WELCOME FROM THE PRESIDENT

Thank you for taking the time to look at our catalog! Kentucky Mountain Bible College is a four-year accredited Bible college devoted to preparing dedicated Christians who will impact their world for Christ.

At KMBC, you will find a strong spiritual focus in every aspect of college life. A dynamic, spiritual atmosphere is evident in chapels, classrooms, workshops, dorms and on ball fields.

Another focus you will find at Kentucky Mountain Bible College is dedication to academic excellence. "Seek that you may excel" has been the motto which characterizes our attitude toward academics.

KMBC is "big enough to meet your needs, but small enough to care." Here at KMBC, you will find a family atmosphere. "We care" is not just a catchy slogan, but an attitude that prevails. On this campus, faculty and staff will listen to your hurts, pray for your needs, and be genuine friends.

During recent years, the average cost of a college education has skyrocketed, forcing many students to take out large student loans. KMBC does its best to keep down its costs so that students will not be burdened with debt. Our goal is to help students graduate debt-free or as close to debt-free as possible. Here we offer quality education at a price you can afford!

Kentucky Mountain Bible College offers a biblical education as well as a strong core of general education courses. Graduates from all curricula in the four-year program are awarded a Bachelor of Arts in Religion. An Associate of Arts in Biblical Studies is awarded to those who successfully complete the two-year program.

Philosophy

Every Bible college has a philosophy and vital principles which have given it birth. Kentucky Mountain Bible College is committed to academic excellence for the honor of Christ and to the following basic assumptions.

Biblical

We believe a Bible-centered curriculum is essential. Truth is centered in the triune Creator God. This truth is revealed in the inerrant, fully divinely-inspired Bible, reflected in the universe, personified in Jesus Christ, and is relevant to all people in all ages and to all fields of study. The philosophy of the college is reflected in the teaching of Bible holiness as interpreted in the Wesleyan-Arminian view.

Education is the application of these truths to students under the enlightenment of the Holy Spirit in a way that keeps Christ central and develops the whole person as a growing, maturing, responsible person with a sound, biblical worldview.

Spiritual

We are committed to the spiritual development of our students. We believe that the foundation for spiritual development is through both regenerating and sanctifying grace provided through the redemption of Jesus Christ by the agency of the Holy Spirit. Spiritual life is nurtured by maintaining a personal devotional life in cooperation with the Spirit of God, by prayerful study of God's Word, and by other means of grace.

Due to our commitment to the spiritual formation of students, we hold revival meetings at the beginning of each semester, have chapel services Tuesday through Friday, and require each student to participate in outreach ministry.

Intellectual

We believe that Christian servants should be well-grounded spiritually and thoroughly educated. Students are challenged by Paul's admonition, "*Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth*" (2 Timothy 2:15).

Since we believe that spiritual development springs from the wisdom of the Word, the Bible is the center of our curriculum. Each curriculum includes a well-rounded study of the Bible, theology, general education, and other related subjects. Because we believe that students should be able to communicate effectively, particular stress is given to grammar, composition, and speech.

Our faculty is dedicated to the development of effective ministers, missionaries, Christian educators, and laity who are committed to God's truth, intellectual pursuits, and cultural and artistic appreciations.

Social

The Word of God recognizes that human beings are social beings, and that Christian living involves social interaction. We emphasize the application of biblical principles to everyday living that leads to a fuller conformity to the perfect will of God and greater harmony with one another.

We believe a wholesome, Christian environment is conducive to the development of the whole person. Therefore, the academic year is punctuated by a variety of social functions such as cantatas, recitals, dramatic performances, and the junior-senior banquet. In order to develop appreciation of the importance of the family, noon meals are served family-style. Rotating seating arrangements allow students to fellowship with many different individuals through the year. The Student Center is open daily, except Sunday, to provide a place for fellowship and relaxation.

Physical

The human body is "the temple of the Holy Spirit" (1 Corinthians 6: 19). We seek to develop a biblical appreciation for the body. The development of balanced nutritional habits is encouraged. Because we believe tobacco, alcoholic beverages, and illicit drugs are harmful to the body, we require total abstinence of all KMBC students, faculty, staff, and administrators. In our dedication to educate Christian workers, we emphasize appropriate grooming, which indicates self-respect and respect for others. The highest artistic taste in personal appearance includes modesty and simplicity.

Resident students participate in the work program of the college. Students are encouraged to be diligent and wholehearted in their assigned work. We are also aware of the importance of recreation. We encourage intramural sports and other

recreation which will develop physical strength, develop good sportsmanship, and minister to both the mental and spiritual life of the individual.

Statement of Doctrine

Kentucky Mountain Bible College is committed to the Wesleyan interpretation of Christian doctrine and expects all members of faculty and staff to affirm yearly their allegiance to the following doctrinal position.

1. the supreme authority, the divine, plenary inspiration of the Holy Scriptures, inerrant in the original.
2. one God, self-existent, revealed in three persons: Father, Son, and Holy Spirit who are co-equal and co-eternal.
3. the deity of Jesus Christ, His virgin birth, vicarious atonement, bodily resurrection, and personal pre-millennial return.
4. the person and the deity of the Holy Spirit.
5. the lost condition of man who was made in the image of God and by transgression fell.
6. the universal inheritance of depravity of soul and spiritual death.
7. justification provided through Christ's atonement for all who repent and believe.
8. entire sanctification as an instantaneous work of grace wrought in the believer through faith, subsequent to regeneration, and witnessed to by the Holy Spirit: the heart is cleansed from all sin and filled with the pure love of the Holy Spirit.
9. The progressive growth in grace toward Christian maturity through a consistent Christian life of faith and good works.
10. the resurrection and glorification of the saints and the eternal punishment of the wicked.
11. the ordinances instituted by Christ: water baptism and the Lord's Supper.
12. a biblical view regarding marital faithfulness and monogamy, requiring abstinence from promiscuity, fornication, and homosexual acts and lifestyle.
13. a Biblical view affirming a person's biological sex at birth as God given and therefore how they are sexually defined.

Footnote: We believe the Scriptural gift of languages recorded in Acts 2 is a gift of a foreign language for the propagation of the Gospel. Speaking in unknown tongues in public or private worship (including "prayer language") contradicts biblical teaching. The practice or promotion of such is not permitted. (While we do not endorse modern charismatic practices, we do maintain warmhearted Christian fellowship with those who do).

History

KMBC was founded in 1931 by two outstanding Christian leaders, Dr. Lela G. McConnell and Rev. Martha L. Archer, who answered God's call to establish a college dedicated to preparing students for a ministry of spreading scriptural holiness.

The early years of the college were characterized by hardship, sacrifice, unwavering commitment, heroic faith, and joyful service. The founders of Kentucky Mountain Bible College were true spiritual giants! Out of this rich, godly heritage KMBC has grown to be the great school it is today. God's leadership is evident throughout the history of the school and in His choice of the early leaders who laid a good, spiritual foundation!

Since its beginning, 70% of Kentucky Mountain Bible College graduates have entered Christian ministries. Eighteen percent have served as foreign missionaries in more than sixty countries. An impressive number have risen to leadership positions in many Christian organizations.

Accreditation with the Association for Biblical Higher Education in 1994 brought the college into a recognized position in higher education.

Kentucky Mountain Bible College graduates are promoting and demonstrating scriptural holiness as missionaries, ministers, and lay leaders in America and on mission fields around the world. Alumni are filling places of Christian leadership in many denominations, mission societies, and other Christian organizations.

Transfer Students

Students who have earned college credit at another institution are welcome to apply to KMBC as transfer students. The following policies govern the transfer of credits:

1. Applicants seeking admission to KMBC from another college will complete the regular admission process. They must present evidence of honorable dismissal from the last college attended and all official transcripts from other colleges.
2. The registrar will evaluate the transcripts to determine the eligibility of transfer credits.
3. Credits must be comparable with the courses offered at KMBC and meet the requirements of the program into which students plan to enroll.
4. Students wishing to receive transfer

credit for a writing class from another institution will present to the Registrar an appropriate transcript and a research paper that conforms to KMBC's writing style and quality expectations prior to the first semester in which the student qualifies to take EN 102. Credit will be granted only after review of the paper by a member of the English faculty at KMBC.

5. Courses that contain a worldview or theological orientation at variance with the principles and mission of KMBC will not be accepted.
6. Each course must have a grade of a C or above to be considered for transfer.
7. Credit will be considered from an institution accredited by the ABHE or any institution accredited by an organization recognized by CHEA.
8. Credits earned at non-accredited colleges will be accepted at the discretion of the registrar and will be applied to the transcript after the transfer students have completed 30 semester hours with a cumulative GPA of 2.00 or better.
9. A maximum of 70 transfer credit hours will be accepted for the bachelor's degree.
10. A maximum of 35 transfer credit hours will be accepted for the associate's degree.

College Level Examination Program (CLEP)

Kentucky Mountain Bible College grants academic credit on the basis of examinations from the College Level Examination Program. Students who have completed CLEP examinations must have the scores sent directly to the Registrar. Currently, KMBC awards academic credit for 12 college courses through CLEP examinations. Credit will be entered on the permanent record in the same format that transfer credit from other institutions is entered. The record will indicate the number of hours of academic credit granted, the specific examination for which credit is given, and that the credit is for the College Level Examination Program. CLEP examination results should be in the registrar's office before the semester in which the corresponding class is offered. If you have not completed CLEP examinations before arriving at KMBC, we strongly urge students to complete CLEP credit during the first year of enrollment. The college courses for which CLEP credit is given, the appropriate CLEP examination for each, minimum required scores, and the college credit given are the following:

Advanced Placement Credit

Kentucky Mountain Bible College grants advanced placement credit. Students who have completed an Advanced Placement Examination under the College Board should have their scores sent directly to the Registrar. Credit will not be given for institutional examinations of other colleges and universities. The record will indicate the number of hours of academic credit granted, the specific examination for which credit is given, and that the credit is for Advanced Placement Credit.

All student accounts are due and payable at the time of enrollment. Payment plans are available if the student is unable to make full payment at registration, and must be arranged with the Business Office before registration is complete.

A charge of \$50.00 will be added to accounts every time a payment is not paid on time. Failure to pay may result in loss of access to Populi and unenrollment from KMBC. Students who have any unpaid school accounts with the Business Office, Bookstore, Library, Financial Aid Office, or the Dorm Supervisor must make satisfactory arrangements with the Business Manager before final examinations may be taken or grades will not be posted.

If a check or draft which has been accepted in the Bookstore or the Business Office is returned by the bank because of insufficient funds, \$50.00 will be added to the student's account.

Textbooks and Supplies

Textbooks and supplies purchased through the KMBC Book Store may be paid for in cash, by credit card, or charged to the student's account.

Collection Fees Collection

Fees for a delinquent account will be paid by the student. The student agrees to reimburse the institution the fees of any collection agency, which may be based on a percentage at a maximum of 33% of the debt, and all costs and expenses, including reasonable attorneys' fees, the institution incurs in such collection efforts.

Transcripts

Transcripts may be issued for current students whose accounts have been paid in full. See Transcripts on page 57 for other details about transcripts.

Campus Work

Resident students may apply for campus work for several hours per week. KMBC credits the student's tuition account based on the minimum wage for all campus work (wage increases are available based on skill and performance). If the student's account is paid in full, the college may reduce the student's employment to prevent a credit balance. Any credit balance will be reimbursed.

Summer Campus Work

Students may apply in the Business Office for summer work on campus. All earnings from summer work will be credited to their accounts. Work is available in food service, campus maintenance, radio, and secretarial assistance. There is a \$70.00 per week charge for room rent and meals to all students living in the dorm whether or not they work on campus.

Scholarships, Loans, and Grants

KMBC makes every effort within its means to assist students to alleviate the cost of education. It provides scholarships, grants, and loans to students who are seriously seeking to prepare for Christian ministry and service at the college. All of the following require a student who have filled out the FAFSA and a PELL report received back. Exceptions are for parental refusal to fill out the FAFSA & foreign students.

Students must not be on disciplinary probation. Second semester and following financial aid offers are forfeited if the student is not enrolled. Many financial aid offers are annual and divided in half and half posted for the fall semester and half posted for the spring semester. Second semester students receive half.

Tuition Academic Scholarship

KMBC provides scholarships for students who have a proven record of academic success. These scholarships are awarded to students on the basis of academic merit and for excellent ACT scores. The award amounts for incoming students are based upon their ACT scores. To retain the scholarship, the student must maintain a GPA in the schema below:

Tuition Academic Scholarships for ACT & GPA Scores		
Amount Awarded Annually	ACT Score	Cumulative GPA
18% of Tuition	28-36	3.97-4.0
15% of Tuition	25-27	3.8-3.96
12% of Tuition	21-24	3.5-3.79

Students must be full time to receive the full award amount. Part-time students will receive half the percentage amount listed above.

Discipleship/Mentoring Tuition Scholarship

A 17% tuition scholarship will be applied to those who participate in the discipleship/mentoring program. This can be lost in the current semester if the student fails to participate with good faith efforts.

Leadership Tuition Scholarship

A 14% tuition leadership scholarship may be awarded to those students who demonstrate leadership, substantiated by appropriate references. Student must be full time. Decisions regarding the academic scholarships are made by the administrative council.

Institutional Grants

A 6% tuition semester grant is awarded to full-time students not receiving academic scholarships and who are not on academic probation nor provisionally accepted and are not on their second semester or greater of academic support. However, if they are provisional due to a lack of ACT and take the test during the semester, the scholarship is then applied.

KMBC provides some grants to assist students who may be unable to secure funds to attend college. These are available for students who can demonstrate need and who meet the criteria established by the Scholarship Committee. Interested students should make application through the Admissions Office. New applicants who complete a FAFSA and apply for KMBC scholarships by April 15 will be

given first consideration. Returning students must submit applications for KMBC Scholarships by May 1. Scholarships for returning students are awarded annually.

KMHA Scholarship

Dependents of KMHA Workers may receive up to \$100 off per tuition hour. Applications must be made to the scholarship committee.

Return of Tuition Scholarships

If a student drops or adds classes during the semester, percentage-based tuition scholarships will be recalculated when the student's tuition charges are adjusted. Recalculations of tuition scholarships will follow the Refund Schedule for withdrawals, except that no recalculation is required once a student remains enrolled for 60% or more of a semester. At that point in the semester, the student is eligible to keep 100% of the tuition scholarship except the discipleship scholarship awarded to him or her.

Academic Calendar

The KMBC academic program is based on a year-round calendar, in which the traditional academic year consists of fall and spring semesters, with an optional summer term. The academic year begins with the fall semester, which consists of 15 weeks of instruction time. The spring semester consists of 15 weeks of instruction time, plus an optional one week January Term. Hours enrolled in the January term and spring semester are combined to determine enrollment status and financial aid eligibility for the spring semester. The academic calendar concludes with an optional summer term, which consists of up to 12 weeks. Courses offered in the summer semester may extend over all 12 weeks or may be offered in one or more mini-sessions. Hours enrolled in the summer semester, whether for the duration of the term or in any number of mini-sessions, will be combined to determine enrollment status and financial aid eligibility. Start and end dates for each semester are listed in the Academic Calendar.

Types of Federal Financial Aid

Grants (Need Based)

Federal PELL Grant

The Federal PELL Grant Program provides need-based grants to low-income undergraduates to enable them to attend college. PELL Grants amounts are determined by the financial resources of the students' families and the current years' program funding. PELL Grant recipients in the fall and spring semesters may also receive a PELL Grant offer during the summer term. Any unused Pell during the academic year is applied first. Thereafter, students may not receive more than 50% of their scheduled offer during the summer term. To qualify for Pell during the summer term, the student must remain enrolled at least half-time (6 credit hours). Dropping below half-time status at any time during the summer status disqualifies the student from receiving the Pell award.

Federal Supplemental Education Opportunity Grant (FSEOG)

Provides need-based grants to assist students with financial needs that are unmet by other programs. Funds are awarded by the Financial Aid Director. No additional application is required.

Federal Direct Stafford Loans (Need Based and Non-Need Based)

Direct Stafford Loans, from the William D. Ford Federal Direct Loan (Direct Loan) Program, are low-interest loans for eligible students to help cover the cost of higher education. Eligible students borrow directly from the U.S. Department of Education at participating schools. Students must complete Entrance Loan Counseling and an MPN to obtain a Direct Stafford Loan.

Direct Stafford Loans include the following types of loans:

Federal Direct Subsidized Loans (Need Based)

Direct Subsidized Loans are for students with financial need. The amount a student is eligible to borrow is determined by the student's EFC and Cost of Attendance. Interest begins accumulating as soon as the student graduates, drops below 6 credit hours, or withdraws.

Federal Direct Unsubsidized Loans (Non-Need Based)

Student does not need to demonstrate financial need to receive a Direct Unsubsidized Loan. Interest accrues (accumulates) on an unsubsidized loan from the time it is first paid out.

Federal Direct PLUS Loan for Parents (Non-Need Based)

Parents of **dependent students** may apply for a Direct PLUS Loan to help pay their child's education expenses as long as certain eligibility requirements are

met. Eligibility is not based on need.

Federal Work Study

This work study program is funded by the federal government. Students are assigned on-campus work, community service, and as tutors under the America Reads Program and America Counts Program.

KMBC Satisfactory Academic Progress (SAP) Policy

All financial aid recipients are required to meet Satisfactory Academic Progress (SAP) according to Title IV Program federal regulations and policies set by KMBC. The intent of these policies is to ensure that students receiving financial aid are making satisfactory progress toward completion of an approved degree in a reasonable period of time and within a reasonable number of credit hours.

Regulations require a student's progress for financial aid purposes to be measured both qualitatively and quantitatively. In addition to a student's cumulative grade point average (qualitative), students are also required to pass a percentage of all attempted course work and to complete their program of study within the maximum time frame allowed (quantitative).

Standards of Progress

To receive financial aid, the student must maintain satisfactory academic progress toward an eligible program of study according to the following standards:

Qualitative Standard (Grade Point Average)

Students are required to maintain the following cumulative grade point average (GPA)

Hours Attempted	Cumulative GPA
0-18	<1.0
19-30	<1.5
31-59	<1.8
60 and above	<2.0

Quantitative Standard

Completion Rate Requirement (Pace)

Students must successfully complete 67% of the cumulative credit hours attempted. (Ex: 12 hrs attempted x 67% = 8 hrs / 60 hrs attempted x 67% = 40 hrs)

Maximum Time Frame Requirement

Students must finish their degree program within 150% of the program's length. (130 hrs x 150% = 195 hrs)

Students not meeting the Time Frame standard will immediately become ineligible for all federal aid programs. The Financial Aid Office has the authority to cancel aid and request immediate repayment of federal aid at any time that a student is deemed ineligible.

Measuring Satisfactory Academic Progress

Evaluation

SAP will be evaluated at the end of each semester.

Warning Semester

If at any SAP evaluation a student fails to meet SAP requirements, the student will be placed on Financial Aid Warning and may continue to receive Title IV federal student aid for one additional semester. In the event the student meets SAP at the end of the Warning Semester, the student will be restored to good standing SAP status. Students are not limited to the number of times they may be on a Warning Semester during their academic enrollment.

Financial Aid Probation

To receive Title IV aid after the **Warning Semester** the student must be making SAP or be placed on **Probation** following a successful **Appeal**. A student on Financial Aid Probation:

- May receive Title IV funds for one semester.
- Must be making SAP or following a prescribed Academic Plan to receive Title IV funds for the following semester.

Students are not limited to the number of times they may Appeal or be placed on Probation during their academic enrollment.

Financial Aid Termination

Students who fail to meet SAP Standards by the end of a Warning Semester (unless an Appeal is granted) or by the end of a Probation Semester, will have their financial aid terminated.

Reinstatement

Students whose financial aid eligibility has been terminated due to unsatisfactory academic progress may have their financial aid eligibility reinstated by:

- Meeting the minimum SAP standards at the end of any subsequent semester.
- Submitting a successful Appeal.

Appeal

Students may request to have their financial aid re-instated if they have had extenuating circumstances as:

- Severe, prolonged illness or injury of student
- Death of an immediate family member
- Other extraordinary circumstances that were beyond the student's control

A written letter of appeal must be submitted to the Financial Aid Office and must explain why the student failed to meet the Satisfactory Academic Progress Policy and what has changed in the student's situation that will allow the student to meet the Satisfactory Academic Progress Policy at the next evaluation. The Financial Aid Director will review the appeal and determine whether a probationary semester is justified. Appeals approved will require that the student comply with all SAP standards by the end of the probationary semester or be in compliance with their Contract for Academic Success issued by the Admissions and Retention Committee. The student will be advised in writing of the appeal decision.

Notification

Written notification will be sent to students placed on Financial Aid Warning, Financial Aid Probation, and Financial Aid Reinstatement.

Treatment of Special Grades

CR – (Credit)

Courses taken for credit may not affect GPA but will be counted as hours attempted and earned.

I – (Incomplete)

An incomplete grade does not earn credit or influence the grade point average in the semester in which the course work was taken. However, an incomplete grade will count toward total credits attempted. Once the incomplete has been

resolved and a passing grade has been earned, the credits and the grade will then be counted toward satisfying SAP requirements.

NC – (No-Credit)

Students receiving this grade do not earn credit but hours are counted as attempted. GPA is not affected.

R - (Repeated Courses)

Repeated courses count as attempted hours but only the higher grade is used in computing the GPA. Credit hours in repeated courses will count only once.

W – (Withdrawal)

Courses dropped during the drop period of the semester will not count as a class attended. (See Academic Calendar for dates)

WP – (Withdrawal/Pass)

A course withdrawn with a passing grade after the 2nd week and before the 8th week of the semester will count as hours attempted but not earned. Does not affect GPA.

WF – (Withdrawal/Fail)

A course withdrawn with a failing grade after the 2nd week and before the 8th week of the semester will count as hours attempted but not earned. Does not affect GPA.

Treatment of Transcript Notations: (Notations give additional information about classes)

AU – (Audit)

Does not count as attempted or earned hours. Does not affect GPA.

D – (Developmental)

Counts as attempted but not earned hours. Does not affect GPA.

R – (Repeated)

Count as attempted hours. Only the course with the higher grade counts as earned hours and is used to compute GPA.

T – (Transfer)

Hours transferred into a program count as attempted and earned hours but are not computed into GPA.

Official Withdrawal and Refund Policy

To officially withdraw from the college, students must request a withdrawal form from the Registrar (or available online at www.kmhc.edu/registrar). After completing the form they must have it approved by the Business Manager. The Business Office will then calculate any refund from the day the withdrawal form is submitted to the Vice President of Academic Affairs office. According to federal regulations, any financial aid disbursed may be subject to repayment by students. Any student who owes a repayment on grants previously received or is in default on a loan is ineligible to receive additional financial aid.

Students who officially withdraw from KMBC during the first week of classes shall be entitled to a full refund of all fees except the \$25.00 application fee and the \$25.00 registration fee.

Return of Title IV Funds

If students completely withdraw from school or change enrollment status during the semester, a portion of the total amount of federal Title IV aid disbursed to them must be returned to the financial aid programs. The portion that must be returned is based on the percentage of time the student remains enrolled in school. This procedure is based on the date of withdrawal.*

For example, students who remain enrolled for 10% of a semester will be eligible to keep 10% of the total Title IV aid disbursed to them. The balance (or 90%) must be returned to the Title IV Program(s). Students who remain enrolled for 60% or more of a semester will be eligible to keep 100% of the total Title IV aid disbursed to them.

When students withdraw,* the financial aid office will automatically use the students' 'institutional refund' as payment toward what must be returned to the Title IV programs. However, students may be required to repay a portion of the aid funds that were directly disbursed to them in the form of a residual check.

The student will be notified of and billed for any funds that must be repaid. Student loan funds are to be repaid according to the terms of the loan. Funds will be returned first to the Title IV loan program and then the Title IV grant programs in

the following order:

- unsubsidized Federal Stafford Loan
- subsidized Federal Stafford Loan
- Federal PELL Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- the student

*Withdrawal date is defined as the actual date the student began the institution's withdrawal process, the student's last date of recorded attendance, or the midpoint of the semester for a student who leaves without notifying the institution.

Repayment Policy

When a student receives a cash disbursement based on credit balance in the student account after financial aid has been credited, and withdraws on or after the first day of class but before the end of the period of enrollment for which the student received the financial aid, it will be determined if a repayment will be required from the student.

A repayment may be due if the student has received a cash disbursement to cover books and supplies, transportation, and other non-institutional expenses. After the repayment calculation has been completed, the student will be informed if a repayment is due.

Leave of Absence Policy

In the event, during an academic term, a student is unable on a temporary basis to continue coursework, the student may request a leave of absence. A leave of absence must be submitted in writing to the Vice President of Academic Affairs. The written request must be signed and dated and include the purpose or reasons for the leave of absence. A leave of absence may not exceed 180 days in any academic year. Criteria for the leave of absence is limited to:

- Physical or mental health treatment of the student
- Bona fide family emergency
- Other extraordinary circumstances beyond the student's control

Students may re-enter at any time before the leave of absence ends. Upon re-entry within the leave of absence period, the student will resume coursework at the same point the student exited at the beginning of the leave of absence period. The leave of absence must be requested before the student intends to stop attending classes.

Failing to re-enter school before the leave of absence ends may result in the student being marked as a withdrawn student.

Timing of Disbursements

The amount of any Unsubsidized Direct Loan accepted by the student is divided into two halves and posted to student accounts at two intervals in the regular semester. In the fall semester, one-half is posted around September 30th, and the other half is posted around October 30th. In the spring semester, one-half is posted around March 15th, and the other half is posted around April 15th. All other student financial aid, including Pell Grant, Supplemental Education Opportunity Grant, any Subsidized Direct Loan accepted by the student and most institutional scholarships, are generally disbursed and posted to the student's account as soon as practical in the regular semester.

ACADEMIC INFORMATION

Academic excellence is a high priority within the KMBC community. Professors challenge students to think, learn, and excel for the glory of God and the advancement of His Kingdom. Academic preparation is an important part of sharpening the reapers' sickle as they prepare to enter the harvest field and reap souls for Christ.

Faculty Advisors

Members of the faculty are always ready to counsel with students about registration or other problems. Each student is assigned to a faculty advisor who will provide guidance concerning the student's academic program.

Registration

The Registrar furnishes information and instructions for registration. Students are expected to register prior to the first day of the academic term. A fee of \$25.00 is charged those who enroll after the first day of the academic term. Satisfactory financial arrangements are expected to be in place prior to beginning the academic term.

Student Load

The normal course load is 15 to 17 semester hours. The minimum full-time load is 12 hours. Students who wish to attempt more than 17 semester hours must have permission from the faculty. Resident students are required to take at least eight semester hours.

Course Changes

Changes in registration are made in the Registrar's Office. Courses may be added during the first week or dropped during the first two weeks of a semester. A fee of \$5.00 is charged for a change of a course unless the change has been initiated by a faculty member.

Withdrawal from a Course

A student may withdraw from a course after the add/drop period but no later than the eighth week of a traditional term and no later than the sixth week of the summer term. To withdraw from a course without a failing grade, a student must fill out a Withdrawal

from Course form in the Registrar's Office. Courses dropped through the eighth week of a traditional term or sixth week of the summer term will receive WP or WF (see Grading on page 51 for an explanation of these symbols). After the eighth week of a traditional term or sixth week of a summer term, dropped courses will receive an F. Refunds for withdrawals after the add/drop period will be made according to the refund table. See Official Withdrawal and Refund Policy on page 45.

Course Audit

Residential

Students may audit a residential course at KMBC for continuing education purposes (CEU) or for their own personal enrichment. Auditing a course allows the student to receive the benefits of the course instruction without the time commitment required for degree seeking students. The student is welcome to participate fully in each class and complete as much coursework as their schedule allows. Provided course work has been satisfactorily completed, the student may opt to upgrade the audit to college credit by paying the tuition difference before the end of the term. For those desiring audit on a transcript or CEU verification, the student must attend 2/3rds (66%) of the class sessions.

Online

CEU / Course Audit

KMBC offers both synchronous and asynchronous online courses. Synchronous courses may be audited using the same policy above. For students desiring audit on a transcript or CEU verification for an asynchronous course, the student must satisfactorily complete 2/3rds (66%) of the class assignments.

Personal Enrichment

For asynchronous, online courses at KMBC, the student may opt to take the course for personal enrichment at an additionally reduced rate. This allows the student access to all course materials for their personal enrichment. Assignments will not be graded.

Grading

Grading Scale

A	96-100	Represents work of outstanding quality, involving aptitude, achievement and initiative
A-	94-95	
B+	92-93	
B	88-91	Represents above average accomplishment both in quality and quantity
B-	86-87	
C+	83-85	
C	79-82	Represents satisfactory work
C-	76-78	
D+	73-75	
D	69-72	Indicates inferior work, lowest passing grade
D-	66-68	
F	65 and below	Failure
CR		Means the course has been completed successfully but a letter grade is not given
INC		Incomplete
W		Indicates authorized withdrawal
WP		Withdrew, passing
WF		Withdrew, failing

An “incomplete” grade may be allowed for illness or family emergencies which cause a student to miss classes. In such a case, students will be given a maximum of three weeks after the close of the semester to make up the incomplete work for a letter grade. Work which is not completed within three weeks will become an F. Incomplete work in courses for reasons other than illness or family emergencies will result in a lowered grade or (if insufficient work has been completed) an F. Any exception to the above will require a majority vote of the faculty.

Grade Reports

Grade reports are available to students in the learning management system after the end of each semester.

Credit

A semester hour is defined as academic credit given for one recitation period per week, fifty minutes in length, for 15 weeks. Credit is given for work successfully completed by the student for which a grade of A, B, C, D, or CR (credit) has been earned. This definition of a credit hour is consistent with ABHE recommendations.

Scholastic Standing

Scholastic standing or cumulative grade point average is the ratio of the total number of quality points received to total number of semester hours attempted by the student. Quality points are earned as follows:

A	4 quality points for each semester hour
A-	3.6 quality points for each semester hour
B+	3.4 quality points for each semester hour
B	3 quality points for each semester hour
B-	2.6 quality points for each semester hour
C+	2.4 quality points for each semester hour
C	2 quality points for each semester hour
C-	1.6 quality points for each semester hour
D+	1.4 quality points for each semester hour
D	1 quality point for each semester hour
D-	.6 quality points for each semester hour
F	0 quality points for each semester hour
CR	Not computed in scholastic standing

Honors

Students are graduated with honor (cum laude) if they attain a cumulative standing of 3.5 to 3.69; with high honor (magna cum laude) if they attain a cumulative standing of 3.7 to 3.89. A student who attains a cumulative standing of 3.9 to 4.00 will be graduated with highest honor (summa cum laude).

Academic Support

When a student fails to earn the GPA listed below in any semester, the Registrar will request a meeting with the student in order to explain the grades which the student must earn to qualify for graduation. The Admissions & Retention committee reserves the right to restrict the number of hours a student on academic support may take in a given semester. The student will be assigned academic support measures to assist the student with raising their GPA until their cumulative GPA is above a 2.0.

Hours Attempted	Academic Support
0-18	1.8
19-30	1.9
31 and above	2.0

Academic Probation

Students may be placed on academic probation for failing to meet a minimum semester GPA and for failing to maintain a minimum cumulative GPA.

Semester GPA

Unless a student is meeting Satisfactory Academic Progress, a student who earns a semester GPA of less than the GPAs listed below in two consecutive semesters will be placed on academic probation.

Cumulative GPA

A student whose cumulative GPA drops below the GPAs listed below is automatically placed on academic probation.

The Admissions and Retention Committee will establish disciplinary measures intended to restore such students to academic success. Students may forfeit the privilege of representing the school in official groups. When a student is on academic probation for two consecutive semesters, the student will be dropped from school for academic deficiency. The Admissions and Retention Committee may take action to re-admit such a student on probation. The following grades received from the course taken will not be considered as credits completed: F grades, W withdrawal, I Incomplete. Withdrawal from school has no effect on the student's satisfactory progress upon reentering.

Hours Attempted	Semester GPA	Cumulative GPA
0-18	<1.0	<1.0
19-30	<1.5	<1.5
31-59	<1.8	<1.8
60 and above	<2.0	<2.0

Classification

At the beginning of the fall semester registration, students are classified according to their total credit hours.

Freshman	0-29 semester hours
Sophomores	30-59 semester hours
Juniors	60-89 semester hours
Seniors	90 or more semester hours

Students who choose the two-year Associate of Arts degree program who qualify for graduation will be privileged to participate in graduates' testimony service and Commencement. Associate of Arts graduates will wear gray caps and gowns with purple and white pendants. Special or part-time students will affiliate with a class on the basis of semester hours earned. For membership in a class or for the privilege of participating in class activities, regular students must satisfy completely the classification requirements.

Attendance

Class and Chapel Attendance

Regular class and chapel attendance is required. Excuses for classes may be granted for:

- serious illness or death in the family.
- personal illness with permission of dormitory supervisor.
- Field Ministry assigned or other assignments approved by the school.
- emergency assignments.

Students are responsible for all class work missed. Grades may be lowered for excessive absences. If 20% of the classes are missed in a given course for any reason, the student automatically fails and is suspended from further attendance. Appeals will be considered by the Vice President of Academic Affairs. Students are responsible for punctual fulfillment of all assignments.

Unexcused Absences

Students will be allowed one unexcused absence for each hour of class credit without penalty. Learners who take a three credit hour course which is concentrated into two sessions per week will be permitted only two unexcused absences per semester.

Examinations and Tests

Written examinations are given for most courses at the end of each semester. In addition,

occasional tests are given throughout the semester. When necessary, late or special tests and examinations will be given at a time specified by the teacher. See Special Fees on page 34 for information on the amount of the fees charged.

Plagiarism Policy

Kentucky Mountain Bible College seeks to follow the highest ethical principles including those involving research, writing and completion of course work. KMBC expects students to complete course work honestly and without plagiarism and will provide instruction in proper citation and acknowledgment. The following definition is provided by the Plagiarism Policy Statement as adopted by the Faculty of Saint Louis University School of Law on April 28, 2004.

I. PLAGIARISM DEFINED

Plagiarism results from the unacknowledged use of material found in print sources, oral presentations, or visual, electronic or other media sources. Plagiarism does not require an intention to deceive. It can result when a student submits as his or her own work ideas, language, data or other material contained in a source not acknowledged by the student, if the student knew or should have known that such acknowledgment was required. Plagiarism includes, without limitation, the following:

- A. Submitting another author's published or unpublished work, in whole, in part, or in paraphrase, as one's own work, without fully and properly crediting the other author with footnotes, citations or other bibliographical reference.
- B. Submitting as one's own original work any material, including data, tables, graphs, charts, or other visual material obtained from any source, without acknowledgment and citation of the source.
- C. Submitting as one's own original work material produced through unacknowledged collaboration with others, unless such collaboration is permitted by the instructor.

II. EXPLANATIONS

Plagiarism as defined above is any use of a source—for example, another person's words, ideas, data or visual material—without proper acknowledgment and citation.

- A. Acknowledgment and citation of a source must be sufficient to specify the extent of the student's use of the source. It is not sufficient merely to cite the source in a bibliography, footnote or other reference if specific words, ideas or other material are appropriated without specific acknowledgment.
- B. Plagiarism is not limited to unacknowledged copying of another author's words.

Plagiarism results from any unacknowledged use, even when ideas taken from a source are expressed in the student's own words.

C. All material taken from a source, including citations, numerical data, formulae and equations, organization and format, graphical or visual materials, must be acknowledged and cited, just as words and ideas must be acknowledged and cited.

D. Material appropriated from any source, including the internet, speeches and lectures, or films, television, radio and other visual or audio media, must be acknowledged and cited, just as material appropriated from print sources must be acknowledged and cited.

E. Plagiarism can result when no deception could have occurred, as when a student makes unacknowledged use of a source recommended by the teacher.

Plagiarism Policy Statement as adopted by the Faculty of Saint Louis University School of Law on April 28, 2004, Saint Louis University School Of Law, <<http://law.slu.edu/policies/plagiarism.html>> (accessed May 12, 2009). Helpful examples and explanation are available at this web site also.

When plagiarism is discovered at KMBC it will be immediately addressed. All instances of blatant plagiarism/cheating are reported to the academic dean. The consequences of plagiarism/cheating at KMBC are cumulative across the course of enrollment and will be:

	Freshmen/Sophomore	Junior/Senior
First Occurrence	Zero on the assignment with possibility to redo the assignment for "D" credit after conference with the Academic Dean and assigning of remedial instruction regarding plagiarism.	Zero on the assignment with no opportunity to redo the assignment. Conference with the Academic Dean. Assigning of remedial instruction regarding plagiarism. Signing of agreement form with warning of suspension.
Second Occurrence	Zero on the assignment with no opportunity to redo the assignment. Conference with the Academic Dean. Signing of agreement form with warning of suspension.	Failing grade in the class with immediate cessation of attendance in that class. Conference with the Academic Dean. Parent/Guardian may be informed.

Third Occurrence	Failing grade in the class with immediate cessation of attendance in that class.	Suspension from all classes at KMBC.
	Conference with the Academic Dean.	
	Parent/Guardian may be informed.	

Fourth Occurrence Suspension from all classes at KMBC.

Lack of cooperation with this policy will result in referral to the faculty for immediate action at their discretion.

Mobile Devices Policy

If a student is found using a computer or other similar device during class for something other than current classroom activity, the Vice President of Academic Affairs will be notified. After three occurrences (total in all classes), the student may forfeit the privilege of using a computer or any similar device in any class for the rest of the semester.

Repeat Courses

1. Student may repeat any course in which they earned a grade lower than a C at KMBC. The course must be repeated at KMBC or approved by the Vice President of Academic Affairs.
2. When students repeat a course, both grades remain on the permanent record, but only the higher grade is used in computing the GPA. Each course will be counted as attempted hours but only the course receiving the higher grade will be counted as earned hours.
3. Repeated courses will be so marked (R for "Repeated") on students' permanent record.
4. Ordinarily, only three courses may be repeated.
5. A course may only be repeated twice.

Transcripts

At students' written request, the Registrar will send an official transcript of their academic record to whomever they designate. Each student is entitled to one free transcript. Additional transcripts are \$10.00 each, payable in advance. After students have left school,

a transcript will be released only when all accounts are paid. Before a transcript may be released, the Registrar's Office must receive a written, signed request.

Privacy Act (FERPA)

Kentucky Mountain Bible College complies with the Family Educational Rights and Privacy Act of 1974 (FERPA) which gives students the right to know what information the college maintains about individual students, the right to ensure the accuracy of that information, the right to know who has access to files of information and for what purposes, and the right to control to a significant extent the distribution of that information outside the institution.

The college considers some information to be directory information which may be disclosed to others without student permission. This includes, but is not limited to, items such as name, address, telephone number, e-mail addresses, photographs, dates of enrollment, classification, full or part-time status, degree(s) received, awards, honors, program of study, previous institutions attended, date and place of birth, and participation in activities. If a student does not want this information released, he or she must submit a Request to Prevent Disclosure of Directory Information form to the registrar's office. This request remains in effect until revoked in writing by the student.

Educational records will not be released to individuals other than the student except as provided for by FERPA. This provision includes: (1) A parent who claims a student as a dependent on their most recent federal income tax form. The parent must submit a Parental Affidavit for Academic Information to access the student's record. (2) A student who grants access to his/her educational record by submitting a Student Consent for Release of Records. These forms must be submitted for each request.

Information regarding FERPA, details of college records protected by FERPA, and forms necessary to withhold or release information may be obtained through the registrar's office.

Field Ministries

Christian Field Ministries are a vital part of the educational program at Kentucky Mountain Bible College and are correlated with classroom work. The Field Ministries Director provides consultation, supervision, and assignments. A non-credit field ministry orientation course is required of all second semester freshman. Students have the advantage of supervised training in various fields. Specific assignments usually begin in the students' second semester. Various activities include radio programs, preaching, teaching, music ministries, children's work, nursing home, prison, and youth ministries. Elementary school chapel services give valuable experience in presenting children's sermons, object lessons, and Bible stories.

Drama teams, the choir, quartets, and trios frequently minister in surrounding communities

and states. A Field Ministries Handbook, available to all students, gives objectives and guidelines for each area of Christian service. All students who earn a bachelor's degree must complete a minimum of six assigned semesters of work in Field Ministries. They must also complete an internship in the field of their academic major. Those who earn the Associate of Arts degree must complete a minimum of three assigned semesters of work in Field Ministries.

Character Requirements

Philosophy

The faculty of the Kentucky Mountain Bible College has adopted a standard of character requirements for graduation that is based upon biblical principles. Students should seek to add Christian virtues to their character through relationship with Christ. KMBC has established character requirements which must be met at a satisfactory level: wholesome attitude, congenial, dependable,

a discipler, discreet, financially responsible, forgiving, honest, humble, loving, obedient, patient, peace-making, reputable, self-controlled, self-disciplined, serving, spiritually minded, virtuous, and wise.

The entirety of the KMBC experience is intended to shape Christian character. Various facets of this experience include dorm life, spiritual life, academic life, social life, and work life.

Evaluation Tools

The college will use a variety of tools to assess character development in the life of KMBC students. These tools will include a Character Development Evaluation form, work performance evaluations, Field Ministry evaluations, community service records, and the student's personal testimony. After these tools are administered the faculty advisors shall collect and compile all of these instruments in a personal portfolio of each individual student under that advisor's care. (Further information is available in the Student Handbook, <https://www.kmbc.edu/admissions/admittedstudents/student-handbook>.)

Frequently Asked Questions

How often do I have to be online?

You will need to log in and perform an action at least once every 14 days while your class is in session to be considered an active student. Above that, we simply require that you log in often enough to view and complete your assignments before they are due. Any day, any time.

Can I get a degree completely online from KMBC?

Yes! KMBC offers both an Associates of Arts in Biblical Studies and a Bachelor of Arts in Religion with multiple concentrations in a fully-online format.

Is financial aid available for online students?

Yes! Financial aid is available for all qualifying degree-seeking students, and scholarships are available also! Please contact Admissions to see if you qualify.

How do I get textbooks?

We recommend that you purchase textbooks online from sites such as Amazon.com. Required textbooks and syllabi are listed in the Populi "Reading List" under "Syllabus" tab for each course.

What are the classes like?

We offer online classes in multiple formats. We offer 15-week and 7-8 week courses. Online classes are offered year-round, and students can start at 5 points during the year: August/September, October, January, and March. Classes include video lectures from KMBC professors as well as reading, tests, and assignments.

How much time is required to complete each course successfully?

The amount of time required to complete each course successfully varies. In general, each lesson takes about 3 hours (1 hour to watch the lesson, and 2 hours to complete the homework, on average). So, students should expect at least 6 hrs (for a 2-credit course) to 9 hrs (for a 3-credit course) per week for a 15-week format class. Seven-week classes are twice as fast, so expect 12-18 hours per week.

How do I enroll?

You may apply online (US students only) at www.kmbc.edu/apply. You may also contact our Admissions Department at kmbc@kmbc.edu or 1-800-879-5622 ext 130.

SPIRITUAL LIFE

Constant emphasis is kept on scriptural, ethical, warmhearted holiness, both public and personal, and to this end the weekly services and other means of grace are devoted.

Private Devotions

Time for communion with God is invaluable for maintaining and deepening the spiritual life. For this purpose, time should be set aside each morning for prayer and private study of the Word. It is our earnest desire that all students will cultivate and maintain this habit, not only during their enrollment in school but through out their entire life.

Spiritual Encouragement

A Wednesday and Friday noon prayer meeting as well as a late night Friday prayer meeting is open to all who desire to pray and fast for revival and other special needs. Accountability groups, usually numbering from four to five members each, are encouraged among the students of each dorm. They have been the source of genuine spiritual growth and encouragement for those participating. There are other student-led prayer meeting opportunities.

Sunday Services

All students who are not assigned to Field Ministry appointments will either attend the morning service at Mount Carmel Community Church or declare to the Dean of Students which church the student plans to attend for the semester. KMBC students join the Mt. Carmel Community Church for a refreshing and encouraging Sunday evening service. Classes meet monthly for praise and prayer. The power of the Holy Spirit is often manifested with great joy and blessing in these services.

Discipleship and Mentoring Program

KMBC strongly encourages every student

to participate in a discipleship group or mentoring relationship. Each student who meets the program requirements is eligible to receive the DMTS Scholarship. (See “Discipleship/Mentoring Tuition Scholarship” on page 37.)

Chapels

Chapel services, which include preaching, prayer, praise, and testimony, are held Tuesday, Thursday, and Friday. Friday chapel services typically emphasize missions often with guest missionary speakers. Many have heard the call of God at these services. Entire weeks of chapel are often devoted to special topics such as prayer, courtship, holiness, and biblical worldview. Chapel attendance is required of all students.

Attendance Policy

Chapel is a very important part of the spiritual life at KMBC. All students are required to attend chapel regularly. Students may absence themselves from chapel four times per semester without penalty; thus, they should reserve chapel absences for sickness and personal reasons. Any chapel absences beyond the four permitted absences will be subject to institutional discipline through the office of the Dean of Students. Excessive absences will incur fines as follows:

- Absences 5-8 – \$10 fine per absence
- Absences 9+ – \$25 fine per absence

Attendance will be recorded following the last bell. Students not in their assigned seats will be counted tardy. Two tardies equal an absence.

Off-campus, married, or non-traditional students are expected to attend all chapels. Any exception to this rule must be by special permission of the Dean of Students. Please submit a written request during the first week of the semester. Students may petition the Dean of Students immediately and in writing regarding any extraordinary circumstance that result in chapel absences.

Revivals

Revivals at the beginning of each semester have proved to be spiritual feasts under the outpouring of the Holy Spirit. Our guest speakers are often outstanding leaders of the holiness movement. Many spiritual needs are met, and all are greatly enriched in their faith.

Ministry Teams

Two music teams and several camp counseling teams extend the grace and love of God during both the school year and the summer. Their ministry reaches primarily churches, community activities, and youth rallies during the school year, but includes family and youth camps while on summer tour. Prison ministry and pro-life ministry opportunities are also available.

During mid-year break (December-January) a work team is often organized to travel to a mission field to work and witness. Teams in the past have gone to Kenya, Uganda, Argentina, Bolivia, Ukraine, Paraguay, Inter-City missions, and the Native American field.

STUDENT LIFE

Student life at Kentucky Mountain Bible College is something to be treasured. Students form deep friendships with faculty, staff, administrators, and each other that encourage spiritual, academic, and social growth. These friendships last well after graduation and departure from the warm family environment at KMBC. Students will discover that night conversations with a roommate, prayer meetings with dorm mates, a special move of the Holy Spirit in chapel, a conversation with professors in their office will be a blessing. All of these experiences build strong relationships that let students know that they are prayed for, cared for, and loved at KMBC. The relationships formed at KMBC will bless lives and ministries for many years.

One should never confuse KMBC's regimented lifestyle of conduct, dress, and schedules with legalism or a lack of love, warmth, or acceptance. Each student is prayed for during the recruitment, application, and enrollment processes. Students attend KMBC under divine appointment. All of the energies of a loving, sacrificial, professional team are poured into each student while working, living, studying, and playing together make this experience a high point in life.

Conduct

In a spiritual community, high standards of morality, conduct, and culture are maintained. Friendliness, courtesy, and kindness contribute to the development of true Christian character. Tobacco, alcohol, illegal drugs, rock music, theft, immorality, gambling, lying, profanity, dancing, cheating, and pornography are forbidden.

The KMBC Student Handbook (<https://www.kmbc.edu/admissions/admittedstudents/student-handbook>) which contains detailed information about regulations, schedules, permissions, and activities will be distributed to students during the new student orientation.

Sexual Harassment Policy

KMBC is committed to a campus environment that is free of harassment and intimidation based on age, color, disability status, marital status, national origin, separate ethnicity, race, sex, religion, or veteran status. All students are responsible for maintaining a professional academic environment where sexual harassment is strictly prohibited. Unwelcome sexual advances, request for sexual favors, and other verbal, written, or physical conduct of a sexual nature constitute sexual harassment inasmuch as they interfere with a professional, academic environment and create an intimidating, hostile or offensive environment. All such conduct is specifically prohibited. In the event any such conduct should occur, the Title IX Coordinator or Dean of Students should be contacted immediately. All reports will be kept confidential except as required to adequately investigate alleged occurrences.

Sexual harassment is a serious violation of the KMBC student life code of conduct. Further policy elaboration may be found in the Student Life Handbook.

Sanctity of Marriage and Human Sexuality

The fundamental Biblical and philosophical goal of Kentucky Mountain Bible College is to develop students into mature, Christian individuals. Of necessity, this involves KMBC's understanding and belief of what qualities or characteristics exemplify a Christlike life (Romans 8:29; 2 Corinthians 3:18).

1. We believe the Bible to be the inspired, authoritative Word of God. Therefore, everything we say and do must be under the guidance and authority of the Scriptures. Our integrity depends on consistent application of our commonly understood biblical truths (2 Timothy 3:16-17; Psalm 19:7-11; 2 Peter 1:20-21).
2. We uphold the sanctity of marriage as a God-ordained, special union between a man and a woman, where sexual relations are both honored and affirmed by God (Genesis 1:27-28, 2:24-25). The Bible teaches that all sexual unions outside of marriage, as thus defined, are sinful (Hebrews 13:4). When dealing with sexual sins, we have no alternative but to follow the teachings of Scripture, as we understand them, and consistently apply those teachings to both heterosexual and homosexual situations (Proverbs 6:29; Ephesians 4:17-24). We understand that sexual sins of all kinds stem fundamentally from an individual's brokenness, and it is God's intention to heal the broken and make us whole.
3. We understand the Bible to teach that we must oppose all sexual sin while demonstrating compassion for those who fall victim to it, distinguishing between the value and identity of each person as an individual, and the behavioral choices which some individuals make (Galatians 5:19-25; 1 Corinthians 7:1-3). We understand the Bible to differentiate between recognition of person-hood and rejection of those actions which it defines as immoral, while simultaneously extending forgiveness and healing to all who respond in believing faith to its universal offer of God's grace (John 8:3-11; Luke 15:10).

All KMBC students are expected to exhibit the Christlike qualities taught by Scripture and to refrain from activities or behavior that is contrary to those teachings. Therefore, KMBC retains the right to refuse enrollment to or to suspend any student who engages in sexual immorality, including any student who professes to be homosexual/bisexual or who is a practicing homosexual/bisexual, as well as any student who condones, supports, or otherwise promotes such practices (Leviticus 18:22; Romans 1:24-32; 1 Corinthians 6:9-20; 1 Timothy 1:9-11).

Dress Standards

The student's attire and appearance are considered very important at KMBC. The concern is based on the Christian value of modesty as well as preparation of professionals in ministry and leadership. While Scripture does not provide a detailed dress code, it does provide some principles for the way believers should dress. The following guidelines reflect these biblical principles and the values of KMBC.

Women

Chapel, classroom, dining hall, library, special occasions

Women's attire consists of tasteful, modest dresses, skirts, and tops. Skirts must be long enough to cover the front and back of the knees when standing or sitting. Skirts with slits should cover the knees front and back. Sleeves are to be near elbow length or longer. Tight fitting clothing, as well as clothing with wide and low necklines is inappropriate. These guidelines also apply to students who work in faculty and administrative offices.

Work, social activities, and school days after scheduled classes

Denim skirts, denim jackets, t-shirts, socks, and tennis shoes may be worn. Culottes may be worn for sports activities and for work when requested by a work supervisor. Culottes must appear "dress like" and must cover the knees when one is standing or sitting.

General Guidelines

Makeup for eyes, lipstick, and blush are not to be worn. Clear nail polish is permissible. Hair styles are to be neat, attractive, and long enough to be distinguishable as clearly feminine. Unnatural tinting, dying, or bleaching of the hair is not acceptable. Extreme hair-dos are not acceptable. Wedding bands, engagement rings, and small decorative pins are the only jewelry worn. It is expected that these standards will be met in both spirit and practice.

Men

Chapel, classroom, dining hall, library

Men are expected to wear dress shirts with collars, dress slacks, dress shoes, and socks. Shirts are to be worn tucked into the trousers. Short sleeves on shirts should be near elbow length.

Work, social activities, and school days after scheduled classes

Tennis shoes, jeans, pullover shirts, and sweatshirts may be worn. See the KMBC *Student Handbook* (<https://www.kmbc.edu/admissions/admittedstudents/student-handbook>) for more information.

General Guidelines

Special occasions, including Sundays, Thursday night meals, and appearing on any church platform, require suit and tie. Hair should be neatly trimmed and kept off the collar and ears. Extreme hair styles are not acceptable. Unnatural tinting, dying, or bleaching of the hair is not acceptable. Mustaches are permitted; otherwise men are expected to keep clean shaven. Wedding bands, tie tacks, and lapel pins are the only jewelry worn. It is expected that these standards will be met in both spirit and practice.

Body Alteration Policy

Body alteration includes any permanent or removable tattooing, piercing, brands, or implants. KMBC requires that any offensive (vulgar, obscene, or occultic) permanent body art (e.g. tattoos, brands) remain covered with clothing at all times. No removable body piercing may be worn at any time in accordance with KMBC's dress code (see above). As a condition of continued enrollment, students must not receive any new body alteration during the course of their matriculation at KMBC.

Social Life

KMBC seeks to promote a holy atmosphere where Christ is honored in all of our interpersonal relationships. Students are encouraged to develop wholesome friendships. Many students have met and married their life's companion as a result of choosing KMBC. KMBC recognizes that much of contemporary culture does not reflect the biblical values for relationships, and teaches immorality, immodesty, and a disregard for the God given virtues of respect and self control. KMBC has prayerfully sought to establish biblically-based guidelines that retain and strengthen the biblical principles dealing with the relationships between the sexes, dating, courtship, and marriage. (I Timothy 4:9; I Corinthians 7:1, 8:9, 6:18; II Timothy 2:22; I Thessalonians 4:3-8; Hebrews 13:4; Ephesians 5:3). For more information, consult the KMBC *Student Handbook* (<https://www.kmbc.edu/admissions/admittedstudents/student-handbook>).

Entertainment

KMBC expects its students to avoid all entertainment (streaming, DVDs, videotapes, audio tapes, records, CD's, books, computer and video games, magazines, etc.) that produce, promote, or feature the violent, the sensual or pornographic, and thus undermine God's standard of holiness in heart and life. All entertainment should meet scriptural standards. "Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is lovely, whatever is admirable- if anything is excellent or praiseworthy- think about such things" (Philippians 4:8). ". . . [M]ake up your mind not to put any stumbling-block or obstacle in your brother's way." (Romans 14:13). For more information, see the *Student Handbook* (<https://www.kmbc.edu/admissions/admittedstudents/student-handbook>).

Internet

KMBC provides Internet and computer networking for its campus. KMBC prohibits any access of ISP's (Internet Service Providers) outside of the KMBC network without special permission from the IT Director. E-mail and internet activity are available to all faculty, staff and students through the campus network, and wireless access available across campus. Although the college provides for a filtering service across the network, be advised that some information that may be accessible may be defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal. The college does not condone the use or distribution of such materials. Employees or students who knowingly access, download, or distribute such materials through surfing, e-mail or other Internet activity will be subject to disciplinary measures which may include the loss of Internet and e-mail privileges, other restrictions, fines, and/or expulsion. KMBC reserves the right to track and monitor usage and content on its network.

The use of KMBC's Internet or network access requires agreement to the KMBC Internet Use and Network Security Policies. For more information, refer to the *Student Handbook* (<https://www.kmbc.edu/admissions/admittedstudents/student-handbook>).

KMBC Internet Use Policy

- KMBC attempts to filter client internet access for inappropriate content. However, our filter may not catch everything. The client agrees to allow KMBC to monitor all network use and take appropriate action if the client is in violation of KMBC Internet policies. If violation is confirmed by the administration of KMBC, the client computer may be confiscated for the duration of the semester, and other disciplinary action may be taken. Upon confirmation of violation, the client will be required to pay for research charges including internal log audits and external activity verification. (Wireless fees will not be returned under such conditions.)

- KMBC will NOT be held liable for any activity or actions of the client if the client is found to be using internet/network access for illegal purposes. The client hereby assumes full responsibility.
- The client system is to be used only by the client. Friends and neighbors are not allowed to use the client system. Under special circumstances, the administration may allow an exception to this rule. However, this approval must be obtained through the IT Director. The client assumes all responsibility for activity occurring on his/her system.
- The use of up-to-date Anti-Virus software is required.
- Use of KMBC network access requires the client to agree to abide by the KMBC Student Handbook Internet Use and Network Security policies. Further, KMBC reserves the right to take disciplinary action if the client is in violation of any of these policies.
- Internet access through the KMBC network will be provided to the client. However, time restrictions may be placed on network and/or Internet use as KMBC deems appropriate. Currently, Internet service is not to be used between 11:30 P.M. and 6:00 A.M.

Personal discipline must be exercised regarding content and time spent on the Internet. The college reserves the right to regulate the use of its computing and telecommunications equipment in a manner that is consistent with its mission. We want everyone to use our information services in a way that honors Christ and His Kingdom.

Although the college provides for a filtering service across the network, be advised that some information that may be accessible may be defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal. The College does not condone the use or distribution of such materials. Employees or students who knowingly access, download, or distribute such materials through surfing, E-mail or other internet activity will be subject to disciplinary measures which may include the loss of internet and email privileges, other restrictions, fines, and/or termination or expulsion.

SPAM is defined as unsolicited email sent to persons who do not wish to receive the message. KMBC discourages all such activity.

Faculty, staff, or students may not install software on campus computers without permission from the IT Department. If there is a need for a software installation, please inform the IT Department.

Specific Guidelines:

KMBC seeks to maintain network integrity, and as a result, excessive use may be regulated in order to maintain quality of service.

Students are not to use office computers for internet access or personal use.

KMBC Students are required to use KMBC's network for internet access unless authorized otherwise by the college's IT Department. Failure to abide by this requirement (which includes cellular devices) may result in the forfeiture of equipment and/or loss of internet privileges altogether.

If a student connects to the internet at any off campus site, the college requires them to abide by KMBC's handbook policies nonetheless.

KMBC Network Security Policy

Controlled Network Access (Network Security Policy)

In order to maintain a secure and safe network, KMBC requires authentication in order to access the college network. This may be through a variety of means including user names and passwords. If you have any question about the security of your network connection or any other security issue, please report this to the IT Director.

Network Monitoring

In order to ensure that users comply with current policy and to maintain a quality network, KMBC reserves the right to track and monitor users, equipment, systems, and traffic on or associated with the KMBC network. Users agree to allow KMBC to monitor all network use and take appropriate action if the user is in violation of the KMBC Internet Use and Network Security policies. Users should be aware that any data sent through or stored on the KMBC network or KMBC equipment should be considered property of the college.

Unlawful Access to a Computer or Data

Unlawful access to a computer is a legal offense. Federal and state law prohibit unlawful access to computer systems. Such activity is defined in Section 434.840-860 of the Kentucky Code as follows:

1. A person is guilty of unlawful access to a computer when she/he knowingly and willfully, directly or indirectly accesses or attempts to access any computer software, data, computer system or network to defraud or damage another computer system, program or network. (KRS 434.845)
2. A person is guilty of misuse of computer information when she/he receives, conceals, or uses or aids another in doing so, any books, records, documents, property, financial instrument, computer software, computer program, or other material, property, or objects, knowing the same to have been used in or obtained from a violation of KRS 434.845. Unlawful access to a computer will result in cancellation of privileges as

well as other disciplinary action which may include fines and termination/suspension. Specific acts of computer tampering include, but are not limited to, changing the network configuration of your computer, uploading or creating computer viruses or password cracking programs, attempting to use any account or computer system without proper authorization, attempting to intercept network data, or in any way effect a security breach. You agree that you will be fully responsible for your actions and access.

General Network:

Unauthorized network access is prohibited. Equipment that is not owned or installed by KMBC is not to be connected to the network without special written permission from the IT Director. Examples of such equipment could include routers, switches, and network sharing devices. No users are allowed to share network access without special permission. Hosting services are handled by the IT Department. Anyone wishing to provide hosting services on or through the KMBC network must receive special written permission from the IT Director.

Results of Inappropriate Use:

Results of inappropriate use may include access limitation or termination, disciplinary action, fines, research fees (including internal and external audits), legal consequences, and termination or expulsion. Student violations confirmed by the Administration of KMBC may result in the confiscation of the computer of the offender for the duration of the semester.

Social and Recreational Activities

The college provides a wholesome atmosphere in which Christian character and healthy relationships may be developed with both students and faculty. Students enjoy planned and unplanned social activities.

The Social Committee of the Student Council sponsors recreational activities including ping-pong tournaments, volleyball, basketball, softball games, bowling, video-watching, and hay rides. Other unplanned recreational activities are available. For information about dating, see the *Student Handbook* (<https://www.kmbc.edu/admissions/admittedstudents/student-handbook>).

Housing

Residence Halls

All single students, not living with their parent(s) or guardian(s), are required to live on campus in the dormitories. If, because of mitigating circumstances, senior students believe that it would be advantageous to live off campus, they may request such privileges. Requests must be made to the Student Relations Committee via the Vice President of Student Affairs. Requests must be written, giving in detail the reasons for such a request. Each request will be considered on an individual basis.

Rooms are furnished with single beds, dresser, desk, chairs, and a bookcase. Students should bring single sheets, blankets, bedspread, pillow, pillow cases, towels, washcloths, window and closet curtains, an iron, flashlight, and rugs. Dorm size refrigerators and window air conditioners are permitted in dorm rooms. In order to assure proper fit, students should await room assignments prior to purchasing an air conditioner.

In order to preserve the sanctity of Sunday, the administration requests that, if at all possible, students not arrive at KMBC on Sunday. No firearms are allowed on the campus.

Facilities are provided for occasional snacks. Washers and dryers are in each dormitory for student use.

Non-Traditional Student Housing

The college has a variety of apartments and mobile homes available for married students and families on campus. The Chatlos Apartments, completed in 1997, offer one and two bedroom units. Mobile homes and efficiency apartments are also available. Contact the Business Office for additional information.

Housing requests must be submitted no later than July 1 for the upcoming academic year. Lease contracts are available from the Business Manager. Since they are part of the community, on-campus residents and their families are expected to follow community standards of dress and conduct.

Automobiles and Motorcycles

Students who desire to keep an automobile or motorcycle on the campus should apply for a permit (i.e. "On Campus Automobile Permit"). Consult the *Student Handbook* (<https://www.kmbc.edu/admissions/admittedstudents/student-handbook>) for further regulations upon registration.

Health Services

All full-time students are required to participate in the KMBC accident insurance plan. The college does not maintain a medical facility for the treatment of illness or accidents. Free clinical service is provided. A school nurse is on call. Students are responsible for financing their own trips to the doctor or hospital. When a student is under doctor or hospital care, charges are made directly to the student.

Confidentiality of Student Records

KMBC is committed to the privacy and confidentiality of student records as directed by the Family Educational Rights and Privacy Act (FERPA). The college may release financial, academic, and personal information to parents of dependent students eighteen years of age and younger without students' consent. If students are eighteen or older and independent from their parents, they must provide written consent to the college before financial, academic, and personal information is released to the parents. College personnel may reveal generally observed public behavior to parents.

The college may occasionally release a student's directory information (name, address, phone number, year in school, major) to inquiring parties. If students want the college to refrain from releasing directory information, they must provide the Business Office with a written request.

Student Activities

Many opportunities abound for students to participate in student organizations and gain leadership skills. Students must take care not become so committed to extra-curricular activities that they lose focus as to primary reason for attending KMBC. The students' purpose must be to prepare for God's call on their lives. Extra-curricular activities can help students discover abilities and develop skills that they will need in order to bless a needy world with the love of Jesus. Participation or leadership in some of the activities or organizations may provide financial assistance or a scholarship toward college expenses.

Fine Arts Ministries

Chorus

The chorus is open to all students who enjoy singing. The group usually presents a Christmas concert and performs for other activities.

Choir

The choir, a select vocal group, performs high quality sacred numbers for school and church audiences. The choir tours during spring vacation every year. To be eligible to go on the tour, students must maintain an academic standing of 2.0.

College Singing Groups

Several vocal groups represent the school in various settings through the summer months and during the school year. A scholarship is awarded to those who sing in these groups.

Camp Counseling Teams

Several teams participate in summer ministry opportunities in youth camps and camp meetings. A scholarship is awarded to those who represent KMBC in these groups.

Student Organizations

Class Organizations

Each class has its own organization with officers chosen by its class members and faculty advisor(s). Each class plans various activities and carries out specified duties.

Missions Cabinet

Friday chapels are devoted to missions. Student officers direct these chapel programs and promote mission awareness on campus. Students are encouraged to participate in work teams and task forces to various mission fields.

Student Council

The student council serves as a liaison between the student body and college administration. The council functions as a forum for student input relative to student life. It sponsors, promotes, and supports school activities. Detailed descriptions of duties appear in the *Student Handbook*.

Non-Traditional Student Organizations

The Non-Traditional Students' Association (NTSA) is designed to minister to the spiritual, social, and material needs of non-traditional students, both married and single, and to encourage Christian unity and support among the campus community. Non-Traditional Students (NTS) include those who are married, single parents, or single students 25 years of age or older. This designation includes the spouses of NTS that are themselves enrolled at KMBC.

Mountain Gospel Radio

The Kentucky Mountain Bible College owns and operates Mountain Gospel Radio station, a 6000 watt FM station. The purpose of the radio station is to proclaim the message of full salvation to listeners in Eastern Kentucky. Mountain Gospel, whose call letters WMTC represent "Winning Many to Christ," also offers wholesome programs of education, culture, health, and recreation. Bible college students have the opportunity to minister through preaching and radio announcing. KMBC students are sometimes employed at Mountain Gospel. A secondary station, WBFC, operates in Stanton, KY.

Two to four hours of internship are also required for all programs of study (see Life Experience Credit for Internship Requirement on page 84). These programs of study will lead the graduates to ordination and/or full-time work in the field for which they have prepared. Many will continue their education toward graduate degrees.

Life Experience Credit for Internship Requirement

Students, especially adult students, who have acquired knowledge and/or skills through non-traditional studies or through life experience, may request approval for exemption from their internship requirement from their Program Advisor and the Director of Field Ministries. To receive credit, a portfolio account of the experience must be submitted. The portfolio would include the following:

- Type of experience in which you were involved;
- Location of the ministry or activity (if more than one, include information for each one);
- Dates of the ministry or activity (if more than one, include information for each one);
- Brief evaluation statement from the person(s) to whom you were responsible (include their names, titles, addresses, and phone numbers);
- Written summary of the life experience (include purpose for the activity, personal goals, main lessons learned, frustrations experienced). Do you sense a call to continue preparation for this type of ministry?

Normal tuition rates will be charged for each hour of semester credit. The maximum number of hours permitted for an internship is four semester hours. One hour credit may be earned for two years of approved life experience based on your portfolio.
