COPPIN'S STORY

Coppin State University is a model urban, residential liberal arts university located in the northwest section of the City of Baltimore that provides academic programs in the arts and sciences, teacher education, nursing, graduate studies, and continuing education. An HBCU (Historically Black Colleges and Universities), Coppin has a culturally rich history as an institution providing quality educational programs and community outreach services. Coppin offers 60 academic programs: 33 baccalaureate, 13 masters, 13 certificates, and one doctoral degree. A fully accredited institution, Coppin serves Baltimore residents as well as students from around the world, with flexible course schedules that include convenient day, evening, and weekend classes and distance learning courses.

Coppin was founded in 1900 at what was then called Colored High School (later named Douglass High School) on Pennsylvania Avenue by the Baltimore City School Board who initiated a one-year training course for the preparation of African-American elementary school teachers. By 1902, the training program was expanded to a two-year Normal Department within the high school, and seven years later it was separated from the high school and given its own principal.

In 1926, this facility for teacher training was named Fanny Jackson Coppin Normal School in honor of the outstanding African-American woman who was a pioneer in teacher education. Fanny Jackson Coppin was born a slave in Washington, D.C. She gained her freedom, graduated from Oberlin College in Ohio, and founded the Philadelphia Institute that was the forerunner of Cheyney State University.

By 1938 the curriculum of the normal school was lengthened to four years, authority was given for the granting of the Bachelor of Science degree, and the name of the Normal School was changed to Coppin Teachers College. In 1950, Coppin became part of the higher education system of Maryland under the State Department of Education and renamed Coppin State Teachers College. Two years later Coppin moved to its present 38-acre site on West North Avenue.

In acknowledgment of the goals and objectives of the College, the Board of Trustees ruled in 1963 that the institution's degree-granting authority would no longer be restricted to teacher education. Following this ruling, Coppin was officially renamed Coppin State College, and in 1967 the first Bachelor of Arts degree was conferred. In 1988, the College became part of the newly organized University of Maryland System (now the University System of Maryland).

Coppin's first president was Dr. Miles Connor, who was appointed in 1950. The institution's second president was Dr. Parlett Moore, who was appointed in 1956. Dr. Calvin W. Burnett was appointed as Coppin's third president in 1970. Coppin's fourth president, Dr. Stanley F. Battle, was appointed on March 3rd, 2003. Dr. Reginald S. Avery was appointed as Coppin's fifth president on January 14th, 2008. Dr. Mortimer H. Neufville was appointed as Interim President, on January 23, 2013, and president on July 10, 2013. Dr. Maria Thompson our 7th President, and first woman, was appointed July 1, 2015. Dr. Anthony Jenkins our 8th President was appointed on May 26, 2020.

ATTENDANCE POLICY

Students are expected to attend class regularly and punctually. However, the Institutional Undergraduate Class Attendance Policy (IUCAP) allows students to have a specified number of unexcused absences: students are allowed unexcused absences up to two times the number of lecture hours for a course. A student who has unexcused absences exceeding two times the number of lecture hours for a course has surpassed the number of allowable unexcused absences and is in violation of the class attendance policy. The student who exceeds the allowable number of unexcused absences may receive a grade of AW or FX based on unsatisfactory class attendance. The course instructor determines whether a student's absences are excused or unexcused. The number of allowable unexcused absences is based in the number of classes excused or unexcused lecture hours per week, not on the number of class meetings.

NOTE:

The Institutional Undergraduate Class Attendance Policy refers to the number of lecture **hour** not the number of class meetings. For 3-credit MWF classes, there is equivalence, and the number of allowable un-excused absences is six (6). For 3-credit TR classes (which meet 75 minutes each day), each class meeting equals **One-and-one half** lecture hours, and the number of allowable un-excused absences is four (4). For 3-credit evening classes which meet once a week, each class meeting equals **three** lecture hours, and the number of allowable un-excused absences is two. Each instructor establishes his or her own policy regarding penalties for excessive absence. Class attendance is compulsory for all students at Coppin State University.

COURSE AUDITING

Students may register at the Office of Records and Registration, during the open registration period, to audit certain courses with the instructor's consent. Payment for tuition and fees is required for all courses that are audited in accordance with the University's Tuition & Fee payment. Students auditing a course may not take the final examination or receive credit unless the course is later repeated for credit. The audited course will appear on students' academic record.

POLICY FOR ON OR OFF CAMPUS EVENT RELATED MISCONDUCT

The Policy for On or Off Campus Event Related Misconduct ("Event Related Misconduct") is misconduct by a Coppin State University student that occurs on or off campus that is directly or indirectly related to a University sponsored activity or event, including but not limited to athletic events where the misconduct results in any harm either on or off campus to any person or property, or poses a threat to the stability of the campus, or the campus community, or the community surrounding the campus or the community where the event was located. Event Related Misconduct includes but is not limited to on or off campus acts such as rioting, assault, theft, vandalism, arson, fire setting, breach of the peace or destruction of property that is related either directly or indirectly to a University sponsored activity or event. Campus disciplinary action for Event Related Misconduct may take place regardless of the existence, status or outcome of any criminal charges in a court of law related to the misconduct. Event Related Misconduct does not include offensive related speech by a student at University sponsored events which is covered under other sections of the Student Code.

Event Related Misconduct may vary in its seriousness and degree of harm. However, because of the very seriousness of the impact of any Event Related Misconduct on the University, other students, innocent bystanders, the campus community and the community surrounding the University or the community where the University sponsored event is located, or the potential for Event Related Misconduct to impact the behavior of others, Event Related Misconduct student disciplinary proceedings and sanctions will be as follows:

1. For Event Related Misconduct there is a presumption that if the student is found responsible for Event Related Misconduct by the University, that student will be dismissed from the University. This Presumption of Dismissal means that if the student is found by a preponderance of the evidence during a CSU judicial hearing or appeal, responsible for or to have committed Event Related Misconduct, the sanction for that student will be dismissal from the University - either temporarily through suspension or permanently through expulsion.
2. The student is allowed to present to the Judicial Board during a judicial board hearing evidence of mitigating or extenuating facts or circumstances that a lesser penalty than suspension or expulsion is appropriate.
3. If the Judicial Board imposes a sanction of less than suspension or expulsion from the University, the Judicial Board must issue a written finding of fact to support the lesser sanction. The final decision of the University whether decided on appeal or otherwise that provides for discipline of less than suspension or expulsion from the University must be signed by the Judicial Appeals Board Chairperson.
4. Students who are suspended under this section of the Student Code shall not be admitted class or be allowed to be on campus during the term of the suspension at Coppin State University, or to be admitted to any other University System of Maryland (USM) institution during the term of the suspension.

5. Students expelled for Event Related Misconduct are not allowed to be readmitted to Coppin State University. Students expelled for Event Related Misconduct shall not be admitted to any other USM institution for at least one year from the effective date of his/her expulsion.
6. Campus disciplinary action may take place regardless of the existence of, status or outcome of any criminal charges in a court of law related to the event related misconduct. In addition to all provisions of the Coppin State University student code, if a Coppin State University student has been charged or convicted of any crime related to a violation of federal, state or local law for on or off-campus behavior arising out of or related to Event Related Misconduct, that student may be disciplined under the Student Code without a judicial hearing when the following occurs:
 - a. The student is found guilty by a court of law or
 - b. The student pleads guilty or solo contendere to the charges
 - c. The case is settled.

If the University exercises its right under Section 6 above against a student, it will only be taken after a limited investigation by the Police Department and/or the Judicial Affairs Advisor after the student has been offered an informal meeting with both.

DROPPING AND ADDING COURSES

When a student drops courses after the drop deadline, the courses will appear on the transcript with a grade of "W". OFFICE OF FINANCIAL AID

The Office of Financial Aid, located in the Miles W. Connor Administration Building, 1st floor; is responsible for administering and processing all Federal and State financial aid programs, in addition to any institutional and private sources that assist students in meeting educationally related expenses as authorized by the Higher Education Act of 1965 and its subsequent revisions.

The Financial Aid staff will respond to all students and parents of dependent students by providing assistance in helping them to understand the federal financial aid process, its interpretations as well as questions of the documents required to obtain such funds. Eligibility consideration to receive maximum funding will require all students to complete a FAFSA (Free Application for Federal Student Aid) on or before March 1st for the fall semester and spring semester of that aid year at fafsa.ed.gov. In addition, all required and correct verification documents e.g., (previous year’s tax return transcript and verification worksheet must be received by May 15th to ensure priority awarding. FAFSA applications received after March 1st and documents for verification received after their deadline date will be processed; however, those submitted prior to the deadline dates receive first consideration to be awarded prior to the start of the fall semester. All documents should be faxed to (410) 951-2551 or emailed to financialaid@coppin.edu, please include your Coppin State University student ID#.

The office hours of operation for walk-ins are Monday, Tuesday, Wednesday, and Thursday, 8:00 a.m. - 5:00 p.m., and Friday, 8:00 a.m. – 3:00 p.m. Appointments are highly encouraged and can be made with a financial aid officer via email to arrange date and time. If there are any additional questions, refer to the CSU FA website at www.coppin.edu/financialaid, or email us at: financialaid@coppin.edu or call (410) 951-3636.

GRADE POINT AVERAGE (GPA)

To compute your GPA for the semester, multiply the credit (quality) hours of the course by the quality points assigned to the grade, add the total credit ((quality) hours, add the total number of quality points, divide the total number of quality points from all courses by the total number of credit (quality) hours which were attempted. The quality points assigned to grades are A=4.00, B=3.00, C=2.00, D=1.00 and F=0. See example below.

Course	Credit Hrs.	Grade	Total Points
Eng.	3 X	A (4.00)	12.00
P.E.	2 X	F (0.00)	0.00
Math	3 X	C (2.00)	6.00
Read	3 X	D (1.00)	3.00
Biol.	4 X	B (3.00)	12.00
Orie.	1 X	A (4.00)	4.00
	16		37.00

The total quality points (37) divided by the total credit hours (16) gives a GPA of 2.31. Quality hours are only associated with courses which receive credit toward graduation. PS, I, W, and AW are not computed.

GRADING SYSTEM

The grade of "A" designates work of superior quality, "B" work of good quality, "C" work of satisfactory quality, "D" work of less than satisfactory quality, but allowable for credit in electives but not major courses, and "PT" credit by examination. The grade of "F" designates failing quality. The grade of "PS" is given to students who, at the end of the semester, have satisfactorily completed all requirements for certain courses. The "AU" grade, which has no grade value, is given to auditing students only.

HOUSING AND RESIDENCE LIFE

The Offices of Housing and Residence Life offers housing to more than 600 students. Housing at CSU offers a unique living and learning environment focused on promoting the overall success of the residential student. Our residential options are designed to accommodate the physical, social and academic needs of residential students. The Office of Housing is located on the north side of Daley Hall and can be reached at (410) 951-6300 for additional information. The Office of Residence Life is located on the right side of the front entrance of Daley Hall and for additional information call (410) 951-6399.

WHY LIVE ON CAMPUS?

Residence Hall living enhances the University experience both academically and socially. Research indicates that living arrangements play a significant role in a University student's success. Here are what recent studies reveal about students who live in residence halls:

- Higher Grade Point Average.
- Higher probability of graduating from college.
- Higher degree of overall satisfaction with his/her University experience.

Additional benefits enjoyed by students living on campus include:

- Convenient access to classes, campus resources and events.
- The opportunity to meet new people; the opportunity to make many new friends and cultivate new interests are endless. Many lifelong friendships come from living in the Residence Hall.
- The ability to participate in an array of student leadership and development opportunities.

ROOM ASSIGNMENTS

Fully admitted, full time students can live on campus. Students receive room assignments on a first come, first serve basis, after submitting the complete housing application packet which consists of the housing application, signed housing contract, medical form (with copy of vaccination records) and the required \$150.00 application fee.

Students wishing to return to the residence halls for the next academic year must participate in the re-contracting process during the spring semester. Students interested in re-contracting must have at least a 2.0 GPA and must maintain a status of good standing both financially and judicially. All students who receive an on-campus room assignment must sign a Housing Contract and have a meal plan each semester.

CSU MISSING STUDENT POLICY

REASON FOR THE POLICY

The Higher Education Opportunity Act (HEOA) requires institutions that participate in any federal higher education programs and maintain on-campus housing to establish a missing student notification policy for students who reside in on-campus housing and have been determined after an investigation by campus law enforcement officials to be missing for 24 hours.

APPLICABILITY OF THE POLICY

The requirements of this policy apply to all University administrators, faculty, staff, and students.

DEFINITION

Missing Student: For purposes of this policy, a student is missing when the student's whereabouts are unknown and unexplained for a period that would be regarded as highly unusual or suspicious by persons familiar with the student's plans, habits or routines.

POLICY STATEMENT REPORTING A STUDENT AS MISSING

Any person may report any Coppin State University student as missing by making a report to the CSU Police department by calling (410) 951-3900. It is not necessary to wait until the student has been missing for twenty-four hours before making a report.

Initial Institutional Response

Upon receipt of a missing student report, the CSU Police will promptly begin efforts to locate the student on campus or at other sites controlled by the University through working closely with the Division of Enrollment Management and Student Affairs and other relevant departments such as the Office of Residence Life (by contacting the Director of Residence Life) and/or the academic department in which the missing student is enrolled.

Initial efforts to contact the student may involve telephone, e-mail, text message or other electronic communications such as the usage of a meal plan card or building access card.

University personnel authorized by CSU Police or the Vice President of EMSA may attempt to contact the student at his or her housing assignment on campus or at his or her residence.

If a student who resides on campus does not respond to initial efforts to make contact, **Student Affairs or other authorized Office of Residence Life personnel may enter the student's room** in order to assess the condition of the room and look for clues to explain the student's absence. CSU Police will request that Student Affairs personnel enter student rooms. University personnel authorized by CSU Police or Vice President of Student Affairs may pursue such additional or other investigative activities that are considered reasonable under the circumstances.

INSTITUTIONAL RESPONSE AFTER DETERMINING A STUDENT IS MISSING

When CSU Police and the Vice President of Enrollment Management and Student Affairs determine that the student has been missing for a period of twenty-four hours, or if the university cannot locate the student and determines that the student appears to be missing as defined under this policy:

- The CSU Police shall notify local law enforcement agencies such as the Baltimore City Police Department, the Sheriff's Office, and other law enforcement agencies that are necessary to locate the missing student.
- The Vice President of Enrollment Management and Students Affairs will notify the persons designated by the student in the Emergency Contact Form that the student is missing.
- The Vice President of Enrollment Management and Students Affairs also must notify the student's custodial parents or legal guardians in the case of emancipated students under the age of eighteen.

POLICY AWARENESS

The University has linked this policy electronically through websites designed to convey emergency or law enforcement information such as the CSU Office of Public Safety website; will incorporate its provisions into the Residence Life website and the Division of Enrollment Management and Student Affairs' quarterly newsletter; and will otherwise assure that students know, or should know, of its provisions.

STUDENT'S OPTION TO IDENTIFY PERSONS TO BE INFORMED

Students in University Housing: At the time that a student initially registers for classes or is accepted as a resident in university housing, the student will be given an opportunity to Designate an emergency contact, which would be used in the event of an emergency, or the student is missing. This information can be updated at any time by the student.

Confidentiality: Missing Person contact information will be maintained by the University as a confidential student record and will be accessible only to specifically designated authorized university officials. This confidential information may not be disclosed except to law enforcement personnel or designee in furtherance of a missing student investigation.

Students Under 18: The University will inform students under the age of eighteen that, in the event they are emancipated and determined to be missing, their custodial parent or legal guardian must be notified.

INCOMPLETE GRADE

When a student initiates the request, for an incomplete grade as a result of the experiencing extenuating circumstances, an instructor, may submit a grade of "I" for students who have failed to complete one or more requirements of a course by the end of the semester. Students must meet the following criteria:

- Successfully completed most of the course requirements and;
- Legitimate reason(s) for not completing all assignments must be accepted by the instructor.

Students are allowed one semester following the one in which the "I" is incurred (not including the summer session) to complete the work and remove the incomplete grade. When submitting a grade of "I", the instructor must complete the Incomplete Grade Form by indicating the student's full name, student ID number, complete address and the course discipline code, section number, semester, and year. The instructor must provide an explanation of the incomplete grades, the requirements that must be met to complete the course satisfactorily, along with the student's and the grade the student will be assigned if all requirements are not submitted by the end of the following semester on the incomplete form. If the work has not been satisfactorily completed by the end of the following semester, the student will receive a grade of "F".

COMMUNITY HEALTH CENTER

State University Community Health Center (CSU CHC) is located in the Human Health and Services Building (HHSB) suite 131. Hours of operation are 9:00 a.m. to 5:00 p.m. Monday through Friday. Co-payments/payments are expected at time of service. Co-payments are not required when the student health insurance is used in the CSU CHC. The student health insurance liaison is Ms. Sherita Jordan. She can be reached at 410-951-6305 for any questions or concerns. The phone number for the SCU CHC is 410-951-4188, the fax number is 410-951-6158, and the email address is healthcenter@coppin.edu.

All students living in the residence halls must have proof of Hepatitis B and Meningitis vaccines on file in the CSU CHC.

HEPATITIS B

What is hepatitis B?

Hepatitis B is a contagious liver disease that results from infection with the hepatitis B virus. When first infected, a person can develop an "acute" infection, which can range in severity from a very mild illness with few or no symptoms to a serious condition requiring hospitalization. Acute hepatitis B refers to the first 6 months after someone is infected with

the hepatitis B virus. Some people can fight the infection and clear the virus. For others, the infection remains and is “chronic,” or lifelong. Chronic hepatitis B refers to the infection that occurs when the hepatitis B virus remains in a person’s body. Over time, the infection can cause serious health problems.

What are the symptoms of hepatitis B?

Infants and young children usually show no symptoms. In about 7 out of 10 older children and adults, short-term hepatitis B causes the following:

- Loss of appetite (not wanting to eat)
- Fever
- Tiredness
- Pain in muscles, joints, and stomach
- Nausea, diarrhea, and vomiting
- Dark urine
- Yellow skin and eyes

Symptoms of short-term illness usually appear 3 or 4 months after infection.

How serious is hepatitis B?

Hepatitis B can be very serious. Most people with short-term hepatitis B may feel sick for a few weeks to a several months. Some people get over the illness. For other people, the virus stays in their body for a lifetime.

People with lifelong hepatitis B usually don’t have symptoms, but the virus causes liver damage over time. For these people, there is no cure for the infection, but treatment can help prevent serious problems. Each year, 3,000 to 5,000 people in the U.S. die from liver damage or liver cancer caused by hepatitis B.

How does hepatitis B spread?

Hepatitis B spreads through blood or other body fluids that contain small amounts of blood of an infected person. People can spread the virus even when they have no symptoms. Babies and children can get hepatitis B in the following ways:

- At birth from their infected mother.
- From bites from an infected person.
- By touching open cuts or sores of an infected person.
- Through sharing toothbrushes or other personal items used by an infected person.
- From food that was chewed (for a baby) by an infected person.
- From ear piercing needles that were not cleaned well

The virus can live on objects for 7 days or more. Even if you don’t see any blood, there could be virus on an object.

What is the hepatitis B vaccine?

The hepatitis B vaccine protects against getting hepatitis B. It is a copy of only one small part of the virus. The vaccine cannot give the infection. The hepatitis B vaccine protects children by preparing their bodies to fight the virus. Almost all children (95 children out of 100) who get three to four doses of the vaccine will be protected from hepatitis B.

Benefits of the hepatitis B vaccine

- Saves lives.
- Protects against serious disease.
- Prevents liver disease and cancer.
- Keeps others safe.

The most common side effects of the hepatitis B vaccine are usually mild and include the following:

- Sore arm from the shot in up to 1 out of 4 people.
- Fever of 99.9 degrees or higher in about 1 out of 15 people.
- Tiredness and crankiness in about 1 out of 5 people.

When should my child get the hepatitis B vaccine?

Children need three to four doses of the hepatitis B vaccine (depending on the brand of vaccine used) at the following ages for best protection:

- The first dose at birth (within 12 hours if the mother has hepatitis B infection);
- A second dose at 1 through 3 months; and
- A third dose at 6 through 18 months of age.

Some children may need a fourth dose. Talk with your child’s doctor to find out how many shots your child needs. Older children who did not get the vaccine as a baby should get it as soon as possible.

Why should my child get the hepatitis B vaccine?

Getting your child, the hepatitis B vaccine protects him against serious disease. Of the more than 1 million people in the United States living with life-long hepatitis B, most got the virus as a child. When infants and young children are infected with hepatitis B, they have a 90% chance of developing a life-long, chronic infection. One out of 4 of these children will have serious liver disease as an adult, including cancer. Children and adults with life-long hepatitis B can pass on the virus to other people.

If my child does not get the hepatitis B vaccine, will he get the disease?

Children who do not get the vaccine for hepatitis B are at risk for infection. More than 1 million people in the U.S. have life-long hepatitis B. Most don’t know it. Therefore, an unvaccinated child may be at risk of getting the disease from someone who has the virus and doesn’t even know it.

Is the hepatitis B vaccine safe?

The hepatitis B vaccine is very safe, and it is effective at preventing hepatitis B. Vaccines, like any medicine, can have side effects. But no serious side effects are known to be caused by the hepatitis B vaccine. Most people who get the hepatitis B vaccine will have no side effects at all. Those that do occur are very mild, such as a low fever (less than 101 degrees) or a sore arm from the shot.

Where can I learn more about the hepatitis B vaccine?

To learn more about the hepatitis B vaccine or other vaccines, talk to your child’s doctor.

MENINGOCOCCAL VACCINES

What You Need to Know

1. What is meningococcal disease?

Meningococcal disease is a serious bacterial illness. It is a leading cause of bacterial meningitis in children 2 through 18 years old in the United States. Meningitis is an infection of the covering of the brain and the spinal cord. Meningococcal disease also causes blood infections.

About 1,000–1,200 people get meningococcal disease each year in the U.S. Even when they are treated with antibiotics, 10–15% of these people die. Of those who live, another 11%–19% lose their arms or legs, have problems with their nervous systems, become deaf, or suffer seizures or strokes.

Anyone can get meningococcal disease. But it is most common in infants less than one year of age and people 16–21 years. Children with certain medical conditions, such as lack of a spleen, have an increased risk of getting meningococcal disease. College freshmen living in dorms are also at increased risk.

Meningococcal infections can be treated with drugs such as penicillin. Still, many people who get the disease die from it, and many others are affected for life. Therefore, preventing the disease through use of meningococcal vaccine is important for people at highest risk.

2. Meningococcal vaccine

There are two kinds of meningococcal vaccine in the U.S.:

- Meningococcal conjugate vaccine (MCV4) is the preferred vaccine for people 55 years of age and younger.
- Meningococcal polysaccharide vaccine (MPSV4) has been available since the 1970s. It is the only meningococcal vaccine licensed for people older than 55. Both vaccines can prevent 4 types of meningococcal disease, including 2 of the 3 types most common in the United States and a type that causes epidemics in Africa. There are other types of meningococcal disease; the vaccines do not protect against these.

3. Who should get meningococcal vaccine and when? Routine vaccination

- Two doses of MCV4 are recommended for adolescents 11 through 18 years of age: the first dose at 11 or 12 years of age, with a booster dose at age 16.
- Adolescents in this age group with HIV infection should get three doses: 2 doses 2 months apart at 11 or 12 years, plus a booster at age 16.
- If the first dose (or series) is given between 13 and 15 years of age, the booster should be given between 16 and 18. If the first dose (or series) is given after the sixteenth birthday, a booster is not needed.

Other people at increased risk

- College freshmen living in dormitories.
- Laboratory personnel who are routinely exposed to meningococcal bacteria.
- U.S. military recruits. Anyone traveling to, or living in, a part of the world where meningococcal disease is common, such as parts of Africa.

- Anyone who has a damaged spleen, or whose spleen has been removed.
- Anyone who has persistent complement component deficiency (an immune system disorder).
- People who might have been exposed to meningitis during an outbreak.
- Children between 9 and 23 months of age, and anyone else with certain medical conditions need 2 doses for adequate protection. Ask your doctor about the number and timing of doses, and the need for booster doses.
- MCV4 is the preferred vaccine for people in these groups who are 9 months through 55 years of age. MPSV4 can be used for adults older than 55.

POLICY ON DESTRUCTIVE STUDENT GROUPS

Coppin State University encourages the formation and continued existence student organizations and clubs, which provide students with the opportunity to participate in their educational experience beyond the classroom. In making this opportunity available to the student population, Coppin has the obligation to ensure the fundamental rights of individual members of the groups. Accordingly, Coppin prohibits individuals or the groups collectively from engaging in verbal or physical abuse, threats, intimidation, harassment, coercion and/or other conduct which threatens or endangers the mental or physical health or safety of any person, or which destroys public or private property, for the purpose of recruitment, initiations, decision into, affiliation with, or as a condition for continued membership in a group or organization, including but not limited to acts of hazing which are prohibited by law.

Violations of the policy will result in withdrawal of the organization's charter and/or institutional recognition for un-chartered groups and will subject individuals who engage in prohibited behaviors to the disciplinary procedures set forth in the Student Code of Conduct.

DEFINITION OF DESTRUCTIVE GROUPS

A destructive group (cult-like) is a group with a hidden agenda of power which is achieved by deceptive recruitment and control over the minds and lives of its members.

CHARACTERISTICS OF DESTRUCTIVE GROUPS

As a general rule, be aware that every destructive group can be defined as a group having all of the following five (5) characteristics:

1. It believes' the end justifies the means' in order to solicit funds and recruit people and therefore uses deception, manipulation, and high pressure tactics when recruiting.
2. It creates a comprehensive environment and lifestyle that occupy the entire person's attention monitors activities such as eating, sleeping, and defines all activities by absolute principles.
3. It forms an elitist totalitarian society and promotes an "us vs. them" mentality.
4. Its charismatic founder/leader (usually living) is self-appointed, dogmatic, messianic, and not accountable. He/She makes the rest of the group center around him/her and/or perhaps a combination of belief and practices defined within a book, manifesto, or doctrine or "revealed word" which is given precedence over personal experience.
5. Its wealth does not benefit its members or society.

RECRUITMENT PRACTICES

All organizations have some form of recruitment and destructive groups are no exception. How the recruitment is carried out will differ from group to group (some requiring all members to bring a new 'friend' to each meeting, others allowing only a few selected people to be new members), but the tactics will seldom change. You need to watch for people who:

- Attempt to coerce you through guilt or fear.
- Are excessively or inappropriately friendly.
- Offer easy solutions to problems, your own or societies.
- Offer invitations to free meals, lectures or workshops, not clearly stating why the group is meeting and/or who will be there.
- Pressures you through peer pressure ("everyone else is doing it").

These destructive groups may have specific criteria for members involving gender, race, ethnicity, etc. but all attempt to recruit people who are:

- Any age
- Economically advantaged
- Idealistic
- Intellectually or spiritually curious
- Intelligent
- Respected in the community
- Well educated

IF YOU ARE APPROACHED BY A DESTRUCTIVE GROUP OR A REPRESENTATIVE:

1. Don't be afraid to ask specific questions, be skeptical and don't accept evasive answers.
2. Take a stand! Learn to say no!
3. Get support from residence hall administrators on how to protect your privacy.
4. Examine yourself; are you vulnerable? Get the support and help you need!
5. Resist their efforts to isolate you. Stay in touch with family and friends.
6. Consider whether you can get an accurate or clear picture of a group before attending a meeting.
7. Tell residence hall or campus staff about overzealous recruiters.

STUDENTS COMPUTER USE AND INTERNET ACCESS POLICY

1. Introduction

1.1. The computer and network facilities of Coppin State University (CSU) are provided to support the student's educational experience. These guidelines set forth standards for responsible and acceptable use of University computing resources. Computing resources include host computer systems, University-sponsored computers and workstations, communication networks, software and files.

POLICY PROHIBITING SEXUAL HARASSMENT AND OTHER SEXUAL MISCONDUCT

Approved on an interim basis October 2014; Amended and approved October 21, 2015; Amended and approved September 2019; Amended and approved on an interim basis August 14, 2020; Amended and approved by the President November 2, 2021

¹ This amendment is effective August 14, 2020. On May 6, 2020, the United States Department of Education released new Title IX regulations, effective August 14, 2020 (2020 Title IX Regulations). The 2020 Title IX Regulations require certain provisions of this amended Policy and Procedures. Should a court strike down, either temporarily or permanently, any portion of the 2020 Title IX Regulations, Coppin State University may make modifications to this Policy and Procedures, which will become effective immediately. The University may also revert back to the September 2019, version of this Policy and Procedures.

I. Purpose

Coppin State University (University) is committed to providing a working and learning environment free from all forms of Sexual Harassment,² Other Sexual Misconduct, and Retaliation. The University accomplishes this through training, education, prevention programs, policies and procedures that promote prompt reporting and response, provide support to persons alleged to be victimized, prohibit Retaliation, and implement timely, fair, and impartial investigations and resolutions that ensure due process and remedy Policy violations. Sexual Harassment, Other Sexual Misconduct, and Retaliation will not be tolerated in any form. This Prohibited Conduct corrupts the integrity of the educational process and work environment and violates the core mission and values of the University. Creating an environment free from this Prohibited Conduct is the responsibility of all members of the Campus community. The entire Campus community plays an important role in maintaining a respectful, inclusive, and safe working and learning environment. The University encourages bystander intervention amongst members of the campus community to help prevent harmful situations from occurring or escalating.

II. Applicability

This Policy prohibits Sexual Harassment, Other Sexual Misconduct, and Retaliation. This Prohibited Conduct may be a form of sex discrimination prohibited by federal and state discrimination laws, including Title IX of the Education Amendments of 1972 (Title IX) and Title VII of the Civil Rights Act (Title VII).

This Policy addresses the University's obligations under Title IX. Title IX provides, "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving

² Capitalized terms are defined in this Policy in the Definitions and Prohibited Conduct sections. Federal financial assistance." Federal regulations implementing Title IX require that the University follow certain procedures when the University obtains Actual Knowledge of Sexual Harassment in its Education Program or Activity against a person in the United States

This Policy also addresses allegations of Other Sexual Misconduct, which includes Sexual Harassment that occurred against a person outside of the United States or not within an Education Program or Activity; Sexual Coercion; Sexual Exploitation; Sexual Intimidation; Attempted Sexual Assault; and Other Sex-based Offenses. Retaliation is also addressed. This Policy applies to all members of the Campus community, including students, faculty,

and staff. It also applies to contractors and other third parties who are engaged in any University Education Program or Activity, or who are otherwise interacting with the University, including, but not limited to volunteers, vendors, and visitors. All University members are prohibited from engaging in, or assisting or abetting another's engagement in Sexual Harassment, Other Sexual Misconduct, or Retaliation. This Policy satisfies the University's obligations under Maryland law and University System of Maryland Policy VI-1.60. To the extent any provision of this Policy conflicts with any other University policy, this Policy controls. Prohibited Conduct under this Policy may also be sex discrimination in violation of VI-1.00(B) *Coppin State University Non-Discrimination Policy and Procedures*. However, this Policy and Procedures supersedes VI-1.00(B) *Coppin State University Non-Discrimination Policy and Procedures* with respect to allegations of Prohibited Conduct addressed by this Policy. The University will respond to reports and complaints of Prohibited Conduct in accordance with this Policy and Procedures.

III. Jurisdiction

This Policy applies to reported acts of Prohibited Conduct committed by or against students, faculty, staff and third parties when:

- Conduct occurs on University premises, in any University facility, or on property owned or controlled by the University;
- Conduct occurs in the context of a University Education Program or Activity, including, but not limited to, University-sponsored academic, athletic, extracurricular, study abroad, research, online or internship programs or activities;
- Conduct occurs outside the context of a University Education Program or Activity, but has continuing adverse effects on or creates a hostile environment for students, employees or third parties while on University premises or other property owned or controlled by the University or in any University Education Program or Activity; or
- Conduct otherwise threatens the health and/or safety of University members.

The University does not have jurisdiction to investigate reported incidents involving members of the Campus community that occurred prior to the individual being enrolled at or employed by the University when the incident did not occur on campus or otherwise in connection with a University Education Program or Activity. The University may, however, be able to assist individuals with Supportive Measures where such an incident is reported.

IV. Reporting

A. General

Any person may report Prohibited Conduct at any time by contacting the Title IX Coordinator or Deputy Coordinators listed below, regardless of whether the reporting person is the Complainant.

2500 West North Avenue, Baltimore, MD 21216 Physical Education Complex (PEC),
Room 306 (410) 951-3732
nperson@coppin.edu

The Title IX Coordinator is responsible for coordinating the University's efforts to comply with Title IX and this Policy. The Title IX Coordinator leads, coordinates, and oversees the University's efforts regarding compliance training, prevention programming, and educational programs. The Title IX Coordinator is available to meet with any student, employee, or third party to answer any questions about this Policy.

Any person may also report Prohibited Conduct to a Responsible Employee (RE) including but not limited to Coppin State University Police Department (CSUPD), or to a confidential resource. See Section IX of this Policy for more information on reporting to confidential resources.

A **Responsible Employee** (as defined in Section VI) must promptly notify the Title IX Coordinator of any report of Prohibited Conduct brought to their attention.³ The Title IX Coordinator works collaboratively with the reporting party or entity, making every effort to operate with discretion and maintain the privacy of the individuals involved. No employee (other than CSUPD) is authorized to investigate or resolve reports of Prohibited Conduct without the involvement of the Title IX Coordinator.

Concerns of bias or a potential conflict of interest by any member involved in the resolution process should be raised with the Title IX Coordinator. Concerns involving bias or conflict of interest by the Title IX Coordinator will be addressed to the General Counsel to the President or designee.

All persons are encouraged to report Prohibited Conduct promptly in order to maximize the University's ability to obtain evidence, identify potential witnesses, and conduct a thorough, prompt, and impartial investigation. While there are no time limits to reporting Prohibited Conduct, if too much time has passed since the incident occurred, the delay may result in loss of relevant evidence and witness testimony, impairing the University's ability to respond and take appropriate action.

B. Reporting to the Police

Prohibited Conduct, particularly Sexual Assault, may be a crime. The University will assist Complainants who wish to report Prohibited Conduct to law enforcement authorities, including CSUPD 24 hours a day/7 day a week. Representatives of the Office of Student Conduct and Residence Life are available to assist students with reporting to CSUPD.

To report to CSUPD, please call 410-951-3911. CSUPD will also assist Complainants in notifying other law enforcement authorities in other jurisdictions, as appropriate; and can also assist with transportation to the nearest hospital for appropriate medical attention. In an emergency, regardless of where the incident occurred, **Call 911**.

Standards for a violation of criminal law are different from the standards for a violation of this Policy, and conduct may violate this Policy even if law enforcement authorities decline to prosecute. Complaints of Sexual Harassment and Other Sexual Misconduct and related internal University processes may occur prior to, concurrent with, or following criminal proceedings off campus.

CSUPD are Responsible Employees under this Policy and are required to the Title IX Coordinator of any report of Prohibited Conduct.

C. Preservation of Evidence for Other Proceedings

In addition to prompt reporting the preservation of physical and other evidence may be important to prove criminal conduct or to obtain a civil or criminal order of protection. Individuals who have been sexually assaulted may find it helpful to visit the following site for recommendations about

Clery Act Timely Warnings

If a report of Prohibited Conduct discloses a serious and ongoing threat to the Campus community, CSUPD may issue a timely warning of the conduct in compliance with the Clery Act in the interest of the health and safety of the Campus community. This notice will not contain any personally identifying information related to the Parties.

V. Amnesty for Students Who Report Prohibited Conduct

The University recognizes that a student who is under the influence of alcohol and/or drugs when an incident of Prohibited Conduct occurs may be reluctant to report the Prohibited Conduct out of concern that the student may face disciplinary actions for engaging in prohibited alcohol or drug use. As such, a student who reports Prohibited Conduct to the University or law enforcement, or who participates in an investigation either as a Complainant or witness, will not face disciplinary action for violating University drug and alcohol policies. This Amnesty provision applies only when the University determines that: (1) the drug/alcohol violation occurred during or near the time of the reported Prohibited Conduct; (2) the student acted in good faith in reporting or participating as a witness; and (3) the violation was not likely to place the health or safety of another individual at risk.

VI. Definitions

For purposes of this Policy and Procedures, the following definitions apply:

“Actual Knowledge” means notice of Sexual Harassment or allegations of Sexual Harassment to the Title IX Coordinator or any University official who has authority to institute corrective measures on behalf of the University.

“Advisor” means a person chosen by a Party to provide advice and consultation to that Party, in accordance with this Policy and Procedures. An Advisor may be an attorney or another individual. An Advisor cannot be a witness or provide evidence in a case. A Party’s Advisor also conducts cross-examination on behalf of that Party at a Hearing, if applicable, in accordance with this Policy and Procedures. An Advisor shall not be an active participant or speak on behalf of a Party except for the purpose of providing cross-examination at a Hearing. If a Party does not have an Advisor, the University will provide without fee or charge to that Party, an Advisor of the University’s choice, to conduct cross-examination on

behalf of that Party; an Advisor appointed by the University acts in a confidential capacity on behalf of the Party and is not otherwise involved in the proceedings.

“Appellate Hearing Officer” means an individual designated to review decisions concerning responsibility and sanctions, based on the Respondent’s status as a student, staff member, or faculty member. Appellate Hearing Officers shall have had no previous involvement with the substance of the Formal Complaint.

“Complainant” means the individual who is alleged to be the victim of conduct that could constitute a violation of this Policy.

“Consent” means a knowing, voluntary, and affirmatively communicated willingness to participate in a particular sexual activity or behavior. Only a person who has the ability and capacity to exercise free will and make a rational, reasonable judgment can give Consent. Consent may be expressed either by words and/or actions, as long as those words and/or actions create a mutually understandable agreement to engage in specific sexual activity. It is the responsibility of the person who wants to engage in sexual activity to ensure that the person has Consent from the other party, and that the other party is capable of providing Consent.

- Lack of protest or resistance is not Consent. Nor may silence, in and of itself, be interpreted as Consent. For that reason, relying solely on non-verbal communication can lead to misunderstanding.
- Previous relationships, including past sexual relationships, do not imply Consent to future sexual acts.
- Consent to one form of sexual activity cannot automatically imply Consent to other forms of sexual activity.
- Consent must be present throughout sexual activity and may be withdrawn at any time. If there is confusion as to whether there is Consent or whether prior Consent has been withdrawn, it is essential that the participants stop the activity until the confusion is resolved.
- Consent cannot be obtained by use of physical force or Sexual Coercion.
- An individual who is Incapacitated is unable to give Consent.

“Day” means a business day when the University is not closed.

“Formal Complaint” means a document filed by a Complainant or signed by the Title IX Coordinator alleging Prohibited Conduct against a Respondent and requesting that the University proceed with the resolution process. A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, by e-mail, or any additional method designated by the University in accordance with the Procedures.

“Document filed by a Complainant” means a document or electronic submission that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a Party.

Hearing” means a live, formal proceeding attended by the Parties in which evidence is presented, witnesses are heard, and cross-examination occurs, prior to the Hearing Officer’s decision concerning responsibility and Sanctions, if applicable.

Hearing Officer” means an individual designated to preside over the Hearing and has decision-making and sanctioning authority within the adjudication process.

Incapacitated” means an individual’s decision-making ability is impaired such that the individual is incapable of understanding the “who, what, where, why, or how” of their sexual interaction/encounter. A person may be Incapacitated if they are asleep, unconscious, coming in and out of consciousness, being physical restrained by another person or device (e.g., handcuffs, rope, tape), or any other state where the individual is unaware that sexual contact is occurring. Incapacitation may also exist because of a temporary or permanent mental or developmental disability that impairs the ability to Consent to sexual contact. Alcohol or drug use is one of the primary causes of Incapacitation. Being “drunk” or “high”, by most individuals’ understanding, is not the same as being Incapacitated. Because the impact of alcohol or other drugs varies from person to person, evaluating whether an individual is Incapacitated, and therefore unable to give Consent, requires an assessment of whether the consumption of alcohol or other drugs results in a person being unable to:

- make decisions about the potential consequences of sexual contact;
- evaluate one’s own conduct;
- communicate to another person, Consent to sexual contact; or
- communicate an unwillingness to another person, to engage in sexual contact.

Informal Resolution” means a broad range of conflict resolution strategies, including, but not limited to, mediation, Respondent acknowledgement of responsibility, and/or negotiated interventions and remedies.

Investigator” means a trained University faculty or staff member, or third-party contractor designated to conduct an impartial, fair, and unbiased investigation into an alleged violation of this Policy.

No Contact Order” means an official directive that serves as notice to an individual that the individual must not have verbal, electronic, written, or third-party communications with another individual.

Party” means the Complainant or the Respondent (collectively, the “Parties”).

Preponderance of Evidence” means that it is more likely than not that a Policy violation has occurred.

Remedies” means actions designed to restore or preserve the Complainant’s equal access to the University’s Education Program or Activity. Remedies are similar to Supportive Measures but may be punitive and burden the Respondent.

Respondent” means the individual alleged to have engaged in Prohibited Conduct under this Policy.

Responsible Employee” means all University administrators, supervisors, faculty members, CSUPD, athletic coaches, athletic trainers, and resident assistants, who are not confidential resources.

Sanctions” means disciplinary and other consequences imposed on a Respondent who is found to have violated this Policy.

Support Person” means a person chosen by the Complainant or Respondent to provide emotional, logistical, or other kinds of assistance. The Support Person is a non-participant who is present to assist a Complainant or Respondent by taking notes, providing emotional support and reassurance, organizing documentation, or consulting directly with the Party in a way that does not disrupt or cause any delay. A Support Person shall not be an active participant or a witness, and the Parties must speak for themselves.

Supportive Measures” mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent to restore or preserve equal access to Education Programs or Activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the University’s educational environment, or to deter Prohibited Conduct under this Policy.

VII. Prohibited Conduct

This Policy prohibits Sexual Harassment, Other Sexual Misconduct, and Retaliation as set forth below. Prohibited Conduct can occur between strangers or acquaintances, including people involved in an intimate or sexual relationship. Prohibited Conduct can be committed by any person, regardless of gender identity, and can occur between people of the same or different sex, sexual orientation, or gender expression.

A. Sexual Harassment⁴ means conduct on the basis of sex that satisfies one or more of the following:

⁴ See 34 C.F.R. § 106.30 (defining “Sexual Harassment” under Title IX).

(1) **Quid Pro Quo:** An employee of the University conditioning the provision of an aid, benefit, or service of the University on an individual’s participation in unwelcome sexual conduct.

(2) **Hostile Environment:** Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University’s Education Program or Activity.

(3) **Sexual Assault:** An offense classified as a sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. Sex Offenses are any sexual act including Rape, Sodomy, Sexual Assault With An Object, or Fondling directed against another person, without the Consent of the victim, including instances where the victim is incapable of giving Consent; also, unlawful sexual intercourse (Incest or Statutory Rape).

(a) **Rape:** Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the Consent of the victim, including instances where the victim is incapable of giving Consent because of their age or because of their temporary or permanent mental or physical incapacity.

(b) **Sodomy:** Oral or anal sexual intercourse with another person, without the Consent of the victim, including instances where the victim is incapable of giving Consent because of their age or because of their temporary or permanent mental or physical incapacity.

- (c) **Sexual Assault with An Object:** To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the Consent of the victim, including instances where the victim is incapable of giving Consent because of their age or because of their temporary or permanent mental or physical incapacity.
- (d) **Fondling:** The touching of the private body parts of another person for the purpose of sexual gratification without the Consent of the victim, including instances where the victim is incapable of giving Consent because of their age or because of their temporary or permanent mental or physical incapacity.
- (e) **Incest:** Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- (f) **Statutory Rape:** Nonforcible sexual intercourse with a person who is under the statutory age of consent.⁵
- (4) **Dating Violence:** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the Complainant. The existence of such a relationship shall be determined based on a consideration of the following factors: (1) the length of the relationship; (2) the type of relationship; and (3) the frequency of interaction between the persons involved in the relationship.
- (5) **Domestic Violence:** Felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the Complainant, by a person with whom the Complainant shares a child in common, by a person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, by a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Maryland, or by any other person against an adult or youth Complainant protected from that person's acts under the domestic or family violence laws of Maryland.
- (6) **Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for their own safety or the safety of others; or (2) suffer substantial emotional distress.
- B. Other Sexual Misconduct** means the following conduct:
- (1) **Sexual Harassment** that occurred against a person outside of the United States or not within an Education Program or Activity.
- (2) **Sexual Coercion:** The use of unreasonable pressure in an effort to compel another individual to initiate or continue sexual activity against the individual's will. A person's words or conduct are sufficient to constitute Sexual Coercion if they wrongfully impair another individual's freedom of will and ability to choose whether or not to engage in sexual activity. Sexual Coercion includes but is not limited to intimidation, manipulation, express or implied threats of emotional or physical harm, and/or blackmail. Examples of Sexual Coercion include but are not limited to causing the deliberate Incapacitation of another person; conditioning an academic benefit or employment advantage on submission to the sexual contact; threatening to harm oneself if the other party does not engage in sexual contact; or threatening to disclose an individual's sexual orientation, gender identity, gender expression, or other personal sensitive information if the other party does not engage in the sexual contact.
- (3) **Sexual Exploitation:** Taking non-consensual or abusive sexual advantage of another person for one's own advantage or benefit or for the advantage or benefit of anyone
- (4) **Sexual Intimidation:** Threatening behavior of a sexual nature directed at another person, such as threatening to sexually assault another person or engaging in indecent exposure.
- (5) **Attempted Sexual Assault:** An attempt to commit Sexual Assault.
- (6) **Other Sex-Based Offenses:** (a) Unwelcome sexual advances; (b) unwelcome requests for sexual favors; or (c) other behavior of a sexual or gender-based nature where: (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, evaluation of academic work, or participation in a University-sponsored educational program or activity; (ii) submission to or rejection of such conduct by an individual is used as the basis for an academic, employment, or activity or program participation decision affecting that individual; or (iii) such conduct has the purpose or effect of unreasonably interfering with an individual's academic or work performance, i.e., it is sufficiently severe or pervasive to create an intimidating, hostile, humiliating, demeaning, or sexually offensive working, academic, residential, or social environment.
- ⁵ The statutory age of consent in Maryland is 16. See Md. Code Ann., Crim. Law §§ 3-301 to -307.
- C. Retaliation** means intimidating, threatening, coercing, or discriminating against, or otherwise taking an adverse action against an individual for the purpose of interfering with any right or privilege secured by law or University policy relating to Prohibited Conduct, or because an individual has made a report, filed a complaint, testified, assisted, participated, or refused to participate in any manner in an investigation, proceeding, or hearing related to Prohibited Conduct. Adverse actions include but are not limited to impeding an individual's academic advancement; terminating, refusing to hire, or refusing to promote an individual; or transferring or assigning an individual to a lesser position in terms of wages, hours, job classification, or job security. Retaliation includes retaliatory harassment. Adverse actions, including charges against an individual for violations of other University policies that do not involve sex discrimination or Prohibited Conduct, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or complaint of Prohibited Conduct, for the purpose of interfering with any right or privilege secured by law, constitutes Retaliation. However, charging an individual with a violation of other University policies for making a materially false statement in bad faith in the course of a proceeding does not constitute Retaliation, provided that a determination regarding responsibility, alone, is not sufficient to conclude that any Party made a materially false statement in bad faith. The exercise of rights protected under the First Amendment does not constitute Retaliation. The University will keep confidential, to the extent permitted by the Family Educational Rights and Privacy Act (FERPA), the identity of any individual who has made a report of Prohibited Conduct.
- VIII. Sanctions**
- As further explained in the Procedures, Sanctions for Respondents determined to have violated this Policy include, but are not limited to, the following:
- Students.**
- Students found in violation of this Policy are subject to Sanctions such as dismissal from the University (suspension or expulsion), suspension or removal from University housing, disciplinary warning, loss of privileges, administrative housing room relocation, housing probation, denial or re-contracting with University housing denial of access to campus grounds and/or buildings, fines, restitution, no contact order, and educational sanctions such as community service and mandatory and continuing participation in training on Prohibited Conduct and education programming, depending on the circumstances and nature of the violation.

Employees. Employees found in violation of this Policy are subject to Sanctions including counseling, verbal reprimand, written reprimand, suspension without pay, denial of a pay increase, demotion to a lower pay grade/classification, no contact order, education and training, denial of access to campus grounds and/or buildings, reassignment, and separation from employment, depending on the circumstances and nature of the violation.

IX. Confidential Resources

Confidential resources on and off campus assist Parties in navigating potential advocacy, therapy, counseling, and emotional support services. If a person desires to keep an incident of Prohibited Conduct confidential, the person should speak with confidential resources.

Disclosures or reports made to individuals or entities other than confidential resources may not be confidential. For instance, should a member of the Campus community discuss an incident of Prohibited Conduct with a University administrator, supervisor, faculty member, CSUPD, athletic coach, athletic trainer, resident assistant, or first responder who is not a confidential resource, those persons are deemed Responsible Employees and, as such, are obligated pursuant to this Policy to report the Prohibited Conduct to the Title IX Coordinator.

Unless there is a lawful basis for disclosure, such as reported child abuse or an imminent risk to health or safety, confidentiality applies when persons seek services from the following resources:

Memorandum of Understanding with local Authorities and Hospitals

MOU Concerning Law Enforcement Jurisdiction and Coordination of Services Between CSU Department of Public Safety and the Baltimore Police Department have been implemented.

X. Co-Occurring Criminal Action

Proceeding with a University resolution of Prohibited Conduct under this Policy and Procedures is independent of any criminal investigation or proceeding. Reporting to law enforcement does not preclude a person from proceeding with a report or Formal Complaint of Prohibited Conduct under this Policy. The University is required to conduct an investigation in a timely manner, which means, in most cases, the University will not wait until a criminal investigation or proceeding is concluded before conducting its own investigation, implementing Supportive Measures, and taking appropriate action.

However, at the request of law enforcement, the Title IX Coordinator may defer its fact gathering until the initial stages of a criminal investigation are complete. If such a request is made by CSUPD, then CSUPD will submit the request in writing and the Complainant will be notified. In addition, when possible, in cases where there is a co-occurring criminal investigation by CSUPD, Baltimore City Police, or the local prosecutor's office, the Title IX Coordinator will work collaboratively and supportively with each respective agency within the parameters outlined above. The Title IX Coordinator will communicate any necessary delays in the University's investigative process to both parties in the event of a deferral.

XI. Rights of Parities

Parties will be treated with dignity, respect, and sensitivity by University officials during all phases of the process. The accompanying Procedures are designed to allow for a fair and impartial investigation, as well as prompt and equitable proceedings and resolutions that provide an opportunity for Parties to be heard.

Parties will be given timely written notice of:

- The reported violation, including the date, time and location, if known, of the alleged violation, and the range of potential Sanctions associated with the alleged violation;
- Their rights and responsibilities under this Policy and information regarding other civil and criminal options;
- The date, time, and location of each Hearing, meeting, or interview that the Party is required or permitted to attend;
- The final determination made by the Hearing Officer regarding whether a Policy violation occurred and the basis for the determination;
- Any Sanction imposed, as required by law; and
- The rights to appeal and a description of the appeal process.

Parties will be entitled to participate in the investigation and adjudication of the Formal Complaint in accordance with the Procedures. Parties will be provided with:

- Access to the case file and evidence regarding the incident obtained by the

University during the investigation or considered by the Hearing Officer, with personally identifiable or other information redacted as required by applicable law;

- An opportunity to be heard through the process;
- An opportunity to offer testimony at a Hearing;
- An opportunity to submit evidence, witness lists, and suggest specific questions to be posed to the other Party during the investigation, or to the other Party at a Hearing through the Party's Advisor for purposes of performing cross-examination;
- An opportunity to review testimony electronically or in a way in which the Parties are not required to be in the physical presence of one another;
- An opportunity to review and provide written responses to draft and final investigation reports;
- An opportunity to participate at a Hearing without being required to be in the physical presence of the other Party;
- An opportunity to appeal a determination and/or Sanction; and
- Notice, presented in an appropriate and sensitive format, before the start of the resolution process, of:
 - The Party's right to the assistance of an Advisor, including an attorney or advocate;
 - The legal service organizations and/or referral services available to the Party; and
 - The Party's right to have a Support Person of the Party's choice at any Hearing, meeting, or interview.

XII. False Statements

Knowing making false statements or knowingly submitting false information under this Policy and Procedures is prohibited.

XIII. Legal Representation Fund for Title IX Proceedings (Students Only)

Student Complainants and Student Respondents may elect to retain an attorney to serve as their Advisor, though assistance by an attorney is not required. The Maryland Higher Education Commission (MHEC) has developed resources to assist current or former students in retaining an attorney to serve as an Advisor at no or low cost to the student. MHEC provides a list of licensed attorneys who have indicated that they may represent students in Title IX proceedings on a pro bono basis or for reduced legal fees. A student's attorney may seek reimbursement of certain legal costs and fees from MHEC's Legal Representation Fund for Title IX Proceedings, subject to the availability of funding. More information is available on MHEC's website under "Title IX Campus Sexual Assault Proceedings: Attorney List" at <https://mhec.maryland.gov/Pages/Title-IX-Campus- Sexual-Assault-Proceedings---Attorney-List.aspx>.

XIV. Emergency Removal and Other Interim Measures

A. Student Respondents

An emergency removal (which may take the form of an interim suspension) is for the purpose of addressing imminent threats posed to any person's physical health or safety, which might arise out of reported Prohibited Conduct. The University may undertake emergency removal

of a student Respondent for reasons arising from the alleged Prohibited Conduct when the University: 1) undertakes an individualized safety and risk analysis; 2) concludes that there is an immediate threat to the physical health or safety of any student or other individual arising from the alleged Prohibited Conduct; and 3) provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal. The University will not remove a student from the University based solely on an accusation. The student will be offered an opportunity to meet with the Title IX Coordinator to review the reliability of the information within five (5) Days from the effective date of the emergency removal. However, there is no guarantee that the student will be permitted to return to campus.

The University may impose an interim disciplinary suspension on a student Respondent in accordance with the *Code of Student Conduct* for reasons not arising from the alleged Prohibited Conduct.

B. Staff and Faculty Respondents

The University in consultation with the Title IX Coordinator, Deputy Title IX Coordinator for Employees, CSUPD, the employee's supervisor and/or applicable campus department may take interim measures such as changing a Respondent's work responsibilities or work location or placing the Respondent on leave during the resolution process. Such action may be appropriate when there is a legitimate concern that without interim measures: 1) the Respondent will engage in prohibited conduct while the investigation is ongoing, or 2) the Respondent would be unduly disruptive to University members or University activities or programs

C. Third- Party Respondents

University members who are neither students nor employees may be removed from their University role or a University program as an interim measure during the adjudication process at the discretion of the University and in consultation with the Title IX Coordinator.

XV. Consensual Relationships and Professional Conduct

Sexual relationships that occur in the context of educational or employment supervision and evaluation present potential conflicts of interest. Relationships in which one party maintains a supervisory or evaluative responsibility over the other also reflect an imbalance of power, leading to doubt as to whether such relationships are truly consensual. For these reasons, the University *strongly* discourages such relationships.

Because of the potential conflicts of interest, persons involved in consensual sexual relationships with anyone over whom the person has supervisory and/or evaluative responsibilities *must inform their supervisor(s)* of the relationship(s). Supervisory or evaluative responsibilities may be reassigned, as appropriate. While no relationships are expressly prohibited by this Policy, failure to self-report such relationships in a timely manner, as required by this Policy, may result in disciplinary action.

XVI. Training

A. Prevention and Awareness Education

The University will develop and implement preventive education, directed toward both employees and students, to help reduce the occurrence of Prohibited Conduct. At a minimum, these educational initiatives must contain information regarding what constitutes Sexual Harassment, definitions of consent and Prohibited Conduct, the University's Procedures, bystander intervention, risk reduction, and the consequences of engaging in Prohibited Conduct. These educational initiatives shall be for all incoming students and new employees. The University will also develop ongoing prevention and awareness campaigns for all students and employees addressing, at a minimum, the same information. Educational initiatives for employees shall comply with Md. Code Ann., State Pers. & Pens. § 2-203.1.

B. Training for Personnel Involved in Response and Resolution

All persons involved in responding to or resolving Prohibited Conduct reports will participate in training in handling complaints of Prohibited Conduct under this Policy. The University will make these training materials publicly available on its website.

The University will ensure that Title IX Coordinators, Investigators, Hearing Officers, Appellate Hearing Officers, and any person who facilitates an Informal Resolution process, receive training on the following: the definition of Prohibited Conduct; the scope of the University's Education Program or Activity; how to conduct a resolution process including investigation, Hearings, appeals, and Informal Resolution, as applicable; how to serve impartially, including by avoiding pre-judgment of the facts at issue, conflicts of interest, and bias; technology to be used at a live hearing; and issues of relevance of questions and evidence, including when questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant. Any materials used to train Investigators will not rely on sex stereotypes and will promote impartial resolutions of Formal Complaints under this Policy.

XVII. Records Retention

The University will maintain for a minimum of seven (7) years, records of the following:

- 1. Investigations and Determinations.** Each Sexual Harassment investigation, including any determination regarding responsibility;
- 2. Recordings and Transcripts.** Any audio or audiovisual recording or transcript required;
- 3. Sanctions.** Any Sanctions imposed on the Respondent;
- 4. Remedies.** Any Remedies provided to the Complainant designed to restore or preserve equal access to the Education Program or Activity;
- 5. Appeals.** Any appeal and the result thereof;
- 6. Informal Resolutions.** Any Informal Resolution and the result therefrom;
- 7. Training Materials.** All materials used to train Title IX Coordinators, Investigators, Hearing Officers, and any person who facilitates an Informal Resolution process; and
- 8. Supportive Measures.** Any Supportive Measures, taken in response to a report or Formal Complaint of Prohibited Conduct. In each instance, the University must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to its Education Program or Activity. If the University does

not provide a Complainant with Supportive Measures, then it must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the University in the future from providing additional explanations or detailing additional measures taken.

PROCEDURES FOR INVESTIGATING AND RESOLVING ALLEGATIONS OF SEXUAL HARASSMENT AND OTHER SEXUAL MISCONDUCT

These Procedures are part of the *COPPIN STATE UNIVERSITY Policy and Procedures on Sexual Harassment and Other Sexual Misconduct* and are the exclusive procedures that govern the handling of all reports or complaints of Prohibited Conduct under the Policy.

I. Anticipated Timelines

The University's goals are to provide equal educational opportunities, promote campus safety, and remedy the effects of Prohibited Conduct. Good faith efforts will be made to complete Informal Resolutions, investigations, and the adjudication process, if any, in a

prompt, fair, and impartial manner. The Title IX Compliance Office (TIXO) will conduct any investigation as promptly as possible under the circumstances, taking into account the complexity of the allegations, the complexity of the investigation and resolution, the severity and extent of the alleged misconduct, the number and availability of witnesses, the University's calendar, and/or other unforeseen circumstances. The University seeks to take appropriate action, including investigation and resolution of Formal Complaints, generally within (120) Days, by balancing principles of thoroughness and fundamental fairness from when the Formal Complaint is filed. An extension of the referenced timeframe may be required for good cause to ensure the integrity and thoroughness of the investigation.

The Title IX Coordinator or designee may extend the time frames set forth in this Policy and Procedures for good cause, with written notice of the extension to both Parties and the reason(s) for the delay. Written requests for delays by Parties may be considered. Factors considered in granting or denying an extension may include considerations such as, but not limited to, the following: the absence of a Party, a Party's Advisor, or a witness and/or the need for language assistance or accommodations of disabilities.

II. Right to Support Person and Advisor

A Party may be accompanied at any meeting held by the Title IX Coordinator or designee under these Procedures by up to two (2) people, including one (1) Support Person, and one (1) Advisor. When a Party wishes to be accompanied by a Support Person or Advisor to a meeting, the Party must notify the Title IX Coordinator or designee in advance. Parties may select a Support Person or Advisor at any point before the conclusion of the resolution process.

Throughout the process, the Title IX Coordinator or designee will communicate and correspond directly with the Parties, not indirectly through a Support Person or Advisor.

I. Report Intake and Formal Complaint

A. Receipt of Report of Prohibited Conduct

Upon receipt of a report alleging Prohibited Conduct from a Complainant, the TIXO will provide written acknowledgement of receipt of the report to the Complainant, if known, and include (1) a copy of the Policy and Procedures, (2) options under the resolution process, and (3) notice of Rights and Responsibilities. The Complainant will be informed of available community and campus resources and services; Supportive Measures as specified in Section III.C of these Procedures; their right to a Support Person; their right to an Advisor; their right to file a report with law enforcement; and the University's prohibition against Retaliation.

If the report is received from a third party, meaning someone who is not the Complainant or the Respondent, the TIXO will provide written acknowledgement of receipt of the report and take appropriate action as the information provided allows.

Receipt of a report alleging Prohibited Conduct shall not constitute the filing of a Formal Complaint under this Policy.

As explained more fully below, the Complainant may: (1) ask the TIXO to take no further action beyond offering Supportive Measures; or (2) file a Formal Complaint.

B. Intake and Initial Assessment of Report

The TIXO will contact the Complainant to conduct an intake and initial assessment, which will determine whether the reported conduct, if substantiated, would constitute a potential violation of this Policy. The Complainant can choose whether or not to participate with the intake and initial assessment process. If the Complainant opts not to participate, the TIXO may be limited in its ability to assess the report. The Complainant will have an opportunity to ask questions about options and resources and seek additional information. The TIXO will attempt to gather information that will enable the TIXO, in consultation with other appropriate University offices, to:

1. Assess a complainant's request for Supportive Measures;
2. Assess the nature and circumstances reported;
3. Assess jurisdictional concerns regarding each Party;
4. Assess the safety of the Complainant and of the University community;
5. Implement any appropriate Supportive Measures;
6. Assess for pattern evidence or other similar conduct by the Respondent as relevant to the safety assessment;
7. Assess the Complainant's expressed preference regarding resolution, including any request that no further action be taken;
8. Assess any request by the Complainant for confidentiality or anonymity; and
9. Assess the reported conduct for possible referral to CSUPD for a timely warning under the Clery Act.

When the initial assessment determines the alleged conduct would not constitute a potential violation under this Policy if substantiated, the Title IX Coordinator may try to resolve an issue without the filing of a Formal Complaint. The alleged conduct may also violate other University policies, and the report may be referred to another University process and/or office, including but not limited to the following: *COPPIN STATE UNIVERSITY Non-Discrimination Policy*, the Office of Student Conduct, Human Resources, and/or Academic Affairs, as appropriate.

C. Supportive Measures

The TIXO, in consultation with other appropriate University officials, facilitates Supportive Measures, which are available to the Parties upon receiving a report or Formal Complaint alleging Prohibited Conduct. The TIXO will consider the Parties' wishes with respect to planning and implementing the Supportive Measures. The TIXO will maintain the reasonable confidentiality of the Supportive Measures, provided that this does not impair the ability to provide the Supportive Measures. The TIXO will act to ensure as minimal an academic and employment impact on the Parties as possible and implement Supportive Measures in a way that does not unreasonably burden either Party.

Supportive Measures include, but are not limited to:

Academic Accommodations

- Assistance in transferring to another section of a lecture or laboratory
- Assistance in arranging for incompletes
- Assistance with leave of absence

- Assistance with withdrawal from coursework
- Assistance with withdrawal from campus
- Assistance with communicating with faculty
- Rearranging class schedules
- Re-scheduling exams
- Extensions of academic deadlines
- Re-taking a course
- Dropping a course
- Academic support such as tutoring or other course/program related adjustments
- Facilitating adjustments so Complainants and Respondents do not share same classes

Housing Accommodations

- Facilitating changes in on-campus housing location to alternate housing
- Assistance in exploring alternative housing off-campus

Employment Accommodations

- Arranging for alternate University employment
- Arranging different work shifts temporary assignment, if appropriate, to other work duties and responsibilities, or other work locations, or other work groups/teams or alternative supervision/management
- Extensions of work deadlines

D. Filing of a Formal Complaint

A Formal Complaint alleging Prohibited Conduct against a Respondent may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed in Section IV of the Policy.

Should the Complainant decide to file a Formal Complaint, the Title IX Coordinator will review the Formal Complaint and determine whether it should be dismissed or move into the resolution process (see Section III.F of these Procedures).

E. Special Considerations: Requests for Anonymity and to Not Proceed

If a Complainant does not wish to disclose their personally identifiable information (i.e., wishes to remain anonymous) and/or does not wish to file a Formal Complaint, the Complainant may make such a request to the Title IX Coordinator or designee. Regardless of their choice, the Title IX Coordinator or designee will still offer Supportive Measures to the Complainant as appropriate. The Complainant retains the ability to file a Formal Complaint at any time.

The Title IX Coordinator has ultimate discretion over whether the University proceeds, and the Title IX Coordinator may sign a Formal Complaint to initiate the resolution process when appropriate. The Title IX Coordinator's decision to sign a Formal Complaint will be based on whether:

1. An investigation is needed to comply with legal anti-discrimination requirements or is otherwise the most appropriate and effective response;

2. The effect that non-participation by the Complainant may have on the availability of evidence and the ability to pursue the resolution process fairly and effectively; and/or
3. A violence risk assessment shows a compelling risk to health and/or safety which requires the University to pursue formal action to protect the University community. A compelling risk to health and/or safety may result from any combination of the following:
 - a) Evidence of patterns of misconduct;
 - b) Predatory conduct, threats, abuse of minors;
 - c) Allegations that the Prohibited Conduct was committed by multiple persons; and/or
 - d) Use of weapons and/or violence.

When the Title IX Coordinator signs the Formal Complaint, the Title IX Coordinator does not become the Complainant and is not otherwise a Party.

Overall, the University's ability to remedy and respond to the Formal Complaint may be limited if the Complainant does not want the University to proceed with the resolution process. The goal is to provide the Complainant with the opportunity to file a Formal Complaint and participate while balancing the University's obligation to protect its community.

F. Designation of Prohibited Conduct and Dismissal of Formal Complaint

Upon receipt of a Formal Complaint, the Title IX Coordinator or designee will promptly send a *Written Notice of Designation* simultaneously to both Parties of:

4. Its decision about whether to designate the alleged conduct as Title IX-based Prohibited Conduct, and the reasons for this decision;
5. Its decision to proceed with the resolution process or to dismiss the Formal Complaint as described below¹; and
6. The Parties' rights to appeal the designation and/or dismissal decision.

¹ Dismissal under this Policy and Procedures does not preclude a referral to another University process and/or office, as appropriate.

Title IX-based Prohibited Conduct

The Title IX Coordinator or designee **must** designate the alleged conduct as Title IX-based Prohibited Conduct if:

1. The alleged conduct would constitute Sexual Harassment within an Education Program or Activity against a person in the United States if substantiated; and
2. The Complainant is participating or attempting to participate in an Education Program or Activity at the time the Complainant files a Formal Complaint, or the Title IX Coordinator files a Formal Complaint because the alleged conduct meets the above definition.

Mandatory Dismissal

The Title IX Coordinator or designee **must** dismiss a Formal Complaint or any allegations

therein if, at any time during the Resolution Processes it is determined that:

1. The conduct alleged in the Formal Complaint, if substantiated, would not constitute Prohibited Conduct; or
2. The allegations in the Formal Complaint do not fall within the University's jurisdiction.

Permissive Dismissal

The Title IX Coordinator or designee **may** dismiss a Formal Complaint or any allegations therein if, at any time during the Resolution Processes:

1. A Complainant notifies the Title IX Coordinator or designee in writing that the Complainant requests to withdraw the Formal Complaint or any allegations therein; or
2. The Respondent is no longer enrolled in or employed by the University; or
3. Specific circumstances prevent the University from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

G. Appeal of Designation and/or Dismissal

Either Party may appeal the *Written Notice of Designation*. The bases for appeal are limited to procedural irregularity, new evidence, and conflict of interest as explained in Section IV.D.5.a of these Procedures. The process for the appeal is set forth in Section IV.D.5.b of these Procedures.

IV. Resolution Processes

A. Consolidation of Complaints

At the discretion of the Title IX Coordinator or designee, multiple reports may be consolidated into one Informal Resolution and/or investigation if the information related to each incident is relevant in reaching a resolution. Matters may be consolidated where the matters involve multiple Complainants, multiple Respondents, or related facts and circumstances involving the same Parties, including those arising out of the same or different events(s).

B. Informal Resolution Process

Informal Resolution may serve to address the alleged Prohibited Conduct as an alternative to proceeding to an investigation and Hearing. Informal Resolution can encompass a variety of approaches agreed to by the Parties including, but not limited to, mediation, Respondent acknowledgement of responsibility, and/or negotiated interventions and Remedies facilitated by the Title IX Coordinator or designee.

The purpose of Informal Resolution is to take appropriate action by imposing individual and community interventions and remedies designed to maximize the equal access to the Education Program or Activity, as well as to address the effects of the conduct on the larger University community.

1. Request for Informal Resolution

Either Party may request Informal Resolution, including their preferred approach of reaching a resolution, such as mediation, Respondent acknowledgement of responsibility,

and/or negotiated interventions and Remedies. Both Parties and the Title IX Coordinator or designee must agree to the process in writing. Either Party may terminate an ongoing Informal Resolution at any time prior to reaching an agreement.

The Title IX Coordinator or designee has the discretion to determine whether a Formal Complaint is appropriate for Informal Resolution and which resolution approach is best utilized given the specifics of the Formal Complaint. The Title IX Coordinator or designee retains discretion to terminate an ongoing Informal Resolution process at any time, at which point the Title IX Coordinator or designee will determine appropriate next steps. The Title IX Coordinator or designee will inform both Parties simultaneously in writing of the reason(s) for terminating an Informal Resolution process.

2. Informal Resolution Not Permitted

Although the Title IX Coordinator or designee retains discretion to determine whether a Formal Complaint is appropriate for Informal Resolution in other cases, Informal Resolution is not permitted under the following circumstances:

- a. Formal Complaints by a student alleging Sexual Harassment against an employee (staff or faculty); or
- b. Formal Complaints alleging Sexual Assault or Sexual Coercion.

3. Informal Resolution Permitted

When Informal Resolution is utilized, the process is voluntary and is not a requirement or condition of continued enrollment or employment at the University.

In such case, Parties will receive a written *Notice of Informal Resolution* containing the following:

- a. Summary of the allegations;
- b. Notice that neither Party is required to accept responsibility for the alleged Prohibited Conduct, unless a Respondent chooses to do so;
- c. Notice that there is no finding of a Policy violation or Sanction unless agreed to by the Respondent;
- d. Notice that agreement to Informal Resolution is not a waiver of right to proceed with an investigation and Hearing;
- e. Notice that until an Informal Resolution agreement is finalized, the Parties may, at any time, opt out of Informal Resolution, at which point the Formal Complaint would proceed or resume to investigation and Hearing, as appropriate;
- f. Notice of any potential consequences resulting from participating in the Informal Resolution process, including that records will be maintained or could be shared;
- g. Notice about the reasonable confidentiality restrictions of the Informal Resolution process;
- h. Notice that if an Informal Resolution agreement is finalized and implemented, it precludes the Parties from resuming investigation and adjudication of a Formal Complaint arising from the same allegations; and
- i. Notice that the results of Informal Resolution are not eligible for appeal.

4. Mediation and Other Informal Resolution

Informal Resolution, including mediation, must be conducted by a trained facilitator who guides the Parties in a confidential dialogue to reach an effective resolution, if possible. The trained facilitator may be internal or external to the University depending on the needs of the specific case as determined by the Title IX Coordinator or designee. Sanctions are not possible as a result of Informal Resolution unless the Parties agree to accept Sanctions and/or appropriate Remedies.

5. Negotiated Informal Resolution Interventions and Remedies

If agreed to by the Parties and determined appropriate by the Title IX Coordinator or designee, the following Informal Resolution interventions and Remedies may be utilized, including but not limited to:

- a. Increased monitoring, supervision, and/or security at locations or activities where the Prohibited Conduct occurred or is likely to reoccur;
- b. Targeted or broad-based educational programming or training for relevant individuals or groups;
- c. Academic and/or housing modifications for either Party;
- d. Workplace modifications for either Party;
- e. Completion of projects, programs, or requirements designed to help the Respondent manage behavior, refrain from engaging in Prohibited Conduct, and understand why the Prohibited Conduct is prohibited;
- f. Compliance with a No Contact Order;
- g. Compliance with a Denial of Access;
- h. Completion of community service hours over a specific period of time; and
- i. Separation from the University.

The Title IX Coordinator or designee will work with the Offices of Student Conduct, Human Resources, and/or Provost/Faculty Affairs as needed to facilitate such negotiated interventions and Remedies.

6. Completion of Informal Resolution

When an Informal Resolution agreement is reached and the terms of the agreement are implemented, the matter is resolved and closed. Appeals by either Party are not permitted. The Title IX Coordinator or designee is responsible for ensuring compliance with the agreement.

In cases where an agreement is not reached and the Title IX Coordinator or designee determines that further action is necessary, or if either Party fails to comply with the terms of the Informal Resolution, the matter may be referred for an investigation and adjudication under these Procedures, as appropriate.

The Parties will be provided with a written copy of the terms of the Informal Resolution agreement. The Title IX Coordinator or designee will maintain all records regarding Informal Resolution.

7. Respondent Acceptance of Responsibility

The Respondent may accept responsibility for all or part of the alleged Policy violation(s) at any point during the resolution process. If the Respondent wishes to accept responsibility, the Title IX Coordinator may initiate the Informal Resolution process if permitted, after obtaining both Parties' voluntary, written consent, and after providing the required *Notice of Informal Resolution* if it has not already been provided.

Any remaining allegations that are not resolved through the Informal Resolution process may proceed to investigation or Hearing, as appropriate.

C. Investigation Process

When investigating a Formal Complaint, the procedures below will be utilized. However, at any time prior to reaching a determination regarding responsibility, an Informal Resolution may occur if appropriate conditions are satisfied (see Section IV.B of these Procedures).

1. Presumption of Not Responsible

Respondents are presumed not responsible for any and all allegations until the conclusion of the investigation and adjudication process. The University provides the Parties with the written determination following any appeal if an appeal is filed, or if an appeal is not filed, on the date on which an appeal would no longer be considered timely.

2. Notice of Rights and Responsibilities

The Complainant and Respondent are required to review and sign their *Notice of Rights and Responsibilities*. The Title IX Coordinator or designee will verify that the Parties have received, reviewed, and signed their *Notice of Rights and Responsibilities* and have been provided with a copy of the Policy and Procedures to ensure the Parties have adequate information about the investigation and adjudication.

The Title IX Coordinator or designee will also ensure that both Parties have had an opportunity to ask and receive answers to any questions.

The *Notice of Rights and Responsibilities* will include but are not limited to the following:

- a. Right to be treated with dignity and respect by all University officials;
- b. Right for information to only be shared with others on a need-to-know basis in order to facilitate a resolution;
- c. Right to be informed of available Supportive Measures;
- d. Right to be informed of available community and campus resources and services;
- e. Right to a Support Person and/or an Advisor;
- f. Right to regular updates on the status of the investigation and/or resolution; and
- g. Prohibition against Retaliation and guidance about reporting any retaliatory conduct.

3. Notice of Investigation

The Parties will be provided a written *Notice of Investigation*, which will include the following:

- a. The University's complete Policy and Procedures as set forth herein;
- b. The allegations of Prohibited Conduct as defined by the Policy;
- c. Identities of the Parties involved, if known;
- d. Date(s), location(s), and time(s) of the alleged incident(s), if known;
- e. Statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the adjudication process;
- f. Parties may have an Advisor of their choice, who may be an attorney;
- g. If Parties do not select an Advisor of their choice, the University will provide a trained Advisor for purposes of performing cross-examination on behalf of that Party at the Hearing;
- h. Parties may have a Support Person of their choice;
- i. Advisement that knowingly making false statements or knowingly submitting false information during the investigation and adjudication process is prohibited under Section XII of the Policy;
- j. If the University decides to investigate additional allegations about either Party that are not in the original notice, the Parties will receive an amended notice containing the additional allegations; and
- k. The range of potential Sanctions associated with the alleged Prohibited Conduct.

4. Role of the Investigator

The Title IX Coordinator or designee will designate an Investigator(s) from the TIXO and/or an external Investigator to conduct a prompt, thorough, fair, and impartial investigation.

5. Overview of the Investigation

a. Standard of Proof

The standard of proof for a determination of responsibility under this Policy is Preponderance of the Evidence (i.e., determining whether it is more likely than not that the alleged conduct occurred). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility remain with the University and not on the Parties.

b. Evidence

The investigation is an impartial fact-gathering process. It is an important stage of the process in which both Parties have an opportunity to be heard regarding the Formal Complaint. During the investigation, the Investigator will speak separately with both Parties and any other individuals who may have relevant information. No audio or video recording of any kind is permitted during such interviews. The Parties will each have an equal opportunity to present witnesses -including fact and expert witnesses (at their own expense) – and any other relevant evidence.

Evidentiary materials, regardless of relevance, may be provided by a Party; however, the Investigator will determine whether and how the evidence and witnesses submitted by the Parties are directly related to the allegations and whether and how that information will be factored into the investigation. The Investigator will also gather any available physical evidence or documents, including prior statements by the Parties or witnesses, communications between the Parties, email messages, text messages, social media materials, and other records, as appropriate and available.

The University does not restrict the ability of Parties to discuss allegations that have been reported or to gather and present evidence. However, the University has a compelling interest in protecting the integrity of the resolution process, protecting the privacy of Parties and witnesses, and protecting Parties and witnesses from harassment, intimidation, or Retaliation during the resolution process. To further these goals, witnesses and Parties are encouraged to limit their sharing of information about a matter (including the allegations, the identities of the Parties and witnesses, and the questions asked in interviews) while the resolution process is ongoing. Parties and witnesses are also cautioned not to discuss the allegations in a manner that constitutes Retaliation or unlawful conduct.

c. Special Considerations

Information related to the prior sexual history of either Party is generally not relevant to the determination of a Policy violation. However, prior sexual history between the Parties may be relevant in very limited circumstances. For example, where there was a prior or ongoing consensual relationship between the Parties, and where Consent is at issue in the case at hand, evidence as to the Parties' prior sexual history as it relates to Consent may be relevant to assess the manner and nature of communications between the Parties. However, the mere fact of a current or previous dating or sexual relationship, by itself, is not sufficient to show Consent under the Policy. Sexual history will never be used for purposes of illustrating either Party's individual character or reputation. The Investigator will determine the relevance of prior sexual history and inform the Parties if information about the Parties' sexual history with each other is deemed relevant.

The University cannot access, consider, disclose, or otherwise use a Party's record(s) that are made

or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the capacity thereof or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the Party. However, a Party can provide voluntary, written consent to use the above-mentioned material for the investigation and adjudication. Consent shall be specifically limited to the information provided. At no time shall consent be construed as consent to access any other information in the Party's records.

The Investigator will not use, require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

d. Draft Investigation Report

At the conclusion of the investigation, the Investigator will compile a written investigation report (the *Draft Investigation Report*) that provides a case timeline, appropriately summarizes the information gathered (including, but not limited to, the names of witnesses and summaries of their statements), and evidence that is directly related to the Formal Complaint.

e. Notice of Opportunity to Review the Draft Investigation Report

Before the investigation report is complete, the Parties will be given an equal opportunity to review and meaningfully respond to the *Draft Investigation Report*. The Title IX Coordinator or designee will also send to the Party, and the Party's Advisor if applicable, all evidence obtained that is directly related to the Formal Complaint, including evidence upon which the University does not intend to rely in reaching a determination regarding responsibility, and inculpatory or exculpatory evidence, whether obtained from a Party or other source, for inspection and review. Parties will have ten (10) Days to review the *Draft Investigation Report* and submit a written response, including comments, information, and/or questions to the Title IX Coordinator or designee. If there is any new or additional information to be provided by either Party, it must be presented to the Investigator at this time.

If further investigation is warranted based on the Parties' written responses, the Investigator will continue the investigation, as needed. The Investigator will consider the Parties' written responses prior to completing the *Final Investigation Report*.

f. Final Investigation Report

Upon timely receipt of the Parties' written responses, after any further inquiry deemed necessary by the TIXO following receipt of the Parties' written responses, or after the ten (10) Day review period has lapsed with no written responses, the investigation ends. The Investigator will complete the *Final Investigation Report*. The *Final Investigation Report* will contain summaries of all relevant information obtained throughout the course of the investigation and analysis of fact.

The Title IX Coordinator or designee will submit the *Final Investigation Report* to the Hearing Officer.

D. Adjudication Process

1. Review of Final Investigative Report

- a. Following completion of the *Final Investigation Report*, the Title IX Coordinator or designee will meet separately with each Party.
- b. At the meeting, the Title IX Coordinator or designee will provide each Party with a confidential copy of the *Final Investigation Report*, including all attachments, and explain the next steps in the process.

- c. Each Party will be allowed ten (10) Days to submit a written response to the *Final Investigation Report*, which will be considered by the Hearing Officer. Exceptions may be made during times when the University is not in session or in other circumstances. All written responses will be shared with the other Party prior to the Hearing.
 - d. In order to protect the privacy of all individuals involved, all materials shared with the Parties are considered confidential and should not be publicly disclosed or released.
- 2. Hearing Procedures**
- a. A Hearing date will be provided to the Parties at least five (5) Days in advance of the Hearing. Hearing dates are scheduled in consultation with the Parties whenever possible.
 - b. If a Party does not have an Advisor present at the Hearing, the University will provide one free of charge for the purpose of conducting cross-examination on behalf of that Party. Parties seeking an Advisor from the University must notify the Title IX Coordinator or designee at least 48hours prior to the hearing if an Advisor is needed, so that the TIXO may ensure that one will be available for the hearing.
 - c. There may be one Hearing Officer or up to three Hearing Officers who are trained and will conduct the Hearing.
 - d. The University will notify all witnesses interviewed during the investigation of the date and time of the Hearing. The Hearing Officer(s) may also request the presence of witnesses.
 - e. The Hearing Officer(s) may conduct the Hearing with all Parties and witnesses physically present in the same geographic location or, with any or all Parties, witnesses, and other participants present at the Hearing virtually, with technology enabling participants simultaneously to see and hear each other.
 - f. At either Party's request, the University will provide the Parties with separate rooms (including separate virtual rooms if the Hearing is held virtually) and use technology enabling the Hearing Officer(s) and Parties to simultaneously see and hear the Party or the witness who is answering a question.
 - g. All Hearings are closed to the public.
 - h. Hearings will be recorded by the University. No other recordings are permitted. Recordings are maintained by the University. Parties may submit a written request to inspect and review the recording.
 - i. All evidence subject to the Parties' inspection and review as explained in Section IV.C.5.f of these Procedures will be available at the Hearing to give each Party equal opportunity to refer to such evidence during the Hearing, including for purposes of cross-examination. The Investigator will summarize the *Final Investigation Report* and clarify any information in the *Final Investigation Report*.
 - j. Each Party may provide a brief opening statement.
 - k. Each Party's Advisor will be provided an opportunity to cross-examine the other Party and any witnesses. Questioning will be conducted directly, orally and in real time by the Party's Advisor only. Parties may not question each other or witnesses directly.
 - l. Before a Complainant, Respondent, or witness answers a cross-examination or other question, one of the Hearing Officer(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. All relevant questions and follow-up questions, including those challenging the credibility of Parties and witnesses, will be allowed.
 - m. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence:
 - i. Are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant; or
 - ii. Concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove Consent.
 - n. Questions and evidence about the Respondent's prior sexual history with an individual other than a Party to the proceedings may only be considered if the evidence:
 - i. Proves prior sexual misconduct;
 - ii. Supports a claim that a Party has an ulterior motive; or
 - iii. Impeaches a Party's credibility after that Party has put their own prior sexual conduct in issue.
 - o. The Hearing Officer(s) may not consider a Party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the Party, unless the University obtains that Party's voluntary, written consent.
 - p. The Hearing Officer(s) may not consider any questions or evidence about a student's history of mental health counseling, treatment, or diagnosis, unless the student consents.
 - q. The Hearing Officer(s) may not consider questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.
 - r. The Hearing Officer(s) cannot draw an inference about the determination regarding responsibility based solely on a Party's or witness's absence from the Hearing or refusal to answer cross-examination or other questions.

- s. Parties will have the option to provide written impact statements to the Hearing Officer(s) on the day of the Hearing, which will be reviewed and considered for purposes of sanctioning.
- t. Each Party will have the opportunity to make a brief closing statement.

3. Written Notice of Determination

A Hearing Officer will provide the Parties with a *Written Notice of Determination* at the same time. The *Written Notice of Determination* will include:

- a. Identification of the allegations at issue;
- b. A description of the procedural steps taken throughout the case;
- c. Findings of fact supporting the determination;
- d. Conclusions regarding application of the Policy to the facts;
- e. A statement of, and rationale for, the determination for each allegation;
- f. A statement of, and rationale for, any Sanctions imposed on the Respondent, and whether any Remedies will be provided to the Complainant, as set forth in more detail below; and
- g. A description of the procedures and permissible grounds for appeal.

4. Disciplinary Sanctions, Remedies, and Other Responsive Actions

The University may take responsive action based on a determination of responsibility for a violation of the Policy. Responsive action is intended to eliminate Prohibited Conduct, prevent its recurrence and promote accountability while supporting the University's educational mission and legal obligations. Responsive action may include Sanctions, Remedies, or other responsive action including rehabilitation, educational, restorative, or monitoring components.

a. Prior to issuing the Written Notice of Determination, the following will occur:

Other University administrators may include the Office of Human Resources/Employee Relations and department/unit heads and supervisors for staff, and the Provost's Office/Academic Affairs and department/unit heads and supervisors for faculty.

5. Appeals

a. Bases for Appeals

Either Party may initiate this appeal process when the Party receives a *Written Notice of Designation* or a *Written Notice of Determination*. Appeals must be submitted in writing to the Title IX Coordinator within five (5) days of receipt of the *Written Notice of Designation* or the *Written Notice of Determination*. Appeals are limited to the bases listed below.

i. Procedural Irregularity

- In all cases, the procedural irregularity must be material to the outcome of the designation or the written determination.
- A procedural irregularity affecting the designation or the written determination may include: a failure to follow the University's procedures; a failure to objectively evaluate all relevant evidence, including inculpatory or exculpatory evidence; or a determination regarding what evidence was excluded as irrelevant.

ii. New Evidence

- New Evidence is evidence that was not reasonably available at the time the designation or written determination was made, that could affect the outcome.
- Evidence presented prior to the time the designation or written determination is issued does not qualify as new evidence that was not reasonably available.

iii. Conflict of Interest

- The Title IX Coordinator or designee, Investigator, or Hearing Officer(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the designation or written determination.
- Claims of conflict of interest or bias should be based on the current case and process in question and will be assessed accordingly.

iv. Substantially Disproportionate Sanction (Applicable ONLY to Written Notice of Determination)

- The Sanction set forth in the written determination is substantially disproportionate to the facts of the particular Policy violation.

Appeals will be reviewed by the designated Appellate Hearing Officer for all appeals of designations or written determinations under these Procedures. The Appellate Hearing Officer will be determined in accordance with the Respondent's status, as explained below. The Appellate Hearing Officer shall be free from conflict of interest or bias and shall not be the same person who reached the determination regarding the designation or the written determination, the Investigator, or the Title IX Coordinator. All Appellate Hearing Officers will have had no previous involvement with the case that the Appellate Hearing Officer are assigned to review.

- Appeals involving a student Respondent shall be reviewed by one member of trained Appellate Hearing Officers designated by the Office of Student Conduct.
- Appeals involving a staff Respondent shall be reviewed by the Vice President for Administration and Finance (VPAF) or designee. The VPAF or designee will appoint staff members available to serve as trained Appellate Hearing Officers. Appeals by staff Respondents will be assigned to one such Appellate Hearing Officer on a rotating case basis.
- Appeals involving a faculty Respondent shall be reviewed by the Provost and Vice President of Academic Affairs (Provost/VPA) or designee. The VPA/Provost or designee will appoint faculty members available to serve as trained Appellate Hearing Officers. Appeals by faculty Respondents will be assigned to one such Appellate Hearing Officer on a rotating case basis.

b. Appellate Process

The appellate process following a *Written Notice of Designation* or *Written Notice of Determination* will proceed as follows:

- ii. Parties will have five (5) Days from receipt of a *Written Notice of Designation* or *Written Notice of Determination* to submit a written appeal statement challenging the decision.
- iii. Parties will be notified if the other Party files a written appeal statement and given notice in writing of the general grounds for the appeal. The other Party will be given five (5) Days from receipt of the other Party's written appeal statement to submit a written appeal statement in support of the designation or written determination.
- iv. The Title IX Coordinator or designee shall coordinate the scheduling of the Appellate Hearing Officer and notify the Parties of the date of the appeal deliberation.
- v. The appeal deliberation is closed to the parties.

- vii. The Appellate Hearing Officer may: (1) affirm the designation or written determination; (2) overturn the designation or written determination; or (3) remand the case to remedy procedural errors or to consider new evidence.
- viii. The written decision by the Appellate Hearing Officer is final and is not subject to further appeal.
- ix. After the adjudication process is concluded or when the time for filing an appeal has expired and neither Party has submitted an appeal, the Title IX Coordinator or designee shall notify the Parties simultaneously of the final outcome of the adjudication process.
- x. The determination regarding responsibility for a violation of the Policy becomes final either on the date that the University provides the Parties with the written decision of the result of the appeal if an appeal is filed, or if an appeal is not filed, on the date after which an appeal would no longer be considered timely, subject to any remanded proceedings.

6. Academic Transcripts and Effect of Withdrawal on Student Respondents

Sanctions of expulsion and suspension are permanently noted on a student Respondent's academic transcript. When a student Respondent requests their transcript prior to the completion of the resolution process, the existence of a pending investigation is also noted. In the event a Respondent chooses to withdraw from the University prior to the resolution of a Formal Complaint, or where the Respondent declines to participate in the University proceedings under the Policy and Procedures, the University will continue the resolution process in accordance with the Procedures. When a Respondent withdraws before the conclusion of the resolution process, the Respondent is ineligible to return to the University until the resolution process has concluded.

1. Post-Resolution Follow-Up

After any Sanction and/or Remedies are issued, if the Complainant agrees, the Title IX Coordinator or designee may periodically contact the Complainant to ensure the Prohibited Conduct has ended and to determine whether additional Remedies are necessary. The Complainant may decline future contact at any time. The Title IX Coordinator or designee may periodically contact the Respondent to assure compliance with the intent and purpose of any Sanction and/or Remedies that have been imposed. Any violation by a Respondent of the intent and purpose of any Sanction and/or Remedies imposed under the Policy, or a failure by a University employee to provide specified Sanctions or Remedies should be reported to the TIXO.

The Complainant and Respondent are encouraged to provide the Title IX Coordinator or designee with feedback about their experience with the process and recommendations regarding ways to improve the effectiveness of the University's implementation of the Policy and Procedures.

PRIVACY RIGHTS OF STUDENTS (FERPA)

The Family Educational Rights and Privacy Act (**FERPA**) afford students certain rights with respect to their education records. They are:

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, the official shall advise the student of the correct official to whom the request should be addressed.

If the University decides not to amend the record as requested by the student, the

University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
(Optional) Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
(NOTE: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request.)
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

The institution does not discriminate in the recruitment, admission, or general treatment of students because of handicapping conditions. Coppin State University is determined to insure accessibility of programs and activities to handicapped students by selecting and administering tests in a way that physical impairments will not distort the results in respect to aptitude or achievement level and by providing or informing the students of available sources of auxiliary aids needed for academic performance. If necessary, modification of academic regulations will be made to further ensure full education requirements, whereby permitting a student, and extending the time for such students to complete a certificate or degree program.

Coppin State University further affirms that it will not refuse to hire or promote qualified handicapped persons and will make reasonable accommodations to such disabilities, if needed. Pre-employment physical examinations will not be permitted unless required of all applicants nor will inquiries about the handicapping condition be permitted unless it is specifically related to the individual's ability to perform the job to which he or she is to be assigned.

No organization will be permitted to proceed with any intake-related activities without prior approval through the Office of Student Activities and Leadership.

Overview

The administration of Coppin State University has determined that fraternities, sororities, and social fellowships at Coppin State University are a positive asset to campus life. To this end, it is the University's intent to define and completely enhance the Greek and Social Fellowship component of University policy.

Terms of Recognition

Recognition is the formal process by which Coppin State University grants a fraternity, sorority or social fellowship the right to function on the campus, induct undergraduate members through established intake procedures, use campus facilities and services, and identify its chapter with the University. Organizations designated under this policy meet the following criteria:

- They are entitled to same sex membership under provisions set by Section 86.14 of the regulations set by Title IX of the U.S. Education Act Amendment of 1972. They will work in conjunction with the Student Government Association and will retain membership in the Student Senate and on the President's Council (provided they complete all requirements to be active organizations).
- Chapters are legal corporations outside the boundaries of Coppin State University. In all cases, undergraduate chapters, graduate chapters, regional, and international chapters are incorporated separately from Coppin State University.

In order for a fraternity, sorority or social fellowship to be recognized by Coppin State University, the organization must:

- Demonstrate sound financial accountability.
- Demonstrate strong commitment to the mission and purpose of Coppin State University, and the surrounding community, through involvement in school and communal programming.
- Maintain the number of members as stipulated by the organization's national office. If permission is given by the organization's national or regional office to function without the established number, the University may also permit the chapter to function after receiving written permission from the appropriate organizational official. Full Recognition is accorded to chapters which are in full compliance with all of the policies governing Greek and Social Fellowship organizations on the campus of Coppin State University. Fully recognized chapters are entitled to all the rights, privileges, obligations, and resources available to student organizations at Coppin State University.

Inactive Recognition is accorded to organizations that have failed to retain the minimum number of members to maintain chapter activity. This is also accorded to a chapter that has failed to maintain the campus minimum grade point average as a whole.

Probationary Recognition is accorded to organizations that have failed to meet specific requirements for full recognition, which include, but are not limited to, academic performance, involvement in community service projects, campus leadership, violation of the University substance abuse or alcohol policy, and inappropriate conduct. A number of these violations are itemized in Coppin State University Student Handbook. The Office of the Dean of Students, in consultation with the Office Student Activities and Leadership, sets probation and its conditions. At the end of the probationary period, an organization must demonstrate that the conditions were fulfilled, and that steps have been taken to ensure that the violation is not repeated. If additional violations occur during the probation period, the chapter may be subject to suspension or various other sanctions.

Interim Suspension is the removal of all rights and privileges pending an investigation of alleged illegal activities. During the interim suspension, all scheduled and future activities will be cancelled. Any chapter placed on interim suspension will receive written documentation at the completion of the University's investigation and informed at that time what the status of the chapter is. Any chapter failing to adhere to the guidelines of an interim suspension may be subject to a chapter suspension or expulsion from the University.

Suspension is the removal of all rights and privileges, obligations, and University resources available to student organizations at Coppin State University. Suspended chapters may not participate in the Greek and Social Fellowship Council or its programs/activities. All levels of recognition, aside from Full Recognition, may be also be assessed by request of the National organization (i.e. regional or national requests).

The Office of Student Activities and Leadership establishes the University Policy under which fraternities, sororities, and social fellowships operate. The standards of conduct are integral to the maintenance of University recognition and associated privileges. It is mandatory that all campus chapters abide by Coppin State University regulations as listed in Coppin State University Student Handbook. The Office of Student Activities and Leadership, working closely with chapter advisors and chapter presidents, will ensure that accepted standards of conduct are maintained.

It is expected that all campus chapters will encourage their members, visiting affiliates, and chapter graduates to conduct themselves in a manner consistent with Coppin State University

standards and guidelines. Any organization that fails to comply with these statements will result in the suspension of the chapter.

Therefore, in an attempt to promote a fraternal environment, improve community relations, and enhance the welfare of Coppin State University students both on and off campus, standards and guidelines have been developed with which all fraternal organizations, their alumni, alumnae and Coppin State University are expected to comply.

Any Coppin State University student shall have the right to make known a problem or complaint without fear of reprisal or coercion. The purpose of University disciplinary proceedings is to provide a student accused of a violation with a fair evaluation under the Student Code of Conduct. Student Conduct processes are educational in nature; procedures will comply with standards of fundamental fairness and due process.

B. CHARGES AND HEARINGS

A student is required to maintain his/her University/local and permanent mailing addresses with the Office of Records and Registration and daily check his/her University E-mail account for news and information. Failure to do so may result in the student not receiving routine, critical or urgent correspondences and may lead to the student being held responsible for the content of certain notices.

1. Any member of the University community may file a complaint against any student for misconduct under this Code by filing a report with the CSU Department of Public Safety, the Office of Residence Life or the Coordinator of Student Conduct

- and Community Standards. You may contact the Office of Student Conduct and Community Standards for assistance with filing a complaint. Any complaint should be submitted as soon as possible after the event takes place.
2. Upon receipt of the complaint, the Coordinator of Community Standards will conduct an informal investigation to determine if the allegations are violations of the Student Code of Conduct.
 3. The charged student will be notified in writing requesting to meet with the Coordinator of Student Conduct and Community Standards to explain the charge(s) and their options.
 4. All charges shall be presented to the charged student in written form during an informal meeting with the student by the Coordinator of Student Conduct and Community Standards, or designee. During this meeting, the student will be encouraged to discuss and review the allegations being brought against him/her, as well as their conduct file. The respondent may accept full responsibility for his/her actions and verify, in writing, that the allegations are correct.
 5. If the respondent accepts responsibility, they waive his/her right associated with a hearing and will be sanctioned appropriately for the violation. Such disposition shall be final and there shall be no subsequent proceedings. If the charges cannot be disposed of by mutual consent, the Coordinator may convene a University Hearing Board and later serve as Board Advisor to review the case and determine responsibility, and subsequently recommend an appropriate sanction should the student be found responsible.
 6. A time shall be set for a hearing, not less than five nor more than fifteen (15) calendar days after the student has been notified (unless otherwise waived by the respondent).
 7. In hearings involving more than one charged student, the Coordinator of Student Conduct and Community Standards may permit the hearings concerning each student to be conducted jointly or separately.
 8. The complainant and the charged student have the right to be assisted by an advisor they choose. The advisor may be a member of the University community or may be an attorney. Nevertheless, the complainant and/or the charged student is responsible for presenting his or her own case by calling witnesses, question witnesses, presenting written documents and making opening and closing statements. An advisor present at a hearing of the University Judicial Board is permitted to advise his or her charged student as to what, if any, statements should be made before the hearing body. However, an advisor is not permitted to speak, cross-examine witnesses, present documentary evidence or make opening and closing statements.
 9. Only Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by the University Board.
 10. All procedural questions are directed to the Board Advisor of the University Judicial Board.

 13. There shall be a single verbatim record, such as a digital recording, of all hearings before the University Judicial Board. The record shall be maintained by the Office of Student Conduct and Community Standards.
 14. Except in the case of a student charged with failing to obey the notice of a University Judicial Board or University official, no student may be found to have violated the Student Code solely because the student failed to appear before a University Judicial Board. In all cases, the evidence in support of the charges shall be presented and considered; even in the absence of the accused.
 15. The decision of the University Judicial Board will be submitted in writing to the charged student within five (5) business days of the hearing from the Office of Student Conduct and Community Standards via the charged student's Coppin State University email account (Note: In cases against a student alleged to have committed a crime of violence or a non-forceable sexual offense, the final outcome will be disclosed to the alleged victim of the crime or offense as well).
