final cumulative grade point average (GPA) of 3.70 or higher. The appropriate honor is printed on the final transcript and diploma. To be eligible, a student must earn a minimum of 48 units in graded classes completed at UWest.

## Cumulative GPA

3.70 – 3.79	cum laude	with praise
3.80 – 3.89	magna cum laude	with great praise
3.90 – 4.0	summa cum laude	with highest praise

In addition to graduation honors, UWest recognizes undergraduate success each fall and spring semester. Full-time undergraduate degree students may earn a place on the Dean's or President's List. To be eligible, a student must successfully complete at least 12 units of graded degree-applicable coursework in the fall or spring semester with a term GPA as specified below.

## Term GPA

3.50 – 3.99	Dean's List
4.0	President's List

# Graduation

Degrees are awarded at the close of each semester and are dated the last day of the term in which degree requirements are met. All degree requirements, including but not limited to incompletes, internships, and missing grades, must be completed by the last day of the month in which the degree is to be awarded. Work completed at other institutions must be received on or before the degree award date to be applied toward degree requirements. The candidate's department chair must verify that the date of graduation indicated on the Petition to Graduate form is accurate.

Students are required to complete their final semester of coursework with a minimum of 6 units in residence and cannot transfer courses to meet final degree requirements if such work is completed after the last date of attendance at UWest.

Although a student may have completed all degree program requirements, graduation is not automatic. Students who believe they are ready to graduate must meet with their chair to have a Petition to Graduate form approved. The Petition to Graduate form must be submitted with the final registration form and graduation fees will be charged to the student's account.

If the student does not graduate as expected, the petition may be carried over for one term only. After this, a new petition will be required.

# Commencement

UWest's formal commencement ceremony is held each year in May. Students interested in participating in the annual ceremony must indicate this on the Petition to Graduate form and pay the commencement fee. Students must be on course to satisfactorily complete all degree requirements (including comprehensive examination, thesis and/or project, and dissertation defense) by the commencement date. Students receiving degrees at the end of the summer or fall term are invited to participate in the commencement ceremony held the following May.

To participate in May commencement ceremonies, students must meet one of the following academic conditions:

- earned degree in summer or fall semester immediately preceding the spring semester in which commencement is held.
- filed a Petition to Graduate form with the Registrar's Office for the current spring term in which commencement is to be held and have completed or will complete all degree requirements by the end of the current spring semester.
  - Master's students must pass any required comprehensive examination, thesis, or capstone on or before the deadline posted for the spring semester.
  - Doctoral candidates must successfully defend their dissertation on or before the deadline posted for the spring semester.

Students may request approval to participate prior to graduating only if they meet the following criteria:

- file a Petition to Graduate form with the Registrar's Office by the posted deadline.
- at the time of the ceremony will have no more than the following requirements remaining:
  - Bachelor's degree students: 9 units.
  - Master's degree students: 6 units.
    - No graduate student is permitted to participate unless he or she has completed and passed any required defense, comprehensive examination, thesis, or capstone on or before the deadline established for the spring semester.
- have scheduled all remaining courses in the summer or fall term immediately following the ceremony.

# Transcripts, Diplomas, & Enrollment Verification

Students may order transcripts and verifications of enrollment from the Registrar's Office. This office also distributes diplomas and certificates upon program completion. Order forms are available in the Registrar's Office and on the UWest website. The university will not release educational records, including transcripts, diplomas, certificates, and enrollment verifications to a third party without the express written approval of the student of record.

Transcripts and diplomas may be released only to students who have fulfilled all obligations to the university or any UWest-sponsored agency. Diplomas may not be released to students who have any unfulfilled obligation to the university, such as an unpaid balance, outstanding library materials or fines, or required Financial Aid exit interviews.

Diplomas will be available approximately eight to ten weeks following the date of degree conferral. Diplomas cannot be released prior to conferral.

# Address & Name Changes

All students should notify the university promptly of any change in their name, address, or phone number. Such changes may be made by submitting a Change of Address/Name form located on the website or in the Registrar's Office. Students may also submit changes directly from the Student Portal.

Students submitting a legal name change will be asked to provide the following original documents to the Registrar's Office. These documents will be copied and the originals returned to the student.

- Legal court document or
- Passport or
- Marriage license and social security card issued under the new name

In addition to notifying the university, F-1 students have a legal requirement to submit Change of Address form AR-11 to USCIS within 10 days of moving, and to inform the International Student Advisor ([iss@uwest.edu](mailto:iss@uwest.edu)) so that their I-20 record may be appropriately updated. A copy of this form may be submitted to the Registrar's Office in lieu of a Change of Address form.

# Maintenance & Confidentiality of Student Records

The California Administrative Code Section 18804(a) requires colleges and universities to maintain some student records for a period of five years after final enrollment, with the exception of the student's permanent record.

The Family Educational Rights and Privacy Act (FERPA) applies to all schools that participate in Title IV programs such as financial aid. The following is a summary of the university's full FERPA policy. This policy is distributed in full annually to all enrolled students.

FERPA gives students certain rights with respect to their education records:

1. Students have the right to inspect and review their own education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for students to review the records. Schools may charge a fee for copies.
2. Students have the right to request that a school correct records they believe to be inaccurate or misleading. If the school decides not to amend the record, the student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the student has the right to place a statement with the record setting forth his or her view about the contested information.
3. Generally, schools must have written permission from the student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:
  - school officials with legitimate educational interest;
  - other schools to which a student is transferring;
  - specified officials for audit or evaluation purposes;
  - appropriate parties in connection with financial aid to a student;
  - organizations conducting certain studies for or on behalf of the school;
  - accrediting organizations;
  - to comply with a judicial order or lawfully issued subpoena;
  - appropriate officials in cases of health and safety emergencies; and
  - state and local authorities within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell students about directory information and allow students a reasonable amount of time to request that the school not disclose directory information about them.

Schools must notify students annually of their rights under FERPA. The actual means of notification is left to the discretion of each school.

Except as specified above, UWest does not allow unauthorized release of student records. Students who would like to allow specific individuals or parties access to their education records must provide a signed Authorization to Release Records to the Registrar's Office. Without this signed release, student records will not be released to a third party, including parents and legal guardians.

# Multiple Degrees/Concentrations

Students often are interested in fulfilling their educational goals by pursuing multiple degrees while at UWest. If a student wishes to advance through a standard progression of degrees, an application for admission may be submitted during the final term of the lower level enrollment. The application fee is due for each application submitted to the university. If admitted, acceptance will be contingent upon graduation from the lower level degree.

Students should be aware that enrolling in multiple programs or repeating degree levels may have financial aid or F-1 visa implications. Therefore, all students interested in pursuing multiple degrees or concentrations or in repeating a degree level in a different program must meet with Financial Aid prior to entering into the multiple enrollment, whether concurrent or consecutive. Students on F-1 visas must also have approval from the International Student Services Office. If enrolled on an F-1 visa, students should be aware that an updated I-20 showing enrollment in the advanced degree cannot be issued prior to graduation from the original program.

They will be considered new students in the new enrollment, but are considered continuing students for the purposes of payment deadlines.

## Multiple Concentrations

### Two Concentrations in the Same Program

**Concurrent Enrollment:** A student who seeks to concurrently complete two concentrations in the same program must complete all requirements for both concentrations. Concentration units may not be applied to more than one concentration, i.e. all concentration units must be unique.

One diploma showing both concentrations will be awarded at the time of graduation. Enrollment in a second concentration must be approved in advance by the department chair. Students should explore minor options to determine if earning a minor would better meet their needs.

**Subsequent Enrollment:** A graduate who wishes to re-enroll to complete the requirements of a second concentration after the award of a bachelor's degree in the same program must apply for readmission. A minimum of 18 additional units specific to the second concentration must be completed. In addition, the student must complete all program requirements in effect at the time of readmission.

Upon completion of the requirements, UWest will not issue a second diploma; rather, the additional concentration will be noted on the official academic transcript. The student may be better served by enrolling in a graduate degree or graduate certificate program.

## Undergraduate Degrees

### Second Bachelor's Degree After Graduation

A UWest graduate who wishes to earn a second UWest undergraduate degree in a different program of study must apply for admission to the program. The student must complete a minimum of 30 units in residence beyond the minimum requirements for the first bachelor's degree for a minimum total of 60 semester credits in residence and a minimum total of 150 semester credits. A diploma will be issued for the second degree. The student should request a degree evaluation before beginning the program to determine which courses will be required.

The university does not encourage such enrollment as most students will be better served pursuing a graduate degree. Students must explain their rationale in applying for a second bachelor's degree in the personal essay submitted with the application for admission. This will be considered during the review for admission to the second degree program.

# Master's Degrees

## Master's Program Subsequent to UWest Bachelor's Degree

Interested students may apply to a UWest master's degree during their final term in the bachelor's degree program. Admission is contingent upon successful completion of the bachelor's degree and fulfillment of all admissions requirements. Students are not eligible to begin the master's program until the term following the award of the bachelor's degree. No credits earned during the bachelor's enrollment may be applied to a UWest graduate degree and no coursework may be repeated.

## Multiple Master's Degrees

Students interested in completing multiple master's degrees at UWest are required to apply to and be admitted to each program. This applies to completing a second degree, as well as transferring to a program offered by a department other than that to which the student was admitted.

Credits applied to a previously awarded UWest master's degree cannot be applied toward the requirements of a second master's degree except as specified. Students are required to meet all course, exam, research, practicum, internship, candidacy, and other graduation requirements for each program. No work submitted for the first degree, such as a thesis or portfolio project, may be submitted for the second degree.

A diploma will be issued for each master's degree awarded unless dual enrollment is required. Students must submit a petition to graduate when registering for their final term in each program and a diploma will be issued for each degree awarded. If dual enrollment is required, students petition to graduate when registering for their final term in attendance and one diploma will be issued showing both degrees and majors.

## Concurrent Enrollment

Students must meet all degree requirements for both degrees. No more than 6 units may be shared by both degrees and must be approved in advance by the chairs of both departments. Students are required to meet all course, exam, research, practicum, internship, candidacy, and other graduation requirements for each program. No work submitted for the first degree, such as a thesis or portfolio project, may be submitted for the second degree unless explicitly approved by both department chairs at the time of admission.

## Subsequent Enrollment

Students who have earned a master's degree at UWest or elsewhere may complete a second master's degree at UWest if offered by a different department. No more than 6 units earned towards the first master's degree may be applied to the second master's degree. No work submitted for the first degree, such as a thesis or portfolio project, may be submitted for the second degree.

## UWest Master's Degree After Completion of UWest Doctoral Degree

Students awarded a Doctor of Philosophy or Buddhist Ministry may not subsequently enroll in a master's degree program offered by the same department. However, they do have the option to apply to a master's degree offered by a different department. No more than 6 units applied to previous graduate degrees may be applied to the master's degree with one exception.

Students accepted to the Master of Divinity in Buddhist Chaplaincy program after the award of a UWest Doctor of Philosophy in Religious Studies may be allowed to apply up to 24 units earned while enrolled in the PhD program with the approval of the Chaplaincy department chair. The 24-unit allowance may include up to 6 units transferred from another institution.

## Doctoral Degrees

Students interested in enrolling in a doctoral degree program after completing a UWest master's degree must apply to that program by the applicable deadline for the intended start date. In some situations a student may be granted concurrent enrollment in both programs for a period not to exceed one term. Concurrent enrollment is allowed if:

- the master's degree earned is not an admissions requirement for the doctoral degree program,
- it is the student's final term in the master's degree program, and
- no more than 6 units are required to graduate in the initial enrollment.

Students who have completed a UWest master's degree and then enter a UWest doctoral degree program may have up to 36 units applied from the master's degree upon approval from the department chair.

# Living on Campus

---

Living on campus has many benefits for students. Not only is it convenient, but students who choose to live on campus enter into a supportive community that fosters academic success and personal growth. In addition, the cost of living in university housing generally is lower than the cost of off-campus rentals. With classrooms, library, and other facilities just a short walk away, students who live in the residence halls can concentrate on studying and graduate on time. Living amongst classmates and peers makes it easy to join study groups, socialize with the diverse UWest community, and take an active part in campus events.

UWest's two residence halls provide housing for up to 150 students and are open to full-time students as well as those enrolled in intensive short-term courses. Residence halls are located within walking distance of classes, services, and recreational facilities.

Most rooms are double or triple occupancy, but a limited number of single rooms are available.

UWest's residence halls offer:

- Live-in residential advisors
- Furnished accommodations with private bathrooms
- Lounge and study spaces
- Computer lab
- Wireless network
- Coin-operated laundry
- Student Kitchen
- Recreation Center
- Exercise facilities
- Pool and Spa

COVID-19 Precautions:

UWest follows all county and state guidelines on campus and in the Residence Halls.

## Housing Contracts

Applications for on-campus housing are accepted every semester. Current room charges are provided on the Housing Application. Room charges are prorated on a weekly basis for students who are approved to move in after the start of the semester.

As part of their admission packet, all new students receive a Residential Life Contract Information package. This information should be read carefully. Students are required to complete a new housing contract every term they choose to live on campus.

Incoming first year undergraduates and international students are guaranteed priority access to space in the residence halls in fall if they submit their Confirmation of Intent to Enroll form on or before May 1 and a signed Residence Hall Contract on or before June 1. Both of these documents are included in the admission packet. Fall residence hall room assignments are announced in early August.

Room assignments are made on a first-come, first-served basis and are limited by room availability. Therefore, specific halls, rooms, or room types cannot be guaranteed.

The housing contract does not include winter or summer break or summer sessions. Students who wish to remain in the residence halls during these periods must enter into a separate contract specific to those periods.

More information about student housing is available on the Housing page at [uwest.edu](http://uwest.edu). Residence hall policies are included in the UWest Student Conduct code, also available on the UWest website. Questions regarding housing availability and pricing should be emailed to the residential hall coordinator, Eduardo Bernal at [eddieb@uwest.edu](mailto:eddieb@uwest.edu).

# Housing Fees

The current cost of housing is included in the Housing Application sent to students and available on the website. In addition to room charges, students are subject to the following fees.

Housing Application	\$ 50
Lost Key	\$ 25 per key
Mailbox	\$ 20 per semester
Security Deposit	\$ 200 per person

# Clergy

The Office of Residential Life will guarantee that celibate clergy in recognized religious orders will not be roomed together with non-celibate residents. However, it cannot be guaranteed that, for example, a Buddhist monk and a Catholic priest or a Bikkhuni and a Sramanerika will not be roomed together. Every reasonable effort will be made to accommodate religious vows where roommate assignments are concerned, but no guarantee can be given beyond making the distinction between celibate and noncelibate residents.

# Food Services

UWest's dining hall is currently nonoperational. Students have access to prepared food through the innovative food service system, SmartFridge. In addition, a student kitchen is available for housing residents who prefer to prepare their own meals.

## SmartFridge

SmartFridge, operated by Everytable, provides fresh, healthy, locally sourced meals and snacks. Everytable delivers affordable chef-prepared meals several times a week to the SmartFridge, which is located in the Recreational Hall. Purchases are made using a debit card. Students, faculty, and staff are welcome to use SmartFridge.

## Student Kitchen

Students living on campus have access to the student kitchen, which is located off the Recreation Room, to prepare their own meals. Questions about the student kitchen should be addressed to a Residence Advisor (RA), or to the Residence Hall Coordinator, Eddie Bernal at [EddieB@uwest.edu](mailto:EddieB@uwest.edu).

## Food Insecurity

Anyone experiencing food insecurity is strongly encouraged to contact Eddie Escalante in the Office of Student Life at [EddieE@uwest.edu](mailto:EddieE@uwest.edu). Eddie will help locate resources while protecting student privacy and confidentiality.

# Student Affairs

## Mission

Student Affairs embraces the UWest mission by providing programs and services that embody the values of character, compassion, and community in support of the whole-person development of our students. Working together with students, faculty, and staff, Student Affairs helps to sustain a vibrant and inclusive community within and beyond the campus. Student Affairs provides a co-curriculum that enhances UWest's academic programs, supports student success, and empowers all members of the UWest community to achieve their highest educational and personal potential.

## Student Affairs Learning Outcomes (SALOs)

As a result of participating in Student Affairs programming, activities, and trainings, and receiving services through the various Student Affairs departments, students will be able to

- listen and communicate effectively and compassionately;
- think about, plan for, and work towards personal and professional well-being and success;
- value learning about different ways of being and experience diverse relationships as enriching and valuable;
- think and act both ethically and critically;
- advocate for themselves and others in multiple settings and contexts;
- value and engage with the responsibilities and benefits of a service orientation;
- consciously and conscientiously reflect upon and manage their responses and reactions;
- use their awareness of self and identity to inform relationships and decisions.

Student Affairs provides an array of services and programs to UWest students and alumni through a group of interconnected offices and functions:

- Disabilities Services
- International Student Services
- Residential Life [details provided in the section Living on Campus of this catalog]
- Student Life
- Student Success Center
- Wellness Center

This chapter features some of the principal student support services offered through Student Affairs. Comprehensive information about services and programs provided by Student Affairs is included in the UWest Student Handbook and on the relevant UWest website page.

# Working on Campus

UWest offers a limited number of student worker positions. On-campus employment is an excellent way for students to gain real work experience while reducing their need for student loans. Student worker experience provides students the opportunity over their college career to explore careers and build networking opportunities by working in multiple offices.

There are two categories of positions available, Federal Work-Study and Institutional Student Workers.

## Federal Work-Study

Federal Work-Study (FWS) is a form of federal financial aid. Information regarding FWS eligibility is available from the Office of Financial Aid.

## Institutional Student Workers

Institutional Student Worker positions are open to all students actively enrolled in degree or eligible certificate program. Exchange students are not eligible for employment.

Eligibility for employment:

1. Meet and maintain a minimum GPA of:  
Undergraduate and IEP      2.25 minimum GPA  
Graduate                        3.25 minimum GPA
2. Meet and maintain good conduct standing
3. Valid social security number prior to first day of work

## SWP Basics

- Student worker positions are advertised on campus.
- Each job listing contains a detailed job description as well as the hiring supervisor's name and contact information.
- Once students have found a position of interest, they may begin the application process.
- Students must contact the hiring department to ask questions about the position and to secure employment.
- Students should be prepared to interview with the hiring department.
- While students are responsible for securing their own student worker positions, the Student Success Center Coordinator offers assistance with interviewing preparation.
- F-1 Students are eligible to work on campus, but must have a social security card. The International Student Advisor will assist with this process.

# Disabilities Services

UWest is committed to providing students with disabilities equal access to all academic, social, and community opportunities offered through the university. This commitment complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, and applicable local, state, and federal anti-discrimination laws. Detailed information on accommodation policy and procedures is available from the Student Success Center.

UWest's Student Disability Services (SDS) Officer facilitates all requests for reasonable accommodations. Accommodation does not include a provision to change academic standards but rather provides students with the opportunity to succeed in meeting those standards. Some common accommodations include additional time on tests, note takers, and reduced-stress test areas. A student should be aware that proof of accommodation by prior schools or colleges or on standardized tests does not automatically assure that the same or any accommodations will be provided by UWest.

Any request for accommodation must be initiated by the student. To initiate an accommodation request, the student must submit a Request for Accommodation and proof of the disability to the Student Success Center Director. Full details regarding this process, including forms, are available in the Student Success Center.

Students seeking accommodations based on a disability must self-identify themselves to the SDS Officer. Students are required to provide current documentation (within the last 3 years) supporting their disability. Documentation should be submitted to the SDS Officer along with an accommodation request application. The SDS Officer will meet with the student to discuss accommodations.

The accommodation request and all documentation should be submitted as early as possible following acceptance to UWest. All requests are confidential. It is important to begin this process as early as possible as requests must be approved by the SDS Officer prior to implementation. Students will be notified, via written correspondence, of the outcome of their request. Please note that instructors are not allowed to provide any accommodation that has not yet been formally approved by the SDS Officer.

Details regarding the accommodations request process, including forms, are available from the SDS Officer in the Student Success Center and can also be found on the Disability Services page of the UWest website.

Student disability complaints (including denial or failure to implement accommodations, academic adjustments, and auxiliary aids) should be addressed to the Student Success Center Coordinator, the Chief Student Services Officer, or the US Department of Education at <http://www2.ed.gov/about/offices/list/ocr/index.html> or by mail at:

Office for Civil Rights San Francisco Office  
U.S. Department of Education  
50 Beale Street, Suite 7200  
San Francisco, CA 94105-1813

# International Student Services (ISS)

The International Student Services Office is one of the most important resources on campus for students studying on an F-1 visa. ISS helps students make a smooth transition, both personally and academically, to attending university in the United States. Its goal is to make sure that international students have the information and resources they need to maintain their F-1 status and make the most out of their opportunities while studying in the US. ISS also provides updates on US government regulations and requirements for international students and their dependents. [Details provided under Maintaining Status and Avoiding Termination in the International Student section of this catalog.]

## ISS Services include:

- Answering questions about F-1 visa status
- Creating and updating each student's I-20
- Guiding through adversity
- Advising on travel and providing travel signatures
- Providing information about F-1 student employment options
- Answering questions about how to obtain a driver license
- Supporting F-1 visa renewal and re-entry to the U.S.

For emergency assistance, contact the PDSO at [vanessak@uwest.edu](mailto:vanessak@uwest.edu) or [626.656.2130](tel:626.656.2130).

## Student Life

Student Life offers co-curricular programs and activities to involve students in the campus community while they pursue their educational goals. These programs support students' personal, intellectual, and social development. Co-curricular activities complement academic study and provide students with opportunities to pursue shared interests and develop as a whole person and responsible global citizen. For example, Student Life organizes museum trips, community outreach and service activities, barbecues, cultural events, competitions, and other student-centered programs to enrich university life outside the classroom.

This office also provides administrative oversight to student clubs and collaborates with the clubs to facilitate events and activities. Participation in activities, clubs, and organizations not only contributes to students' personal, academic, and professional growth but also enhances their sense of belonging. Students are encouraged to start or join organizations or clubs that will help round out their UWest experience.

# Student Success Center

UWest's Student Success Center (SSC) is dedicated to working with students, faculty, and staff to enhance the academic and professional success of all students. The center's primary purpose is to provide students with a variety of educational services in a comfortable, confidential, and collaborative learning environment. SSC services fall into three areas.

- Academic tutoring: assists students in understanding course-specific concepts and materials and provides study skills, learning tools, and research strategies designed to foster academic success at the university level.
- Language: helps non-native English speakers and English as a Second Language (ESL) students develop their understanding and application of the English language, assists graduate students with reading, speaking, and translating Classical Chinese.
- Multi-literacy: supports members of the university working on academic and/or professional writing, speaking, or multimedia projects or presentations throughout the creative process.
- Math: supports students with basic math, algebra, and statistics.
- Career services, such as resume writing, job interview coaching, job search resources, and help locating internships and OPT employment.

The SSC provides support with academic research and writing, oral presentation preparation, math, and other subjects upon request. SSC tutors work with individual students or small groups to identify and pursue desired academic outcomes by providing tools and strategies that decrease academic anxiety and develop student confidence and skill. SSC tutors also conduct workshops in areas such as academic writing, oral presentation skills, academic integrity, and study strategies. The SSC cultivates relationships with other UWest departments to promote and develop writing across the curriculum.

The SSC Coordinator facilitates the Student Early Alert System (SEAS) team. This system helps identify students who may be facing academic challenges or failure or other difficulties so that the SEAS team may offer them the best support available. The system can be used easily by UWest faculty or staff to notify the SEAS team of any student who may need support. It is important for students to know that being reported to SEAS does not constitute disciplinary action, but is a notification to both the student and SEAS team that the student may need additional support to succeed.

# Student Rights & Responsibilities

All UWest students enjoy freedom of expression both in and out of the classroom provided that they do not infringe on the rights of others. Such infringements include disruption of classes, physical violence, and verbal or written threats. Students also have the right to participate in any association that does not engage in illegal behavior or activities.

Students have the right to a fundamentally fair process in any action taken by UWest that may reasonably be expected to affect their standing with the university. Fundamentally fair processes include the right to notification and explanation of charges made and actions taken, a prompt, fair, and impartial hearing, and an appeals process.

UWest policies are designed to guarantee that each student enjoys certain rights as a member of the academic community. The university does not discriminate on the basis of race, ethnicity, sex, national origin, religion, age, gender or gender expression or identity, disability, sexual orientation, or any other classification that deprives any persons their rights as valued individuals. Students have the right to participate in the formulation and application of institutional policy related to both academic and non-academic student affairs. Student participation includes the right to access information, to express views, and to have these views respectfully considered by other members of the UWest community.

As part of the university community, students enrolled at UWest are expected to show commitment to their studies and behave in ways that reflect the university's mission and values. All members of the UWest community share the task of creating and maintaining a safe and open atmosphere.

## Student Conduct

UWest fosters a whole-person learning environment where students, faculty, and staff live and work together peacefully and productively. Academic and co-curricular programs are designed to promote individual and collective pursuits of academic excellence, social responsibility, and personal growth and happiness.

University rules are put into place to create and maintain an environment that allows students, faculty, and staff to work freely under the safest and most equitable conditions possible. These rules are driven by the university's mission and values and serve as the guidelines that help protect each campus member's well-being. UWest treats violations of these rules as matters of serious concern because such violations disrupt the individual lives of its students and the shared life of its community.

This section of the catalog contains general information about conduct expectations and student rights. Conduct policies and procedures are comprehensively detailed in the UWest Student Conduct Handbook. The handbook is available online at [www.uwest.edu](http://www.uwest.edu) or from the Office of Student Life.

## Conduct Expectations

All members of the UWest community, to preserve an environment that facilitates learning and supports students in achieving their personal and academic objectives, are expected to display conduct consistent with the UWest mission and values. This pertains to conduct on campus, online, and at authorized university functions.

UWest students are expected to engage in responsible and ethical conduct and to model good citizenship in and beyond the campus community. In both their work and their daily interactions, UWest students demonstrate a commitment to diligent scholarship, open-minded inquiry, and service to others. UWest students cultivate a caring spirit, personal integrity, and inclusive community. By upholding the university's values of character, compassion, and community, UWest students refrain from harming or discrediting themselves, the university, or any other individual.

A student who commits an act of misconduct is subject to disciplinary action by the university. Code of conduct rules apply to misconduct that adversely affects the academic community as well as the rights and lives of other people. Students who advise or incite others to violate university rules are as responsible for the violations as the individuals who actually commit them. UWest reserves the right to enforce its own rules regardless of any criminal or civil proceedings.

## Causes for disciplinary action include, but are not limited to, the following:

- dishonesty, cheating, or plagiarism;
- the submission of any work previously submitted to satisfy another requirement without approval from instructors;
- knowingly furnishing false information to the university;
- forgery or other misuse of university documents, keys, and identification cards;
- unauthorized reproduction\* of copyrighted software or material for oneself or others, or receipt of unauthorized copies;
- theft of or damage to UWest property;
- unauthorized entry onto university properties;
- disrupting teaching, research, administration, disciplinary procedures, or other university activities;
- physical abuse or threats of violence;
- disorderly conduct or disturbing the peace;
- harassment, sexual harassment, exploitation or intimidation;
- stalking, sexual violence, dating and domestic violence;
- smoking anywhere on campus except in designated areas;
- the use, possession, or sale of narcotics, illegal drugs, or alcohol on campus or at university functions;
- the use, possession, or sale of firearms, knives, swords, fireworks, or any kind of explosive or dangerous substance on campus or at official university functions;
- other violations of university policies or campus rules and regulations;
- any other action that violates local, state, or federal laws.

Careful note should be taken that UWest is not and cannot be considered a protector or sanctuary from the existing laws of city, state, or federal government.

UWest reserves the right to dismiss any student, without refund, if the student fails to abide by university regulations or when dismissal is deemed to be in the best interest of either the student or the university. Students may appeal a dismissal for cause by submitting a General Petition form to the Chief Student Services Officer.

\*The Department of Education requires that all students are informed of the serious issue of copyright infringement. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted including, but not limited to, textbooks and software. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed.

For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. More information is available at [www.copyright.gov](http://www.copyright.gov).

## Student Grievance

A grievance is a formal complaint made by a student in response to an alleged action of the university or any of its faculty members, administrators, staff, or students. General complaints or suggestions regarding any university policy or procedure are not considered grievances and should be submitted in writing directly to the Chief Student Services Officer. Students seeking an exception to an established policy should file a General Petition as described in the Academic Policies and Procedures section of this catalog. Grades and grading grievances are not covered by this policy. The grade grievance policy is included under Academic Policies and Procedures in this catalog.

Students who believe that they have been deprived of any of the rights set forth under Student Rights and Responsibilities or any state, federal, or local codes have the right to initiate the student grievance process. UWest provides for three types of grievance:

1. General Discrimination Grievance
2. Disability Discrimination Grievance
3. Sexual Misconduct/Title IX complaint

Details of each of these processes can be found on the university's website, [www.uwest.edu](http://www.uwest.edu), under Campus Culture, and are also in the Office of Student Life. Students are also encouraged to contact the Chief Student Services Officer for questions and guidance on these policies. Retaliation against any individual who has filed a complaint of discrimination, or who has cooperated in the investigation of such a complaint, is unlawful and in violation of UWest policy.

## 1. General Discrimination Grievance

A grievable action is one that is unauthorized or unjustified and adversely affects the status, rights, or privileges of the student, including actions based on race, ethnicity, color, national origin or citizenship, religion, gender or gender expression and identity, sex, sexual orientation, disability, economic status, veteran status, or age.

Any student with a complaint shall make a reasonable effort to resolve the matter on an informal basis before initiating a grievance. An administrative staff member will assist the student in seeking resolution by informal means. If the informal process does not lead to a resolution that is satisfactory to the grievant, the student may request a formal grievance hearing.

## 2. Disability Discrimination Grievance

University of the West prohibits discrimination against any individual on the basis of physical or mental disability. This disability discrimination grievance policy extends to all rights, privileges, programs and activities, including housing, employment, admissions, financial assistance, and educational and other programs. The university provides reasonable accommodations to persons with disabilities unless such accommodations would impose an undue burden or fundamental alteration to the program in question.

The purpose of this policy is to ensure that all complaints of discrimination based on disability are thoroughly and fairly investigated by the university. UWest will conduct a fundamentally fair and impartial investigation of all allegations of discrimination, with due regard for the rights of all parties. The complete policy is contained in the UWest Student Conduct Handbook. Questions about the Disability Discrimination Grievance Policy should be addressed to the Disability Services Officer/Student Success Center Director.

## 3. Sexual Misconduct/Title IX Complaint

UWest does not tolerate sexual misconduct and is committed to educating the community in ways to prevent its occurrence. Sexual misconduct constituting sexual violence is a form of sex discrimination and is prohibited by Title IX of the Education Code and other federal and state laws. All forms of sexual violence are considered to be serious offenses. This policy includes sexual assault, non-consensual sexual contact, sexual exploitation, sexual harassment, stalking, relationship abuse, dating violence, domestic violence, and intimidation.

In addition to any criminal prosecution, students charged with sexual discrimination, harassment, or violence will be subject to the university conduct process and will be subject to appropriate university sanctions. During any investigation, UWest may implement interim measures to maintain a safe and non-discriminatory educational environment. Such measures may include immediate interim suspension from the university, required move from residence halls or other university-owned housing, adjustment to course schedule, or prohibition from contact with parties involved in the alleged incident (No Contact Order).

In all such proceedings, the university is committed to maintaining confidentiality, providing a trauma-informed response, and pursuing a fundamentally fair process for all parties involved.

Comprehensive information on the Sexual Misconduct/Title IX policy and procedures is provided at [www.uwest.edu](http://www.uwest.edu) and is also available from the Office of Student Life, the Office of Residential Life, and the Chief Student Services Officer who serves as the university's Title IX coordinator.

# Keeping the Campus Safe

UWest promotes community life guided by principles of peace and loving kindness and takes seriously the safety of the whole campus community. Any member of the community who observes a serious threat to the safety of the community or its members is expected to contact campus authorities immediately.

Campus Security (24 hours a day, 7 days a week)	626.825.4175 (direct line) or Extension 333 (on campus)	<a href="mailto:campus.safety@uwest.edu">campus.safety@uwest.edu</a>

Emergency (police, fire, EMT)	911	

The Campus Receptionist, located in the main lobby, is on duty Monday through Friday during business hours and can access all departments as needed. Residential Life staff and Campus Security are available around the clock when other offices are closed. Campus Security are active on campus Monday through Friday. 5pm-7am, and Saturday/Sunday 24 hours. The phones are staffed around the clock. If there is a serious threat to any individual's personal safety and staff or security cannot be located the student should dial 911.

Any violation of campus safety rules will result in administrative disciplinary action and may also include notification to law enforcement, notification to the campus community, or other public safety alternatives as determined appropriate.

## Endangerment of Self or Others

All members of the UWest community are expected to refrain from behavior that intentionally or accidentally endangers or threatens to endanger their own health or safety as well as the health and safety of other community members or visitors both on campus and at off-campus UWest-sponsored or related events. This includes threats of suicide or violence against others made in jest or otherwise.

## Drugs & Alcohol

Out of concern for the health and well-being of all community members as well as respect for the Buddhist values on which the university is founded, UWest is a dry and drug-free campus. The use, possession, or sale of narcotics, illegal drugs, or alcohol on campus or at any university function is prohibited.

## Weapons, Explosives, & Hazardous Materials

Possession or use of weapons, explosives, and other hazardous materials is expressly prohibited on campus or at UWest-sponsored events. This policy will be strictly enforced. Details of prohibited objects and materials are found in the UWest Student Conduct Handbook, online at [www.uwest.edu](http://www.uwest.edu) or from the Office of Student Life.

## Violence & Abusive Behavior

Violence, abusive behavior, and threats of violence are prohibited. This policy will be strictly enforced. A student alleged to have engaged in any violent, abusive, or threatening behaviors—including threats made in jest—may be suspended while an investigation is underway. This prohibition includes stalking, verbal abuse, abusive behavior via third parties and social media, and violent destruction of property. The Student Conduct Handbook contains a comprehensive list of such prohibited behaviors.

# Nondiscrimination & Harassment Policies

University of the West fosters a diverse and inclusive learning environment where all individuals are valued and supported. In accordance with UWest's mission and values, the university is committed to providing equal opportunities to students of all genders in all campus programs.

UWest does not discriminate on the basis of race, ethnicity, color, national origin or citizenship, religion, gender or gender expression and identity, sex, sexual orientation, disability, economic status, or age in the educational programs or activities it conducts. Such programs and activities include but are not limited to admission, academic and non-academic programs, and employment. Discrimination and harassment on the basis of classified statuses are prohibited by Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Sections 504 and 508 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, and various state laws and all subsequent amendments by the US Department of Education.

UWest takes seriously any complaint of discrimination. All complaints are investigated promptly and fully. Inquiries concerning UWest's compliance with discrimination and harassment regulations, including campus policies and complaint filing, process, and resolution, may be addressed to the Chief Student Services Officer or the Office of Legal Services. Complaints may also be filed directly with:

## Sexual Discrimination, Harassment, & Violence

Title IX of the Education Amendments of 1972 protects all people regardless of their gender or gender identity from sexual discrimination, which includes sexual harassment and violence. Sexual misconduct involving a student both on and off campus is prohibited; such misconduct includes any sexual or romantic behavior, attempted or completed, that goes beyond the boundaries of consent.

## Sexual Misconduct

"Sexual misconduct" describes a variety of behaviors ranging from the most severe (violent assault) to harassment, and including exploitation. Sexual misconduct includes attempted or completed surreptitious visual observation or recordation, indecent exposure, knowingly transmitting sexual infection, inducing incapacitation for sexual purposes, sexual assault, sexual harassment, relationship abuse and violence (domestic violence and dating violence), stalking, and rape. Sexual misconduct can involve two people of the same or different genders, strangers, non-strangers, and/or more than two people. The university recognizes both men and women as potential perpetrators or victims of sexual misconduct. Intoxication of the perpetrator does not diminish his or her responsibility for an act of sexual misconduct.

More information regarding UWest's Gender-Based/Sexual Misconduct>Title IX policy is available under Student Resources at [www.uwest.edu](http://www.uwest.edu).

## Finding More Information

For definitions of prohibited behaviors, reporting and adjudication processes, confidential resources, and the like, students should access the university website or the UWest Student Conduct Handbook.

## Defining Consent

Consent is an agreement between equal partners that includes clear, informed, and voluntary communication of intent.

The State of California Education Code has established an affirmative consent standard in the determination of whether consent was given by both parties to sexual activity: "Affirmative consent' means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent." (SB 967)

## Consequences of Sexual Misconduct

Individuals alleged to have committed rape, sexual assault, and/or relationship violence may face criminal prosecution by law enforcement and may incur penalties as a result of civil litigation. In addition, employees and students may face disciplinary action at the university.

In addition to any criminal prosecution, students charged with sexual discrimination, harassment, or violence will be subject to the university conduct process and will be subject to appropriate university sanctions. In addition, during any investigation, UWest may implement interim measures to maintain a safe and non-discriminatory educational environment. Such measures may include immediate interim suspension from the university, required move from residence halls or other university-owned housing, adjustment to course schedule, or prohibition from contact with parties involved in the alleged incident. In all such proceedings, the university is committed to maintaining confidentiality, providing a trauma-informed response, and pursuing a fundamentally fair process for all parties involved. As in all conduct proceedings, determinations of responsibility for any alleged act are based on a preponderance of evidence.

Students who have complaints, questions, or concerns regarding sexual discrimination, harassment or violence should contact UWest's Campus Title IX Coordinator.

Students may also contact the US Department of Education, Office for Civil Rights at 800.421.3481 or [ocr@ed.gov](mailto:ocr@ed.gov). Complaint forms can be submitted online to the Office for Civil Rights at [www2.ed.gov/about/offices/list/ocr/complaintintro.html](http://www2.ed.gov/about/offices/list/ocr/complaintintro.html).

# Campus Title IX Coordinator

The Chief Student Services Officer serves as UWest's Campus Title IX Coordinator and is available to explain and discuss a student's right to file a criminal complaint (sexual assault and violence); the university's complaint process, including the investigation process; how confidentiality is handled; available resources, both on and off campus; and other related matters. A student who is in the midst of an emergency should call the police immediately by dialing 911.

# Suggestions & Complaints

The strength of UWest as a community lies in its commitment to open and multidirectional communication. Every member of the learning community—student, staff, and faculty—is empowered to contribute to the growth of this institution by sharing ideas, suggestions, and concerns with the administration.

To this end, any individual with a suggestion for improvement or with a concern or complaint that does not fall into a category defined under Academic or Student Affairs is encouraged to contact the Office of the President.

### Complaints and Third Party Comments Policy

Accreditation by the WASC Senior College and University Commission (WSCUC) represents the Commission's judgment that an institution is satisfactorily achieving its mission and educational purposes and that it meets or exceeds the Commission's standards of quality, integrity, and effectiveness. The Commission values information provided by students, employees, and others in determining whether an institution's performance is consistent with the Standards of Accreditation and Commission policies and procedures.

Individuals should review the WSCUC Policy on Complaints and Third Party Comments carefully to determine whether their complaint falls within the scope of Commission policy and is eligible to be reviewed. The policy is available on the WSCUC website at [www.wascsenior.org/](http://www.wascsenior.org/).

## Mindfulness Facilitation Certificate

Mindfulness Facilitation Certificate (undergraduate)	21 units
--	----------

The Mindfulness Facilitation Certificate draws from diverse worldviews to provide students with a solid grounding in current contemplative practice. Students learn to apply both practical and theoretical skills to facilitate mindfulness practice. Active undergraduate students enroll in the Contemplative Practice minor to earn this certificate. This certificate is also open to individuals not enrolled in a degree program.

## Teaching English to Speakers of Other Languages (TESOL)

TESOL Certificate (undergraduate)	21 units
-----------------------------------	----------

The TESOL certificate program is aligned to recognized TESOL guidelines to meet the needs of individuals interested in teaching ESL, ESP, and EFL at home and abroad. This certificate is offered as a stand-alone program but is also an excellent way to add depth and practical skills to an undergraduate or graduate degree enrollment. Undergraduates may earn this certificate while earning their bachelor's degrees by enrolling in the TESOL minor (non-English majors) or TESOL concentration (English TESOL majors). Active graduate students may discuss concurrent enrollment options with their department chair.

## Intensive English Program

*Offered by the English Language Institute*

English language learners enrolled in the Intensive English Program (IEP) develop effective and meaningful communication skills for personal and academic purposes. Curriculum is designed for English communication in various settings and situations.

More information is provided in the English Language Institute section of this catalog.

# Non-Degree & Non-Certificate Enrollments

Application requirements are provided in the Admissions section of this catalog.

## English Conversation & Culture

*Offered by the English Language Institute*

The part-time English Conversation and Culture (ECC) program is open to local students as well as visitors from other countries. The program combines the development of conversation skills with an understanding of US culture. Students build spoken fluency with confidence by learning common English situations, language functions, and tasks and put these skills into practice through activities, trips, and excursions at popular destinations in Los Angeles and the Southern California region. More information is provided in the English Language Institute section of this catalog.

## Open Enrollment

Individuals interested in taking college classes without enrolling in a degree or certificate program may take advantage of UWest's Open Enrollment. Undergraduate or graduate, scholarly or practical, UWest's courses are open to the community, offering students the opportunity to expand their knowledge with experts in the field.

UWest is WASC-SCUC accredited and courses completed under open enrollment may fulfill continuing education requirements if taken for credit. Some courses taken under open enrollment may be applied to a UWest degree if a student later decides to enroll in a UWest degree program.

Participants are not admitted to the university and need approval from the department chair if seeking enrollment in advanced and graduate-level courses. Students may choose to audit courses or to earn college credit.

## Asian Languages

*Offered through Open Enrollment*

UWest offers instruction in Mandarin Chinese, Classical Chinese, Japanese, Pali, Sanskrit, and Tibetan, as well as Buddhist texts in those languages. These Asian languages are the keys to understanding the great civilizations of Asia and the traditions of Buddhism.

## Community Education

Education for everyone. UWest is proud to offer a selection of workshops and lectures each term to the wider community. Registration is easy, cost is low, and students have access to real-time class sessions and/or online video lectures. Community Education workshops and lectures are provided on a no-credit basis. Students interested in taking a class for college credit should register through Open Enrollment.

## Centers For Research

UWest faculty sponsor and participate in a variety of short- and long-term research projects. Students have the opportunity to participate in many of these exciting projects. UWest welcomes the Rare Sanskrit Buddhist Manuscript Preservation (RSBMP) to its catalog of projects.

## Center for the Study of Minority and Small Business (CSMSB)

Director: Meskerem Tadesse, Associate Professor of Business Administration

CSMSB links UWest with the minority and small business community, providing regular seminars, lectures, conferences, business counseling, and an annual publication. It educates local minority and small businesses on current business realities and changing governmental regulations. CSMSB issues an annual journal, the Minority and Small Business Review, which provides relevant information and practical education as well as information about upcoming events and programs. Members of the community are welcome to contribute ideas, feedback, support, and involvement.

## Digital Sanskrit Buddhist Canon Project (DSBCP)

Program Director: Dr. Miroj Shakya, Chair of Religious Studies

University of the West is engaged in a ground-breaking project to gather, digitize and distribute the original Sanskrit scriptures of the Buddhist faith. Although Buddhism disappeared from its Indian homeland about eight centuries ago, many of its sacred texts are still preserved in Nepal. Since 2003, with the collaboration of Kathmandu's Nagarjuna Institute, these texts are again being brought to the world. The Digital Sanskrit Buddhist Canon (DSBC) is an ambitious project to preserve the original intellectual and spiritual heritage of Buddhism through digitization and organization of these texts into a complete and comprehensive Sanskrit Buddhist Canon that may be freely accessed online.

Within Indian Buddhism, there are at least 600 Mahayana Buddhist literary compositions (sutras) that have survived in the languages of Sanskrit, Chinese or Tibetan. A near-complete Mahayana Buddhist Canon has survived in Chinese, but all of these translated texts were originally revealed in a Sanskritic language. This Mahayana Buddhist Canon, recognised as a vaipulyapitaka in South Asia, contains texts that provide invaluable insight into major early Buddhist traditions. Some texts were transmitted in a language classified as Buddhist Hybrid Sanskrit, while other texts use classical Sanskrit, both of which are no longer spoken. The project's scope encompasses both languages, preserving this rich cultural and linguistic heritage.

Sanskrit is a very important language with which to comprehend the canon of Buddhism, as several schools of Buddhism derive their authority from Sanskrit texts. Mahayana Buddhist traditions in places such as China, Taiwan, Japan, Korea, Tibet, Bhutan, India, and Nepal were founded on translations of original Sanskrit texts, and Sanskrit texts are also important in Tantric Buddhist traditions. When there is a question about meaning, interpretation, or authenticity in regards to Buddhist texts in translation, these issues often can be resolved only by consulting the original Sanskrit texts.

The DSBC project has already digitized over 642 texts (about 50,000 pages) and these texts are being widely used around the world. An additional 20 texts are scheduled for digitization this year. Currently over 420 scriptures are freely offered on the DSBC project's website at <http://www.dsbcproject.org/>.

The collection will continue grow as the digitized texts are reviewed and uploaded to the Canon.

# Institute for the Study of Humanistic Buddhism (ISHB)

Director: Dr. Jens Reinke

Assistant Director: Dr. Shou-Jen Kuo

The Institute for the Study of Humanistic Buddhism (ISHB) at University of the West is devoted to the multi-faceted study of Buddhism and its ongoing application within the human realm. Inspired by Master Hsing Yun's vision of Humanistic Buddhism and its emphasis on education, ethics, art, and culture, the Institute will serve as the home for a wide-range of research projects and scholarly work that enhance our understanding of Buddhism historically and in the contemporary moment.

The Institute aims to encourage new directions in the academic study of Buddhism, facilitate networks and conversations between scholars, religious organizations, and practitioners, and develop Buddhist resources that are applicable to everyday life. More information is available on the Institute's website at <https://www.ishb-uwest.org/>.

## Rare Sanskrit Buddhist Manuscript Preservation (RSBMP)

Director: Miroj Shakya, Chair of Religious Studies

The mission of the Rare Sanskrit Buddhist Manuscript project is to preserve rare Sanskrit Buddhist manuscripts from private collections in Nepal and elsewhere, and to make the manuscripts accessible free of charge to the world.

Manuscripts are carefully scanned, then cataloged. The RSBMP Project has already preserved over 200 manuscripts, which are now available to scholars worldwide. More information is available on the RSBMP website at <http://www.rsbmpproject.org/>.

## Academic Partnerships

### Academic Cooperation with Other Universities

UWest has developed cooperative agreements with universities and institutes of higher education and research in China, India, Korea, Nepal, Taiwan, and the United States. These include two major consortium agreements, which allow students registered at UWest to also enroll in courses at other institutions in the consortium, as well as several general cooperation agreements.

### Fo Guang Shan Universities Consortium Agreement

UWest is proud to be a member of the consortium universities of the Fo Guang Shan System. This consortium comprises five universities located in four countries. The consortium allows member universities to integrate available resources and facilitate the sharing of academic research. In addition, students enrolled in one consortium university have the opportunity to apply to study and earn credits toward their degree at other schools in the system.

# Buddhist Chaplaincy

Rev. Joseph Rogers, MDiv

Ven. Guan Liao (Yishan Qian), MDiv

University of the West offers one of only four accredited Master of Divinity programs specifically for Buddhists in the United States. The department offers two degrees, the Master of Divinity (MDiv) in Buddhist Chaplaincy and the Doctor of Buddhist Ministry (DBMin). The faculty, all of whom are engaged in the practice of Buddhist chaplaincy, specialize in preparing Buddhist practitioners for hands-on work in chaplaincy in interfaith settings, such as hospitals, hospices, police departments, prisons, and the military. The department collaborates closely with the Business Administration, Psychology, and Religious Studies departments. Religious Studies courses make up approximately half the coursework for chaplaincy students.

## Philosophy & Objectives

Spiritual formation in Buddhist Chaplaincy is seen as the development of ethics, contemplative practice, and wisdom. The department is ecumenical, welcoming Buddhists from every branch of Buddhism as well as religious others. (Not all students identify as Buddhist or solely Buddhist.) Students are encouraged to engage in spiritual reflection and formation from within their own faith tradition and to share those reflections with their classmates. In addition, students learn about other faiths, such as Judaism, Christianity, Islam, Hinduism, Jainism, and Sikhism, to be of service to a wide variety of people in need.

The department upholds the standards of professional chaplaincy set forth by the Association of Professional Chaplains (APC) and the Association of Theological Schools (ATS). Students are encouraged to complete Clinical Pastoral Education (CPE) or other clinical practicum experiences appropriate to their future work setting. These professional standards and trainings ensure that students gain hands-on experience in spiritual care and are ready to enter the world as professional Buddhist chaplains upon graduation.

## Buddhist Chaplaincy Honor Code

Buddhist chaplaincy students are held to the highest standards of personal and professional conduct and ethics. By engaging in the study of interfaith chaplaincy or Buddhist ministry, students assume a role of spiritual leadership within the campus community. Serving in this role, it is essential that Chaplaincy students model respect for all others in ways informed by Buddhist wisdom and practices. Honoring the expression of differing opinions is not only a hallmark of good education, but also a requirement for genuine interfaith work.

Therefore, chaplaincy students are expected to engage in conduct that builds character, compassion, and community. Especially, they are expected to refrain from any conduct that would hurt, deride, or belittle another. Students who fail to uphold the values and code of conduct of the Buddhist Chaplaincy department or the university are subject to disciplinary action based upon the severity of the misconduct. Possible action may include suspension up to expulsion. Students may be placed on administrative leave for a specified period. During this time, students are expected to engage in self-reflection to decide if chaplaincy continues to be a good fit for their career aspirations. At the close of this period, students may petition for reentry into the program. Reentry is subject to university assessment and approval.

Students applying for ordination often request letters of recommendation from faculty. Students should understand that these letters reflect not only on their academic progress, but also on their general process of spiritual formation. Matters of individual conduct, participation in community life, and maturity in the academic setting are addressed in these letters.

## Master of Divinity in Buddhist Chaplaincy

The Buddhist Chaplaincy program provides students with the knowledge and skills necessary to excel as Buddhist practitioners working in the field of professional chaplaincy. The program is designed to meet the needs of those who wish to engage in spiritual care and counseling work and to become properly trained and certified professionals.

The program incorporates the requirements of the Association of Professional Chaplains (APC) by offering 72 semester hours covering the nine core educational areas specified by the APC. These nine core areas are 1) ritual and liturgy, 2) comparative religions, 3) religious education, 4) pastoral care and counseling, 5) spiritual formation, 6) religious history, 7) institutional organization and administration, 8) sacred literature, and 9) theology/philosophy.

This program requires regular attendance on campus for classes, group processes, and other events. It is designed to serve local students and is not a low-residency or online program. Applicants should be prepared for long hours spent on campus and intense interaction with fellow students. Living near or on campus is highly recommended.

The Buddhist Chaplaincy program is designed to be completed in two and one/half years. Although this program can be completed on a part-time basis with approval from the department, full-time attendance is strongly recommended to facilitate the student's required spiritual formation. Courses are designed to be taken in a prescribed sequence, provided in the program outline below. Students who do not complete the full complement of courses each term can expect to extend their time to graduation

## Program Learning Outcomes

Students who graduate with a MDiv in Buddhist Chaplaincy will be able to:

- demonstrate the intellectual and affective capacities to provide pastoral leadership in diverse settings.
- analyze how the different expressions of Buddhism interact with and affect historical, social, and cultural elements within their respective communities.
- apply their understanding of the interplay between Buddhism and other religions and cultures to their pastoral care-giving.
- describe how their ministry addresses social inequities and inequalities.

\*Topics announced each semester. Topical courses may be taken a maximum of three times for credit. Approval required.

**Dossier Requirement:** Rather than completing a thesis, Buddhist Chaplaincy students are required to submit a dossier that includes copies of the following course assignments:

1. MDIV 565 Buddhist Homiletics dharma talk paper
2. MDIV 645 Spiritual Care & Counseling verbatim
3. MDIV 650 Pastoral Theology ministry paper
4. MDIV 655 Spiritual Formation autobiography paper
5. MDIV 675 Advanced Topics in Professional Chaplaincy project, paper, or power point.

These items should be submitted to the department when a student is registering for the final term.

**Internship/Clinical Education Requirement:** Students are required to participate in a clinical internship during their studies. This requirement is typically met by completing one unit of Clinical Pastoral Education (CPE). However, another kind of internship may be appropriate depending on the clinical setting in which the student would like to specialize. Military chaplain candidates, for example, have their own unique training. The internship is done under the supervision of the institution the student serves.

That institution may report back to UWest on the student's progress. Students are solely responsible for locating, applying to, and completing their internship but may receive advice and guidance from their advisor. This requirement is in addition to the 72-unit graduation requirement.

**Contemplative Practice Requirement:** Students are expected to be engaged in some form of meditation, contemplative, religious, or spiritual practice for as many hours a week as they are taking units that semester. (For example, 12 units = 12 hours of practice per week.) Students should check in with their advisor every semester to ensure their spiritual practice supports their spiritual formation as chaplains. Students should also seek the services of professional psychotherapists, dharma teachers, and spiritual counselors to support them through the chaplaincy program.

**Other Considerations:** While ordination, endorsement, or certification is not required to graduate, it is helpful for students to seek Dharma relationships in order to fulfill these credentials prior to completing the program. Some employers require these credentials. Students are encouraged to have a plan in place for meeting the requirements for ordination, endorsement, or professional certification with whatever chaplaincy organization serves and supports spiritual care work in their chosen work setting. By the time of graduation, for example, students are encouraged to form a relationship with a Sangha who will provide ordination or endorsement from their respective senior Dharma teachers, community, or lineage. UWest does not provide ordination or endorsement as part of the chaplaincy program.

## Graduation Requirements

Students are expected to complete graduation requirements in a timely manner and to maintain good standing.

Students must complete course and program requirements as listed for a total of 72 units with a minimum cumulative GPA of 3.0. A minimum grade of B is required for core courses and a minimum grade of C or P for all other courses applied to graduation. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade.

With the approval of the chair, up to 6 units of 400-level undergraduate coursework may be applied to graduation.

Students may apply no more than 6 units (two courses) of Directed Research & Reading and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

Up to 6 units may be fulfilled through the transfer of credit from another institution. Graduate courses previously applied to a bachelor's degree cannot be applied to graduation.

Degrees are awarded at the close of the semester in which all degree requirements have been completed, the dossier has been accepted by the department, the Petition to Graduate form has been filed with the Registrar's office, and the graduation fee has been paid.

# Doctor of Buddhist Ministry

The Doctor of Buddhist Ministry is an advanced professional degree culminating in a dissertation project. This selective program enhances the practice of ministry for religious leaders who already hold a Master of Divinity or equivalent degree by cultivating their understanding and application of

- A. the nature and purpose of ministry in relation to the world,
- B. competencies in self-reflexive and ministerial skills,
- C. competency in research methods appropriate to engaged Humanistic Buddhist work,
- D. spiritual and self-defined ethical perspective,
- E. professional ethics through humanistic engagement with diverse cultural, religious, and linguistic contexts.

The program applies a Buddhist perspective to ministerial issues facing practitioners in the contemporary world. Students gain a deeper understanding and commitment to the dharma (Buddhist teaching), while refining their ministerial application. Students develop research, writing, and communication skills to the level necessary to participate in professional academic discourse and practice-oriented domains of religion and service.

A Doctor of Buddhist Ministry degree is awarded on the basis of evidence that the candidate possesses knowledge of a broad field of applied learning and mastery of a particular area of concentration within it.

## Honor Code

Buddhist ministry students are held to the highest standards of personal and professional conduct and ethics. By engaging in the study of Buddhist ministry, students assume a role of spiritual leadership within the campus community. Serving in this role, it is essential that ministry students model respect for all others informed by Buddhist wisdom and practices. Honoring the expression of differing opinions is not only a hallmark of good education but also a requirement for genuine interfaith work.

Therefore, ministry students are expected to engage in conduct that builds character, compassion, and community. Most significantly, they are expected to refrain from any conduct that would hurt, deride, or belittle another. Students who fail to uphold the values and codes of conduct of the Department of Buddhist Chaplaincy or the university are subject to disciplinary action based on the severity of the misconduct. Possible action may include suspension up to expulsion. Students may be placed on administrative leave for a specified period. During this time, students are expected to engage in self-reflection to decide if Buddhist ministry continues to be a good fit for their career aspirations. At the close of this period, students may petition for reentry into the program. Reentry is subject to university approval.

# Admission

In addition to UWest graduate admission requirements, the following are required for admission to the Doctor of Buddhist Ministry program:

1. Statement of Purpose: Statement should describe how enrollment in UWest's DBMin program will further the applicant's personal goals and aspirations, achievements, and education and career objectives.
2. Completion of MDiv or MA in a related field with GPA of 3.0
3. One unit of Clinical Pastoral Care (CPE) with evaluation letter from CPE supervisor or three years of ministerial/temple work after completion of MDiv or MA
  - A. CPE Evaluation letter must assess written communication, emotional and spiritual development
  - B. One year of CPE Residency is highly recommended
4. Four letters of recommendation, including
  - A. two letters from academic sources such as advisor, dean, chair
  - B. one letter from peer such as dharma brother or sister
  - C. one letter from pastoral supervisor or master
  - D. Letters must address communication skills, spiritual practice, precept practice, community service
5. Interview, either in person or by telephone

# Program Learning Outcomes

Students who graduate with a Doctor of Buddhist Ministry will be able to:

- recognize and express the nature and purpose of their ministry in relation to the world.
- engage in and demonstrate self-reflexive skills.
- identify and demonstrate competency in research methodologies appropriate to engaged Humanistic Buddhist work
- skillfully articulate a self-defined ethical perspective.
- demonstrate professional ethics through humanistic engagement with diverse cultural, religious, and linguistic contexts.

Languages (optional): Students may apply up to 12 units of graduate language study in Pali, Sanskrit, Classical Chinese, or Tibetan. A maximum of 6 units each may be applied to B. Buddhist Studies and C. Interdisciplinary and Interfaith Studies. Language study is recommended during the first year of coursework or as soon as the relevant courses are offered.

Candidacy Portfolio: Upon completion of the 51-unit course requirement, students must petition to submit the candidacy portfolio. Students may enroll in BMIN 705 for one term while preparing and passing portfolio. With the chair's approval, BMIN 705 may be repeated one time only. Credit is not applicable to graduation.

Course	Units
BMIN 705 Candidacy Portfolio	3

Research Training (12 units): Upon being granted candidacy status, the candidate enters the dissertation project phase. Students should be able to engage in advanced graduate level research, writing, and communication. Candidates register for BMIN 698A, 698B, 710, or a combination of these courses for a total of 12 units while engaged in the dissertation project process.

Course	Units
BMIN 698A Proposal Writing	3
BMIN 698B Dissertation Writing	3
BMIN 710 Research Training	3-9

Continuous Enrollment: After completing the 12-unit research requirement, candidates must maintain enrollment through successful submission of the dissertation project by enrolling in BMIN 715 each fall and spring semester. Enrollment in summer semester is not required. Credit is not applicable to graduation requirements.

Course	Units
BMIN 698B Dissertation Writing	1
BMIN 715 Continuous Enrollment	1

**Candidacy Portfolio:** After students have completed a minimum of 51 units of doctoral coursework, they must petition to submit the candidacy portfolio. Students are encouraged to enroll in BMIN 705 Candidacy Portfolio Preparation during the semester in which they are working on their portfolio. The candidacy portfolio includes three 15 page essays, one in each of the following areas: (1) Issues, (2) Methods, (3) Practice. Each essay must include a bibliography of sources. The candidacy portfolio must be submitted within one semester after the candidate has completed 51 units of coursework.

Students are expected to consult with their committee members to determine the focus and direction of each of the three essays that constitute the candidacy portfolio, as well as the reading lists serving as the foundation for the papers. The candidacy portfolio is graded pass, fail, or pass with distinction. If the candidacy portfolio is deemed not passing, the committee decides if and when it may be resubmitted. Additional course work may be required before the student is eligible to resubmit the portfolio.

Additional guidelines and details regarding the candidacy portfolio can be found in the Buddhist Ministry Graduate Student Handbook.

A student advances to candidacy status upon successful completion of the candidacy portfolio requirement and payment of the candidacy fee. Candidacy status will lapse automatically if the student loses graduate standing by academic disqualification or failure to comply with university policy on continuous registration. A readmitted student who was a candidate must again advance to candidacy and thereafter enroll as a candidate for at least one academic semester before the degree may be conferred. Readmission after a break in enrollment is not guaranteed.

Research Training (Dissertation Project): Upon advancing to candidacy, the candidate enters the dissertation project phase and is eligible to undertake advanced graduate-level research, writing, and communication. While engaged in the dissertation project process, candidates are required to register for BMIN 698A, 698B, 710, or a combination of these courses for a total of 12 units.

Candidates are expected to begin work immediately on the dissertation project proposal, outlining their intended dissertation project. This project is expected to be an original piece of research that makes a relevant contribution in the area of Buddhist practice, translation, or philosophical/theological thought. Candidates may propose an alternative form of presentation other than a conventional 200-page written dissertation, but it must include a substantial amount of written analysis and be deemed equivalent to the standard dissertation model in terms of critical apparatus and engagement with scholarly sources. The mode of presentation must be clearly outlined in the dissertation project proposal.

The completed proposal is reviewed by the doctoral committee, after which candidates are asked to present their proposal and respond to questions from the committee at the proposal defense. During the defense, the committee decides whether the proposal is accepted, accepted with revisions, or rejected. Candidates are expected to submit the dissertation project proposal during the semester following their advancement to candidacy.

The doctoral committee supervises the student's program, approves the dissertation project, and conducts the oral dissertation project defense. Ordinarily, students defend the dissertation project just prior to its completion. Students must be in residence when defending. The defense should be scheduled during fall or spring semester and is open to all members of the academic community. Following the defense, the doctoral committee awards the dissertation project a pass, pass with distinction, or not pass.

After the dissertation project is passed by the doctoral committee, the student makes all necessary revisions and submits two copies, including one printed for binding, and one electronic, to the library in accordance with the library's formatting and binding guidelines. The revised dissertation project must be accepted by the library no later than one semester after the dissertation project defense. During this term, students are required to maintain continuous enrollment by enrolling in BMIN715.

In addition to these requirements, students must submit a portfolio of their work to the department for assessment and review. (Portfolio guidelines are found in the Buddhist Ministry Graduate Student Handbook.)

Important guidelines and procedures regarding the composition of the doctoral committee, dissertation project proposal, dissertation project defense, and final submission of the dissertation project can be found in the Buddhist Ministry Graduate Student Handbook.

## Graduation Requirements

A minimum of 63 post-baccalaureate semester units in graduate courses as specified for each candidate by the doctoral committee appointed by the department chair or graduate advisor;

A minimum grade point average (GPA) of 3.0;

A Pass in the candidacy portfolio requirement, submitted when the student has completed a minimum of 51 units of doctoral course work;

A dissertation project demonstrating critical judgment, intellectual synthesis, creativity, and exemplary written or alternative modes of communication (with approval of the dissertation project committee).

**Minimum Grade Requirement:** Students must earn a minimum grade of B in all core courses and a minimum grade of C or P in elective courses. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade.

Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

**Transfer of Credit from Other Institutions:** Students may be granted a maximum of 30 units of transfer credit for applicable graduate-level coursework towards the 51-unit course requirement. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor.

**Application of Credit from Prior UWest Enrollments:** Students may apply toward the 51-unit course requirement a maximum of 36 units of graduate coursework completed at UWest in a master's level program or under open enrollment. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor. Only graduate level coursework will be considered; however graduate courses previously applied to a bachelor's degree cannot be applied to graduation.

**Residence Requirement:** The Doctor of Buddhist Ministry requires a minimum of three years of full-time graduate study or the equivalent in part-time study in addition to time to prepare the dissertation project. Students are allowed a maximum of four years to complete required coursework and an additional three years to complete the dissertation project. The time allowed will be adjusted for students entering with transfer credit.

**Continuous Enrollment:** After finishing all coursework, but before submitting the dissertation project, students must maintain continuous enrollment until the dissertation project is successfully defended and submitted. Failure to register and pay the associated tuition and fees may interfere with residence requirements and lead to lapse of candidacy status.

Degrees are awarded at the close of the semester in which all requirements have been fulfilled, the dissertation project has been accepted by the library, the Petition to Graduate form has been filed with the Registrar's office, and the graduation fee has been paid.

# Introduction

University of the West's business administration programs are designed to allow students to become professionals with solid technical knowledge and skills in their field and a high moral spirit of responsibility. The curricula of the programs are guided by the university's mission, institutional learning outcomes, and these four departmental principles: excellence, self-cultivation, social responsibility, and skill development.

The Department of Business Administration offers the following programs:

## Degree Programs

Bachelor of Arts (BA) in Business Administration  
concentrations:

Accounting  
Computer Information Systems  
International Business  
Marketing

Master of Business Administration (MBA)  
concentrations (Optional):

Computer Information Systems  
Data Analytics  
Finance  
International Business  
Nonprofit Organization Management

Professional Master of Business Administration (PMBA)

## Certificate Programs

Undergraduate Certificate in Business Administration

Graduate Certificate in Business and Management

Post-Master of Business Administration Certificate (Post MBA)

# Philosophy & Objectives

The Business Administration department is guided by the UWest mission, with Buddhist wisdom and values and the integration of Western and Eastern cultures serving as the foundation of the programs.

The objectives of the programs are two-fold:

1. to provide students with both knowledge and practical skills in the field of business administration, enabling them to transform theory into practice; and
2. to transform students into global citizens who demonstrate knowledge, responsible action, and compassionate service.

# Bachelor of Arts in Business Administration

## Introduction

UWest offers a Bachelor of Arts degree in Business Administration with concentrations in Accounting, Computer Information Systems, International Business, and Marketing. This program educates students using a cross-functional, cross-cultural perspective to equip them with the intellectual tools they need to assume responsible positions in organizations and to develop them into well-rounded professionals and managers with a capacity for lifelong learning.

The program is designed to ensure that students develop an integrated body of knowledge in the business and management of modern organizations; a set of essential business and management skills including interpersonal leadership, communication, and teamwork skills; a broad capacity for learning, critical thinking, and problem solving; a deep appreciation for the role of culture in managing organizations and dealing with institutional constituents including customers, employees, and suppliers; an effective business and management style that incorporates ethical values, social responsibilities, and personal beliefs; and a global view of personal fulfillment and organizational achievement in the context of societal and cultural values.

Business Administration majors meet with a program advisor during or before their first semester to discuss their personal goals and aspirations. Based on this self-exploration, students select the concentration that will best prepare them to fulfill their personal and professional life mission. Students who attend full-time may earn their bachelor's degree in four years. Students attending part-time may expect a longer time to graduate.

## Program Learning Outcomes

Students who graduate with a BA in Business Administration will be able to:

- Define and use foundational concepts and theories related to business practices.
- Apply foundational business skills in order to identify, analyze, and solve business problems.
- Describe how awareness and knowledge of individual and cultural diversity can impact and inform business practices.
- Describe the role and impact of globalization and global perspectives within business practices.
- Describe the importance of social, professional, and ethical responsibility within business practices.
- Describe fundamental concepts, theories, and practices related to their chosen concentration.
- Apply the fundamental concepts, theories, and practices of their chosen concentration to business practices.

## **Graduation Requirements**

Students must complete 120 units (including 51 GE units) as designated above with a cumulative GPA of 2.0 or higher. To satisfy the university's residency requirement, undergraduates must complete at least 30 units, including 24 upper division units, at UWest.

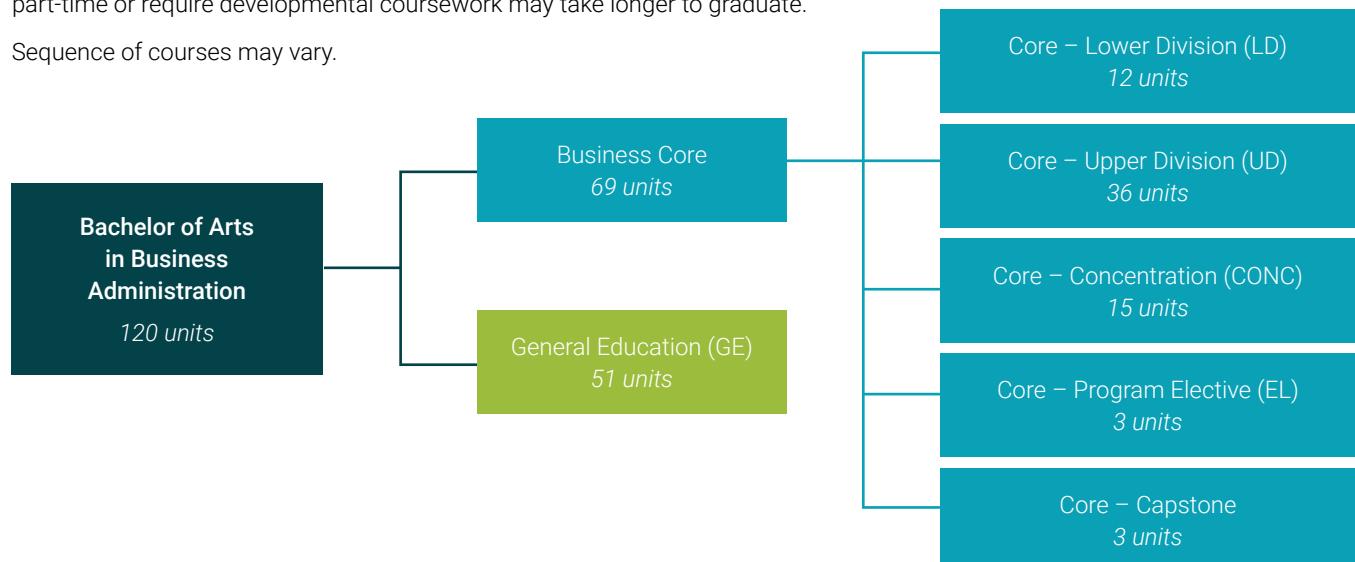

Students' prior education is evaluated for transfer credit at the time of admission. Once enrolled, students are expected to complete all remaining business curriculum at UWest. Any exception to this policy must be approved in advance by the department chair, and students must demonstrate cause. Students are required to complete their final 6 units in attendance at UWest and any approved transfer work must be completed prior to the last day of the student's last term in attendance at UWest. A minimum grade of C (2.0) is required for the transfer of credit.

# Master of Business Administration

## Introduction

The MBA program provides in-depth technical education in specialized fields and addresses issues of management in different cultural contexts and ethical aspects of decision making. This program prepares graduates for leadership positions in for-profit and nonprofit organizations.

The two-year MBA program pays particular attention to cultural diversity within an organization as well as worldwide cultural differences, teaching students how to effectively and responsibly manage such differences. Students are educated in a friendly and caring learning community with small, interactive classes. Students acquire knowledge and skills while developing attitudes and values appropriate for leading and serving in a global society. The program builds on the university's strengths in cross-cultural studies and community service based on Buddhist values of excellence, self-cultivation, and responsibility. Every student receives workplace experience through a hands-on internship.

The curriculum emphasizes

- Cultural differences as reflected in management or problem-solving styles
- Hands-on experience correlated to theoretical knowledge
- Business ethics including cause-effect analysis and responsibility toward self and society

MBA students meet with a program advisor during their first semester to discuss their personal goals and aspirations. Based on this self-exploration, students have the option of declaring a concentration in one of five areas: Computer Information Systems, Data Analytics, Finance, International Business, and Nonprofit Organization Management.

The MBA program is designed for completion in two years of full-time study. Students who study during summer sessions may graduate sooner.

Students admitted to the MBA program may be required to complete program-specific undergraduate coursework to ensure that they have a solid academic foundation for success in graduate business coursework.

## Department of Homeland Security's STEM Compliant Concentrations

UWest's MBA concentrations in Computer Information Technology, Data Analytics, and Finance conform to Department of Homeland Security (DHS) requirements as STEM (Science, Technology, Engineering, Math) degree programs. International students graduating from these concentrations may be eligible for a 24-month extension on their Optional Practical Training (OPT) if their employment also meets eligibility requirements. Details may be found at <https://www.uscis.gov/working-united-states/students-and-exchange-visitors/students-and-employment/stem-opt>.

The list of the DHS-approved programs is available at <http://www.ice.gov/doclib/sevis/pdf/stem-list.pdf>. University of the West's compliant concentrations are classifiable as follows:

Computer Information Systems	CIP code 11.0401 Information Science/Studies
Data Analytics	CIP code 52.1302 Business Statistics
Finance	CIP code 27.0305 Financial Mathematics

# Program Learning Outcomes

Students who graduate with a MBA in Business Administration will be able to:

## **Graduation Requirements**

Students must complete 40 units as designated above with a cumulative GPA of 3.0 or higher, including 39 units of coursework and a 1-unit internship.

With department chair approval, students may be allowed to substitute up to 6 units of 400-level undergraduate coursework taken at UWest for equivalent MBA courses; courses applied to a previous UWest degree or certificate are not applicable. Credits earned for program prerequisites and WEXP 599 Advanced Work Experience are not applicable to graduation.

No more than 6 units may be fulfilled through the transfer of graduate credit for courses completed prior to enrolling at UWest. Once enrolled, students are expected to complete all remaining coursework at UWest. Exceptions allowing a transfer of prerequisite or graduate credit after beginning the program must be approved in advance by the department chair, and students must demonstrate cause. Students are required to complete their final 6 units in attendance at UWest, and any approved transfer work must be completed prior to the last day of the student's last term in attendance at UWest. A minimum grade of

B (3.0) is required for the transfer of graduate credit and a minimum grade of C (2.0) for undergraduate courses transferred to satisfy prerequisite requirements.

# Professional Master of Business Administration

The Professional MBA (PMBA) program at UWest is designed for business owners and professionals with three or more years of managerial experience. Students expand their knowledge and skills and enhance their problem-solving and strategic thinking abilities to advance their professional careers, successfully start their own businesses, or maximize the success of existing business ventures. Flexible schedules including online and weekend classes provide the convenience that working professionals need to take the next step to a more fulfilling future.

This program is designed to be completed in one year through a combination of online and intensive on-campus classes. Intensive on-campus classes meet five weekends, including both Saturday and Sunday. Meetings are distributed over the term.

Fall Semester (16 weeks)	2 intensive on-campus courses 2 online courses
Spring Semester (16 weeks)	2 intensive on-campus courses 2 online courses
Summer Semester (9 weeks)	2 intensive on-campus courses 1 online course

Students who enter the PMBA may be assigned up to nine units of undergraduate core curriculum to insure they have the foundation for excelling in their PMBA courses. These foundational courses are waived for those students who have completed equivalent courses during their prior studies.

## Program Learning Outcomes

Students who graduate with a PMBA in Business Administration will be able to:

- Integrate advanced concepts, theories, and skills to identify, analyze, and solve complex business problems.
- Apply understanding of leadership roles and strategies to real-world business and management scenarios.
- Analyze and explain how awareness and knowledge of individual and cultural diversity can impact and inform business practices and management decision making.
- Evaluate the role and impact of globalization and global perspectives within business practices and management decision making.
- Advocate for the synthesis of social, professional, and ethical responsibility within business practices and management decision making.

**Elective Requirement (3 units):** Students select one additional MBA course relevant to their specific goals and interests.

**Minimum Grade Requirement:** Each course must be passed with a minimum grade of C (2.0). Students who do not earn a C or higher may repeat the course one time only to achieve a passing grade.

**Graduation Requirements:** Students complete 33 units as specified with a cumulative GPA of 3.0 or higher. Units earned in foundation courses and courses applied to previous UWest degrees or certificates may not be applied to PMBA graduation requirements.

With departmental approval, students may be allowed to complete up to 6 units of 400-level undergraduate coursework at UWest for equivalent MBA courses.

Up to 6 units may be fulfilled through the transfer of credit for graduate courses completed with a minimum grade of B (3.0) at accredited institutions prior to enrolling at UWest.

Once enrolled, students are expected to complete all remaining coursework at UWest, including foundation courses. Exceptions allowing the transfer of foundation courses after beginning the program must be approved in advance by the department chair, and students must demonstrate cause. Students are required to complete their final 6 units in attendance at UWest and any approved transfer work must be completed prior the last day of the student's last term in attendance at UWest. A minimum grade of C (2.0) is required for undergraduate courses transferred to fulfill foundation requirements.

# Advanced Certificate of Business Administration - Post-Master of Business Administration Certificate

The Post MBA certificate is an advanced graduate certificate in Business Administration, designed for individuals who have already earned an MBA or other graduate business degree. Working with the department chair of the Business Administration department, students create an individual study plan centered on a theme, such as international business management, computer information systems, or financial management.

## Completion Requirements

Students complete at least 21 units in a series of MBA courses. If an area of concentration is declared, at least 12 of the 21 units must be in the concentration. A minimum GPA of 3.0 is required to graduate. Students may not repeat courses for which they have already received credit. No transfer credit is allowed; credit applied to another degree or certificate may not be applied to the certificate.

With department chair approval, students may be allowed to substitute up to 6 units of 400-level undergraduate coursework for equivalent MBA courses.

## Post MBA Concentrations

Several options are available for students who choose to declare a concentration. The Finance Concentration is described below as an illustration. The Business Administration department works with each student to help them create a study plan that meets their specific professional needs. While courses will differ, the basic outline remains the same regardless of area of study.

## Post MBA - Financial Management Concentration - an Advanced Graduate Certificate in Business Administration

This certificate prepares students to enhance careers and grow businesses in financial management or a related field.

Students complete a total of 21 units of MBA coursework, including a minimum of 12 units selected from the Financial Management Curriculum and three additional courses (9 units) in elective credit selected from across the MBA curriculum.

# ELI Mission & Programs

The mission of the English Language Institute is to provide English language learners an education that fosters meaningful communication, cross-cultural awareness, and lifelong learning in order to achieve personal, academic, and professional success.

## English Language Institute

UWest's English Language Institute (ELI) provides English language learners with direct language instruction and support necessary to improve English proficiency for personal, professional, and academic purposes.

The Institute's faculty hold advanced degrees in such fields as English, TESOL, linguistics, and cultural studies. Many also teach courses in general education and English, giving them insight into the academic needs of students who plan to pursue a degree at UWest or another American university.

The Institute houses an array of programs tailored to meet the diverse needs of its students, including Intensive English, English Conversation and Culture, English for Specific Purposes, Program of American Cultural Exchange, and Academic English Bridge.

### Intensive English Program (IEP)

Students in the full-time Intensive English program develop effective and meaningful English communication skills for use in personal and academic settings. Integrated skills courses are offered by level across skill areas to develop fluency through a comprehensive curriculum grounded in the language domains of speaking, listening, grammar, reading, conversation, pronunciation, and writing. Emphasis is placed on skills that combine writing, reading, grammar, vocabulary, listening comprehension, and spoken fluency development in order to communicate in the US and other English speaking environments.

Courses are offered in four convenient four-week blocks each fall and spring semester. Each block includes 20 hours of instruction per week for four weeks. Students may initiate their enrollment at the start of any block during the fall or spring semester. Once enrolled, they maintain their enrollment by completing all remaining blocks in the initial term then enrolling in four blocks each fall and spring semester through program conclusion. Certificates are awarded upon the completion of each level of study (four blocks/320 hours) with a minimum cumulative GPA of 2.7 or through comprehensive level examination. IEP courses are not degree-applicable.

### Intensive English Summer Program (IESP)

Students enrolling in IESP experience an immersive English program focused on developing general English skills for everyday communication. Over the six-week summer session, IESP employs an integrated skills approach set within a language immersion context.

### English Conversation & Culture (ECC)

English Conversation and Culture is a part-time program open to local students as well as visitors from other countries. ECC offers learners the opportunity to develop conversation skills and a US cultural awareness for successful communication.

Students enroll in intensive English courses to gain clear and effective speaking skills, building spoken fluency with confidence by learning common English situations, language functions, and tasks. The curriculum integrates listening, pronunciation, reading, writing, and grammar with US culture, norms, and customs. Learners put their English into practice during activities, trips, and excursions at popular destinations throughout Southern California.

Courses are offered in four convenient four-week blocks each fall and spring semester. Each block includes 15 hours of instruction per week for four weeks. ECC students have the option of completing one or more blocks in fall and spring semesters. Students who choose to enroll in multiple blocks may advance between levels by achieving a minimum cumulative GPA of 2.7 or by comprehensive level examination. Students receive a certificate of attendance upon completion of their enrollment with a minimum cumulative GPA of 2.0. ECC courses are not degree-applicable.

## English for Specific Purposes (ESP)

ESP curriculum focuses on helping students improve their English proficiency for personal, professional, and academic purposes. The program was created to serve working professionals and others in the community with language instruction and support in targeted areas such as everyday business, personal interaction, corporate success, and more. Courses are offered in six-week modules and meet evenings and weekends to suit busy schedules.

## Program of American Cultural Exchange (PACE)

PACE offers customized group programs tailored to a variety of age and educational levels, professions, and interests. Participants live on campus and when not attending class are exploring the many and varied attractions and cultural sites located in and around Los Angeles. In addition to small interactive classes, students enjoy excursions and fieldtrips to enhance English learning and experience American culture.

## Customized English Programs (CEP)

CEPs offer groups the opportunity to work with the Institute's faculty to design short-term language programs lasting 2 to 4 weeks. These immersive educational programs can be customized to meet language needs in areas such as academic English, general English, English for specific purposes, test preparation, and enrichment. CEP is designed for groups of 6 or more students aged 18 and up.

## Academic English Bridge (Affiliated with the Department of English)

Academic English Bridge (Bridge) curriculum prepares students who have gained a solid foundation in English to transition to collegiate-level studies. Students master the writing, reading, and oral communication skills required for success in the college classroom while honing their critical and analytical thinking and basic research skills.

# English Proficiency Requirement

All instruction at UWest is in English, and proficiency in English is essential for academic success. Individuals whose prior education was completed in a country where English is not the official language must provide evidence of English language proficiency when applying for admission to a degree or certificate program other than Intensive English.

The following is a list of acceptable proof of English language proficiency. Official documentation must be submitted before the application for admission is reviewed, and should be sent directly from the institution or testing agency to the Office of Admissions at University of the West. Exception: Applicants to the Intensive English and English Culture and Communication programs are not required to provide proof of English proficiency or test scores.

1. Previous education with English as the designated medium of instruction  
NOTE: Interview and/or English Placement Testing may be required prior to admission
  - A. Higher secondary diploma, equivalent to a US high school diploma, completed at an international institution with English as the medium of instruction
  - B. At least three years (90 semester units) at or above the baccalaureate level at an accredited international institution with English as the medium of instruction
2. Recent completion of three or more years of substantive academic coursework at or above the baccalaureate level at an accredited institution in the US, with a cumulative GPA at or above the minimum required for admission to UWest.
3. Successful completion of UWest's Intensive English program through Level 60.
  - A. Bridge coursework may be required upon admission to a degree program
  - B. Participants may apply to a degree program while enrolled in Level 60
4. Standardized Testing (see table for minimum scores)
  - A. International English Language Testing System (IELTS-Academic)
  - B. Test of English as a Foreign Language (TOEFL)
  - C. Test scores are valid for two years from the date the test was administered
  - D. Students with an IELTS or TOEFL score below the minimum required in any test area may be required to complete the full EPT, even if the overall score is at or above the minimum requirement for full admission.
5. Specific Coursework (see table for applicable courses)
  - A. International Baccalaureate Diploma Program (IB)

# English Placement Testing

Applicants entering directly into the English language programs and those admitted conditionally to a degree program due to IB, TOEFL, or IELTS scores below the minimum required for full admission complete UWest's English Placement Test (EPT) to determine placement and status.

Once admitted students return their paperwork to reserve their space at UWest they are sent an welcome email that includes instructions on how to schedule an appointment to complete the EPT.

The EPT is also offered to all new students one week prior to the start of each language block. Students who request testing at any other time must pay a \$100 EPT testing fee. Testing between blocks is not available for continuing students.

English Language Applicants: the EPT score determines placement at the appropriate level of IEP instruction.

Conditional Admits: If the IB, IELTS, or TOEFL score indicates that the EPT is required, applicants may be admitted conditionally. Their final admission status is based upon their EPT score.

## *Possible admission status, based upon EPT outcome*

1. Fully admitted to degree program; enrolled in degree courses.
2. Admitted to degree program; academic bridge coursework required prior to or concurrent with enrollment in degree courses.
3. Not admitted to degree program. EPT score indicates placement in IEP level 10 to 60.

Applicants who fall into category 3 may fulfill the English language proficiency requirement by enrolling in and successfully completing UWest's Intensive English program through IEP Level 60. These students are encouraged to re-apply to the degree program when they enter their final term in IEP. Admission will be based on current admissions criteria for that program. Students who complete UWest's Intensive English program receive priority consideration for admission to degree programs.

All applicants admitted to a bachelor's degree program are required to complete UWest's undergraduate placement tests in writing and math prior to scheduling classes. If both the EPT and Writing Placement Test (WPT) are required, the WPT is waived and the EPT used in its place.

## About the Exam

Section	Time	Description
Writing	45 minutes	Students write a short essay answering a question or prompt. A typical short essay will include an introduction, thesis statement, body that supports the thesis, and a conclusion.
Paper Test	45 minutes	80 multiple choice questions in the following areas
Listening Comprehension	20 questions	Assesses understanding of spoken English. Students listen to and answer 20 multiple choice questions.
Grammar	20 questions	Assesses grammar knowledge.  Students read short conversations and answer 30 multiple choice questions
Vocabulary	20 questions	Assesses vocabulary knowledge.  Students read sentences and answer 30 multiple choice questions.
Reading Comprehension	20 questions	Assesses reading skills.  Students read short passages and answer 20 multiple choice questions.
Oral Interview	5-10 minutes	Students are interviewed individually and asked three questions about a specific topic. Students have one minute to answer each question.

# EPT Scores & Placement

The following scores are used to determine placement. Initially, the EPT score is the sole placement determinant. In subsequent terms, while the EPT score remains a factor in a student's progression, it is not the only factor. EPT scores must be supported by improved language proficiency as demonstrated by strong academic performance. Students must maintain a minimum GPA of 2.7 (B-) all IE coursework to advance through the program.

EPT Score								Undergraduate 80 or higher	Graduate 80 – 85	Graduate 86 or higher
	1-12	13-26	27-40	41-54	55-68	69-74	75-79			
Placement	IEP 020	IEP 030	IEP 040	IEP 050	IEP 060	Undergraduate: Bridge 090	Undergraduate: Bridge 100 Concurrent with Degree Courses	Undergraduate: Degree Courses		
	Beginning	Intermediate	High Intermediate	Advanced	Upper Advanced		Graduate: Bridge 090	Graduate: Bridge 100	Graduate: Bridge 400 Concurrent with Degree Courses	Graduate: Degree courses

# Intensive English Program Advancement

To advance through each level in the Intensive English program students must earn a term grade point average of 2.7 (B-) and pass all courses in the sequence. With the ELI Director's approval students may also retake the English Placement Test (EPT) at the start of fall or spring term during regularly scheduled testing. Upon review of the results and performance in class the director may advance a student one or more levels. However, it should be noted that students may be moved to a lower level based on the results of the retest.

Continuing students may not repeat the EPT mid-semester. However, they do have a pathway to advance by testing. Upon recommendation of their instructors they may take a comprehensive level examination to seek advancement at the close of any block.

## Degree Track

Students planning to apply to a UWest degree program upon completion of the Intensive English program may submit their application while enrolled in IEP 060. In addition to program requirements indicated in the Admissions chapter of this catalog, the review committee will consider the applicant's performance in IEP courses; further testing may be required. While admission to a degree program is not guaranteed based solely on the completion of the Intensive English program at UWest, students who have successfully completed the program receive priority consideration for admission.

Students who are admitted to a degree program upon completion of IEP Level 060 complete academic bridge coursework in their first year of study. Students are placed in one or more appropriate degree-level courses each term to maintain full time enrollment.

## Non-Degree Track

Students who wish to extend their enrollment in the Intensive English Program beyond IEP Level 060 may do so for two terms while completing Academic Bridge courses. International students enroll in one or more undergraduate degree courses to maintain full time enrollment of 12 units.

## Intensive English Program Certificate of Completion

Full-time students enrolled in the Intensive English program will receive a certificate for each level of Intensive English completed with an average grade of B- (2.7) or better or through level examination. A grade of F in any class will not allow a student to progress or to receive a certificate. IEP courses are neither degree-applicable nor do they count as academic credit.

## Attendance: Intensive English & English Conversation and Culture Programs

Class attendance is a critical factor for student success. Students have the responsibility to demonstrate commitment to their education, respect for their instructors and classmates, and, if applicable, compliance with F-1 visa requirements by attending each class session in its entirety, arriving punctually, reporting to class fully prepared, and participating in class discussions.

Ninety percent (90 %) attendance is required to earn a passing grade in any course. Students who miss 10 hours of any one course without the instructor's advance approval are dismissed from that class, and students who miss all classes for two consecutive weeks without permission may be withdrawn from the university. Note: UWest is required to terminate the Form I-20 of any F-1 student dropping below full-time enrollment due to an attendance dismissal. Students enrolled in IEP may be placed on academic warning or probation if they do not meet this attendance policy.

# Academic Warning, Probation & Dismissal

IEP students are required to achieve a term GPA of 2.7 or higher each term in order to advance to the next IEP level and to continue their progression through the IEP. Academic progress is reviewed at the close of each semester.

Students who do not meet the minimum required term GPA of 2.7 for one semester will be placed on Academic Warning and must repeat the same level during the next term.

At the close of the semester, students on warning are reviewed.

- Those who have earned a term GPA of 2.7 or higher are returned to good standing and are eligible to advance to the next level of IEP.
- Those who have not earned a term GPA of 2.7 are placed on Academic Probation.

Students placed on Academic Probation meet with their advisor to develop an Academic Plan to develop a plan to help them improve their grades so that they may qualify to advance to the next IEP level.

At the close of the semester, students on probation are reviewed.

- Those who have met the requirements of their Academic Plan and earned a minimum term GPA of 2.7 are returned to good standing and are eligible to advance to the next IEP level.
- Those who have not earned a term GPA of 2.7 are not eligible to advance to the next IEP level and may be dismissed from the Intensive English program.

# Intensive English Summer Program (IESP)

Students enrolling in UWest's Intensive English Summer Program experience an immersive English program focused on developing general English skills for everyday communication. Over the six-week summer session, IESP employs an integrated skills approach set within a language immersion context. Students enroll in the integrated language skills course and one topical elective course selected to support IESP content. Students attend class for 20 hours each week for six weeks.

## IEP 030

### Integrated Language Skills

Prerequisite(s): none

Multilevel integrated skills approach fosters natural English language acquisition. Facilitates use of English in context through themes such as American culture. Promotes discussion and conversation to build fluency for daily communication.

# English for Specific Purposes (ESP)

English for Specific Purposes provides working professionals and busy students with specific language instruction and support through a series of scheduled six-week modules with courses conveniently scheduled on evenings and weekends. The curriculum is designed to help students improve their English proficiency for personal, professional, and academic purposes.

Students may select courses focusing on special topics in spoken English, such as conversation skills, professional English, pronunciation and accent reduction, workplace communication, as well as a number of courses addressing the needs of small business owners. Courses prepare students to participate fully in the community and the workplace. The program also serves exchange students, undergraduates, and graduate students seeking to improve their written and spoken language proficiency.

This program is offered in 36-hour modules of intensive instruction. Each course meets three hours per session twice a week for six weeks. The program includes courses at the basic, intermediate, and advanced levels. Level tests are held one week prior to the start of the module so that students may select courses at the level that meets their needs.

# General Education Outcomes & Requirements

General Education (GE) is an integral part of each UWest undergraduate program. All students complete 51 units of GE as part of their bachelor's degree requirements. GE course selections reflect UWest's conviction that the higher education of the whole person requires a breadth of knowledge beyond the specialized study and training covered in the majors.

University of the West's General Education courses empower students to design their own lives, their personal philosophies, their unique ways of being in this world. As they move through their GE coursework, our students explore their inner selves and learn how to face challenges, to make decisions, and to adapt in a rapidly changing world. Along the way, each UWest undergraduate develops and refines the vital skills of writing, critical thinking, and speaking. UWest graduates possess the knowledge, awareness, and skills to be self-reliant, ethical, responsible global citizens who value service to others and respect for the environment.

## Program Learning Outcomes for General Education

### Goal 1: Communication

Students effectively communicate in professional, academic, and personal domains.

LO1: Oral Communication - Students will be able to engage in public discourse through careful listening to others' perspectives, respectful questioning, articulating original ideas, and speaking thoughtfully in formal and informal settings. (Be/Know/Do)

LO2: Written Communication - Students will be able to produce grammatically-correct and well-organized academic writing (e.g., analytical, persuasive, expository, argumentative) in a variety of formats, including essays, research papers, reflective writing, and critical reviews of secondary sources. (Know/Do)

### Goal 2: Information Literacy & Critical Thinking

Students gather, assess, and interpret relevant information and apply intellectual standards to support logical and skillful thinking and conclusions.

LO3: Information Literacy - Students will be able to identify, evaluate, and use information from multiple sources in a manner reflective of ethical academic standards. (Be/Know/Do)

LO4: Critical Thinking Processes - Students will be able to apply intellectual standards (e.g., clarity, logic, relevance, significance, fairness) to ensure the quality of reasoning and conclusions (e.g., ideas, questions, perspectives, assumptions) generated by themselves as well as others. (Know/Do)

### Goal 3: Quantitative Reasoning

Students develop quantitative reasoning skills to support decision-making, critical thinking, and navigation of real-world situations.

LO5: Practical Mathematical Literacy - Students will be able to describe how mathematical facts and concepts apply to real-world situations. (Know/Do)

LO6: Practical Mathematical Skills - Students will be able to demonstrate understanding of quantitative reasoning using tables, graphs, mathematical equations, and their applications in real-world settings. (Know/Do)

## Goal 4: Diversity And Identity

Students recognize, respect, and value the differences of others, supported by examination of their own individual/cultural identities.

LO7: Individual and Cultural Diversity and Identity – Students will be able to discuss and critically reflect upon the roles of individual and cultural diversity and identity (e.g., national origin, race, ethnicity, age, gender and gender expression, sexual identity, ability/disability, socioeconomic class, language, religion, social values, customs, traditions) within modern, historical, cultural, and personal contexts. (Be/Know/Do)

## Goal 5: Service

Students recognize the importance of service-orientated approaches to people, society, and the environment, and they find ways to serve others.

LO8: Value of Service - Students will be able to justify the value of service to others. (Be/Know)

LO9: Acts of Service - Students will be able to engage in acts of service to benefit their communities. (Be/Do)

## Transitional Skill Building

Based on an evaluation of entrance assessments, some or all of the following transitional skill-building courses may be required. If required, these courses must be completed before the respective Core Competency. ENGL 100 A may be applied to general elective requirements.

Courses	Prerequisite For	Units
ENGL 90A Academic Writing	ENGL 100A	3
ENGL 100A College Writing	ENGL 101	3
MATH 030 Developmental Mathematics	MATH 102	3

### Category 1

Core Competencies (15 units): Students learn to communicate information and ideas clearly, both orally and in writing; to access, examine, and evaluate information using critical thinking and information literacy skills; and to perform quantitative functions.

Students are required to complete core competencies over their first three semesters of study as indicated below. Exceptions may be approved with a formal academic plan.

Course	Prerequisite(s)	Units
First Semester		
CS 101 Information Literacy & Academic Study Skills	None	1
ENGL 101 English Composition	ENGL 100A (if required)	3
MATH 102 Quantitative Reasoning I	MATH 030 (if required)	3
Second Semester		
CS 102 Whole Person Wellness for College	None	1
ENGL 102 Composition II: Critical Thinking	ENGL 101	3
SPCH 101 Oral Communication	None	3
Third Semester		
CS 103 Introduction to Major & Career Development	None	1

### Category 2

Historical Foundations (6 units): Provides students with an understanding of the cultural contexts and implications of historical developments.

Students complete the following courses.

Course	Prerequisite(s)	Units
HIST 200 Big History I	None	3
HIST 205 Big History II	None	3

## **Category 3**

Mathematics & Natural Sciences (6 units): Mathematics and natural sciences for daily living and an enhanced understanding of the natural world and what it means for human existence.

Students complete one course from each section. Minimum passing grade of C in MATH 107 or MATH 112 is required. NOTE: Psychology majors must select MATH 112 under Section A.

<b>Course</b>	<b>Prerequisite(s)</b>	<b>Units</b>
Section A Mathematics: Select 1 course		
MATH 107 Mathematics for Liberal Arts	MATH 102	3
MATH 112 Quantitative Reasoning II	MATH 102	3
Section B Natural Sciences: Select 1 course		
BIO 100 Introduction to Biology	None	4
BIO 110 Ecology & Biodiversity	None	4
PSC 100 Introduction to the Physical Sciences	None	3

## **Category 4**

Religion & Philosophy (6 units): Explores how humans have expressed their ideas of self and meaning and discusses them, where appropriate, from a Buddhist perspective.

Students complete the following courses.

<b>Course</b>	<b>Prerequisite(s)</b>	<b>Units</b>
Section A Religion		
L&C 120 Life & Culture: World Religion	None	3
Section B Philosophy		
L&C 121 Life & Culture: World Philosophy	None	3

## Category 5

Social & Behavioral Sciences (6 units): Examines the interrelationships, organization, and determinants of human behavior. Students complete a total of 6 units with selections from two different sections.

Business majors may not select options under Business as they will be completing these courses as part of their major courses. Psychology majors must complete PSYCH 100 as one of the two options.

Service Learning (1 unit): This requirement reflects the mission and values of UWest by embracing the education of the whole person through a commitment to serve with compassion, work for justice, and prepare ethical, moral, and dedicated leaders.

<b>Course</b>	<b>Prerequisite(s)</b>	<b>Units</b>
SRVLG 100 Service Learning	None	1

## **Category 9**

Capstone Course in General Education (3 units): To ensure that students have met the goals of UWest's GE program, the program concludes with one capstone course. This course provides an experience in comparative study at the 400 level, where the skills and knowledge developed in core and breadth are integrated. Students apply knowledge acquired in individual areas to an interdisciplinary field of study.

<b>Course</b>	<b>Prerequisite(s)</b>	<b>Units</b>
CAP 401 Capstone: Religion, Science, & Society	42 units GE	3

## **Graduation Requirements**

All undergraduate students are required to complete 51 GE units in the nine subject categories above in addition to their core degree requirements. A minimum of 9 GE units must be in upper-division courses (numbered 300 or higher).

# Bachelor of Arts in Liberal Arts

University of the West's Liberal Arts degree program offers each undergraduate a self-designed cross- and interdisciplinary learning path. Liberal Arts majors follow their intellectual curiosity to pursue specific interests and a wide-ranging understanding of the history and sweep of human endeavor. Liberal Arts concentrations allow each student to create across disciplines a cluster of courses focused on whatever sparks her or his intellect. Liberal Arts majors graduate from University of the West with a strong sense of self and an understanding of how to live well and with purpose in the world.

The Bachelor of Arts degree in Liberal Arts is designed for completion in four years of full-time study.

## Program Learning Outcomes

### Goal 1: Communication

Students effectively communicate in professional, academic, and personal domains.

LO1: Oral Communication - Students will be able to engage in public discourse through careful listening to others' perspectives, respectful questioning, articulating original ideas, and speaking thoughtfully in formal and informal settings. (Be/Know/Do)

LO2: Written Communication - Students will be able to produce grammatically-correct and well-organized academic writing (e.g., analytical, persuasive, expository, argumentative) in a variety of formats, including essays, research papers, reflective writing, and critical reviews of secondary sources. (Know/Do)

### Goal 2: Information Literacy & Critical Thinking

Students gather, assess, and interpret relevant information and apply intellectual standards to support logical and skillful thinking and conclusions.

LO3: Information Literacy - Students will be able to identify, evaluate, and use information from multiple sources in a manner reflective of ethical academic standards. (Be/Know/Do)

LO4: Critical Thinking Processes - Students will be able to apply intellectual standards (e.g., clarity, logic, relevance, significance, fairness) to ensure the quality of reasoning and conclusions (e.g., ideas, questions, perspectives, assumptions) generated by themselves as well as others. (Know/Do)

### Goal 3: Quantitative Reasoning

Students develop quantitative reasoning skills to support decision-making, critical thinking, and navigation of real-world situations.

LO5: Practical Mathematical Literacy - Students will be able to describe how mathematical facts and concepts apply to real-world situations. (Know/Do)

LO6: Practical Mathematical Skills - Students will be able to demonstrate understanding of quantitative reasoning using tables, graphs, mathematical equations, and their applications in real-world settings. (Know/Do)

### Goal 4: Diversity And Identity

Students recognize, respect, and value the differences of others, supported by examination of their own individual/cultural identities.

LO7: Individual and Cultural Diversity and Identity – Students will be able to discuss and critically reflect upon the roles of individual and cultural diversity and identity (e.g., national origin, race, ethnicity, age, gender and gender expression, sexual identity, ability/disability, socioeconomic class, language, religion, social values, customs, traditions) within modern, historical, cultural, and personal contexts. (Be/Know/Do)

## Goal 5: Service

Students recognize the importance of service-orientated approaches to people, society, and the environment, and they find ways to serve others.

LO8: Value of Service - Students will be able to justify the value of service to others. (Be/Know)

LO9: Acts of Service - Students will be able to engage in acts of service to benefit their communities. (Be/Do)

## Course Requirements

Area	Required Units
General Education	51, 9 of which must be upper-division
General Electives	27
Upper Division Electives	42
Total	120

General Electives (27 units): Students complete 27 units of elective coursework. Students may select any undergraduate courses that have not been applied to General Education or Upper Division Elective requirements.

Upper Division Electives (42 units): Students complete 42 units of upper division elective coursework. Students may select any upper division undergraduate courses (numbered 300-499) that have not been applied to General Education or General Elective requirements.

Student-Developed Concentrations (Optional) (18 units): Liberal Arts majors have the opportunity of creating concentrations to provide an in-depth focus to their program. While a concentration is not required, it is an excellent opportunity for students to establish a foundation for future career paths or graduate studies.

## Graduation Requirements

Students must complete 120 units as designated above with a cumulative GPA of 2.0 or higher. UWest's residency requirement for the Bachelor of Arts states that at least 30 units, including 24 upper division units, must be completed at UWest.

Students are required to complete their final 6 units in attendance at UWest. Any pre-approved transfer work must be completed with a minimum grade of C (2.0) prior to the last day of the student's last term in attendance at UWest.

# Student-Developed Concentrations

Student-developed concentrations allow students to integrate courses from multiple disciplines to create a concentration relevant to their own interests and aspirations. Working directly with the chair of the Liberal Arts department, students select a series of courses that includes a minimum of 18 units. Courses must be predominantly upper division and may include up to 6 units of transfer credit.

While students usually declare one concentration or one minor, Liberal Arts majors are allowed to declare two concentrations or minors, or one concentration and one minor. However, completing multiple concentrations and minors may delay time to degree and completion of units over the minimum 120 units required to graduate.

Courses completed to fulfill a concentration are also applied to elective requirements. However, courses cannot be applied to multiple concentrations nor may courses applied toward a concentration be used to fulfill general education or minor requirements.

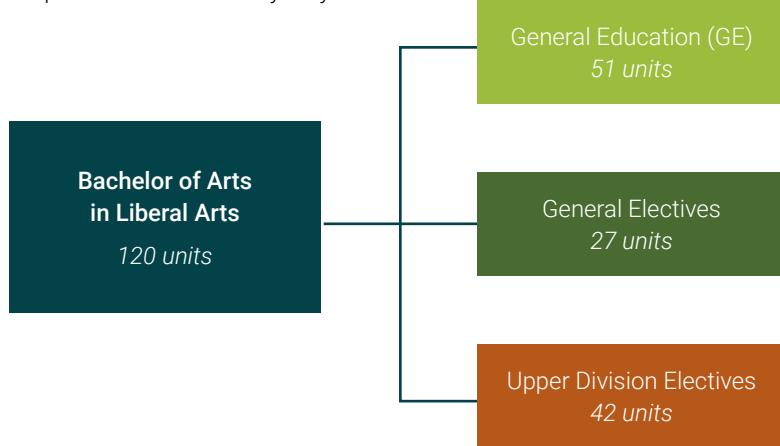

## Examples of Concentrations

- Global Studies: Integrate business, history, political science, religion, foreign language, culture, and related fields
- Diversity and Multiculturalism: Integrate anthropology, sociology, psychology, religion, language, and related fields
- Buddhist Psychology
- Business: Focus on areas such as management, finance, marketing, entrepreneurship, and international business
- Social Justice and Human Rights
- Contemporary and Historical Relations between East and West
- Interdisciplinary Perspectives and Practices
- Mind and Mindfulness
- Buddha and the Information Age
- Religion and Psychology

Psychology is the study of human experience across the lifespan including individual (cognition, emotion, behavior) and family/community systems. The psychology program at University of the West emphasizes the dimensions of multicultural and cross-cultural influence. Course offerings in psychology include introductory and advanced instruction in both Western and Eastern systems of psychological theory and practice.

## Philosophy and Objectives

UWest's psychology program prepares students to be innovative critical thinkers, ready to meet the needs of a dynamic and complex global community. Consistent with the university's mission, the department not only aims to cultivate leading edge awareness, knowledge, and skills, but also aspires to educate the whole person by nurturing social responsibility and integrity. The culturally diverse faculty and staff contribute to awakening an appreciation of cultural differences.

## Bachelor of Arts in Psychology

The learning outcomes for the BA Psychology degree are informed by the American Psychological Association's 10 Optimal Guidelines for the Undergraduate Psychology Major as well as the university's institutional learning outcomes. These outcomes reflect the knowledge and skills undergraduates are expected to acquire during their studies at UWest.

## Program Learning Outcomes

### Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

<b>Knowledge</b>	Students summarize the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology.  Students describe how psychology utilizes the scientific method, research design, and data analysis.  Students demonstrate information competency and can explain how technology is used in the field of psychology.  Students express realistic ideas on how to implement their psychological knowledge, skills, and occupational pursuits in a variety of settings.
<b>Praxis</b>	Students apply psychological principles to personal, social, and organizational issues.
<b>Ethics</b>	Students weigh evidence, tolerate ambiguity, act ethically, and reflect the values that are the underpinning of the discipline of psychology.
<b>Critical Thinking</b>	Students apply critical and creative thinking, skeptical inquiry and, when possible, the scientific method to discern, evaluate, and criticize specific issues in psychology.
<b>Communication</b>	Students clearly articulate their study of psychology in speech and writing.

## Self-Awareness

Students are prepared to engage in an ongoing-process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

<b>Character</b>	Students relate their training in psychology to their own self-exploration and character development.
<b>Expression</b>	Students apply their knowledge of psychology to explore and express ideas about themselves.
<b>Relationship</b>	Students demonstrate effective teamwork skills.

## Liberation

Students recognize the diversity and dignity of all human beings and understand their own role in the pursuit of social justice.

<b>Pluralism</b>	Students recognize, understand, and respect sociocultural and international diversity, especially its impact on psychology.
<b>Liberation from Suffering</b>	Students relate issues in psychology to social, economic, and environmental issues.
<b>Service</b>	Students recognize their ability to increase wellness and reduce suffering of self and others through service-oriented activities.

## Interdependence

Students possess a holistic understanding of global interdependence in order to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

<b>Culture</b>	Students demonstrate an understanding and respect for eastern and other diverse contributions to western psychology theory, research, and practice.
<b>Interconnectedness</b>	Students demonstrate compassionate sensitivity toward themselves and others.

# Master of Arts in Psychology

## Marriage and Family Therapy: 63 Units

The goal of UWest's Psychology Department is to reduce suffering and increase happiness in the world through the application of mental health practices. The 63-unit Master of Arts in Psychology – Marriage and Family Therapy prepares students to meet requirements for California licensure to provide psychotherapy as Marriage and Family Therapists (MFT). The program focuses on the intersection between Buddhist psychology and Western multicultural and recovery-oriented evidence-based practice in helping individuals, couples, families, and groups.

Beyond having mastered standard MFT competencies, UWest graduates are

- grounded in Recovery-Oriented Practice, putting clients at the heart of treatment, focusing upon co-creating a life worth living;
- well-practiced at making ethical decisions from the overlapping lenses of multiculturalism, Buddhist psychology, and biomedical/behavioral health law and ethics;
- clinically and personally skilled in contemplative practice;
- versed in effective practices that borrow heavily from Buddhist psychology, such as Mindfulness-Based Stress Reduction, Mindfulness-Based Cognitive Therapy, Acceptance and Commitment Therapy, Compassion Focused Therapy, and Dialectical Behavioral Therapy Skills Training;
- trained in the fundamentals of Emotionally Focused Therapy for couples; and
- experienced in the applications of Interpersonal Neurobiology from the inside out.

The university takes pride in offering small teacher-student ratio, diversity, and individual attention in the classroom as the faculty nurtures all aspects of the therapist's personhood, particularly intrapersonal awareness, interpersonal and multicultural knowledge, and the skills to turn this awareness and knowledge into helpful interactions with others. In 2015, UWest's MA in Psychology was ranked as the 9th most affordable graduate psychology program in the United States.

The program is aligned to the requirements of California Business and Professions Code Section 4980.37, as regulated by the California Board of Behavioral Sciences (BBS). Coursework prepares students for the California MFT license examinations, and to meet best practices outlined by the American Association for Marriage and Family Therapy and the California Association of Marriage and Family Therapists. More information about the MFT license can be found at <http://www.bbs.ca.gov>.

## Fostering Professionalism

This is a professional training program and students are expected to consistently demonstrate professional behavior. This includes but is not limited to:

- Being on time to class and with assignments
- Respectfully interacting with students and faculty
- Proactively engaging in learning process and assignments
- Being organized and prepared
- Managing paperwork and technology effectively
- Managing personal crises effectively
- Managing personal information (own and others') appropriately (e.g., confidentiality)

These standards pertain to all Psychology graduate courses. Students who fail to meet these standards may be unable to progress in the program.

# Program Learning Outcomes

## Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

<b>Knowledge</b>	Students demonstrate the knowledge needed to synthesize various psychotherapeutic approaches. Students describe and explain the ethics and laws pertaining to mental health services for MFTs. Students list and discuss the various psychotherapeutic theoretical approaches and corresponding diagnostic and intervention techniques.
<b>Praxis</b>	Students conduct thorough intake interviews including suicide assessments, summarize the themes of the interview, and identify goals and potential treatment plans for therapy. Students demonstrate competency in the assessment, detection, and intervention for spousal abuse as well as for abuse reporting for all categories.
<b>Ethics</b>	Students effectively apply MFT field ethics, and state and federal laws to case vignettes and in vivo counseling sessions.
<b>Critical Thinking</b>	Students apply critical and creative thinking, skeptical inquiry and, when possible, the scientific method to discern, evaluate, and criticize specific issues in psychology.
<b>Communication</b>	Students clearly articulate their study of psychology in writing and speech.

## Self-Awareness

Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

<b>Character</b>	Students are fully present, mindfully aware of the moment, during client sessions.
<b>Expression</b>	Students express an increased level of self-awareness as it applies to their role as therapists, including an understanding of and ability to articulate their own cultural values and biases.
<b>Relationship</b>	Students demonstrate case conceptualizations that reflect a refined understanding of the impact that their own cultural identities and related values have on the therapeutic process (specifically the therapeutic alliance/relationship).

## Liberation

Students recognize the diversity and dignity of all human beings and understand their own role in the pursuit of social justice.

<b>Pluralism</b>	Students develop cultural responsiveness in terms of intake, diagnosis, treatment planning, and intervention selection.
<b>Liberation from Suffering</b>	Students discuss the various types of privilege and oppression that often arise for select cultural identities, such as select racial and ethnic groups, socioeconomic status, gender, sexual orientation, age, and physical and mental ability.

## Interdependence

Students possess a holistic understanding of global interdependence in order to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

<b>Service</b>	Students recognize their ability to increase wellness and reduce suffering of self and others through service-oriented activities.
<b>Culture</b>	Students demonstrate an appreciation for diverse cultures as it applies to the therapeutic process and outcome and can identify potential limitations in mainstream Western psychological practices.
<b>Interconnectedness</b>	Students demonstrate an awareness of the impact their thought, speech, and behavior have on others, especially on their clients.

PSYCH 651 Buddhist Psychology & Addiction <i>may substitute PSYCH 529 Drug &amp; Alcohol Theory &amp; Intervention for PSYCH 651</i>	18 units	3

Internship/Clinical Education (6 units): Students are required to gain 6 units of fieldwork (practicum) at an approved practicum site. Upon completion of 18 units of coursework students may seek the chair's approval to pursue a practicum. All fieldwork and practica placements must be approved by the department chair and training director before training begins.

Training sites must have a written contract with UWest indicating the commitment to abide by the supervisory conditions required for the pre-MFT licensure requirements, as guided by California's Board of Behavioral Sciences (BBS).

Students entering an approved practicum must enroll in PSYCH 700 and PSYCH 710 in consecutive terms. Students collecting supervised hours for graduation and for licensure must maintain continuous enrollment by enrolling in PSYCH 702 (during summer sessions) or PSYCH 712 (following completion of PSYCH 710).

Courses	Prerequisite(s)	Units
PSYCH 700 Practicum	18 units and chair's approval	3
PSYCH 702 Intersession Practicum	18 units and chair's approval	1
PSYCH 710 Advanced Practicum	PSYCH 700	3
PSYCH 712 Continuing Practicum	PSYCH 710	1-3

Comprehensive Exam or Thesis: All students are required to pass a comprehensive exam to graduate, usually taken at the start of their final semester. The comprehensive examination is offered once a year in January. The exam takes place over two weeks and begins during winter break, before spring semester opens. Eligible students are notified by their advisor of the specific exam dates each year, and should be prepared to take the exam when it is offered. Students must be enrolled in spring semester to test and to graduate.

Students enroll in PSYCH699B for 0 units if completing the exam concurrently with coursework and/or practica. If all coursework and practica is complete, students enroll in PSYCH699B for 1 unit to maintain active status.

If students are unable to take the exam when it is initially offered, or if they must repeat the exam, they must complete it when it is offered the following January. Students who do not pass the exam may repeat the exam one time only.

Upon recommendation of the department chair, students who plan to pursue a PhD upon completion of the MA may be permitted to complete a thesis rather than the comprehensive exam. The thesis is usually completed in one term but with the chair's approval students may apply for a one term extension. Students must enroll in PSYCH 699A from the start of the thesis through acceptance by the library, for a maximum of two consecutive terms. Credit for PSYCH 699A is not applicable to graduation.

Courses	Prerequisite(s)	Units
PSYCH 699B Comprehensive Exam	Completion of all coursework; Chair's approval	0-1
PSYCH 699A Thesis	Completion of all coursework; Chair's approval	3

**Specialization Courses (Optional):** While specialization courses are not degree applicable, students may choose to take these courses to increase expertise, expand their CV/resume, and acquire training unavailable elsewhere. Chair's approval is required. Units earned for these courses will not be applied to graduation requirements.

To ensure that enrollment in specialization courses does not interfere with sequenced completion of required coursework, most specialization courses are offered only during summer sessions. If taken during the fall or spring semester, the specialization course must be in addition to all courses required for that term.

In addition to the courses listed below, students may select specialization courses from courses offered in MA Religious Studies and MDiv Buddhist Chaplaincy. Availability of courses varies based on department schedules. A sample list of Buddhist Psychology specialization courses is provided.

# Graduation Requirements

Students are expected to complete graduation requirements in a timely manner and to maintain good standing.

Students must complete course and program requirements as listed for a total of 63 units with a minimum cumulative GPA of 3.0 and pass a comprehensive exam or thesis. A minimum grade of B is required for all courses applied to graduation. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade. All coursework must be at the graduate level; graduate courses previously applied to a bachelor's degree cannot be applied to graduation.

Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

Up to 6 units may be fulfilled through the transfer of credit from another institution.

Degrees are awarded at the close of the semester in which all degree requirements have been completed, the comprehensive exam has been passed or the thesis has been accepted by the library (if applicable), the Petition to Graduate form has been filed with the registrar's office, and the graduation fee has been paid.

## Master of Arts in Psychology

### Multicultural Counseling: 42 Units

The 42-unit Master of Arts in Psychology – Multicultural Counseling (MCC) is designed for individuals wanting to pursue a graduate degree in mental health but who are not interested in licensure. This degree is open to students with a baccalaureate degree in an unrelated field, those who earned a baccalaureate many years ago, those already working in the human services field who desire additional training, and for international students desiring an introduction to mental health care.

The 42-unit MCC does not meet the requirements to sit for a license in Marriage and Family Therapy (MFT) or Licensed Professional Clinical Counselor (LPCC) in any state. California State regulations state that students who complete and receive the 42-unit master's degree cannot, post-graduation, transfer or apply those credits toward the completion of an MFT license program.

## Emeritus Faculty

Lewis Lancaster, PhD  
Darui Long, PhD

The Religious Studies Department specializes in the study of Buddhism and comparative religion, offering both an MA and PhD in Religious Studies. In addition to their teaching mission, faculty are involved in various research projects, including detailed study of Chinese-, Sanskrit-, and Pali-language Buddhist texts and the study of Asian religions in the contemporary world. The Religious Studies Department works closely with other departments, particularly Buddhist Chaplaincy and Psychology, providing a bridge between the study of religion—past, present, and future—and the problems of modern life.

## Philosophy & Objectives

Through the study of religion students acquire a deep understanding of religious practices, ideas, outlooks, and concerns that have influenced and continue to influence human culture and existence. Asian religious traditions, particularly Buddhism, provide the core focus and foundation of the program. The department is dedicated to open academic inquiry and religious diversity and committed to fostering an environment that furthers religious understanding between East and West. Students from all religious backgrounds are encouraged to bring their own unique and enriching perspective to the study of religion.

## Master of Arts in Religious Studies

The Master of Arts in Religious Studies is a two-year, full-time degree program that allows students to gain a critical appreciation and understanding of different facets of religion. More specifically, it seeks to extend a student's background in Buddhism and Buddhist Studies, with an emphasis on practical applications in the contemporary world.

UWest offers four optional concentrations in its master's degree program. First, students may specialize in Buddhist Texts & Translation. This concentration equips students with the canonical language skills and methodological approaches to translate and interpret key Buddhist texts. Second, students may specialize in Comparative Religion. This emphasis allows students to explore and investigate different religions, including a working knowledge of at least two religious traditions. Third, students may select the concentration in Humanistic Buddhism. This emphasis develops and promotes a humanistic and socially aware understanding of the world based on Buddhist wisdom and values. Fourth, students may pursue the concentration in Mindfulness, Meditation, & Mind. This pathway allows students to explore and investigate the Buddhist foundations of spiritual cultivation within the broader context of contemplative practice.

Students who choose not to select a concentration may develop, in close consultation with a faculty advisor, a course of study of their own design tailored to their own interests and needs.

## Program Learning Outcomes

Students who successfully complete the MA in Religious Studies program will be able to:

- Summarize, explain, and discuss historical and contemporary Buddhist practices, traditions, ideas, and perspectives.
- Identify and utilize appropriate frameworks and methodologies germane to the study of religion.
- Critically evaluate arguments arising from different forms and traditions of religious expression.
- Produce scholarly writing that reflect adherence to ethical academic standards.
- Describe the value of academic study of religion in relation to their personal and professional lives.

# Concentration Learning Outcomes

- Students who successfully complete the Buddhist Texts & Translation concentration will be able to use canonical language skills and appropriate methodological approaches to translate and interpret key Buddhist texts in canonical languages.
- Students who successfully complete the Comparative Religion concentration will be able to explain and discuss at least two major religious traditions and be able to offer a comparative analysis.
- Students who successfully complete the Humanistic Buddhism concentration will be able to explain and discuss a humanistic and socially-aware worldview based on Buddhist wisdom and values.
- Students who successfully complete the Mindfulness, Meditation, & Mind concentration will be able to explain and discuss the Buddhist foundations of spiritual cultivation within the context of contemplative practice.

# Optional PhD Preparation Track

For students planning to pursue further academic study and apply to a doctoral-level program, the following components are optional, although highly recommended. These courses can be applied toward graduation.

**Language:** Students may pursue up to 12 units of language study as part of their overall coursework. Language study is recommended during the first year of coursework or as soon as the relevant courses are offered.

**Thesis Project:** Students may enroll in the 3-unit course REL 700 Thesis Project at the outset of the semester in which they intend to write and submit their thesis. They select a relevant research subject in consultation with the professor supervising their project. The thesis must be at least 50 double-spaced pages in length (excluding the title page, abstract, and bibliography). The master's candidate must have a thesis committee approved by the department chair prior to the end of the semester during which REL 700 Thesis Project is taken. This committee is composed of three faculty members, including the student's advisor. With the approval of their advisor and the department chair, students may choose to pursue an alternative to the traditional thesis (e.g. publishable article, multimedia project).

The final draft of the thesis or comparable project must be formatted according to university guidelines and submitted to the library before the end of the term in which the student is graduating. Students receive 3 units of thesis credit, applicable to the concentration requirement, when the thesis is accepted by the library.

Students may enroll in REL 700 for a second subsequent semester only with the approval of the thesis committee and department chair. Thesis must be submitted to and accepted by the library no later than the close of the second semester enrolled in REL 700. Repeated units are not applicable to graduation.

A student who fails to meet the submission deadline is not eligible for thesis credit.

## Graduation Requirements

Students are expected to complete graduation requirements in a timely manner and to maintain good standing.

Students must complete course and program requirements as listed for a total of 36 units with a minimum cumulative GPA of 3.0. A minimum grade of B is required for core and concentration courses and a minimum grade of C or P for elective courses applied to graduation. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade. All coursework must be at the graduate level; graduate courses previously applied to a bachelor's degree cannot be applied to graduation.

Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

Up to 6 units may be fulfilled through the transfer of graduate credit from another institution. Students are required to complete their final 6 units in attendance at UWest. Any pre-approved transfer work must be completed with a minimum grade of B (3.0) prior to the last day of the student's last term in attendance at UWest.

Degrees are awarded at the close of the semester in which all coursework has been completed, the thesis has been accepted by the library (if applicable), the Petition to Graduate form has been filed with the registrar's office, and the graduation fee has been paid.

## Time to Degree Standards

**Full Time:** Students who enroll full-time in this program are expected to complete their degree in two years (four semesters). Any request for an extension of the time to degree must be submitted through a General Petition and approved by the chair. The maximum time to degree allowed after all approved extensions is four years.

**Part Time:** Students who intend to enroll on a part-time basis must meet with the chair to develop an appropriate standard and timeline. This timeline may not exceed four years.

Students should be aware that a failure to meet time to degree standards may result in loss of visa eligibility and/or funding support or in dismissal from the program.

# Doctor of Philosophy in Religious Studies

The Doctor of Philosophy (PhD) in Religious Studies is an advanced research degree leading to a dissertation. Research and writing skills are developed to the level necessary to participate in professional academic discourse. A doctoral degree is awarded on the basis of evidence that the recipient possesses knowledge of a broad field of learning and expert mastery of a particular area within that field. Progress through the doctoral program is determined by coursework, language requirements, qualifying examinations, and a dissertation. As a means of tailoring the program to the needs and interests of individual students, the number and content of the qualifying examinations will be individualized by the doctoral committee.

The faculty of the Religious Studies department offer a rich curriculum that touches on all aspects and time periods of Buddhism, as well as a comparative study of other religions within a Buddhist context. Departmental research focuses on textual studies, area studies (e.g., Southeast Asia, South Asia, and East Asia), sociology, anthropology and ethnography, philosophy, and the arts. In terms of disciplinary perspective, research method and theoretical framework, any approach to the humanities and social sciences is possible.

UWest's doctoral students work closely with their advisors to define their area of research within the field of Buddhist studies and to design a course of study to support their area of interest. Building upon the foundation of their master's level study, students refine both content and method to achieve doctoral-level research and writing. Campus resources include the Lewis R. Lancaster Research Library, home to an impressive collection of Buddhist texts, the Institute for the Study of Humanistic Buddhism, the Digital Sanskrit Buddhist Canon, and the Rare Sanskrit Buddhist Manuscript Preservation Project. The university also partners with neighboring institutions to provide students access to coursework to support informed comparative studies.

Researching Buddhism requires students to have sufficient proficiency in a canonical (e.g., Pali, Sanskrit, and Classical Chinese) or research language (e.g. Japanese, German, and French) to utilize primary source materials. Therefore, the department expects students to possess or acquire expertise in at least one canonical or research language appropriate to their research area.

## Program Learning Outcomes

Students who successfully complete the PhD in Religious Studies program will be able to:

- Critically examine and discuss historical and contemporary Buddhist practices, traditions, ideas, and perspectives.
- Conduct critical comparisons of historical and contemporary Buddhist practices, traditions, ideas, and perspectives to those of at least one other world religion (e.g., Christianity, Daoism, Hinduism, Islam, Jainism, etc.)
- Critically evaluate and utilize appropriate frameworks and methodologies germane to the study of religion.
- Demonstrate a working knowledge of one canonical or research language sufficient to read and understand primary and secondary sources related to their area of study.
- Develop and articulate a critical perspective and engage in sustained analysis about specific religious traditions, as well as issues in the field of religious studies.
- Frame scholarly publications and professional presentations within the larger intellectual, professional, and ethical domains of the discipline.
- Articulate the individual and social value of furthering the academic study of religion.

\*Topics announced each semester. Topical courses may be taken three times for credit with advisor approval, but specific topics may not be repeated for credit.

**Language Preparation** (12 units): Students must earn 12 units in a research or canonical language appropriate to their area of research. Canonical languages include Pali, Sanskrit, Classical Chinese, etc. Modern research languages include Japanese, German, French, etc.

This coursework is required but is not degree applicable, and may be waived based on a student's prior experience, education, and/or proficiency.

**Qualifying Examination Preparation:** Qualifying examinations must be completed within one semester following the completion of all core and content coursework and the language requirement. Students are encouraged to enroll in REL 705 during the semester they are preparing and planning to take their examinations. Course may be repeated one time only in the subsequent semester. Units are not applicable to graduation.

Courses	Units
REL 705 Qualifying Examination Preparation	3

**Research Training** (12 units): After successful advancement to candidacy, students complete a total of 12 units in advanced graduate-level research and writing.

Note: REL698A may be applied to research requirement one time only.

Courses	Units
REL 698A Dissertation Proposal Seminar	3
REL 698B Dissertation Writing Seminar	3
REL 710 Dissertation Research	3

**Continuous Enrollment:** Upon completion of the 12-unit research requirement, doctoral candidates must maintain continuous enrollment while engaged in writing, defending, and submitting the dissertation by enrolling in a designated course. These units do not apply to graduation.

Courses	Units
REL 698B Dissertation Writing Seminar	1
REL 715 Continuous Enrollment Research	1

**Teaching Practicum** (optional): Upon advancing to candidacy, students are eligible to enroll in teaching practicum. This 1-unit course allows students to gain valuable practical teaching experience. While this course is not required, it is strongly recommended for any student who plans to work in higher education upon completion of the PhD. Upon completion of this practicum, students may have the opportunity to teach an undergraduate course at UWest. Units are not applicable to graduation.

Courses	Units
REL 690 Teaching Practicum	1

**Qualifying Examinations:** Students are expected to petition to take the qualifying examinations when they have completed a minimum of 51 units of doctoral coursework and have fulfilled the language requirement.

The qualifying examinations cover three subject fields to be determined individually between the student and members of the doctoral committee. Students are encouraged to take REL 705 Qualifying Examination Preparation during the semester they are preparing and planning to take their examinations. Qualifying examinations must be completed within one semester following the completion of 51 units of coursework.

Students are expected to consult with their committee members to prepare reading lists that will serve as the basis for each of the three field examinations. These examinations are written and must be taken on campus. Examinations take place a two-week period, with three hours allowed for each examination. No access to books, notes, the Internet, or any other resource is allowed during the examination.

Qualifying examinations are graded pass, fail, or pass with distinction. If a student fails an examination, the doctoral committee will decide if and when it may be repeated. Additional work may be required before the student is eligible to retake an examination. Failing any qualifying examination twice in a row may result in termination of the student's enrollment in the program.

Additional guidelines and details regarding the qualifying examinations can be found in the Religious Studies Graduate Student Handbook.

## Advancing to Candidacy & Continuous Enrollment

A student advances to candidacy status upon successful completion of the qualifying examinations and payment of the candidacy fee. Continuous enrollment is required to maintain candidacy status through all stages of the dissertation process, beginning with advancement to candidacy and ending at the close of the term during which the dissertation is accepted by the library. Candidacy lapses automatically if the student loses graduate standing by academic disqualification or failure to comply with university policy on continuous enrollment.

A readmitted student who was a candidate must again advance to candidacy and thereafter enroll as a candidate for at least one academic semester before the degree may be conferred. Readmission after a break in enrollment is not guaranteed.

## The Dissertation Phase

**Research Training:** Upon advancing to candidacy, the candidate enters the dissertation phase and is eligible to undertake advanced graduate-level research and writing. While engaged in the dissertation process, PhD students first complete 12 units of research. Upon completion of the research requirement, students maintain status by enrolling in one unit of continuous enrollment each term until the dissertation is accepted by the library.

### Stage 1: Preparing the Proposal

During this stage, candidates begin work on the dissertation proposal under the supervision of their doctoral committee, outlining their intended dissertation project. The dissertation project must be an original piece of research based on primary sources that makes a relevant contribution to the student's field of study.

The proposal is reviewed by the doctoral committee, after which students attend the proposal defense to present their proposal and respond to the questions of the committee. During the proposal defense, the committee decides whether the proposal is accepted, accepted with revisions, or rejected.

Candidates are expected to submit the dissertation proposal during the semester immediately following their advancement to candidacy.

### Stage 2: Dissertation Writing and Defense

Candidates prepare the dissertation after passing the proposal defense. The doctoral committee provides feedback throughout the dissertation writing stage, approves the dissertation, and conducts the dissertation defense, a final oral examination.

Ordinarily, students defend the dissertation just prior to its completion. Students must be actively enrolled when defending. The defense must be scheduled during a regular academic session (fall or spring semester) and is open to all members of the academic community.

### Stage 3: Dissertation Submission

After passing the dissertation defense, the candidate makes all necessary revisions and submits two copies, including one printed for binding and one electronic, to the library in accordance with the library's formatting and binding guidelines. The revised dissertation must be submitted to the library no later than one semester after passing the defense. During this semester, the candidate must maintain continuous enrollment by enrolling in REL 715.

**Graduate Portfolio:** In addition to these requirements, students must submit a portfolio of their work to the department for assessment and review. Portfolio guidelines are found in the Religious Studies Graduate Student Handbook.

Important guidelines and procedures regarding the composition of the doctoral committee, dissertation proposal, dissertation defense, and final submission of the dissertation can be found in the Religious Studies Graduate Student Handbook.

# Graduation Requirements

A minimum of 63 post-baccalaureate semester units in graduate courses as specified for each candidate by the doctoral committee appointed by the department chair or graduate advisor;

Fulfillment of the language requirement;

A minimum grade point average (GPA) of 3.0;

A Pass in the qualifying examination, taken when the student has completed a minimum of 51 units of doctoral coursework;

Submission to the library of a research dissertation demonstrating critical judgment, intellectual synthesis, creativity, and skill in written communication.

Degrees are awarded at the close of the semester in which all requirements have been fulfilled, the dissertation has been accepted by the library, the Petition to Graduate form has been filed with the Registrar's office, and the graduation fee has been paid.

**Continuous Enrollment:** After finishing all coursework students must maintain continuous enrollment through the term during which the dissertation is accepted by the library. Failure to register and pay the associated tuition and fees may interfere with residence requirements and lead to lapse of candidacy status.

**Minimum Grade Requirement:** Students must earn a minimum grade of B in all core courses and a minimum grade of C or Pass in content courses. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade.

**Course Restrictions:** Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation.

Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

All coursework must be at the graduate level; graduate courses previously applied to a bachelor's degree cannot be applied to graduation.

**Transfer of Credit from Other Institutions:** Students may be granted a maximum of 30 units of transfer credit for applicable graduate-level coursework towards the 51-unit course requirement. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor.

**Application of Credit from Prior UWest Enrollments:** Students may apply toward the 51-unit course requirement a maximum of 36 units of graduate coursework completed at UWest in a master's level program or under enrollment. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor.

# Time to Degree Standards

Doctoral students are expected to advance to candidacy within four years from their original start date, and to complete all degree requirements, including publication of the final dissertation, within seven years from their original start date. The maximum time to degree allowed after all approved extensions is ten years from the original start date. The maximum time to degree will be adjusted for students entering with transfer credit.

Students are evaluated annually for time-to-degree progress. If the established time to degree standard is reached and the student has not completed a required milestone, such as qualifying exam, advancement to candidacy, dissertation proposal, or dissertation defense, the student is placed on departmental monitoring for a period of one additional term. If at the end of this term adequate progress has not been achieved toward the milestone, the student is placed on academic probation for one additional term.

A student may be dismissed upon recommendation of the department and with the Chief Academic Officer's approval if adequate progress is not observed during the probation period. If dismissed prior to advancement to candidacy, the dismissal is permanent.

If dismissed after advancement to candidacy, the student may petition for reinstatement under the following condition only:

Student submits with the petition an acceptable first draft of the dissertation that clearly demonstrates it is reasonable to expect that the student may defend and publish the final dissertation no later than ten years from the original start date in the program.

If reinstatement is granted, the student must retroactively pay continuous enrollment tuition at a rate of one unit of tuition per term for each fall and spring term that has elapsed since the last term of enrollment. Tuition will be charged at the rate in effect at the time of reinstatement.

Reinstated students who fail to publish the final dissertation within ten years of the original start date are permanently dismissed.

# Undergraduate Minors

---

Undergraduate students have the option to enhance their bachelor's degree by adding a minor to their program. Generally speaking, a minor is a specialization in a discipline other than the student's major, or in the case of Business Administration, in an area not covered by one of the established concentrations. Minors must be completed while a student is enrolled in an undergraduate degree program. UWest is pleased to offer a diverse selection of minors, all of which provide practical skills for graduates' future success.

Students complete specific unit and course requirements, which vary by minor. Minor requirements may increase the number of overall units required to graduate beyond 120 and may extend the time needed to graduate. Students may declare a maximum of two concentrations or two minors, or one concentration and one minor, while completing their bachelor's degree.

Students who choose to declare a minor may apply a maximum of 6 units of transfer credit towards minor requirements. Total transfer credit applied to degree requirements, including credits applied to the minor, may not exceed 90 units. Courses applied to major or general education requirements cannot also be applied to the minor, but general elective courses may also fulfill minor requirements.

Students who are interested in declaring a minor should discuss their options with their undergraduate advisor and department chair.

## Business Administration Minor

### ***Open to Non-Business Majors Only***

The minor in Business Administration is specifically designed for students enrolled in a UWest degree program other than business. This practical minor introduces non-business majors to fundamental concepts and tools used in business.

### Eligibility

Students must meet the following requirements to declare a minor in Business Administration.

1. Cumulative GPA of 2.5.
2. 45 units or more earned towards major requirements.

### Minor Requirements: 21 units

Students complete seven courses as follow. A minimum cumulative gpa of 2.0 in the minor curriculum is required.

#### Core Requirements: 4 courses (12 units)

Courses	Prerequisite(s)	Units
BUS 201 Principles of Microeconomics or BUS 202 Principles of Macroeconomics	MATH 102	3
BUS 210 Introduction to Financial Accounting	MATH 102	3
BUS 308 Principles of Management	None	3
BUS 330 Principles of Marketing	None	3

## **Electives: 3 courses (9 units)**

In consultation with a business program advisor, students select three upper-division courses (9 units) from core or business elective courses, subject to listed prerequisites. Electives may include but are not limited to:

<b>Courses</b>	<b>Prerequisite(s)</b>	<b>Units</b>
BUS 301 Managerial Economics	BUS 201, BUS 303	3
BUS 302 Entrepreneurship	None	3
BUS 303 Business Statistics	MATH 107 or MATH 112	3
BUS 304 Management Science	BUS 303	3
BUS 306 Business Communications	None	3
BUS 307 Managerial Accounting	BUS 210	3
BUS 351 International Business	None	3
BUS 320 Organization & Management	BUS 308	3
BUS 340 Management Information Systems	None	3
BUS 415 Financial Management	BUS 303 & BUS 307	3
BUS 470 Business Philosophy & Ethics	None	3

# Business Administration Minors for Business Majors

Business Administration majors have the option of declaring a minor in Finance or Management. These minors are designed to prepare Business Administration graduates for success when they enter the workforce. Completion of the finance or management minor is not required for graduation but may enhance future career opportunities. The department chair's approval is required.

## Eligibility

1. Majoring in Business Administration
2. Cumulative GPA of 2.0
3. Minimum 45 units earned in the business curriculum
4. Entering the third or fourth year of study

## Minor Requirements: 15 units

Students complete five courses from their declared minor as follow. These units are in addition to the 69 units required for the major and will extend the time needed to graduate. Courses applied towards bachelor's degree requirements cannot also be applied towards a minor. A minimum cumulative GPA of 2.0 in the minor curriculum is required.

### Finance Minor

Course	Units
BUS 416 Investment Management	3
BUS 426 Risk Management & Insurance	3
BUS 453 International Finance	3
BUS 442 Technical & Fundamental Analysis of Financial Securities	3
BUS 464 Financial Institutions & Markets	3

### Management Minor

Course	Units
BUS 425 Chinese Management Philosophy	3
BUS 427 Human Resources Management	3
BUS 435 Case Studies in Marketing	3
BUS 455 Seminar on Doing Business in the US	3
BUS 456 Seminar on Doing Business in Asia	3

# Contemplative Studies Minor

## ***Open to all majors***

The Contemplative Studies minor explores theories and practices of mindfulness, wellness, and ethics within multiple worldviews and contexts. Students receive a foundation based on multicultural contemplative literature and apply the theories learned to their own experiences through direct engagement and critical reflection. Building on this foundation, students increase their understanding of how contemplative theory intersects with specific fields of study, including religious studies, psychology, expressive arts, and business.

The curriculum integrates contemplative pedagogy so students not only learn the theory and practice of contemplation from an historical critical third-person perspective, they also engage in contemplative practice from a first-person critical perspective.

While the core curriculum is grounded in Buddhist mindfulness, Buddhist ethics, and modern secular mindfulness, a wider view is gained through the comparative study of other religious and secular traditions. Elective curriculum allows students the opportunity to explore how contemplative practice can be integrated into their own academic and professional goals.

Upon completion of the minor, students have a solid grounding in contemplative practice; an understanding of how contemplative practice relates to ethics; a foundation of the principles and practices of wellness; an ability to critically reflect on and compare contemplative theories and practices from different worldviews; and exposure to how contemplative practices may be applied in academic and professional contexts. In addition, they have the practical skills needed to facilitate mindfulness practice for small groups, as well as educate their communities on the benefits of mindfulness practice. Students who complete the requirements with a curriculum gpa of 3.0 or higher are awarded the Mindfulness Facilitation certificate.

## Eligibility

1. Cumulative GPA of 2.0
2. Minimum 24 units earned in major curriculum

## Minor Requirements: 21 units

Students complete seven courses with a minimum gpa of 2.0 in the curriculum. Students with a curriculum gpa of 3.0 or higher in the curriculum are also awarded the Mindfulness Facilitation certificate.

### Core Curriculum – 12 units

4 courses required. Students learn to communicate information and ideas clearly, both orally and in writing; to access, examine, and evaluate information using critical thinking and information literacy skills; and to perform quantitative functions.

Students complete the following core courses. A minimum grade of C in each course is required.

Course	Prerequisite(s)	Units
CONT 110 Introduction to Mindfulness	L&C 120	3
CONT 201 Introduction to Wellness	L&C 120	3
CONT 301 Ethics in a Multicultural Context	ENGL 101	3
CONT 401 Mindfulness Facilitation	CONT 110, 201, 301, 2 electives	3

## **Electives – 9 units**

Students select three elective courses, including at least one course in their field of study.

<b>Course</b>	<b>Units</b>
ANTHR 301 Special Topics in Anthropology: Ethnicity & National Identity	3
ART 310 Expressive Arts	3
IDS 330 Environmental Leadership	3
BUS 470 Business Philosophy & Ethics	3
ENG 411 Sacred Literature in Translation	3
ENG 427 Buddhism in American Literature	3
PSYCH 150 Introduction to Buddhist Psychology	3
PSYCH 320 Psychology of Learning	3
PSYCH 440 Psychology of Religion	3
PSYCH 490 Advanced Topics in Psychology (some topics only)	3
REL 301 Fundamentals of Buddhism	3
REL 322 Living Buddhism	3

# English Minor

## ***Open to all majors***

The English minor at UWest is designed for students who wish to enhance their major program with the benefits of intensive study of English language and literature, including a better understanding and appreciation of literatures in English and improvement in critical thinking and communication skills.

Students minoring in English learn to analyze what they read; they learn to read critically, to think about both what is said and how it is said, and to employ various methods of criticism, including the latest theoretical approaches. They also learn to articulate in oral reports, in-class discussion, and written papers what they have discovered. Through extensive writing practice, students improve their writing proficiency, a valuable skill in any professional setting.

The English minor offers students an overview of the history, conventions, and practices of literature and rhetoric in English, while allowing students to experience a diversity of texts through electives of their choice. The emphasis on critical thinking and analytical writing makes the English minor valuable for students who are pursuing majors in a variety of disciplines.

## Eligibility

1. Cumulative GPA of 2.0
2. Minimum 24 units earned in major curriculum
3. Successfully completed the following core competencies:
  - a. CS 101, 102, 103 College Skills3
  - b. ENGL 101 English Composition
  - c. ENGL 102 Composition II: Critical Thinking

Transfer students may be allowed to enter the minor upon admission if the unit and course requirements above have been met.

## Minor Requirements: 18 units

Students complete six courses, selecting one course from each of the following categories. A curriculum GPA of 2.0 is required.

# TESOL Minor

## ***Open to all majors***

Students enrolled in the TESOL minor are trained in the knowledge and skills necessary to teach English as a second or foreign language, and upon successful completion are awarded the TESOL certificate. This certificate is of value to individuals interested in teaching English as a second language at language institutes, in community agency ESP and adult education, and to those who plan to teach English as a foreign language abroad.

## Eligibility

1. Cumulative GPA of 2.0
2. Minimum 24 units earned in major curriculum

## Minor Requirements: 21 units

Students complete seven courses with a minimum curriculum GPA of 3.0. Upon completion of the minor requirements, students are also awarded the TESOL Certificate.

Courses are sequenced and should be taken in the following order. Students concurrently enrolled in a degree program at UWest may take courses out of sequence with consent of the department chair. The program culminates in a teaching practicum and exam.

### **First Term: Foundations**

<b>Course</b>	<b>Prerequisite(s)</b>	<b>Units</b>
LANG 220 Structure of Modern English	None	3
LANG 301 Introduction to Linguistics	ENGL 101	3

### **Second Term: Application & Praxis**

<b>Course</b>	<b>Prerequisite(s)</b>	<b>Units</b>
TESOL 430 Language Testing	All first term courses	3
TESOL 450 Syllabus & Material Design	All first term courses	3
TESOL 460 Practicum in TESOL	All first term courses	3

# Certificate Programs

---

UWest's certificate programs provide practical hands-on training built on an academic foundation to facilitate development of real-world skills. UWest offers a variety of certificates at the undergraduate and graduate level.

Undergraduate certificates are open to students 18 years or older, while graduate certificates are open to students who have earned a bachelor's or master's degree, as specified.

Students complete specific unit and course requirements, which vary by certificate. Students may not apply transfer credit or courses previously completed at UWest to satisfy certificate requirements.

Current UWest undergraduate students are not eligible for concurrent enrollment in a certificate program. Instead, they should review similar minor offerings.

# Undergraduate Certificates

## Business Administration Certificate

The Undergraduate Certificate in Business Administration is designed for individuals seeking to expand their knowledge and skills in business. The program introduces the fundamental concepts and practices of business to develop a broad-based practical understanding of its context, purpose, and underlying functional areas: accounting, economics, finance, marketing, and management. This certificate provides substantive content and techniques consistent with modern business principles and practices and will benefit those who are just starting out in the business world as well as seasoned professionals seeking a career transition with greater business responsibility.

Working with a program advisor, students design a general course of study to meet their specific goals. Students also have the option to select an area of concentration that meets their own professional needs. The Computer Information Systems Certificate is described below as an illustration. While courses will differ, the basic outline of each concentration remains the same, regardless of area of study.

### Eligibility

This program is open to students 18 years or older. Students should have some competence in basic undergraduate studies, including first year English Composition.

### Certificate Requirements: 21 units

Students complete seven courses with a minimum curriculum GPA of 2.0.

#### Curriculum – 21 units

Working with an advisor, students select seven courses from the Bachelor of Arts Business Administration curriculum.

## Computer Information Systems Concentration

**Core Requirement –12 units)**

Students complete 4 courses from the following:

<b>Course</b>	<b>Units</b>
BUS 241 Web Design & Development for Small Business	3
BUS 340 Management Information Systems	3
BUS 341 Business Programming I	3
BUS 342 Business Programming II	3
BUS 443 Data Structure & Database Management	3
BUS 444 Systems Analysis, Design, & Implementation	3
BUS 445 Data Communications & Networking	3
BUS 446 Computer Security, Controls, & Ethics	3
BUS 447 E-Commerce	3
BUS 448 Decision Support Systems	3

### **Electives – 9 units**

Students select 3 courses from the Bachelor of Arts Business Administration curriculum, including CIS courses not applied to the core requirement.

# Mindfulness Facilitation Certificate

The Mindfulness Facilitation certificate program explores theories and practices of mindfulness, wellness, and ethics within multiple worldviews and contexts. Students receive a foundation based on multicultural contemplative literature and apply the theories learned to their own experiences through direct engagement and critical reflection. Building on this foundation, students increase their understanding of how contemplative theory intersects with specific fields of study, including religious studies, psychology, expressive arts, and business.

# TESOL Certificate Program

The TESOL Certificate program offers students training in the knowledge and skills necessary to teach English as a second or foreign language, and upon completion are awarded the TESOL certificate. This certificate is of value to individuals interested in teaching English as a second language at language institutes, in community agency ESP and adult education, and to those who plan to teach English as a foreign language abroad. The certificate is also an excellent way to complement a graduate degree.

## Eligibility

This program is open to students 18 years or older. Students should have some competence in basic undergraduate studies, including first year English Composition. UWest graduate students may enroll in the certificate program while earning their master's or doctoral degree with the approval of their department chair.

Current undergraduates have the option of declaring a TESOL minor, which also leads to the TESOL certificate, described in the Undergraduate Minor section of this catalog.

## Certificate Requirements: 21 units

Students complete seven courses with a minimum curriculum GPA of 3.0.

Courses are sequenced and should be taken in the following order. The program culminates in a teaching practicum and exam.

# Graduate Certificates

## Business Administration Certificates

UWest's Business Administration department offers multiple certificates that allow graduates to create targeted study plans to further their education and enhance their careers. Students gain in-depth knowledge, practical skills, and firsthand experience in a self-selected area of study.

In addition to the Business Administration certificates listed below, the university offers the Advanced Certificate of Business Administration - Post-Master of Business Administration Certificate. Details regarding this certificate are found in the Business Administration section of the catalog.

### Graduate Certificate in Business Administration

Students work directly with the Business Administration chair to design a personalized curriculum tailored to the students' own career needs and goals. Students have the option of creating a concentration in a specific area of study. Concentrations in Computer Information Systems and Data Analysis are outlined below. While courses will differ, the basic outline of a concentration remains the same regardless of area of study.

### Eligibility

This program is open to students who have earned a bachelor's degree in Business Administration or a related field.

### Certificate Requirements: 21 units

Students complete seven courses, selected from the MBA curriculum, with a minimum curriculum gpa of 3.0. If a concentration is selected, at least 12 units must be selected from that area of study. Concentrations in Computer Information Systems and Data Analytics are described below. Other concentrations may be created. Courses will differ, but the basic outline of core and elective curriculum remains the same.

Courses cannot be applied from prior studies, and courses completed during prior studies cannot be repeated for credit towards a certificate.

With department chair approval, students may be allowed to substitute up to 6 units of 400-level undergraduate coursework for equivalent MBA courses.

### General Certificate, no concentration

#### **Core Curriculum – 21 units**

Students select 7 courses from the MBA curriculum.

## Computer Information Systems Concentration

This certificate prepares students for careers in computer information systems or related fields.

# Specialized Graduate Certificate in Business Administration

Students work directly with the Business Administration chair to design a personalized curriculum tailored to the students' own career needs and goals. Students have the option of creating a concentration in a specific area of study. Concentrations in Computer Information Systems and Data Analysis are outlined below. While courses will differ, the basic outline of a concentration remains the same regardless of area of study.

## Accounting Certificate

The Accounting Certificate prepares students for careers in accounting or related fields. It is specifically designed to help students meet the education requirement for CPA exam eligibility.

### Eligibility

This program is open to students who have earned a bachelor's or master's degree in Business Administration or a related field.

### Certificate Requirements: 21 units

Students complete seven courses in the specialization as outlined below, with a minimum curriculum gpa of 3.0. Courses cannot be applied from prior studies, and courses completed during prior studies cannot be repeated for credit towards a certificate.

Students are expected to have a well-developed understanding of Business Administration. Those who are admitted without that foundation may be required to complete maximum of two undergraduate level prerequisite courses (6 units); these units are not applicable to the certificate.

With department chair approval, students may be allowed to substitute up to 6 units of 400-level undergraduate coursework for equivalent MBA courses.

#### Prerequisite Curriculum – 0 to 6 units

Students complete two relevant prerequisites if equivalent study has not previously been completed. These units are in addition to the 21-unit specialization requirement.
